REF: NVS/2022-2023/ 015

To,
The Governing Board,
K. Raheja Corp Investment Managers LLP (The "Investment Manager")
(Acting in capacity as the Investment Manager of Mindspace Business Parks REIT)

Statutory Auditor's Certificate on Statement of security cover in respect of Non-convertible Debentures Series I

This certificate is issued in accordance with the terms of our engagement letter with reference no. NVS/2021-22/013 dated July 22, 2022.

We, Deloitte Haskins & Sells LLP, the statutory auditors of Mindspace Business Parks REIT (the "Trust") have been requested by the Management of the Investment Manager to state whether the financial and other information contained in the attached "Statement of security cover in respect of Non-convertible Debentures Series I issued on December 17, 2020 with a face value of Rs. 10,00,000 per debenture, aggregating to Rs. 2,000 million (the "NCD Series I")" (the "Statement") is in agreement with the unaudited books of account for the quarter ended June 30, 2022 and other records of the REIT (the "books of account and other records of Trust"), whether Security Cover is correctly computed for the NCD Series I as per terms of debenture trust deed read with the notes to the Statement. The certificate is required to be submitted to the debenture trustees pursuant to and Debenture Trust Deed dated December 10, 2020.

Management's responsibility

The preparation of the Statement is the responsibility of the Management of the Investment Manager. This includes design, implementation and maintenance of internal control suitable for preparation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances, and maintenance of proper books of account and other records in compliance with the terms of debenture trust deed.

The Management of the Investment Manager is also responsible for ensuring compliance with the requirements of the debenture trust deed, debt listing agreement and for providing all relevant information to the Securities and Exchange Board of India.

Auditor's responsibility

Our responsibility, for the purpose of this certificate is to provide a limited assurance on the financial and other information in the Statement by comparing the said information with the corresponding amounts and particulars in the books of account and the records of the Trust including valuation reports issued by independent valuers appointed by the Management of the Trust, and by verifying the mathematical accuracy of Security Cover. The procedures performed in limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had we performed a reasonable assurance engagement.

We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by The Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing specified under Section 143(10) of the Act. This Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Review Historical Financial Information, and Other Assurance and Related Services Engagements.

P

Regd. Office: One International Center, Tower 3, 27th-32nd Floor, Senapati Bapat Marg, Elphinstone Road (West), Mumbai - 400 013, Maharashtra, India (LLP Identification No. AAB-8737)

Deloitte Haskins & Sells LLP

Conclusion

On the basis of aforementioned procedures, nothing has come to our attention that causes us to believe that the financial and other information contained in the Statement read with the notes thereon is not in agreement with the unaudited books of account for the quarter ended June 30, 2022 and other records of the Trust, that the security cover is not correctly computed as per terms of debenture trust deed.

Restriction on Distribution

This certificate is addressed to and provided to the Governing Board of the Investment Manager solely for the purpose to submit the accompanying statement to IDBI Trusteeship Services Limited, the trustee of the NCDs, for compliance with the Debenture Trust Deed and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT

To The Members of Mindspace Business Parks Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Mindspace Business Parks Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit, total comprehensive income, its cash flow and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

DHS LLP

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flow and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

DHS LLP

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account
- d. In our opinion, the aforesaid financial statements comply with the IndAS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31 March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

DHS LLP

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, Section 197 of the Act related to managerial remuneration is not applicable.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d. (i) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (ii) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above,) contain any material misstatement.
- e. The interim dividend declared and paid by the Company during the year and until the date of this report is in accordance with Section 123 of the Companies Act 2013. The Company has not proposed final dividend for the year.

DHS LLP

**Deloitte
Haskins & Sells LLP**

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements'
Section of our report of even date)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-
Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mindspace Business Parks Private Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

DHS LLP

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i)
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and investment properties including right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a program of verification of property plant and equipment, investment property and right of use assets so to cover all the items in a phased manner over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property plant and equipment and investment property were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) With respect to Immovable properties of freehold land and buildings whose title deeds have been pledged as security for loans taken disclosed in the financial statements included in property, plant and equipment and investment property, according to the information and explanations given to us and based on the examination of the registered sale deed / transfer deed / conveyance provided to us, we report that, the title deeds of such immovable properties are held in the erstwhile name of the Company as at the balance sheet date, except for the following:

Particulars of the land and building thereon	Gross Block (as at March 31, 2022)	Net Block (as at March 31, 2022)	Remarks
Freehold land and building thereon located at Nagar Road, Pune admeasuring 30,700 sq.mt (TPPL undertaking)	3,077 million	2,592 million	The title deeds are in the name of Trion Properties Private Limited, the TPPL undertaking of which merged with the Company under Section 232, 233 and 52 of the Companies Act 2013 and other relevant provisions of the Companies Act 2013. The Company has filed for mutation of property in the name of the Company with Deputy Superintendent Land Records.
Freehold land and building thereon located at Yerwada Pune admeasuring 91,614 sq.mt (Commerzone Undertaking)	4,548 million	4,125 million	The title deeds are in the name of K Raheja Corp Private Limited, where KRCPL was the developer in the said agreement which is in custody with the lender The Company has filed for mutation of property in the name of the Company with City Survey Officer.

In respect of immovable properties of land taken on lease and buildings constructed thereon disclosed as Investment Property/ Investment property under construction in the financial statements, whose title deeds have been pledged as security for loans and guarantees, the lease agreements are in the erstwhile name of the Company, where the Company is the lessee in the agreement based on confirmation directly received by us from lenders.

- (d) The Company has not revalued any of its property, plant and equipment, Investment property (including Right of Use assets) and intangible assets during the year.

DHS LLP

- (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii)
- (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause (ii)(b) of the Order is not applicable.
- (iii) The Company has made investments in units of mutual funds (other parties). The Company has not provided guarantee or security or granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.
- (a) The Company has not provided any loans or advances in the nature of loans or stood guarantor, or provided security to any other entity during the year, and hence reporting under clause (iii)(a) of the Order is not applicable.
- (b) The investments made during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted or advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) None of the loans or advances in the nature of loans granted by the Company have fallen due during the year.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- (iv) The Company has not granted any loans, made investments or provided guarantees or securities during the year and hence reporting under clause (iv) of the Order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Act, for construction activity. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

DHS LLP

(vii) In respect of statutory dues:

- (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been slight delay in few cases.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

- (b) Details of dues of Service Tax which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount (Rs in million)
The Finance Act ,1994	Service tax on amounts received as reimbursement of electricity and allied charges from tenants	Commissioner Central Excise	FY 2008-09 to FY 2017-18	92

The above table does not include show cause cum demand notices received with respect to Service tax demand for the financial year 2015-16 and 2016-17 in respect of which, the Company has filed the necessary replies along with the relevant supporting.

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix)

- (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies and hence, reporting under clause (ix)(f) of the Order is not applicable.

(x)

- (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

DHS LLP

- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-Section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 188 of the Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a private company and hence the provisions of Section 177 of the Companies Act, 2013 are not applicable to the Company.
- (xiv)
- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures..
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (b) The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

DHS LLP

**Deloitte
Haskins & Sells LLP**

(xx)

- (a) The Company has not planned to spend for other than ongoing projects, hence reporting under clause 3(xx)(a) is not applicable.
- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount, to a Special account before the date of this report and within a period of 30 days from the end of the financial year in compliance with the provision of Section 135(6) of the Act.

Mindspace Business Parks Private Limited

(CIN : U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022**1 Company background**

Mindspace Business Parks Private Limited (' Mindspace' or 'the Company ') was incorporated in India as Serene Properties Private Limited, a private limited company on 23 December 2003 . The Company has changed its name from Serene Properties Private Limited to Mindspace Business Parks Private Limited with effect from 23 November 2015. The Company's registered office and principal place of business address is at Plot No. C-30, Block 'G', Opp. SIDBI, Bandra Kurla Complex, Bandra (East), Mumbai, INDIA

The Company is engaged in real estate development projects such as Special Economic Zone (SEZ), Information Technology Parks, Malls and other commercial segments. The Company has its projects in Airoli, Navi Mumbai, Pune and Pocharam, Hyderabad for development of commercial parks. The Company received notification dated 21 August 2013 of Maharashtra Electricity Regulatory Commission (MERC) for license to operate and maintain a power distribution system for supplying electricity to the customer in the area of supply as specified in SEZ notification. The Company has commenced distribution of electricity in its project at Airoli, Navi Mumbai from 9 April 2015 .

1 A Basis of preparation

- (a) These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act.

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are applicable for financial periods commencing from 1 April 2021 for Company. The preparation of Financial Statements is after taking into consideration the effect of the amended Schedule III. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

- (b) These financial statements were adopted and authorised for issue by the Company's Board of Directors on 11 May 2022

Details of the Company's Significant accounting policies are included in Note 2.

2 Significant accounting policies**a) Functional and Presentation Currency**

These financial statements are presented in Indian Rupees, which is also the Company's functional currency and the currency of the primary economic environment in which the Company operates. All financial information presented in Indian Rupees has been rounded off to the nearest million except otherwise stated.

b) Basis of measurement

These financial statements are on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument) measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan.

c) Use of estimates and judgments

The preparation of the financial statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimated and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and in any future years affected.

Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statements is included in the following notes:

- * Estimation of lease term for revenue recognition
- * Estimation of useful life of property, plant and equipment and investment property
- * Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used and income taxes
- * Impairment and Fair valuation of Investment Property, Investment property under development, Property, plant and equipment and Capital work-in-progress
- * Regulatory deferral accounts- The Company determines surplus/deficit (i.e. excess/shortfall of/in aggregate gain over Return on Equity entitlement) for the year in respect of its regulated operations based on the principles laid down under the Tariff Regulations on the basis of Tariff Orders issued.
- * Interest capitalised to investment property under construction

d) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
 - Held primarily for the purpose of trading;
 - Expected to be realised within twelve months after the reporting date; or
 - Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting date; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting year.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

e) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

2.1 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis company elects to account for financial guarantee as Insurance Contracts as specified under Ind AS 104.

2.2 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16 – Property, plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets - The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

2.3 Property, plant and equipment

(a) Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Depreciation is charged when the assets are ready for their intended use. Purchase price or construction cost is defined as any consideration paid or fair value of any other consideration given to acquire the asset.

Mindspace Business Parks Private Limited

(CIN : U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022

(b) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting year in which they are incurred.

(c) Depreciation / Amortisation

Depreciation is provided using straight line method as per the useful life of the assets estimated by the management. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013, are listed in the table below. Depreciation on addition / deletion of property, plant and equipment made during the year is provided on pro-rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

Asset group	Estimated Useful Life (in years)	
	Power assets	Other assets
Right of use - Leasehold land	Balance Lease term	
Building *	75	
Plant and machinery*	15	15
Office equipment*	4	4
Computers	3	3
Electrical installation*		15
Furniture and fixture*		/
Vehicles*		5

* For these classes of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets other than Leasehold Land is estimated to be 5% of the original cost of those respective assets.

(2) Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting year with the effect of any changes in the estimation accounted for on a prospective basis.

(d) De-recognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(e) Capital work in progress

Property, plant and equipment under construction is disclosed as capital work in progress which is carried at cost less any recognised impairment losses. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Advance paid and expenditure incurred on acquisition / construction of property, plant and equipment which are not ready for their intended use at each balance sheet date are disclosed under other non-current assets as advances on capital account and capital work-in progress respectively.

2.4 Other intangible assets

(a) Recognition and measurement

An intangible asset is an identifiable non-monetary asset without physical substance. Intangible assets with finite useful lives that are acquired separately are initially measured at its cost and then carried at the cost less accumulated amortisation and impairment, if any. The estimated useful life and amortisation method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less impairment, if any.

(b) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the Statement of Profit and Loss as incurred.

(c) Amortisation

Amortisation is calculated over the cost of the asset, or other amount substituted for cost, less its residual value. Amortisation is recognised in the Statement of Profit and Loss on a straight line method over the estimated useful lives of intangible assets, from the date that they are available for use.

Intangible assets in the nature of software is amortised over the year of 3 years and trademark is amortised over a year of 10 years.

Asset group	Estimated Useful Life (in years)	
	Power assets	Other assets
Computer Software	3	3
Trademarks	0	10

The estimated useful life and amortisation method are reviewed at the end of each reporting year with the effect of any changes in estimate being accounted for on a prospective basis.

Mindspace Business Parks Private Limited

(CIN : U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022**(d) De-recognition**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal, gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.5 Investment property**(a) Recognition and measurement**

Properties including land, building and other assets, which are held either for long-term rental yield or for capital appreciation or for both, and which are not occupied substantially by the Company are classified as investment property.

Investment properties are initially recognised at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirement of Ind AS 16's requirements for cost model i.e. Cost less depreciation less impairment losses, if any. Depreciation is charged when the investment property is ready for its intended use. Cost comprises of direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are allocated on a reasonable basis to the cost of the project.

Plant and machinery, furniture and fixtures, office equipment and electrical equipments which are physically attached to the commercial buildings are considered as part of investment property.

Acquisitions and disposals are accounted for at the date of completion.

(b) Subsequent expenditure

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

(c) Depreciation / Amortisation

Depreciation / amortisation is provided using straight line method as per the useful life of the assets estimated by the management. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013 and listed in the table below. Depreciation on addition / deletion of investment property made during the year is provided on pro rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

Asset group	Estimated Useful Life (in years)
Asset group	
Building*	75
Infrastructure development*	15
Roadwork*	15
Plant and machinery	15
Electrical installation*	15
Office equipment*	4
Furniture and fixtures*	7

* For these classes of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

Based on internal assessment the management believes the residual value of all assets is estimated to be 5% of the original cost of those respective assets.

Assets individually costing less than Rs 5,000 are fully written off in the year of acquisition.

The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting year with the effect of any changes in the estimation accounted for on a prospective basis.

(d) Fair Value

Fair value of investment property is based on a valuation by an independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

(e) De-recognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss in the year in which the property is de-recognised.

(f) **Investment properties under construction**

Property that is being constructed for future use as investment property is accounted for as investment property under construction until assets are ready for their intended use.

Direct expenses like land cost (including development rights), site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are taken as the cost of the project.

Investment properties under construction represent the cost incurred in respect of areas under construction of the real estate development projects less impairment losses, if any.

Advance paid for construction of investment property which are not ready for their intended use at each balance sheet date are disclosed under other non-current assets as capital advance.

2.6 Impairment of assets

The Company assesses at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognised whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognised in the Statement of Profit and Loss or against revaluation surplus, where applicable.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

2.7 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. A qualifying asset is an asset that necessarily requires a substantial year of time to get ready for its intended use or sale.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average interest rate applicable to the general borrowings.

Capitalisation of borrowing costs is suspended during the extended year in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete. All other borrowing costs are recognised as an expense in the year in which they are incurred.

2.8 Inventories

(a) **Measurement of inventory**

Inventories comprise of building material, components and maintenance spares. The Company measures its inventories at the lower of cost and net realisable value.

(b) **Cost of inventories**

The cost of inventories of building materials and components and work in progress comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

(c) **Net realisable value**

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.9 Revenue recognition

(a) **Facility rentals**

Revenue from property leased out under an operating lease is recognised over the lease term on a straight line basis, except where there is an uncertainty of ultimate collection.

(b) **Maintenance services**

Maintenance income is recognised over a year of time for services rendered to the customers.

(c) **Revenue from power supply**

Revenue from power supply is accounted for on the basis of billings to consumers and includes unbilled revenues accrued up to the end of the accounting year. The Company determines surplus/deficit i.e. excess/ shortfall of aggregate gain over return on equity entitlement for the year in respect of its operations based on the principles laid down under the respective Tariff Regulations as notified by Maharashtra Electricity Regulatory Commission (MERC), on the basis of the tariff order issued by it. In respect of such surplus/deficit, appropriate adjustments as stipulated under the regulations are made during the year. Further, any adjustments that may arise on annual performance review by the MERC under the tariff regulations is made after the completion of such review.

Mindspace Business Parks Private Limited

(CIN :U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022

(d) Finance Lease

For assets let out under finance lease, the Company recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each year during the lease term so as to produce a constant yearic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the years in which they are earned.

(e) Sale of surplus construction material and scrap

Revenue from sale of surplus construction material and scrap is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

3.0 Interest Income

(i) Interest income is recognised on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

(ii) Delayed payment charges and interest on delayed payments are recognised, on time proportion basis, except when there is uncertainty of ultimate collection.

2.10 Tax expense

Income tax expense comprises current tax and deferred tax charge or credit. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income in which case, deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting year.

(b) Deferred tax

Deferred tax asset/liability is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting year.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting year, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset deferred tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle deferred tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

(c) Minimum Alternate Tax (MAT)

MAT credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified year. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement under deferred tax assets. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified year.

2.11

Earnings per share (EPS):

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year.

Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti dilutive.

Dilutive potential shares are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and which either reduces earnings per share or increase loss per share are included.

2.12 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting year, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.13 Foreign currency transactions and translations

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of Profit and Loss of the year.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the year end and not covered by forward contracts, are translated at the year end at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

2.14 Leases

As a Lessor

The Company enters into lease agreements as a lessor with respect to some of its investment properties. Leases for which the Company is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to reporting years so as to reflect a constant yearic rate of return on the Company's net investment outstanding in respect of the leases.

As a Lessee

The Company assesses whether a contract is or contains a lease, at inception of a contract. The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is Presented as a part of financial liabilities in the balance sheet as Lease liability

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever

- the lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is measured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Company incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37 – 'Provisions, Contingent Liabilities and Contingent Assets'. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter year of lease term and useful life of the underlying asset.

The Company applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in Note 2.5.

Variable rents that do not depend on an index or rate are not included in the measurement the lease liability and the right-of-use asset. The related payments are recognised as an expense in the year in which the event or condition that triggers those payments occurs and are included in the line "other expenses" in the Statement of Profit and Loss.

2.15

Financial instruments

1 Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

2 Financial assets:

(a) Classification of financial assets:

- (i) The Company classifies its financial assets in the following measurement categories:
 - those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
 - those measured at amortised cost.
- (ii) The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.
- (iii) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (iv) The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(b) Subsequent Measurement

(i) Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are subsequently measured at fair value through the Statement of Profit and Loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the Statement of Profit and Loss.

(ii) Equity instruments:

The Company subsequently measures all equity investments at fair value. There are two measurement categories into which the Company classifies its equity instruments:

Investments in equity instruments at FVTPL:

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

Investments in equity instruments at FVTOCI:

On initial recognition, the Company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments, but is transferred to retained earnings.

(c) Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information.

(d) Derecognition of financial assets:

A financial asset is primarily derecognised when:

- (i) the right to receive cash flows from the asset has expired, or
- (ii) the company has transferred its rights to receive cash flows from the asset; and
 - the company has transferred substantially all the risks and rewards of the asset, or
 - the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability.

3 Financial liabilities and equity instruments

(a) Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

(b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(c) **Compound financial instruments**

The component parts of compound financial instruments issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

Financial Liabilities

Recognition, measurement and classification

Financial liabilities are classified as either held at a) fair value through the Statement of Profit and Loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through the Statement of Profit and Loss or at amortised cost. All changes in fair value of financial liabilities classified as FVTPL are recognised in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.16 Cash and cash equivalents

Cash and cash equivalents comprises of cash at banks and on hand, demand deposits, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.17 Statement of Cash flow

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

As per para 8 of Ind AS 7 – 'Statement of Cash Flows', "where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdraft, in the Balance Sheet, is included as 'borrowings' under Financial Liabilities".

2.18 Employee benefits plan

Disclosure pursuant to Ind AS – 19 'Employee benefits'

1 Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits such as salaries, wages, etc. and are recognised in the year in which the employee rendered the related services. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the year.

2 Long term employee benefits:

(i) Defined Contribution Plans

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond the monthly contributions.

(ii) Defined Benefit Plans

The Company's gratuity benefit scheme is a defined benefit plan. The Company has determined the gratuity liability based calculated through actuarial valuation based on the number of years completed and last drawn basic salary as mentioned in the Payment of Gratuity Act, 1972. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting year less the fair value of plan assets, if any. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting year on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

(iii) Other long term employee benefits - Compensated absences

Benefits under compensated absences are accounted as other long term employee benefits. The Company has determined the liability for compensated absences calculated through actuarial valuation which is determined on the basis of leave credited to employee's account and the last drawn salary. The Company's net obligation in respect of compensated absences is the amount of benefit to be settled in future, that employees have earned in return for their service in the current and previous years. The benefit is discounted to determine its present value. The obligation is measured on the basis of an actuarial valuation using the projected unit credit method. Remeasurement is recognised in the Statement of Profit and Loss in the year in which they arise. Compensated absences which are not expected to occur within twelve months after the end of the year in which the employee renders the related services are recognised as a liability.

2.19 Subsequent events

The Financial Statements are adjusted to reflect events that occur after the reporting date but before the Financial Statements are issued.

2.20 Errors and estimates

The Company revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Financial Statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the year(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior year in which the error is discovered. The opening balances of the earliest year presented are also restated.

2.21 Segment Information

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that related to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments, operating results are reviewed by the Board of Directors, which has been considered as the Chief Operating Decision Maker (CODM) to make decisions about resources to be allocated to the segment and assess their performance. Borrowings of the Company are considered as 'Unallocable' and disclosed accordingly. Correspondingly, finance costs relating to all the borrowings have also not been allocated to reportable segments and disclosed under 'Unallocable'.

Notes :

(a) The above details relating to disposal/adjustment includes disposal, if any and assets given on finance lease.

(b) The above leasehold land (admeasuring 198,997 sq mtrs. in Airoli, Navi Mumbai) has been acquired on lease by the Company from Maharashtra Industrial Development Corporation ('MIDC'). The lease is due to expire on 31 July 2064. The Company has right to renewal of said lease for a further year of 99 years upon payment of premium as may be decided.

(c) Investment property of the Company have been pledged as security against the borrowings (Fund and non Fund based) of the Company and the Parent.

(d) The Company has leased properties under non-cancellable operating leases in the capacity of a lessor.

(e) Measurement of fair values of investment property
Fair value hierarchy:

The fair value of Company's investment property as at 31 March 2021 and 31 March 2022 has been arrived on the basis of a valuation carried out by , external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued and is a registered valuer as defined under Rule 2 of Companies (Registered Valuers & Valuation) Rules, 2017

Valuation technique:

The Company follows discounted cash flows technique (Income approach) which considers the present value of net cash flows to be generated from the property taking into account the expected rental growth rate, vacant year, occupancy rate, lease incentive costs such as rent free Years and other costs not paid by tenants. The expected net cash flows are discounted using risk-adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location, tenant credit quality and lease terms.

Terminal value at the end of explicit forecast period is determined using capitalisation rate using relevant parameters of some of key investments in comparable properties of similar quality, use, tenant profile made by institutional real estate investors.

Investment property comprises commercial property that is leased to third parties. Each of the leases entered are normally for a year of 5 to 10 years. Subsequent renewals are negotiated with the lessee or as per the terms of initial agreement are automatically renewed. No contingent rents are charged.

The fair value measurement for all of the investment property has been categorised as a Level 3 fair value based on the inputs to the valuation technique used

Changes in equity share capital during the year				
At the end of the year	81,513	1	81,513	1

B Rights, preferences and restrictions attached to equity shares

(i) The Company has only one class of equity shares having a par value of Rs 10 per share. Each holder of equity shares is entitled to one vote per share and dividend proportionate to their shareholding. The Company declares dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

(ii) In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

(iii) During the previous year these Preference shares were redeemed at par at the option of the Company. The preference shares were redeemable at par at any time at the option of the Company but in no event earlier than 3 years from the date of allotment or such other year as may be required by law and not later than 14 years (amended by a special resolution passed at the Extraordinary General meeting held on December 26, 2019 from 17 years) from the date of allotment or such other year as may be required by law. Date of redemption was on or before 30th September 2020 (amended by a special resolution passed at the Extraordinary General meeting held on December 26, 2019 from 7th March 2024).

(iv) During the previous year, in accordance with the above mention special resolution, the preference shares were redeemed at par and an amount of Rs. 337 million was transferred to Capital redemption reserve out of the retained earnings.

Long Term Capital Loss (AY 2022-23)	AY 2030 - 31

Notes

- The Company's current tax provision of Rs. 561 million (31 March 2022 Rs. 394 million) relates to management's assessment of the amount of tax payable for the year ended March 31, 2022. On open tax positions where the liabilities remain to be agreed with tax authority a tax impact of Rs. 240 mn was considered in the tax provision for the year ended March 31, 2020, due to reduction in carried forward losses of AY 2012-13 to AY 2014-15 pursuant to order passed u/s 143(3) read with section 153A of the Income Tax Act, 1961 wherein the tax department has not accepted the change in classification of taxable income under the head 'Business and Profession' as against 'Income from House Property' on the reason that it relate to unabated years and the assessment were closed. An appeal is filed by the company against the same before CIT(A). The aforesaid tax provision reduced to Rs. 208 mn consequent to the return of income filed for AY 2020-21. Meanwhile, the Company made an application under Direct Tax Vivad se Vishwas Act 2020 (VsV) for AY 2012-13, AY 2013-14 and AY 2014-15. In response to the same, the Company has received final order for AY 2012-13 accepting the VsV application. VsV application for AY 2013-14 has been rejected. The Company has submitted Form 4 under VsV application for AY 14-15 and the final order is awaited. Appeal for assessment year 2012-13 was dismissed by CIT(A) in view of VsV order for the said year. Appeal for assessment year 2013-14 was disposed by CIT(A) against the Company and an appeal has been filed before the ITAT against the same which is pending for disposal.
- "The company has not opted New Tax Regime and recognised current tax and deferred tax under the existing tax regime"

Increase	(0)	0	(0)
Decrease	0	(0)	0
As at 31 March 2021			
Increase	(0)	0	(0)
Decrease	0	(0)	0

34 Contingent liabilities and capital commitments

Contingent liabilities

(a) Claims against the company not acknowledged as debt Rs. 92 millions (31 March 2021, 92 millions)

The company has received show cause and demand notices for inclusion in taxable value amounts received as reimbursement of electricity and allied charges and demand service tax there on of Rs. 92 millions excluding applicable interest and penalty. Company has filled appropriate replies to the show cause and demand notices.

(b) Pursuant to the demerger and vesting of the Commerce Undertaking of K Raheja Corp Pvt Ltd (KRCL), in the Company MBPPI, the company MBPPI is the owner to the extent of 88.16% undivided right title and interest in the land bearing S. No 144, 145 Yerawade, Pune which is comprised in the said Undertaking. "Shrimant Chhatrapati Udayanraje Bhosale" (the Plaintiff) has filed a Special Civil Suit bearing No 133 of 2009 in the Court of Civil Judge, Senior Division Pune against the erstwhile land Owner Shri Mukund Bhavan Trust (who had entrusted development rights to MBPPI) and the State of Maharashtra, claiming to be the owner of the said land. The Hon'ble Court was pleased to reject the Application for amendment of plaint filed by the Plaintiff and allow the Third Party Applications on 14.11.2016. The Plaintiff has filed two writ petitions bearing Nos. 4415/2017 and 4268/2017 in the Bombay High Court challenging the aforesaid orders passed on 14.11.2016. The matter was transferred to another Court for administrative reasons and adjourned on several occasions for compliance of the order by the Plaintiff. On 5th March 2018 the Advocate for the Plaintiff filed a purshis on record stating that since he does not have any instructions in the matter from the Plaintiff, the Vakalatnama is being withdrawn by him and the matter was posted on 20th March 2018. On 20th March 2018 the Hon'ble Court was pleased to adjourn the matter till 22nd June 2018 since the Advocate for the Plaintiff had withdrawn the Vakalatnama and the Plaintiff was not represented by any Advocate. Writ Petition Nos. 4415/2017 and 4268/2017 filed in the Hon'ble Bombay High Court challenging the orders dated 14th November 2016 by Shrimant Chhatrapati Udayanraje Bhosale against Shri. Mukund Bhavan Trust and others came up for hearing on 28 November 2017 wherein the Advocate for the Petitioner undertook to serve the copy of the petition on the Respondent No. 2 i.e. State of Maharashtra and the Hon'ble High Court was pleased to adjourn the same till 16.01.2018, 26.02.2018, 22.06.2018. On 22.06.2018 the Advocate for the Defendant No. 1 filed a purshis stating that the Defendant No. 1 (a) expired matter was further adjourned till 24.10.18, 26.11.18, 21.12.18, 01.02.2019, 25.03.2019 and 15.04.2019, 18.06.2019, 27.08.2019, 19.09.2019. On 19.09.2019 the matter has been stayed by the Hon'ble Court and further posted on 11.11.2019 for compliance of the order dated 14.11.2016 by the Plaintiff. The matter has been stayed under Sec 10 of Code of Civil Procedure. On 07.04.2020 the matter has been further adjourned till 11.06.2020. On 11.06.2020 the matter was further adjourned till 11.09.2020 and the same has now been further adjourned till 04.12.2020. On 04.12.20 the matter was further adjourned till 24.02.21 and was thereafter posted on 24.11.21 for steps. On 24.11.21 the matter has been further adjourned till 18.01.2022. On 18.01.22 matter adjourned to 14.03.22 and thereafter to 20.06.22 for steps. Both the Writ Petitions were posted on 21.09.18, 11.10.18, 22.10.18 and further posted on 10.06.19 for Admission. The matters came on board on 20.06.2019, 14.11.2019, 15.01.2019 and 21.02.2019. As per the CMIS Writ Petition No. 4415/2017 was last posted on 27.03.2020 and is yet not listed. As per the CMIS Writ Petition No. 4268/2017 was last posted on 27.03.2020 and thereafter on 23.07.20 for Admission and is yet not listed. In the management's view, as per legal advice, considering the matter and the facts, no provision for any loss / liability is presently required to be made.

(CIN : U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022 (Continued)

(All amounts are in Rs Millions unless otherwise stated)

(c) The Company is subject to other legal proceedings and claims, which have arisen in the ordinary course of business. The Company's management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have a material and adverse effect on the Company's results of operations or financial condition.

(d) MBPPL received a communication (alleged reminder) from Pune Municipal Corporation (PMC) demanding an amount of Rs 157 million allegedly due from MBPPL based on objections by internal audit report of Pune Municipal Corporation. MBPPL has submitted a letter denying all allegation of PMC, as MBPPL has not been served with any document referred to the said PMC letter. Subsequently MBPPL addressed one more communication stating that MBPPL would be in a position to submit their reply upon receipt of the details of amount demanded as per their reply submitted which states that if any principal outstanding is due/recoverable, MBPPL agrees to make the said payment and sought detailed clarification on the interest amount. By letter dated 20.07.2019 to MBPPL, PMC provided the copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated 17.08.2021 to the architect firm and another, PMC stated that it has not received any clarifications and provided the challans of amounts by assessing interest thereon and required submission of challan/receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated 06.09.2021 to PMC, MBPPL has again reiterated that the earlier PMC letter dated 04.02.2019 and the PMC letter dated 17.08.2021 are addressed to the wrong persons and informed PMC of the non receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated 11.10.2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires, and likewise the act of issuing the letter dated 17.08.2021 is ultra vires and without the authority of law and called upon PMC to withdraw the impugned challans and letter forthwith. By the said letter MBPPL further stated that if the challans and letter is not withdrawn and any further action is initiated in that event the letter dated 11.10.2021 may be treated as a notice under section 487 of The Maharashtra Municipal Corporations Act, 1949 and under section 159 of The Maharashtra Regional and Town Planning Act, 1966. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted that, in order to resolve the controversy, MBPPL is willing to offer to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and to provide an opportunity of hearing and furnishing clarifications, if required by PMC.

Commitments

(i) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) Rs. 593 millions (31 March 2021 Rs. 404 millions)

(ii) The Company has provided continuing guarantee in favour of the Debenture Trustee for loan due payment and discharge of the Debt by Mindspace Business parks REIT (outstanding amount Rs. 7,750 million) (31 March 2021 Rs. 7,750 millions)

(iii) The Company has availed non fund based facilities from bank which are secured against corporate guarantee, Portlaram land & buildings thereon, which can be utilized by the group companies. As on the Balance Sheet date, the outstanding amount is Rs. 318 millions (31 March 2021 Rs. 208 millions)

36 Investment in Subsidiaries

The company had applied to the Ministry of Corporate Affairs for striking off the name of the four subsidiaries namely Dice Realcon Pvt Ltd, Sampada Fastpro Pvt Ltd, Happy Fastcon Pvt Ltd, Educator Protech Pvt Ltd on 19 March 2019. The application was processed and the Ministry of Corporate Affairs vide order dated 10.02.2021, 17.03.2021, 04.02.2021, 19.02.2021 respectively issued Notice of Strike off resulting in dissolution of these four subsidiaries. Accordingly, actual write off of investment has been made in the financial year ending 31st March 2021 and consequently the provision for impairment loss made is reversed (refer note 29). Further, in view of the current status of striking off notice, no consolidation for subsidiaries is required.

37 Disclosure under Section 186 of the Act

The operations of the Company are classified as "infrastructure facilities" as defined under Schedule VI to the Act. Accordingly, the disclosure requirements specified in sub-section 4 of Section 186 of the Act in respect of loans given or guarantee given or security provided and the related disclosures on purposes/ utilisation by recipient companies, are not applicable to the Company.

38 Assessment of possible impact resulting from Covid-19

The Management has considered the possible effects that may result from the pandemic relating to COVID-19 on the operations and carrying amounts of property, plant and equipment, Investment Property, Inventories, receivables and other assets. The Management, as at the date of approval of these financial statements, has used internal and external sources of information to determine the expected future impact of COVID-19 pandemic on the performance of the Company. The Management based on current estimates expects the carrying amount of the assets to be recovered. However, due to the evolving nature of the pandemic and its response by various government authorities the Management will continue to monitor developments to identify significant impacts, if any, on the operations.

39 Exceptional Item

Mindspace Business Parks Private Limited ("MBPPL") had entered into a Memorandum of Understanding dated 16 December 2019 with K Raheja Corp Private Limited ("KRCPPL") for the proposed sale of MBPPL's parcel of land admeasuring 39.996 acres located at Pocharam Village at a predetermined price. The Board of Directors of MBPPL and the Governing Board of Investment Manager in their meeting held on 9 February 2022 and February 10, 2022 respectively had approved the proposed transfer. The said land was recorded as 'Investment Property under construction' in the financial statements, forming part of MBPPL's 'Real estate' segment. The said land has been sold vide agreement dated 30 March 2022 for the consideration of Rs. 1200 million, which has been determined as per the mutual agreement considering the latest ready reckoner rate, resulting into profit of Rs. 428 million. The same has been disclosed as an exceptional item in the statement of profit and loss.

Rs. 0 in the financial statements represents amount less than Rs. 0.50 millions

Mindspace Business Parks Private Limited

(CIN :U45200MH2003PTC143610)

Notes to Financial Statements for the year ended 31 March 2022 (Continued)

(All amounts are in Rs. Millions unless otherwise stated)

41. Financial Instruments

A. Capital Management

The Company's objectives when managing capital are:

- to ensure Company's ability to continue as a going concern.
- to provide adequate return to shareholders.

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through an optimum mix of debt and equity within the overall capital structure. The Company's management reviews the capital structure of the Company considering the cost of capital and the risks associated with each class of capital (Refer note no. 43 VIII)

B. Categories of financial Instruments and Fair Value Hierarchy

Particulars	As at 31 March 2022	As at 31 March 2021
Financial assets		
<i>Measured at amortised cost *</i>		
(a) Investment in 8.24%, 7.61%, 7.17% / 7.26% and 7.06% Government securities bond	15	12
(b) Investments in equity shares of subsidiaries	-	-
(c) Trade receivables	44	72
(d) Cash and cash equivalents	318	356
(e) Other bank balances	17	47
(f) Loans	5,250	5,250
(g) Other financial assets	860	889
Financial liabilities		
<i>Measured at amortised cost *</i>		
(a) Borrowings	15,465	16,410
(b) Trade Payables	182	151
(c) Other financial liabilities	3,003	2,972

* The Company considers that the carrying amounts of these financial instruments recognised in the financial statements approximates its fair values.

C. Financial risk management objectives

The Company has exposure to the following risks arising from financial instruments:

- Market risk;
- Credit risk; and
- Liquidity risk

i) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The Company is domiciled in India and has its income and other transactions in its functional currency i.e. Rupees. Accordingly the Company is not materially exposed to any currency risk. Also the Company does not hold any equity investments, accordingly the Company is not exposed to any equity price risk.

As on 31 March 2022 exposure to currency risk is as follows

Particulars	As at 31 March 2022		As at 31 March 2021	
	USD in Million	INR in Million	USD in Million	INR in Million
Trade payables				
Net exposure				

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters.

Foreign currency sensitivity analysis

The Company is mainly exposed to foreign currency risk as there is no outstanding unhedged foreign currency receivable / payable

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because it borrows fund at variable interest rate from banks and financial institution. Total borrowings at variable interest rate is Rs 15,465 million (31 March 2021 Rs 16,410 million)

Interest rate sensitivity - variable rate borrowings

The below table mentions the impact of increase or decrease in the interest rates of variable rate borrowings on statement of profit and loss.

Particulars	Impact on statement of profit and loss	
	year ended 31 March 2022	year ended 31 March 2021
Interest Rate increase by 50bps*	43	66
Interest Rate decrease by 50bps*	(43)	(66)

* holding all other variables constant

Mindspace Business Parks Private Limited
(CIN :U45200MH2003PTC143610)
Notes to Financial Statements for the year ended 31 March 2022 (Continued)
(All amounts are in Rs. Millions unless otherwise stated)
ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. The carrying amounts of financial assets represent the maximum credit exposure.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has rented out premises since 2009 and the customers balances at the reporting date are not credit-impaired. The Company obtains security deposits from customers, so that in the event of non-payment, the Company is able to recover the dues. Further historical trends indicate any shortfall between such deposits held by the Company and amounts due from customers have been negligible. The Company has made allowance for doubtful debts (expected credit loss allowance) for receivables outstanding for considerable time based on ageing analysis of trade receivables.

For the ageing analysis of trade receivables refer note 13.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks of Rs.318 millions as at 31 March 2022 (31 March 2021 Rs. 356 million). The credit worthiness of the such bank and financial institutions is evaluated by management on an ongoing basis and is considered to be good.

Other financial assets measured at amortised cost includes loans to group companies and others, security deposits, etc. Credit risk related to these financial assets are managed by monitoring the recoveries of such amounts on regular basis. The Company does not perceive any credit risk related to loan given to group companies since these will have an additional financial support from parent as and when necessary.

iii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has access to funds from banks and financial institutions. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Exposure to liquidity risk

The below table provides details of the undiscounted cash flow (principal and interest) of non derivative financial liabilities of the Company based on the remaining contractual maturities including estimated interest payments:

Particulars	1 year or less	1-2 years	2-5 years	More than 5 years	Total	Carrying amount
31 March 2022

B Secondary segment Information

The Company's operations are based in India and therefore the Company has only one geographical segment - India

C Segment accounting policies

Segment accounting policies are in line with accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting:

- Segment revenue includes income directly identifiable with the segments
- Expenses that are directly identifiable with the segments are considered for determining the segment result. Expenses which relate to the Company as a whole and not allocable to segments and expenses which relate to the operating activities of the segment but are impracticable to allocate to the segment, are included under 'Unallocable expenses'
- Income which relates to the Company as a whole and not allocable to segments is included in Unallocable Income and netted off from Unallocable expenses
- Borrowings of the Company are considered as Unallocable and disclosed accordingly. Correspondingly, finance costs relating to all the borrowings have also not been allocated to reportable segments and disclosed under 'Unallocable'
- Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment

D Information about major customers

The Company's revenue for the period includes Rs. 702 millions (31 March 2021: Rs. 631 Millions) which arose from its largest customer. One customer contributed 10% or more to the Company's revenue for the period ended 31 March 2022

	31 March 2022	31 March 2021
Name of the Customer		
Customer A	702	631

43 Other Statutory Information

- The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- The Company has no transactions with the companies struck off under Companies Act, 2013.
- The Company does not have entered into any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- The Company is not declared wilful defaulter by Bank or Financial Institution.
- The Company has not witnessed any delay in filing of registration of Charges.
