

**INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONDENSED CONSOLIDATED  
INTERIM FINANCIAL STATEMENTS**

To

The Board of Directors,

K Raheja Corp Investment Managers Private Limited (formerly known as K Raheja Corp Investment Managers LLP) (The "Investment Manager")

(Acting in capacity as the Investment Manager of Mindspace Business Parks REIT)

**Introduction**

1. We have reviewed the accompanying unaudited Condensed Consolidated Interim Financial Statements of **MINDSPACE BUSINESS PARKS REIT** ("the REIT"/ "the Parent") and its subsidiaries (the "Special Purpose Vehicles") (together referred as the "Mindspace Group"), which comprise the unaudited Condensed Consolidated Balance Sheet as at September 30, 2024, the unaudited Condensed Consolidated Statement of Profit and Loss, including other comprehensive income, the unaudited Condensed Consolidated Statement of Cash Flow for the quarter and half year ended September 30, 2024, the unaudited Condensed Consolidated Statement of changes in Unitholders' Equity for the half year ended September 30, 2024, the unaudited statement of Net Assets at fair value as at September 30, 2024, the unaudited statement of Total Return for half year ended September 30, 2024 and the unaudited Statement of Net Distributable Cash Flow of the REIT and each of its special purpose vehicles for quarter and half year ended September 30, 2024, as an additional disclosure in accordance with paragraph 4.6 of Chapter 4 to the Security Exchange Board of India (SEBI) Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated May 15, 2024 ("SEBI Circular") along with summary of the material accounting policies and select explanatory notes (together hereinafter referred as the "Condensed Consolidated Interim Financial Statements").
2. The Condensed Consolidated Interim Financial Statements, which is the responsibility of the Investment Manager and approved by the Board of Directors of the Investment Manager, have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time read with SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated May 15, 2024 ("SEBI REIT Regulations"); Regulation 52 and Regulations 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations. Our responsibility is to express a conclusion on the Condensed Consolidated Interim Financial Statements based on our review.

## **Scope of Review**

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Investment Manager's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing issued by ICAI and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The Condensed Consolidated Interim Financial Statements include the financial information of the entities listed in Annexure A to this report.

## **Conclusion**

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Condensed Consolidated Interim Financial Statements have not been prepared in accordance with SEBI REIT Regulations, Ind AS 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations and has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.

## **Emphasis of matter**

6. We draw attention to Note 41(5)(a) to the Condensed Consolidated Interim Financial Statements regarding freehold land and building thereon (Paradigm, Malad) held by Avacado Properties and Trading (India) Private Limited (Special Purpose Vehicle) which is presently under litigation. Pending the outcome of proceedings and a final closure of the matter, no adjustments have been made in the Condensed Consolidated Interim Financial Statements for the quarter and half year ended September 30, 2024. Our conclusion is not modified in respect of this matter.
7. We draw attention to Note 20(a) of the Condensed Consolidated Interim Financial Statements, which describes the presentation of "Unit Capital" as "Equity" to comply with the SEBI REIT Regulations. Our conclusion is not modified in respect of this matter.

**Measurement of fair values:**

The fair values of Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress are solely based on an independent valuation performed by an external property valuer ("independent valuer"), having appropriately recognised professional qualification and recent experience in the location and category of the properties being valued.

Other assets include cash and cash equivalents, other bank balances and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.

**Valuation technique**

The fair value measurement for all of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress (excluding Pocharam) has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted Market Approach or Government Benchmark Price / Guideline Value as may be applicable. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

The existing buildings in Pocharam are unoccupied. Considering the absence of leasing demand in the near term, and therefore no expected income stream and also since the asset is held for sale, the Valuer has opted for the Cost Approach. Under this method, the land component is assessed using the Comparable Sales/Quoted Instances Method under the Market Approach while building and plant & machinery components have been valued using the Depreciated Replacement Cost Method.

Net Distributable Cash Flows (NDCF) pursuant to SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 <sup>(6)</sup>

Note 1: The Board of Directors of the Manager to the Trust, in their meeting held on 25 October 2024, has declared distribution to unitholders of Rs. 5.15 per unit which aggregates to Rs. 3,054.04 million for the quarter ended 30 September 2024. The distributions of Rs. 5.15 per unit comprises Rs. 3.10 per unit in the form of dividend, Rs. 0.28 per unit in the form of interest payment, Rs. 0.01 per unit in the form of other income and the balance Rs. 1.76 per unit in the form of repayment of debt by SPV to REIT.  
Along with distribution of Rs. 5.04 per unit for the quarter ended 30 June 2024, the cumulative distribution for the half year ended 30 September 2024 aggregates to Rs. 10.19 per unit.

Note 2: As per the Revised NDCF Framework, finance cost on Borrowings includes processing fees paid of Rs. 15.76 million for the quarter ended 30 June 2024.

Note 3: Finance cost on Borrowings includes interest accrued but not due on loans as of 31 March 2024 of Rs. 829.84 million, paid during the quarter ended 30 June 2024.

Note 4 : a) Rs. 2,328.30 million had been received post 30 June 2024, but before finalisation and adoption of financial statements by the board of directors and forms part of the NDCF for the quarter ended 30 June 2024 in line with the Revised NDCF Framework.  
b) Rs. 3,091.42 million has been received post 30 September 2024, but before finalisation and adoption of financial statements by the board of directors and forms part of the NDCF for the quarter ended 30 September 2024 in line with the Revised NDCF Framework.

Note 5 : Includes distribution out of surplus cash of Rs. 109.00 million for the quarter ended 30 June 2024 and Rs. 97.90 million for the quarter ended 30 September 2024 received from SPVs.

Note 6: In order to promote standardisation of framework for computing NDCF, a revised framework was defined by SEBI vide master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 (erstwhile SEBI Circular No. SEBI/HO/DDHS/DDHS-PoD/P/CIR/2023/185 dated December 6, 2023 on revised NDCF framework). As per the framework, the Manager is required to declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions (“REIT Distributions”). This framework is applicable with effect from 1 April 2024. Accordingly, Mindspace REIT has computed the NDCF to comply with the said circular.

Note 1: In order to promote standardisation of framework for computing NDCF, a revised framework was defined by SEBI vide master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 (erstwhile SEBI Circular No. SEBI/HO/DDHS/DDHS-PoD/P/CIR/2023/185 dated December 6, 2023 on revised NDCF framework). As per the framework, the SPVs are required to declare and distribute at least 90% of their NDCF as distributions (“SPV Distributions”) to Mindspace REIT in proportion of its holding in the SPVs subject to applicable provisions of the Companies Act, 2013 . This framework is applicable with effect from 1 April 2024. Accordingly, the SPVs have computed the NDCF for the period ended 30 June 2024 as per the revised framework. Comparatives have not been provided in this framework for all the previous periods presented.

Note 2. As per the Revised NDCF Framework, finance cost on Borrowings includes processing fees paid of Rs. 26.12 million.

Note 3. Finance cost on Borrowings includes interest accrued but not due on loans as of 31 March 2024 of Rs. 69.43 million paid in current quarter, and was not part of the NDCF of the earlier quarters.

## 2 Basis of preparation

The Interim Condensed Consolidated Financial Statements ('Condensed Consolidated Financial Statements') of Mindspace Business Parks REIT comprise the Condensed Consolidated Balance Sheet as at September 30, 2024, the Condensed Consolidated Statement of Profit and Loss, including other comprehensive income, the Condensed Consolidated Statement of Cash Flow for the quarter and half year ended September 30, 2024, the Condensed Consolidated Statement of Changes in Unitholders Equity for the half year ended September 30, 2024, the Statement of Net Assets at fair value as at September 30, 2024, the Statement of Total returns at Fair value for the half year ended September 30, 2024, the Statement of Net Distributable Cashflows of Mindspace Business Parks REIT and each of the SPVs for the quarter and half year ended September 30, 2024, and a summary of the material accounting policies and select explanatory information and other additional financial disclosures.

The Condensed Consolidated Financial Statements have been prepared in accordance with the requirements of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 ("the REIT regulations"); Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("Listing Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations (refer note 20 on presentation of "Unit Capital" as "Equity" instead of compound instruments under Ind AS 32 – Financial Instruments: Presentation).

The Condensed Consolidated Financial Statements were authorised for issue in accordance with the resolution passed by the Board of Directors of the Manager on October 25, 2024.

Statement of compliance to Ind AS:

These Condensed Consolidated financial statements for the quarter and half year ended September 30, 2024 have been prepared in accordance with Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) to the extent not inconsistent with the REIT regulations as more fully described above and Note 20 to the condensed consolidated financial statements. The accounting policies adopted and followed are consistent with those of the previous financial year. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up to the same reporting date.

### Basis of Consolidation

Mindspace Business Parks Group consolidates entities which it owns or controls. The Condensed Consolidated Financial Statements comprise the financial statements of Mindspace Business parks REIT and its subsidiary SPVs as disclosed in note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Condensed Consolidated Financial Statements of Mindspace Business Parks Group are stated below:

- The financial statements of Mindspace Business Parks Group are consolidated for like items and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of Mindspace Business Parks Group are eliminated in full upon consolidation.
- Telangana State Industrial Infrastructure Corporation Limited, which is a shareholder in Intime, KRIT and Sundew has not agreed to exchange their equity interest in the SPVs (Intime, KRIT and Sundew), thus, Mindspace Business Parks REIT has recorded a non-controlling interests for these SPVs. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interest proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.
- The figures in the notes to accounts and disclosures have been Consolidated line by line and Inter-company transactions and balances including unrealised profits are eliminated in full on consolidation.
- Mindspace Business Parks Group holds 4% of the equity share capital of Stargaze Properties Private Limited, a company involved in the real estate development. Mindspace Business Parks Group is of the view that it is not able to exercise significant influence over Stargaze Properties Private Limited and hence it has not been accounted using equity method.

### 3 Material accounting policies

#### (a) Functional and presentation currency

The Condensed Consolidated Financial Statements are presented in Indian rupees, which is Mindspace Business Parks Group's functional currency and the currency of the primary economic environment in which Mindspace Business Parks Group operates. All financial information presented in Indian rupees has been rounded off to nearest million except otherwise stated.

#### (b) Basis of measurement

The Condensed Consolidated Financial Statements are on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument); measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan.

#### (c) Use of judgements and estimates

The preparation of the Condensed Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most material effect on the amounts recognised in the Condensed Consolidated Financial Statements is included in the following notes:

- \* Presentation of "Unit Capital" as "Equity" in accordance with the REIT Regulations instead of compound instrument (Note 20)
- \* Estimation of lease term for revenue recognition
- \* Estimation of useful life of property, plant and equipment and investment property
- \* Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used and income taxes.
- \* Impairment and Fair valuation of Investment Property, Investment property under construction and Property, plant and equipment
- \* Recognition and measurement of provisions for contingencies and disclosure of contingent liabilities
- \* Significant judgements is involved in the allocation cost of acquisition to the identifiable assets and liabilities based on their relative fair values at the date of acquisition in case of asset acquisition.

#### d) Current versus non-current classification

Mindspace Business Parks Group presents assets and liabilities in the Condensed Consolidated Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Mindspace Business Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Mindspace Business Parks Group has identified twelve months as its operating cycle.

#### (e) Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, Mindspace REIT takes into account the characteristics of the asset or liability and how market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Mindspace Business Parks Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Mindspace Business Parks Group has an established control framework with respect to the measurement of fair values.

Mindspace Group regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the Management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, Mindspace Business Parks Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

### 3.1 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis elected to be accounted for financial guarantee as Insurance Contracts.

### 3.2 Property, plant and equipment

#### (a) Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Depreciation is charged when the assets are ready for their intended use. The cost of property, plant and equipment includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective assets. The cost of such assets not ready for their intended use are disclosed as capital work-in-progress. Purchase price or construction cost is defined as any consideration paid or fair value of any other consideration given to acquire the asset.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

#### (b) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.

#### (c) Depreciation

Depreciation / amortisation is provided using straight line method as per the useful life of the assets estimated by the management over the balance useful life. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013, are listed in the table below. Depreciation on addition / deletion of property, plant and equipment made during the period is provided on pro-rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

Asset group	Estimated Useful Life (in years)	
	Power assets	Other assets
Right to use - Leasehold land	Balance Lease term	-
Buildings*	75/90	-
Plant and machinery	15	15
Electrical installation*	15	15
Computers	3	3
Temporary Structure*	-	1
Office equipment*	4	4
Furniture and fixtures*	-	7
Vehicles*	-	5

\* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

#### (d) De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Condensed Consolidated Statement of Profit and Loss.

#### (e) Capital work in progress

Property, plant and equipment under construction is disclosed as capital work in progress which is carried at cost less any recognized impairment losses. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Advance paid and expenditure incurred on acquisition / construction of property, plant and equipment which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as advances on capital account and capital work-in-progress respectively.

### 3.3 Intangible assets

#### (a) Recognition and measurement

An intangible asset is an identifiable non-monetary asset without physical substance. Intangible assets with finite useful lives that are acquired separately are initially measured at its cost and then carried at the cost less accumulated amortisation and impairment, if any. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less impairment, if any.

#### (b) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the Condensed Consolidated Statement of Profit and Loss as incurred.

#### (c) Amortisation

Amortisation is calculated over the cost of the asset, or other amount substituted for cost, less its residual value. Amortisation is recognised in the Condensed Consolidated Statement of Profit and Loss on a straight line method over the estimated useful lives of intangible assets, from the date that they are available for use.

Asset group	Estimated Useful Life (in years)
	Other assets
Computer Softwares	3
Trademarks	10

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

#### (d) De-recognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal, gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.

### 3.4 Investment property

#### (a) Recognition and measurement

Properties including land, building and other assets, which are held either for long-term rental yield or for capital appreciation or for both, and which are not occupied substantially by Mindspace Business Parks Group are classified as investment property.

Investment properties are initially recognised at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirement of Ind AS 16's requirements for cost model i.e. Cost less depreciation less impairment losses, if any. Depreciation is charged when the investment property is ready for its intended use. Cost comprises of direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are allocated on a reasonable basis to the cost of the project.

Plant and machinery, furniture and fixtures, office equipment and electrical equipments which are physically attached to the commercial buildings are considered as part of investment property.

In case ancillary services are provided to the occupants of the property, such property is treated as investment property if the services are insignificant to the arrangement as a whole.

Acquisitions and disposals are accounted for at the date of completion of acquisitions and disposals.

If significant parts of an item of Investment property have different useful lives, then they are accounted for as separate items (major components) of Investment property.

#### (b) Subsequent expenditure

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

#### (c) Depreciation

Depreciation / amortisation is provided using straight line method as per the useful life of the assets estimated by the management over the balance useful life. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013 and listed in the table below. Depreciation on addition / deletion of investment property made during the period is provided on pro-rata basis from / to the date of such addition / deletion.

Asset group	Estimated Useful Life (in years)
Right to use - Leasehold land	Balance Lease term
Buildings*	75/90
Infrastructure and developm	15
Roadwork*	15
Broadwalk, vantage café etc	50
Plant and machinery	15
Office equipment*	4
Furniture and fixtures*	7
Electrical installation*	15

\* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

(4) Useful life of building is restricted to the lease term of leasehold land on which the building is constructed.

#### (d) Fair Value

Fair value of investment property is based on a valuation by an independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued. The fair value of investment property is disclosed in the Statement of Net assets at Fair Value.

#### (e) De-recognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Condensed Consolidated Statement of Profit and Loss in the period in which the property is de-recognised.

In determining the amount of consideration from the derecognition of Investment properties, the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

#### (f) Investment properties under construction

Property that is being constructed for future use as investment property is accounted for as investment property under construction until assets are ready for their intended use.

Direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are taken as the cost of the project.

Investment properties under construction represent the cost incurred in respect of areas under construction of the real estate development projects less impairment losses, if any.

Advance paid for acquisition of investment property which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as capital advance.

### 3.5 Impairment of assets

Mindspace Business Parks Group assesses at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, Mindspace Business Parks Group estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit (CGU) to which the asset belongs) is estimated as the higher of its fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows (discounted using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset) expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU. An impairment loss is recognised whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognised in the Consolidated Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

### 3.6 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average interest rate applicable to the general borrowings.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

Borrowing cost incurred by the SPVs on inter-company loans is continued to be capitalised only to the extent Mindspace Group has incurred external borrowing cost.

### 3.7 Inventories

#### (a) Measurement of inventory

Inventories comprise of building material and components. Contractual work in progress, in respect of third party customers, is classified as work in progress. Mindspace Business Parks Group measures its inventories at the lower of cost and net realisable value.

#### (b) Cost of inventories

The cost of inventories of building material and components and work in progress comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

#### (c) Net realisable value

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### 3.8 Revenue recognition

#### (a) Facility rentals

Revenue from property leased out under an operating lease is recognised over the lease term on a straight line basis, except where there is an uncertainty of ultimate collection.

Lease incentives granted are recognised as an integral part of the total rental income. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Mindspace Business Parks Group is reasonably certain that the tenant will exercise that option. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

#### (b) Revenue from works contractual services

Revenue from contracts with customers is recognised when a performance obligation is satisfied by transfer of promised goods or services to a customer in accordance with the agreement with the customer. For works contract arrangement, the performance obligation gets satisfied over time, and therefore, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation from time to time as per the agreement with the customer. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring goods or services to a customer excluding amounts collected on behalf of a third party

#### (c) Maintenance services

Maintenance income is recognised over a period of time for services rendered to the customers.

#### (d) Revenue from power supply

Revenue from power supply is accounted for on the basis of billings to consumers and includes unbilled revenues accrued up to the end of the accounting year. Mindspace Business Parks Group determines surplus/deficit i.e. excess/ shortfall of aggregate gain over return on equity entitlement for the period in respect of its operations based on the principles laid down under the respective Tariff Regulations as notified by Maharashtra Electricity Regulatory Commission (MERC), on the basis of the tariff order issued by it. In respect of such surplus/deficit, appropriate adjustments as stipulated under the regulations are made during the period. Further, any adjustments that may arise on annual performance review by the MERC under the tariff regulations is made after the completion of such review.

#### (e) Revenue from sale of goods

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold is net of variable consideration on account of various discounts offered by the Company as part of the contract. Revenue from the sale of goods is recognised when the Group performs its obligations to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer.

**(f) Finance Lease**

For assets let out under finance lease, Mindspace Business Parks Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease.

Contingent rents are recorded as income in the periods in which they are earned.

**(g) Sale of surplus construction material and scrap**

Revenue from sale of surplus construction material and scrap is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods net of the expected removal cost.

**3.9 Recognition of dividend income, interest income :**

- (i) Dividend income is recognised in profit or loss on the date on which Mindspace REIT group has right to receive payment is established.
- (ii) Interest income is recognised on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.
- (iii) Delayed payment charges and interest on delayed payments are recognised, on time proportion basis, except when there is uncertainty of ultimate collection.

**3.10 Tax expense**

Income tax expense comprises current tax and deferred tax charge or credit. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognised in equity and other comprehensive income respectively.

**(a) Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting period.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously

**(b) Deferred tax**

Deferred tax asset/liability is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured that are expected to apply to the period when the asset is realised or the liability is settled, using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which Mindspace Business Parks Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that Mindspace Business Park Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Mindspace Business Parks Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

In the situations where one or more units of the Group are entitled to a tax holiday under the tax law, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned unit's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Group restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

**(c) Minimum Alternate Tax (MAT)**

MAT credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and shown as MAT credit entitlement under deferred tax assets. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

### 3.11 Earnings per unit (EPU):

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unit holders of Mindspace REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per unit or increase loss per units are included.

### 3.12 Provisions, contingent liabilities and contingent assets

Provisions are recognised when Mindspace Business Parks Group has a present legal or constructive obligation as a result of a past event, it is probable that Mindspace Business Parks Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration net of recoveries if any, required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation. If the effect of the time value of money is material, provisions are discounted.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Mindspace Business Parks Group.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

### 3.13 Foreign currency transactions and translations

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Consolidated Statement of Profit and Loss of the period.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the period-end and not covered by forward contracts, are translated at the period-end at the closing exchange rate and the resultant exchange differences are recognised in the Condensed Consolidated Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

### 3.14 Leases

#### As a Lessor

Mindspace Business Parks Group enters into lease agreements as a lessor with respect to some of its investment properties.

Leases for which Mindspace Business Parks Group is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When Mindspace Business Parks Group is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease and presented as unbilled revenue in other financial assets.

The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Mindspace Group is reasonably certain that the tenant will exercise that option.

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

Amounts due from lessees under finance leases are recognised as receivables at the amount of Mindspace Business Parks Group's net investment in the leases. Finance lease income is allocated to reporting periods so as to reflect a constant periodic rate of return on Mindspace Business Parks Group's net investment outstanding in respect of the leases.

#### As a Lessee

Mindspace Business Parks Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Mindspace Business Parks Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, Mindspace Business Parks Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, Mindspace Business Parks Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is presented separately as part of Financial Liabilities in the Condensed Consolidated balance sheet. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

Mindspace Business Parks Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever

- the lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is measured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever Mindspace Business Parks Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets'. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter period of lease term and useful life of the underlying asset.

Mindspace Business Parks Group applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in Note 3.5.

Variable rents that do not depend on an index or rate are not included in the measurement the lease liability and the right-of-use asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line "other expenses" in the Condensed Consolidated Statement of Profit and Loss.

### **3.15 Financial instruments**

#### **1 Initial recognition and measurement**

Financial assets and/or financial liabilities are recognised when Mindspace Business Parks Group becomes party to a contract embodying the related financial instruments. All financial assets/ financial liabilities are initially measured at fair value, plus in case of financial assets/ financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition or issue of financial assets/ financial liabilities are added to or deducted, as the case may be, from the fair value of such assets or liabilities. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss. Trade receivables that do not contain a significant financing component are measured at transaction price.

#### **2 Financial assets:**

##### **(a) Classification of financial assets:**

- (i) Mindspace Business Parks Group classifies its financial assets in the following measurement categories:
  - those to be measured subsequently at fair value (either through other comprehensive income, or through the Consolidated Statement of Profit and Loss), and
  - those measured at amortised cost.
- (ii) The classification is done depending upon Mindspace Business Parks Group's business model for managing the financial assets and the contractual terms of the cash flows.
- (iii) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (iv) Mindspace Business Parks Group reclassifies debt investments when and only when its business model for managing those assets changes.

##### **(b) Subsequent Measurement**

###### **(i) Debt instruments:**

Subsequent measurement of debt instruments depends on Mindspace Business Parks Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which Mindspace Business Parks Group classifies its debt instruments:

###### **Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

###### **Financial assets at fair value through other comprehensive income (FVTOCI)**

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

###### **Financial assets at fair value through the Consolidated Statement of Profit and Loss (FVTPL)**

Financial assets are subsequently measured at fair value through the Condensed Consolidated Statement of Profit and Loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the Condensed Consolidated Statement of Profit and Loss.

###### **(ii) Equity instruments:**

Mindspace Business Parks Group subsequently measures all equity investments at fair value. There are two measurement categories into which Mindspace Business Parks Group classifies its equity instruments:

###### **Investments in equity instruments at FVTPL:**

Investments in equity instruments are classified as at FVTPL, unless Mindspace Business Parks Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

###### **Investments in equity instruments at FVTOCI:**

On initial recognition, Mindspace Business Parks Group can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Consolidated Statement of Profit and Loss on disposal of the investments, but is transferred to retained earnings.

**(c) Impairment of financial assets:**

Mindspace Business Parks Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, Mindspace Business Parks Group measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, Mindspace Business Parks Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

**(d) Derecognition of financial assets:**

A financial asset is primarily derecognised when:

- (i) the right to receive cash flows from the asset has expired, or
- (ii) Mindspace Business Parks Group has transferred its rights to receive cash flows from the asset; and  
Mindspace Business Parks Group has transferred substantially all the risks and rewards of the asset, or

Mindspace Business Parks Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Consolidated Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by the SPV is recognised as a separate asset or liability.

**3 Financial liabilities and equity instruments**

**(a) Classification as debt or equity**

Financial liabilities and equity instruments issued by Mindspace Business Parks Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**(b) Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of Mindspace Business Parks Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of Mindspace Business Parks Group's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Consolidated Statement of Profit and Loss on the purchase, sale, issue or cancellation of Mindspace Business Parks Group's own equity instruments.

**(c) Compound financial instruments**

The component parts of compound financial instruments issued by Mindspace Business Parks Group are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of Mindspace Business Parks Group's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

**(d) Financial Liabilities**

**• Recognition, measurement and classification**

Financial liabilities are classified as either held at a) fair value through the Consolidated Statement of Profit and Loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

Mindspace Business Parks Group's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through the Consolidated Statement of Profit and Loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Consolidated Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

**• Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in the Condensed Consolidated Statement of Profit and Loss when the liabilities are derecognized.

**4 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

**5 Embedded derivatives**

Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Embedded derivatives closely related to the host contracts are not separated. Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss.

### **3.16 Cash and cash equivalents**

Cash and cash equivalents comprises of cash at banks and on hand, demand deposits, investment in overnight mutual funds, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### **3.17 Statement of Cash flow**

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Mindspace Business Parks Group are segregated.

For the purpose of the Condensed Consolidated Statement of Cash Flow, Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease which are capitalised to the carrying amount of leased assets are considered as cashflows used in investing activity.

For the purpose of the Condensed Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of Mindspace Business Parks Group's cash management.

As per para 8 of Ind AS 7 "where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdraft, in the Condensed Consolidated Balance Sheet, is included as 'borrowings' under Financial Liabilities.

### **3.18 Employee benefits plan**

**Disclosure pursuant to Ind AS – 19 'Employee benefits'**

#### **(1) Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits such as salaries, wages, etc. and are recognised in the period in which the employee rendered the related services. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period.

#### **(2) Long term employee benefits**

##### **Defined contribution plans**

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Mindspace Business Parks Group's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense. The above benefits are classified as defined contribution schemes as Mindspace Business Parks Group has no further defined obligations beyond the monthly contributions.

##### **Defined benefit plan**

Mindspace Business Parks Group's gratuity benefit scheme is a defined benefit plan. Mindspace Business Parks Group has determined the gratuity liability based on internal calculation based on the number of years completed and last drawn basic salary as mentioned in the Payment of Gratuity Act, 1972. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets, if any. The defined benefit obligation is calculated annually by actuaries / SPVs using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Condensed Consolidated Statement of Profit and Loss.

##### **Other long term employee benefits - Compensated absences**

Benefits under compensated absences are accounted as other long-term employee benefits. Mindspace Business Parks Group has determined the liability for compensated absences based on internal calculation which is determined on the basis of leave credited to employee's account and the last drawn salary. Mindspace Business Parks Group's net obligation in respect of compensated absences is the amount of benefit to be settled in future, that employees have earned in return for their service in the current and previous years. The benefit is discounted to determine its present value. The obligation is measured on the basis of an actuarial valuation / by SPVs using the projected unit credit method. Remeasurement is recognised in the Consolidated Statement of Profit and Loss in the period in which they arise. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability.

### **3.19 Earnings before finance costs, depreciation and amortisation, regulatory income / expense, exceptional items and tax**

Mindspace Business Parks Group has elected to present earnings before interest, depreciation and amortisation, regulatory income / expense, exceptional items and tax as a separate line item on the face of the Condensed Consolidated Statement of Profit and Loss. Mindspace Business Parks Group measures earnings before interest, depreciation and amortisation, regulatory income / expense, exceptional items and tax on the basis of profit/ (loss) from continuing operations.

### **3.20 Subsequent events**

The Condensed Consolidated Financial Statements are adjusted to reflect events that occur after the reporting date but before the Condensed Consolidated Financial Statements are issued. The Consolidated Financial Statements have their own date of authorisation, which differs from that of the financial statements of the entities which are part of Mindspace REIT group. Therefore, when preparing the Condensed Consolidated Financial Statements, management considers events up to the date of authorisation of these financial statements.

### **3.21 Errors and estimates**

Mindspace Business Parks Group revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Condensed Consolidated financial statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

### 3.22 Segment Information

#### Primary segment information

The primary reportable segment is business segments.

#### Business segment

The Mindspace Group is organised into the two operating divisions - 'real estate' and 'power distribution', which are determined based on the internal organisation and management structure of the Mindspace Group and its system of internal financial reporting and the nature of its risks and its returns. The Board of directors of the manager has been identified as the chief operating decision maker (CODM). CODM evaluates the Mindspace Group's performance, allocates resources based on analysis of various performance indicators of the Group as disclosed below.

#### Real estate segment

Real estate comprises development and management of projects under Special Economic Zone (SEZ), Information Technology Parks and other commercial assets. The Group has its project/properties in Mumbai Region, Hyderabad, Pune and Chennai for development and management of commercial SEZ, IT parks and commercial assets including incidental activities.

#### Power distribution

The state power regulator has taken on record the SEZ developer MBPPL, Gigaplex, Sundew and KRC Infra as Deemed Distribution Licensee for Power. The approved SPVs being Deemed Distributor, supplies power to customers within the notified SEZ.

#### Secondary segment

Mindspace Business Parks Group's operations are based in India and therefore Mindspace Business Parks Group has only one geographical segment - India.

### 3.23 Non-controlling interests

Non-controlling interests represent the share of reserves and capital attributable to the shareholders of the SPVs who have not agreed to exchange their shares in the SPVs for units of Mindspace REIT and will not become the unitholders of Mindspace REIT. Below is the list of shareholders of the SPVs for whom non-controlling interest has been recognised. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Condensed Consolidated Statement of Profit and Loss, Condensed Consolidated Statement of Changes in Equity and Condensed Balance Sheet.

SPV	Shareholder	% Holding in SPV (As on reporting date)
KRIT	Telangana State Industrial Infrastructure Corporation Limited	11.0%
Intime	Telangana State Industrial Infrastructure Corporation Limited	11.0%
Sundew	Telangana State Industrial Infrastructure Corporation Limited	11.0%

Ind AS 110 requires entities to attribute the profit or loss and each component of other comprehensive income to the owners of Mindspace REIT and to the non-controlling interests. This requirement needs to be followed even if this results in the non-controlling interests having a deficit balance.

### 3.24 Cash distribution to unit holders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Board of Directors of the Manager. A corresponding amount is recognised directly in other equity.

### 3.25 Distribution Policy

The Net Distributable Cash Flows of Mindspace REIT are based on the cash flows generated from Mindspace REIT's assets and investments. In terms of the Distribution Policy of Mindspace REIT and the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, in proportion of Mindspace REIT's shareholding in the Asset SPV, subject to applicable provisions of the Companies Act 2013. Presently, NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, repayment of debt by SPVs to REIT, proceeds of any capital reduction or buyback from the Asset SPVs or as specifically permitted under the Trust Deed or in such other form as may be permissible under the REIT Regulations. Such SPV Distributions shall be declared and made for every quarter of a Financial Year in terms of the Distribution Policy.

### 3.26 Non-current assets held for sale and Discontinued Operations:

Discontinued operation is a component of the Company that has been disposed of or classified as held for sale and represents a major line of business or geographies. Non-current assets are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition.

Management must be committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

### 3.27 Recent Pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

#### **New and amended standards:**

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

#### **Ind AS 117 – Insurance Contracts**

The Ministry of Corporate Affairs has issued a notification dated 12 August 2024 introducing Ind AS 117, Insurance Contracts for accounting of insurance contracts which replaces the current standard Ind AS 104, Insurance Contracts. The amendments are applicable with effect from 12 August 2024.

Additionally, amendments have been made to Ind AS 101, First-time Adoption of Indian Accounting Standards, Ind AS 103, Business Combinations, Ind AS 105, Noncurrent Assets Held for Sale and Discontinued Operations, Ind AS 107, Financial Instruments: Disclosures, Ind AS 109, Financial Instruments and Ind AS 115, Revenue from Contracts with Customers to align them with Ind AS 117. The amendments also introduce enhanced disclosure requirements, particularly in Ind AS 107, to provide clarity regarding financial instruments associated with insurance contracts.

#### **Ind AS 116 - Leases**

On 9 September 2024, the Ministry of Corporate Affairs issued amendments to Ind AS 116 concerning sale and leaseback transactions. The amendment impacts how a seller-lessee accounts for variable lease payments that arise in a sale-and leaseback transaction. The amendments introduce a new accounting model for variable payments and will require seller-lessees to reassess and potentially restate sale and- leaseback transactions. The key considerations from the amendments are:

- (a) On initial recognition, the seller-lessee includes variable lease payments when it measures a lease liability arising from a sale-and-leaseback transaction.
- (b) After initial recognition, the seller-lessee applies the general requirements for subsequent accounting of the lease liability such that it recognises no gain or loss relating to the right of use it retains.

A seller-lessee may adopt different approaches that satisfy the new requirements on subsequent measurement. The amendments are applicable with effect from 1 April 2024. Under Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, a seller-lessee will need to apply the amendments retrospectively to sale and-leaseback transactions entered into or after the date of initial application of Ind AS 116.

The above amendments are not relevant or do not have an impact on the Condensed Consolidated Financial Statements of the Trust. The Trust has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) In MBPPL - The leasehold land (admeasuring 198,997 sq mtrs. in Airoli, Navi Mumbai) has been acquired on lease by the Company from Maharashtra Industrial Development Corporation ('MIDC'). The lease is due to expire on 31 July 2064. The SPV has right to renewal of said lease for a further year of 99 years upon payment of premium as may be decided.

(ii) In Gigaplex - The lease hold land is a part of land (admeasuring 202,300 sq. mtrs. in Airoli, Navi Mumbai) which has been acquired on lease from Maharashtra Industrial Development Corporation ('MIDC'). The lease is due to expire on 31 May 2102. The SPV has right of renewal of said lease for a period of 95 years upon payment of premium as may be decided.

**\*\*Note 6(b):** During the previous year, Horizonview (SPV) has handed over 22% of the proportionate share of the constructed area, belonging to the landowner as per the Development Agreement, upon completion of work for such area by SPV. Against payment of such consideration in the form of the said area handed over, corresponding execution of Conveyance Deed, as agreed, of the proportionate share of the SPV in the land, was done during the quarter ended September 2023. Further, the Company had acquired 22% of the proportionate share of the constructed area along with the land attributable to land owner for a consideration of Rs 1,659.00 million. The consideration was allocated to individually identifiable assets acquired on the basis of their relative fair values as determined by an independent valuer at the date of purchase. Accordingly, the land was recorded at Rs 419.60 million, building was recorded at Rs 1,080.60 million, plant and machinery was recorded at Rs 93.80 million and electrical installations was recorded at Rs 65.00 million.

**\*\*\*Note 6(c):** During the previous quarter, the REIT has acquired certain commercial units with leasable area of 0.42ksf in one of its parks for a consideration of Rs. 438.73 million.

**(a) Terms/rights attached to Units and other disclosures**

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust on quarterly basis in accordance with REIT Regulations/ in terms of the Distribution Policy. The Board of directors of Investment Manager approves distributions. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Mindspace Business Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Mindspace Business Parks REIT on half year basis for each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Mindspace Business Parks REIT to pay to its Unitholders cash distributions. Hence, the Unit Capital is a compound financial instrument which contains equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/43 dated 15 May 2024 issued under the REIT Regulations, the Unitholders' funds have been presented as "Equity" in order to comply with the requirements of Section H of Chapter 3 to the SEBI master circular dated 15 May 2024 dealing with the minimum presentation and disclosure requirements for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is also presented in Statement of Changes in Unitholders' Equity when the distributions are approved by the Board of Directors of Investment Manager.

**Retained earnings :**

The cumulative gain or loss arising from the operations which is retained and is recognized and accumulated under the heading of retained earnings. At the end of the period, the profit/loss after tax is transferred from the statement of profit and loss to the retained earnings account.

**Debenture redemption reserve**

As per the Companies (Share Capital and Debentures) Rules, 2014 (amended), SPV is required to create Debenture Redemption Reserve (DRR) out of profits, which is available for payment of dividend, equal to 10% of the amount of debentures issued. Accordingly, the SPV has created DRR out of their profits in terms of the Companies (Share Capital and Debenture) Rules, 2014 (as amended) which would be utilized for redemption of debentures at the time of its maturity. During the quarter ended June 30, 2024, such debentures were redeemed and hence balance in the reserve has been transferred to retained earnings.

**Notes:**

- 1 **KRIT** - Contingent liability of Rs. 932.50 million relate to AY 2012-13 to AY 2018-19 for which it has filed appeals before Hon'ble CIT(A) against orders under section 143(3) / 143(3) read with section 153A of the Act contesting the disallowance of deduction under section 80IA of the Income Tax Act 1961. The disallowance of deduction under section 80IA for AYs 2012-13 to 2018-19 by the Income Tax department was based on the order for earlier AY 2011-12 wherein similar disallowance was made. KRIT had challenged the said order of AY 2011-12 before the ITAT. The Hon'ble ITAT vide its order dated 06.05.2021 allowed the appeal in favour of KRIT by quashing the disallowance made by the income-tax authority. The Income Tax department has further filed an appeal before the High Court against the said order for AY 2011-12 of the Hon'ble ITAT. The Hon'ble CIT(A) vide order dt 24-07-2024 has allowed the appeals for the aforesaid assessment years in favour of KRIT by allowing deduction under section 80IA of the Act. KRIT has filed the letter with the department for order giving effect to the said orders of CIT(A) which is pending with the authorities. The Income tax department has further appealed against the order of the CIT(A) for AY 2012-13 to 2018-19 before the Hon'ble Income Tax Appellate Tribunal. KRIT is hopeful of a favourable outcome for these Assessment Years. In case of unfavourable decisions in appeal for AY 2012-13 to AY 2018-19, the tax would be payable under normal tax and hence, MAT credit currently available with KRIT will no longer be available. As a result, in addition to above contingent liability, KRIT would require to pay additional tax of Rs. 325.57 million w.r.t. AY 2019-20 and AY 2020-21 (These years are not under litigation) because during these years KRIT has utilised the MAT credit availed during AY 2012-13 to AY 2018-19.

**Avacado**- Contingent liability of Rs. 30.55 million relates to AY 2015-16 and AY 2016-17. For AY 2015-16 and AY 2016-17, the Company had filed appeals against order under section 143(3) read with 153A of the Income Tax Act, 1961 on account of disallowances u/s 14A and u/s 80IA which were disposed-off in favour of the Company in earlier year. The department has filed an appeal before the Hon'ble High Court against the same.

- a) A Suit has been filed in the year 2008 by Nusli Neville Wadia (Plaintiff) against Ivory Properties and Hotels Private Limited (Ivory) & Others which includes Avacado as one of the Defendants inter alia in respect of the land and the 'Paradigm' Industrial Park building of Avacado. The Plaintiff has prayed against Avacado and the said Ivory restraining them from carrying out further construction or any other activity on the land (on which the building Paradigm is constructed), demolition and removal of the structures on the said land, appointment of a Court Receiver in respect of the said land and Paradigm building, declaring the MOUs / Agreements entered into by Avacado with Ivory and the Plaintiff as voidable and having been avoided and rescinded by the Plaintiff and to be delivered up and cancelled, restraining from alienating, encumbering or parting with possession of structures and restraining from dealing with, creating fresh leases / licenses or renewing lease / license in respect of the said Paradigm building and from receiving or recovering any rent / license fee / compensation in respect of the said leases / licenses, depositing all the rents in the Court, etc. The Court has not granted any ad-interim relief to the Plaintiff. Avacado has filed its reply to the said Suit denying the allegations and praying that no interim relief be granted to the Plaintiff. The notice of motion for interim relief and the Suit are pending for the final hearing before the High Court.

Based on an advice obtained from an independent legal counsel, the management is confident that Avacado will be able to suitably defend and the impact, if any, on the Ind AS financial statements can be determined on disposal of the above Petition and accordingly, Ind AS Financial statements of Avacado have been prepared on a going concern basis. Further, the Plaintiff, through his advocates & solicitors, had addressed letter dated 13 February 2020 including to Mindspace REIT, the Manager, the Trustee, the Sponsors, Avacado, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Ivory Properties and K Raheja Corp Pvt.Ltd., expressing his objection to the proposed Offer and any actions concerning the building Paradigm located at Mindspace Malad project. The allegations and averments made by the Plaintiff have been responded and denied by the addressees, through their advocates & solicitors. No further correspondence has been received.

- b) Pursuant to the levy of service tax on renting of immovable properties given for commercial use, retrospectively with effect from 1 June 2007 by the Finance Act, 2010, some of the lessees to whom Avacado has let out its premises, have based on a legal advice, challenged the said levy and, inter-alia, its retrospective application and withheld payment of service tax to Avacado, based on certain judicial pronouncements and stay orders granted by appropriate High Courts from time to time. Further in this regard the Hon'ble Supreme Court has passed an interim order dated 14th October, 2011 in Civil appeal nos. 8390, 8391-8393 of 2011 and in compliance of which, such lessees have deposited with appropriate authority in 3 instalments, 50% of the amount such service tax not so paid by them upto 30 September 2011 and have furnished surety for the balance 50% of the amount of service tax and which amount has also been deposited by them with the authorities. Further as per Hon'ble Supreme Court's Order dated 5th April 2018 in Civil Appeal No. (s) 4487/2010, the matter is deferred until disposal of the issues pending before the nine judges Bench in Mineral Area Development Authority and others.

In view of the above and subject to the final orders being passed by the Hon'ble Supreme Court in the aforesaid appeals, there may be a contingent liability on Avacado in respect of interest payable on account of the delayed payment of service tax, which amount would be recoverable from the respective lessees by Avacado.

The Appellant filed an application seeking a stay on the Impugned Order. On January 13, 2023 the Additional Collector, Pune granted status quo till the final decision of the Appeal. On March 27, 2023, the Appellant filed an Application seeking an amendment to the Appeal to implead KRC Infra as a respondent therein and thereafter KRC Infra came to be impleaded as Respondent No. 3 by Additional Collector, Pune. On April 26, 2023, KRC Infra was served a notice of the aforesaid appeal to appear in the matter. On May 08, 2023 KRC Infra appeared in the matter and filed an Application seeking copies of the Appeal Memo and supporting documents thereof. On October 16, 2023, the Appellant filed an Amendment Application for impleading 13 new respondents ("Amendment Application"). However, the copies of the aforesaid were not served on KRC Infra and the matter was posted on December 5, 2023 for receipt of records and proceedings of i) Complaint Case No. 6 of 2020 before the Ld. Circle Inspector, Kalas; ii) RTS Appeal No. 429 of 2022 before the Ld. Sub-Divisional Officer. On December 5, 2023 KRC Infra filed its say to the Amendment Application and written arguments on the aforesaid Amendment Application were filed on February 05, 2024. The Amendment Application came to be rejected vide order passed on February 06, 2024 by Sub Division Officer, Haveli. On February 05, 2024 Respondent No. 1 and 2 filed an Application for vacating status quo order passed on January 13, 2023 by Additional Collector, Pune. Subsequently the matter was adjourned on multiple dates and the matter was posted to September 10, 2024. On September 10, 2024 Respondent No. 3 filed Reply cum written submissions on the Appeal and the matter is currently pending.

**7 MBPPL**

- a) Pursuant to the demerger and vesting of the Commerzone Undertaking of K Raheja Corp Pvt Ltd. (KRCPL), in MBPPL, MBPPL is the owner to the extent of 88.16 % undivided right title and interest in the land bearing S. No 144, 145 Yerawada, Pune which is comprised in the said Undertaking. "Shrimant Chhatrapati Udayan Raje Bhosale ("the Plaintiff") has filed a Special Civil Suit bearing No.133 of 2009 in the Court of Civil Judge, Senior Division Pune against the erstwhile land Owner Shri Mukund Bhavan Trust (who had entrusted development rights to MBPPL) and the State of Maharashtra, claiming to be the owner of the said land. The Hon'ble Court was pleased to reject the Application for amendment of plaint filed by the Plaintiff and allow the Third Party Applications on November,14.2016. The Plaintiff has filed two writ petitions bearing Nos. 4415/2017 and 4268/2017 in the Bombay High Court challenging the aforesaid orders passed on November 14.2016. The matter was transferred to another Court for administrative reasons and adjourned on several occasions for compliance of the order by the Plaintiff. On 5th March 2018 the Advocate for the Plaintiff filed a purshis on record stating that since he does not have any instructions in the matter from the Plaintiff, the Vakalatnama is being withdrawn by him and the matter was posted on 20th March 2018. On 20th March 2018 the Hon'ble Court was pleased to adjourn the matter till 22nd June 2018 since the Advocate for the Plaintiff had withdrawn the Vakalatnama and the Plaintiff was not represented by any Advocate. Writ Petition Nos. 4415/2017 and 4268/2017 filed in the Hon'ble Bombay High Court challenging the orders dated 14th November 2016 by Shrimant Chatrapati Udayanraje Bhosale against Shri. Mukund Bhavan Trust and others came up for hearing on 28 November 2017 wherein the Advocate for the Petitioner undertook to serve the copy of the petition on the Respondent No. 2 i.e. State of Maharashtra and the Hon'ble High Court was pleased to adjourn the same till 16.01.2018, 26.02.2018, 22.06.2018. On 22.06.2018 the Advocate for the Defendant No. 1 filed a purshis stating that the Defendant No. 1 (a) expired matter was further adjourned till 24.10.18, 26.11.18, 21.12.18, 01.02.2019, 25.03.2019 and 15.04.2019, 18.06.2019, 27.08.2019, 19.09.2019. On 19.09.2019 the matter has been stayed by the Hon'ble Court and further posted on 11.11.2019 for compliance of the order dated 14.11.2016 by the Plaintiff. The matter has been stayed under Sec 10 of Code of Civil Procedure. Next date 16.09.23 for steps. Both the Writ Petitions were posted on 21.09.18, 11.10.18, 22.10.18 and further posted on 10.06.19 for Admission. The matters came on board on 20.06.2019, 14.11.2019, 15.01.2019 and 21.02.2019. As per the CMIS Writ Petition No. 4415/2017 was last posted on 27.03.2020 and is yet not listed. As per the CMIS Writ Petition No. 4268/2017 was last posted on 27.03.2020 and thereafter on 23.07.20 for Admission and is yet not listed. In the management's view, as per legal advice, considering the matter and the facts, no provision for any loss / liability is presently required to be made.
- b) MBPPL is subject to other legal proceedings and claims, which have arisen in the ordinary course of business. MBPPL's management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have a material and adverse effect on MBPPL's results of operations or financial condition.
- c) MBPPL received a communication (alleged reminder) from Pune Municipal Corporation (PMC) demanding an amount of Rs.157 million allegedly due from MBPPL based on objections by internal audit report of Pune Municipal Corporation. MBPPL, has submitted a letter denying all allegation of PMC, as MBPPL has not been served with any document referred to the said PMC letter. Subsequently MBPPL addressed one more communication stating that MBPPL would be in a position to submit their reply upon receipt of the details of amount demanded as per their reply submitted which states that if any principal outstanding is due/recoverable, MBPPL agrees to make the said payment and sought detailed clarification on the interest amount. By letter dated 20.07.2019 to MBPPL, PMC provided the copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated 17.08.2021 to the architect firm and another, PMC stated that it has not received any clarifications and provided the challans of amounts by assessing interest thereon and required submission of challan/receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated 06.09.2021 to PMC, MBPPL has again reiterated that the earlier PMC letter dated 04.02.2019 and the PMC letter dated 17.08.2021 are addressed to the wrong persons and informed PMC of the non-receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated 11.10.2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires; and likewise the act of issuing the letter dated 17.08.2021 is ultra vires and without the authority of law and called upon PMC to withdraw the impugned challans and letter forthwith. By the said letter MBPPL further stated that if the challans and letter is not withdrawn and any further action is initiated in that event the letter dated 11.10.2021 may be treated as a notice under section 487 of The Maharashtra Municipal Corporations Act, 1949 and under section 159 of The Maharashtra Regional and Town Planning Act, 1966. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted that, in order to resolve the controversy, MBPPL is willing to offer to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one-time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and to provide an opportunity of hearing and furnishing clarifications, if required by PMC. Subsequently, by letter dated March 10, 2022, PMC informed MBPPL that it has not accepted the cheque issued by MBPPL vide its letter dated January 25, 2022 and requested MBPPL to issue demand draft for the amount as per the Challans and make the payment to PMC at the earliest.

On April 7, 2022 MBPPL submitted a reply/ letter to PMC enclosing a demand draft as desired by the PMC, for an amount of ₹ 26.64 million towards the payment as set out in MBPPL's earlier communications. Vide letter dated July 11, 2022 PMC returned MBPPL's demand draft while demanding entire demanded payment. MBPPL vide its letter dated July 22, 2022 read with MBPPL letter dated July 21, 2022 remitted the entire demanded payment of Rs.10,13,57,239/- under protest. MBPPL on July 28, 2022 also paid an amount of Rs.60,93,225/- being Challan Late Fees and recorded this payment under MBPPL letter dated August 8, 2022.MBPPL ("Petitioner") has filed writ petition on November 14, 2022 in the Bombay High Court ("Court") against Pune Municipal Corporation and others ("Respondents") inter alia, seeking to impugn and set aside the Demand Notice dated January 5, 2022 enclosing challans for certain amounts allegedly due and payable by the Petitioner ("Impugned Demand Notice") and for refund of the amount of ₹ 107.45 million paid by the Petitioner under protest to the Respondents towards the Impugned Demand Notice. The matter is currently pending for admission.

**8 Intime, Sundew and KRIT**

- a) In accordance with the Scheme of arrangement which was approved by Hon'ble Andhra Pradesh High Court on 23 March 2007, the Industrial Park II and III undertakings of K.Raheja IT Park (Hyderabad) Limited (formerly known as K.Raheja IT Park (Hyderabad) Private Limited) ("KRIT", "JV Company") have been demerged and vested in the Company with effect from the appointed date i.e. 01 September 2006.
- Intime and Sundew had acquired the land at Madhapur, Hyderabad as part of the demerger scheme from KRIT. The said land is in lieu of the employment opportunities to be generated by KRIT and others.
- The liability, if any, arising due to the obligation to create the job opportunities for the entire larger land of which the above property is a part, continues to be retained by KRIT as at 31 March 2024.
- During the year ended 31 March 2016, Telangana State Industrial Infrastructure Corporation Limited ("TSIIC") has returned the original Bank Guarantees to KRIT and also confirmed to the bank that TSIIC will not claim any amount from the bank under the Bank Guarantees and the bank is relieved of its obligation. Hence, no liability is recognised towards the price of the plot of land.
- b) An unconditional obligation to pay amounts due to Andhra Pradesh Industrial Infrastructure Corporation Limited ("APIIC") in respect of APIIC's claims of losses due to any difference in values pertaining to sale transactions of the project undertaken by KRIT. Losses incurred by the Government/TSIIC in its JV Company, if any, will be paid in full by K Raheja Corp Pvt Ltd and it has furnished to the JV Company in writing agreeing and admitting liability to make such payment to Government/TSIIC.
- The shareholding pattern of the Government/TSIIC in the JV Company and the Company will not change as a result of conversion from Private to Public, the Government / TSIIC equity of 11% will remain the same in the Company and all the demerged companies and further in future, Government / TSIIC will not be asked to infuse further cash to maintain its 11% stake.

**9 Gigaplex**

- a) Regular Civil Suit had been filed before the Hon. Civil Judge (J.D) Vashi at Central Business District by an Education Society ("the Plaintiff") who is claiming rights in existing school structure, claiming its area as 500 square meters and its existence since more than 30 years, seeking an injunction not to dispossess him. Gigaplex has filed its reply opposing the Plaintiff's prayers. After hearing the parties, the Hon'ble Judge at the Vashi Court had rejected the Plaintiff's Injunction Application by Order dated 20.08.18 (Order). Thereafter the Plaintiff has filed an appeal in Thane District Court. The Plaintiff's Appeal filed in Thane District Court has been transferred to Belapur Court is still pending for Arguments in Appellant's Applications for injunction and status quo before relevant court in Belapur. Suit is pending and Appeal is dismissed on 6.7.2024. In management view, the estimate of liability arising out of the same is remote, no provision has been taken.
- b) Gigaplex, one of the SPV's of Mindspace REIT, has received notice dated 11th December 2023 ("Demand Notice") issued by MIDC demanding differential premium of Rs. 528 million on account of change in shareholding pattern i.e. participation of the Company into the Mindspace REIT. In the meantime, in view of the permission for subleasing required by the Company from MIDC in respect of proposed transactions by the Company, and pending the determination as to whether the said demand is payable at all to MIDC and whether payable by the Company, the Company has obtained a bank guarantee in favour of MIDC for the said demand in order that the said permission for subleasing is obtained by the Company from MIDC. Management is of the view that the said demand is not payable by the Company. The Company had sent intimation to MIDC of the participation by the Company into Mindspace REIT ("Transaction") on 15th July 2020 (i.e. pre-Transaction) and also on 5th October 2020 (i.e. post-Transaction) and also explained in detail the rationale why the Transaction ought to be treated as a 'Formal Transfer' under the circulars issued by MIDC and only a standard transfer fee is payable which will be a nominal amount only and not such a large amount as per the Demand Notice. The Company has sent its response to the Demand Notice on 2nd January 2024 and once again reiterated its aforesaid position and thus the demand for differential premium is erroneous and unwarranted and has requested MIDC, inter alia, to withdraw/revoke the Demand Notice. In this regard, the Company has been legally advised that under the MIDC Circulars issued with respect to the change in shareholding of any lessee company of MIDC, which Circulars are also referred to in the REIT Circular issued by MIDC, as long as the natural persons belonging to the same family holding directly or indirectly in the lessee company by reckoning the shareholding within the shareholding entity does not fall below 51% post transfer of shares of the lessee company as compared to the position prior to the transfer of shares, the transfer premium payable will be a nominal sum being treated as a Formal Transfer under the MIDC Circulars. In pursuance of REIT acquiring entire shareholding of a Company, the position with respect to satisfying the said 51% holding is fully satisfied and the Company has furnished substantial evidence and documents in support of the same to MIDC. Therefore, in Company's view there is no such premium payable as demanded by MIDC except a nominal transfer premium as a Formal Transfer for which the Company has made provision of Rs. 6 million in the books of account. Considering pendency in the disposal of this matter, in management's view, no further provision is presently required to be made.

The said Transaction is in pursuance of swap of shares of the Company by, inter alia, the Sponsor Group i.e. K. Raheja Corp Pvt. Ltd. and Ivory Property Trust (collectively, "Erstwhile Shareholders") in exchange for the units of the Mindspace Business Park REIT. The Erstwhile Shareholders have provided an indemnity and also agreed to make good the differential premium or any other amount which is finally decided by MIDC in this respect by way of a Counter Guarantee dated 7th June 2024 in favour of the Company for such demand liability, if any, and any expenditure as may be incurred by the Company for obtaining the bank guarantee or any security in respect of the bank guarantee and any other cost, whether direct or indirect, as may be incurred by the Company in relation thereto.

**10 Horizonview**

RPIL has executed a Deed of Conveyance dated 19th August, 2023, in favour of Horizonview for transfer of 78% undivided interest in the Land, which has been submitted for registration with the concerned SRO, Kunderathur, Chennai. Further, RPIL has also executed a Deed of Conveyance dated 2nd September, 2023 in favour of Horizonview for transfer of its units in the building along with the corresponding 22% UDI in the Land. Both documents have been submitted for registration with the Sub-Registrar of Assurances Kunderathur ("Registrar"). The Registrar has issued demand notices for deficit of stamp duty and registration fees aggregating to ₹ 221.28 million in respect of the conveyance deeds and most of the demand is with respect to the Registrar's view that there is transfer of the building besides transfer of Land under the first Conveyance. Horizonview has responded to the demand notices, objecting to the same as Horizonview has constructed the building together with plant and machinery in the building for itself, on its own account and therefore there is no transfer from RPIL. As the transaction, which is subject matter of deed of conveyance, is only for transfer of the 78% undivided right, title and interest in the land and not the building/ machinery, in view of Management, the demand is not tenable. Further, regarding the 22% conveyance, the demand has been made for stamp duty and registration fees on the TDS amount deducted which demand is not tenable since the stamp duty and registration charges have been paid on the entire consideration which includes the TDS amount under the conveyance deed. The Registrar further issued letters from time to time for payment of deficit of stamp duty and registration fee. Horizonview responded to the letters / demand notices, objecting to the same and requested for release of documents. The Company has the right to appeal to a higher authority.

**11 Sundew**

The Office of the Land Reforms Tribunal Cum Deputy Collector & Special Grade Revenue Divisional Officer, Attapur ("Tribunal") had, by letter dated 27 August 2009, sought information from Sundew under Section 8(2) of the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("APLRAC") in respect of the entire land parcel at Mindspace Madhapur. The Revenue Department of the Government of Andhra Pradesh forwarded a Memo dated 5 September 2009 for furnishing of certain information to the Government of Andhra Pradesh, including information requested by the letter dated 27 August 2009. Sundew had filed a detailed response on 30 September 2009 stating that (a) the land was originally granted by the Government of Andhra Pradesh to K Raheja IT Park Hyderabad Limited (KRIT) which was a joint venture company with Andhra Pradesh Industrial Infrastructure Corporation Limited, (b) the land was vested in Sundew by way of demerger order of the Andhra Pradesh High Court, (c) the land has been declared as an SEZ and is therefore exempt from the local laws; (d) the land was shown as a non-agricultural land in the master plan of Hyderabad and is therefore not "land" covered under the APLRAC. The Tribunal issued a final notice to Sundew in January 2012 requesting to submit a declaration for full and correct particulars of the lands held. In September 2009, Sundew also submitted a copy of the order dated August 9, 2012, which was passed by the Hon'ble High Court of Andhra Pradesh ("High Court") in a similar matter (being Writ Petition No. 19300/2012 filed by Neogen Properties Pvt. Ltd.) wherein a stay was granted by the High Court until further orders. The matter is currently pending before the Tribunal. Future cash flows in respect of above matters are determinable only on receipt of judgements/decisions pending at various forums/authorities.

The Management considers that the carrying amount of the above financial assets and liabilities approximates to their fair value.

**B. Measurement of fair values**

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

a) recognised and measured at fair value

b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

**Fair value hierarchy**

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The following table presents the fair value measurement hierarchy of assets and liabilities measured at fair value on recurring basis as at 30 September 2024.

**Financial instruments**

Quantitative disclosures fair value measurement hierarchy for assets as at 30 September 2024:

<b>Particulars</b>	<b>Date of valuation</b>	<b>Total</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>
<b>Financial assets measured at fair value:</b>					
FVTOCI financial investments:	09-30-2024	0.02	-	-	0.02
FVTOCI financial investments:	03-31-2024	0.02	-	-	0.02

**C Transfers between Level 1, Level 2 and Level 3**

There were no transfers between Level 1, Level 2 or Level 3 during the period ended 30 September 2024 and year ended 31 March 2024.

**D Determination of fair values**

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- The fair value of mutual funds are based on price quotations at reporting date.
- The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.
- The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.
- Security deposits accepted are measured at fair value based on the discounted cash flow method considering the discount rate determined as the average borrowing rate.

**45 Segment information**

**Primary segment information**

The primary reportable segment is business segment.

**Business Segment**

The Mindspace Group is organised into the two operating divisions - 'real estate' and 'power distribution', which are determined based on the internal organisation and management structure of the Mindspace Group and its system of internal financial reporting and the nature of its risks and its returns. The Board of Directors of the manager has been identified as the chief operating decision maker (CODM). CODM evaluates the Mindspace Group's performance, allocates resources based on analysis of various performance indicators of the Group as disclosed below.

**Real estate**

Real estate comprises development and management of projects under Special Economic Zone (SEZ), Information Technology Parks and other commercial assets. The Group has its project/properties in Mumbai Region, Hyderabad, Pune and Chennai for development and management of commercial SEZ, IT parks and commercial assets including incidental activities.

**Power distribution**

The state power regulator has taken on record the SEZ developer MBPPL, Gigaplex, Sundew and KRC Infra as Deemed Distribution Licensee for Power. The approved SPVs being Deemed Distributor, supplies power to customers within the notified SEZ.

Sundew has a power distribution system for supplying electricity to its consumers in its SEZ project at Mindspace Cyberabad, Madhapur, Hyderabad.

Sundew has filed a Civil appeal on 15 November 2019 before the Hon'ble Supreme Court of India for obtaining the Deemed distribution licensee status in terms of Ministry of Commerce and Industry Notification dated 3 March 2010 and Sec 14(b) of the Electricity Act, 2003 to operate and maintain a power distribution system for supplying electricity to its consumers in its SEZ project at Mindspace Cyberabad, Madhapur, Hyderabad. The matter is disposed off vide Judgement dated 17.5.2024 by Hon'ble Supreme Court allowing the Civil Appeal allowing Sundew to operate and maintain a power distribution license for supplying electricity to its consumers.

- b) The figures for the quarter ended 30 September 2023 are the derived figures between the figures in respect of the half year ended 30 September 2023 and the figures for the quarter ended 30 June 2023, which were subjected to limited review.
- c) The figures for the half year ended 31 March 2024 are the derived figures between the audited figures in respect of the year ended 31 March 2024 and the published year-to-date figures upto period ended 30 September 2023 which were subjected to limited review.
- 50 Intime had received show cause notice during the year ended March 2023 from the Jurisdictional GST Authority for the periods beginning July 2017 to March 2020 for not considering charging of GST, on the recovery of utilities being electricity, water and DG back-up power provided to tenants, amounting to Rs. 100.22 million. The Management, after due consultation with the Consultant, is of the view that the charges towards electricity and DG back-up power are incurred in the capacity of a 'pure agent' as covered under Rule 33 of CGST Rules, 2017 and also such supplies are exempt as per the Exemption Notification and hence to be excluded from the value of taxable supply. The Management had filed its detailed response to the show cause notice. Based on the facts of the case and the provisions of the GST law, no provision has been made w.r.t. recovery of electricity and DG back-up power.
- 51 Considering the weak micro market dynamics and no immediate demand visibility and also this being a non-core asset, the Board of Directors of the Manager, at its meeting held on January 29, 2024 approved initiation of the process of sale of Mindspace Pocharam, comprising all piece and parcel of land admeasuring approximately 26 acres along with the structures thereon located at Mindspace Pocharam, Telangana. This investment property is part of "Real Estate" segment of the Group. An active program for sale will be in place. On conclusion of the process, a detailed proposal shall be placed before the Board for its consideration and approval. The asset, which is expected to be sold within 12 months, has been classified as a held for sale and presented separately in the balance sheet. The Group has estimated the fair value less costs of disposal of this asset based on the external fair valuation, which is less than the carrying value as on March 31, 2024. Accordingly, the asset was recognised at the lower of carrying value and fair value less cost of disposal resulting into impairment loss of Rs 363.93 million, which was recognised in the statement of profit and loss and considered the same as an Exceptional Item for the year ended March 31, 2024.

**Assets classified as held for sale are as follows**

<b>Asset class</b>	<b>30 September 2024</b>	<b>As at 31 March 2024</b>
