Dear Mr. Kedar Kulkarni,

**Re: CRISIL rating on the Rs.250 Crore Commercial Paper of Mindspace Business Parks REIT (Mindspace REIT).**

All ratings assigned by CRISIL Ratings are kept under continuous surveillance and review.

Please refer to our rating letter dated August 24, 2023 bearing Ref. no: RL/MIBPKR/326281/CP/0823/68732

Rating outstanding on the captioned debt instruments is CRISIL A1+ (pronounced as "CRISIL A one plus rating"). Securities with this rating are considered to have very strong degree of safety regarding timely payment of financial obligations. Such securities carry lowest credit risk.

For the purpose of issuance of captioned commercial paper programme, this letter is valid for 30 calendar days from the date of the letter. In the event of your company not placing the above programme within this period, or in the event of any change in the size/structure of your proposed issue, the rating shall have to be reviewed and a letter of revalidation shall have to be issued to you. Once the instrument is issued, the above rating is valid (unless revised) throughout the life of the captioned Commercial Paper Programme with a maximum maturity of one year.

As per our Rating Agreement, CRISIL Ratings would disseminate the rating through its publications and other media, and keep the rating under surveillance for the life of the instrument. CRISIL Ratings reserves the right to withdraw or revise the ratings assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information or other circumstances, which CRISIL Ratings believes, may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.

Should you require any clarifications, please feel free to contact us.

**Dear Ma'am,**
**Re: ICRA rating for Rs. 250.0 Crore Commercial Paper (CP) Programme of Mindspace Business Parks REIT**

Please refer to your email dated November 24, 2023 for revalidating the rating letter issued for the captioned programme.

We confirm that the "[ICRA]A1+" (pronounced ICRA A One plus) rating assigned to your captioned Commercial Paper (CP) programme and last communicated to you vide our letter Ref. No. ICRA/Mindspace Business Parks REIT/30082023/3 dated August 30, 2023 for the Rs. 250.0 crore CP programme stands. Instruments with [ICRA]A1 rating are considered to have very strong degree of safety regarding timely payment of financial obligations. Such instruments carry lowest credit risk. Within this category, rating modifier {"+" (plus)} can be used with the rating symbols. The modifier reflects the comparative standing within the category.

Kindly note:

(a) If the instrument rated, as above, is not issued by you within a period of 3 months from the date of this letter, the rating would need to be revalidated before issuance;

(b) Subject to Clause (c) below, once the instrument is issued, the rating is valid throughout the life of the captioned programme (which shall have a maximum maturity of twelve months from the date of the issuance of the instrument).

(c) Notwithstanding anything contain in clause (b) above, ICRA reserves the right to review and/or, revise the above rating at any time on the basis of new information or unavailability of information or such circumstances, which ICRA believes, may have an impact on the aforesaid rating assigned to you.

(d) The Rating(s), as aforesaid, however, should not be treated as a recommendation to buy, sell or hold CP issued by you. The Rating(s) is restricted to your CP programme of Rs. 250.0 crore only. In case, you propose to enhance the size of the CP programme, the same would require to be rated afresh. ICRA does not assume

any responsibility on its part, for any liability, that may arise consequent to your not complying with any eligibility criteria, applicable from time to time, for issuance of CP.

The other terms and conditions for the rating of the captioned instrument shall remain the same as were communicated vide our letters Ref: ICRA/Mindspace Business Parks REIT/30082023/3 dated August 30, 2023.

The Rating(s) assigned must be understood solely as an opinion and should not be treated, or cause to be treated, as recommendation to buy, sell, or hold the rated CP Issued/availed by your company.

We look forward to further strengthening our existing relationship and assure you of our best services

With kind regards,
Yours sincerely,
For ICRA Limited

As a pioneer of creating world-class business districts, Mindspace REIT has revolutionized mundane workplaces into community-based ecosystems. The infrastructure and campuses have been carefully designed and upgraded with newer amenities to meet the ever-evolving requirements of tenants.

Over time, we have built an expansive portfolio of fully-integrated business parks and high-quality independent office assets that have led us to become the partner of choice for over 185 domestic and international corporations, as well as Fortune 500 companies.

With offices in Mumbai Region, Hyderabad, Pune, and Chennai, Mindspace REIT has a total leasable area of 31.9 msf under the 3 brands - 'Mindspace', 'Commerzone' and 'The Square'. The portfolio comprises 24.9 msf completed area, 2.4 msf under construction area and 4.6 msf future development area.

Our journey has been guided by our purpose 'to build sustainable ecosystems', and we strive to curate workspaces that are good for the environment, people and communities for the generations to come. The driving force underlying our success has been our resilience in the face of a rapidly changing world along with an agile response to evolve and cater to the new normal.

# Long-standing and diversified tenant partnerships

**The diversity and the quality of tenants in our portfolio juxtaposed with their tenure is a representation of the efforts we put in nurturing our relationship with tenants. The workspaces designed by us are often benchmarked against global standards in terms of quality, safety, integrated ecosystem, and opportunities for future expansion. As a result, our existing tenants choose us as their preferred partner in their new leasing and expansion decisions. This is represented in the fact that 62.0% of c.2.1 msf leased in H1 FY23 was rented by existing tenants. Our portfolio is well diversified with top 10 tenants contributing to less than 36.4% of the gross contracted rentals.**

Approvals in progress

# Asset enhancements, augmented experiences

We are conscious of the ever-evolving needs of our tenants and the importance of staying relevant to our occupiers. We are constantly upgrading our parks adding new amenities that differentiate us from competition and enhances value for our occupiers.

## Inauguration ceremony

One of the recent additions to our Hyderabad business park was the newly inaugurated 1 km long Skywalk at Mindspace Madhapur. The Skywalk provides direct connectivity from the metro-station right located outside outside our park to the office buildings in our park. This striking addition to the public infrastructure was inaugurated by Shri K. T. Rama Rao - Hon'ble Minister for Municipal Administration & Urban Development, Industries & Commerce, and Information Technology of Telangana. Also gracing the opening were Sri Jayesh Ranjan, IAS, Principal Secretary to Govt Industry and Commerce and ITE&C Depts., and other respected government officials.

## Skywalk: Enhancing connectivity and reducing the carbon footprint

The Skywalk has not just helped to reduce the discomfort caused by vehicular traffic to pedestrian movement, but also led to a significant reduction of carbon footprint generated by last-mile transportation of vehicles as well as reducing the noise and traffic within our parks. The Skywalk also houses a Vantage Café along with kiosks and breakout spaces providing food, recreation, and entertainment options. This is the first such offering for any business park in Hyderabad.

# Enhancing the scale of the portfolio

**Mindspace REIT enjoys the benefit of the right of first offer (ROFO) agreement that grants us a right of first offer to acquire certain projects being developed or proposed to be developed by the K Raheja Corp Group (KRC Group).**

Our current ROFO pipeline stands at 8.6 msf across Mumbai Region, Hyderabad, and Chennai markets, of which 3.5 msf is expected to be completed by FY23. In addition, we also have access to other sponsor assets.

We have also recently received interest notice from the Sponsor Group to acquire the shares of Sundew Real Estate Private Limited which houses a c.0.16 msf building in BKC Annex. The asset is fully leased to a global financial institution. These inorganic opportunities are incremental to our growth and development plans.

## Commerzone Raidurg: 1.8 msf

- Strategically located in Hyderabad's commercial micro market of Madhapur
- Occupancy Certificate for KRC Group's area share has been received

### Location highlights

- The ROFO Asset is located close to the Mindspace campus in the heart of the established office space micro-market of Madhapur
- Well-connected with business hubs, social infrastructural facilities, metro rail, MMTS and Outer Ring Road
- Madhapur is also home to several retail, hospitality, and entertainment developments

### Project highlights

- Demonstrates strong growth fundamentals as Mindspace gains further foothold in a vibrant market if acquired
- Fully pre-leased to a multinational company
- Sustainable green building with retail options across the main access
- LEED Gold Certified Building

## Energy efficiency

### Green energy

- Mindspace Airoli East, Mindspace Airoli West, Gera Commerzone Kharadi and Commerzone Yerwada use 100% green energy across common areas
- Adopted green energy, at The Square BKC, to reduce carbon footprint

### Solar power

- Generated power through solar PV modules on our rooftops in Mindspace Madhapur 1.6 mw Installed Solar PV Photovoltaic capacity.

### Energy efficient tools

- Implemented different tools such as energy-efficient chillers, heat-recovery wheels, efficient pumps and motors, etc.

### Air quality

- Improved indoor air quality through a systematic integration of UV lights and MERV filters for air handling units across assets

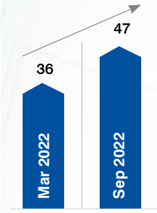
**Green buildings**

**Increase in green-rated buildings**



## Water and wastewater management

### Technology adaptation

We have implemented technologies such as sensors to check quality of the recycled and treated water.

### Water treatment

We ensure real-time monitoring of the quality of treated water from the Sewage Treatment Plants (STPs) to ensure that the discharge is as per the prescribed STP norms. Over 90% enhancement in STP recycling with technology upgrade across assets by introducing MBR – Membrane Bioreactor modules and automation of processes to enhance efficiency.

### Recycling and reusing treated water

Wastewater is treated at the STP and reused efficiently. We ensure 100% use of recycled water in line with zero wastewater discharge goal. Adopted best practices such as rainwater harvesting, water recycling and reuse of treated water for flushing and gardening purpose.

### Introduction of UV and ozone to STP treated water

Ensured improvement in recycled water quality by eliminating usage of chlorine and alum with introduction of UV and Ozone to STP treated water.

### Reduced dependency on municipal water

Lower water wastage to reduce sewage volumes and water bills, reducing dependency on municipal water.

**Real-time monitoring** is regularly undertaken for each sewage treatment plant.

## Waste management

The 3R's in Waste Management - reduce, recycle and reuse-in our operations is ensured through the lifecycle of our assets

### Under-construction stage

- Construction waste generated across our green buildings is intelligently reused, reducing burden on the city infrastructure and dumping grounds
- Debris generated is used within the campus itself

### Upon occupancy

- Wet waste is composted, converted to manure and used for landscaping within the campuses, as part of the integrated sustainable waste management program.
- Backed by the success of waste recycling across several of the Business Parks, the installation of organic waste composters are underway across all parks. It is designed to assemble all cafeteria and food waste to a central location and convert it into manure
- To ensure successful implementation investments are made in educating and encouraging tenants, on waste management through awareness programs, and sensitization sessions hosted both virtually and physically. The objectives are to educate them on effective segregation of waste at source and to ensure recycling of hazardous waste with respect to campus specific operational activities.
- Undertake vermi composting and leaf mold composting of horticulture waste
- Horticulture waste used as mulching material to reduce water consumption and increase soil fertility
- All non-compostable waste is sent to State Pollution Control Board (SPCB) approved recyclers
- Hazardous waste and e-waste sent to SPCB-approved recyclers
- We engage only those recycler business partners who have been approved by the Pollution Control Board

### Single-use plastic

- Mindspace REIT has committed to minimizing single-use plastic usage.
- Host awareness programs at regular intervals with tenants, through emails, posters on site, virtual sessions on adverse effects on the environment, of single-use plastic
- Operational controls are placed on ground that prohibit single-use plastic within the Business Parks.
- To further strengthen compliance, we introduced a clause of prohibition of single-use plastic in contracts with partners and vendors

## Biodiversity

### Digitalized QR code

The Business Parks have handpicked trees that are drought resistant, need little water and are low maintenance. This has resulted in our Campuses having a variety of trees and shrubs, several of which are little known. In our endeavor to spread awareness about the uses and uniqueness of the flora, we have initiated and implemented biodiversity mapping using a digitalized QR code. The trees, plants and shrubs now has QR code that allow tenants to access a variety of information on the respective green offering.

### Lake makeover

We are cognizant of the need to preserve the environment and have minimal impact on the surroundings, while promoting activities that conserve the biodiversity. Back in the year 2018, we entered into a meaningful partnership with the Telangana State Industrial Infrastructure Corporation (TSIIC) Limited and Greater Hyderabad Municipal Corporation (GHMC) to develop and maintain the Durgam Cheruvu Lake in a phased manner.

While we have enhanced and transformed the lake from an algae-ridden waterbody to a thriving ecosystem and meaningful waterfront, we continue to remain committed to the lake's upkeep. Along with these developments, others include jogging/walking-tracks, kids-play areas, yoga corners and more. The lakeside is designed while preserving its biodiversity, capitalizing on the existing green and blue-scapes, and built meticulously with an ecologically-sensitive, low carbon-footprint approach.

## Biodiversity (Contd.)

### Urban farm

At Mindspace REIT, we promote environment-friendly practices that preserve Mother Earth. One of our thoughtful initiatives is ‘urban farming’. Right from sowing the seeds to ensuring that they are well looked after, our horticulture teams continuously invest their efforts in nurturing organic urbanized farming at Mindspace Airoli East. The end harvest results in a range of vegetables and fruits that are distributed to the marginalized schools in the vicinity.

It also works as a place for employees to engage with the plants during their work breaks. Several plant lovers are seen thronging the ‘urban farm’, often even engaging in sowing some seeds themselves.

The initiative has been conceptualized, created, and maintained by Mindspace team and allows us to offer our clients, partners, and local communities a space to unwind.

## Air Quality Administration

### Improved air quality (IAQ)

- There has been increased awareness regarding the quality of air we breathe since the pandemic due to health concerns
- At Mindspace REIT, we have ensured improved indoor air quality by integration of UV lights and MERV filters with Air Handling Units (AHUs) across assets
- We also integrated UVG lights in AHUs to combat the virus and prevent the spread of infectious diseases
- A controlled and rigorous sensor-responsive testing process has been introduced for AHUs, HRW for fresh and exhaust air
- To ensure optimal results, integration and sensor-based automations of HVAC system have been undertaken to deliver enhanced result in terms of energy efficiency and air quality management

## IMOC

### Infrastructure monitoring operational centre (IMOC) approach

- Rigorous technology upgrade for all MEP (Mechanical, Electrical And Plumbing) utilities is underway to deliver seamless integration with the IBMS platform. This will ensure better control, monitoring and enhanced efficiency to reduce carbon footprint.
- Embedded self-algorithm based pre-defined operational rules for all high-side MEP equipment. This ensures optimization of overall energy footprint, enabling considerable savings under Scope 2 emissions.

## Green certifications

Mindspace REIT has received LEED certifications from the US Green Building Council for 11 of its buildings at its Business Park, Mindspace Madhapur and Mindspace Airoli West. At Mindspace Madhapur, six buildings have received LEED 'Platinum Certification', four buildings have received LEED 'Gold Certification'. Covering a total of 2.4 msf, these green rated buildings join the 10 previously green certified buildings within the campus, taking the total count to 20 green certified buildings. With this, office portfolio of Mindspace Madhapur is now 100% green certified. Platinum is the highest level of LEED certification, which instantly places the buildings in an elite cohort, representing some of the best green buildings, globally.

For the endorsement received under the Existing Building v4.1 certification, the buildings were evaluated over a period of one year. The evaluation process focused on the five performance areas, which are Transportation, Water, Energy, Waste Management and Indoor Environmental Quality. Each building in the Mindspace Madhapur campus has been meticulously designed with green interventions and reduced dependence on non-renewable energy sources. The buildings have solar PV photovoltaic with a 1.6 mw capacity to generate renewable power through solar modules.

**At Mindspace REIT, we remain invested in building shared value for our people, maintain long-term relationships with our tenants, and uplift our surrounding communities.**

**These stakeholders support our growth narrative and we remain committed to delivering mindful interventions that create a thriving ecosystem.**

## People practices

### ESG squad

Our ESG Squad is a cohort of employees specially formed to drive ESG initiatives. This employee resource group collaborates and works towards achieving the goals set in alignment with our ESG strategy.

ESG squad launched

### Udaan scholarship programme

Meritorious children of our employees, who secure distinction and above in grade 10, 12 and graduation exams are awarded a merit scholarship from the entity. This is our gesture to applaud the next gen for their hard work and performance.

### The pride side

Our policy on diversity and inclusion which is based on zero discrimination in hiring, financial support for gender reassignment surgery, coverage in adoption assistance, corporate mediclaim for same-sex partners, and support through professional counselling sessions.

### E-connect

In line with WeCare-our grievance-handling platform and our advocacy to human rights policy, we have dedicated one day every quarter for employees to connect with HR team for grievance resolution. Being for an inclusive work environment, this platform is also open for outsourced, contract and labor staff at our project sites.

### Joy of giving week

We partnered with Project Mumbai, which works towards community upliftment and social transformation. In line with our ESG goals, we sought donations in the form of plastic waste and e-waste from employees, which were then recycled for further use.

### Green workshops

These sensitized our people on the importance of sustainability through small interventions in their daily lives:

- **Terrarium workshop:** Focusing on the importance of clean air and playing a role in curating a green ecosystem of their own, this workshop saw our people try their hand at working with mud and plants. Acting as a mini-green house, the terrarium's creative experience has inculcated the importance of growing and maintaining their own little green space among our people
- **Save soil movement:** A webinar to create awareness on the importance of preserving soil and using it wisely to grow trees and increase the green cover of the earth

### Employee wellbeing

As part of our ‘prioritizing health’ and ‘camaraderie building’ initiatives we hosted health workshops with yoga specialists. We also hosted family day for our employees and welcomed their families and children for a fun filled day at work.

### Support staff appreciation day

To recognise the efforts of our support staff, we celebrated Support Staff Appreciation Day and rewarded those who silently support us and go the extra mile in their work.

### Certification

Great Place To Work.

Mindspace REIT debuted in the Great Place to Work list. Under two years of being listed, Mindspace REIT has been ranked amongst the Top 75 of India’s Great Mid-Size Workplaces 2022.

## Training and development

### ESG training for working committee

Training on ESG awareness and actions required around the identified strategic pillars. Also, aligning the entire ESG taskforce at Mindspace REIT on the key goals for the year and action plan with milestones.

### First-aid training

This enables our people to provide emergency first aid to someone who is injured or becomes ill at work. We believe it is necessary for our people to have this skill considering the nature of business.

### Insider trading

Considering the sensitive nature of information that people maybe privy to, it is necessary that key internal stakeholders understand that access to information has a significant bearing, and hence must be dealt with responsibly.

### Safety culture transformation

Covering Incident Reporting, Investigation and Root Cause Analysis (RCA), the training programme is designed to help line managers, supervisors and plant managers to conduct thorough incident investigations that cultivate an environment of safety and best practices for people to work and thrive.

### Stride with pride

With the aim to create an inclusive work environment, Mindspace REIT hosted sensitization and awareness trainings, empowering our people to be good allies to LGBTQIA+ colleagues and work towards creating an inclusive work environment.

### Ergonomics

The goal of the ergonomics training was to create jobs, tools, equipment and workplaces that fit people, rather than making people adapt to fit them. An important part of ergonomics is making sure that the demands of the job do not overpower what a worker can do safely.

### Behavior based safety training

These trainings were undertaken with the aim of increasing safe behavior at workplace and reducing hazards, risks, and incidents by observing the repercussions of reckless behavior.

### POSH training

Helps in creating awareness and sensitizing employees to prevent any form of sexual harassment or inappropriate behavior at the workplace. The endeavor being to create a workplace that is empowered, equal and safe.

## Community outreach

### Built a school in Gambhiraopet, in Sircilla district of Telangana

With the belief that 'investment in knowledge disburses the best interest', Mindspace REIT has built an all-new educational facility for the children from the quaint little village of Gambhiraopet in Sircilla district of Telangana. The newly developed school has been equipped with well-designed classrooms, a library, dining area, training rooms and an outdoor play area. It is the first school in the village with amenities benchmarked to national standards. With 'education' as a powerful lever of its ESG initiatives to create positive community impact, Mindspace REIT extends its expertise in construction, to benefit the community and its future generations.

Classrooms are designed with a capacity for over 400 students. The development has been undertaken in collaboration with Mindspace REIT and the Government of Telangana State. The school has 9 classrooms spread over 10,415 sq.ft and training rooms spread over 10,108 sq. ft. With this, Mindspace REIT joins the Government's endeavor in line with its commitment of providing quality education to rural areas under the Our Village – Our School programme.

### #MindspaceforAthletes - Sports fellowship for athletes

Extending community impact initiatives towards the empowerment of young sportspersons, Mindspace REIT launched #MindspaceforAthletes. Through this, we aim to assist sportspersons by reducing the financial burden, and supporting their nutrition and coaching. The alliance will nurture budding talent at the grassroots level, who are poised to be India's champions of tomorrow. We have partnered with non-profit organization 'United Way of Hyderabad' to reach deserving youth in table tennis, and plan to expand to other sports in the future.

Mindspace REIT sees excellent synergies with this initiative given that the sport is gender-agnostic, cuts across ages, and is inclusive.

Under the aegis of Azadi Ka Amrit Mahotsav, the campaign was to encourage citizens to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Mindspace REIT sponsored flags to invoke the feeling of patriotism in the hearts of the people and pay a tribute to India's brave freedom fighters.

## Tenant relations

At Mindspace REIT, we invest in the welfare of our discerning clients. We strive to fulfill their evolving requirements by creating opportunities for camaraderie and engagement. We go the extra mile to deliver a sense of pride in association with our Business Parks, and host several engagement initiatives.

### Sports engagement

From inter-corporate football tournaments to paintball contests, Mindspace REIT uses sports, team-building activities and games effectivity to foster camaraderie and competitiveness within the campus, as employees battle it out for the winning title.

Sports engagement

### Celebrating Friendship

In keeping with the occasion of Friendship Day, we hosted a themed event of Films, Frames and Friends. Clients at our Business Parks across Mumbai Region and Pune participated with enthusiasm. From Bollywood themed photobooths giving instant photos to friendship goodies, the day was a complete hit filled with high adrenaline entertainment.

### Festivities

The Navratri special 'Dandiya Bash' was hosted at some of the Business Parks. Employees arrived dressed in ethnic outfits. As musicians entertained the audience to the beats of Navratri music, the festive celebration saw huge participation from tenants.

# Mindspace Madhapur

## Hyderabad

An oasis of 97.2 acres, Mindspace Madhapur is the largest business park in Hyderabad and was instrumental in making Madhapur the central business district (CBD) of Hyderabad. Mindspace Madhapur offers an experiential ecosystem with over 4 acres of recreational spaces, gardens, basket-ball courts, tennis courts, F&B zones and open-air theatre. The business park now also boasts a Skywalk that provides direct connectivity to all buildings within the park from the metro station situated right outside the park which is a first for any business park in Hyderabad.

Mindspace Madhapur is well connected in terms of rail and road access, in addition to being in proximity to the airport. The Durgam Cheruvu cable bridge has further reduced the travel time between Madhapur and Jubilee Hills, facilitating better access of the HITEC city and the financial district with the rest of the city.

# Mindspace Airoli West

## Mumbai Region

Mindspace Airoli West is the second largest business park in Mumbai Region after Mindspace Airoli East. This is located in proximity of affordable residential catchments where a significant portion of city's population resides. The park enjoys superior connectivity to the Airoli Railway station and the Thane Belapur Road.

Mindspace Airoli West has diversified into newer asset classes such as data centers. Apart from the two data centres that have been pre-committed to Princeton Digital Group (PDG), the undeveloped land parcels within the business park offer opportunities to build more data centres or commercial office buildings.

# Gera Commerzone Kharadi

## Pune

**Located in the well-established eastern quadrant of Pune, Gera Commerzone Kharadi enjoys easy access to the airport, retail, luxury hospitality brands, railway station and established residential catchments. Designed on the 'biophilic' model, the business park emphasizes on the intrinsic association between humans and nature, which has been the fundamental consideration when conceptualizing the project.**

**The new-age, tech-integrated workspaces, augmented with recreational activities that meet the needs of the forward-thinking millennial workforce have made this park a preferred destination for MNCs. Given the strong demand we have witnessed from occupiers for this asset, we have brought forward the construction timelines of our new 1 mn. sq. ft. building B4 in this park.**

# The Square Signature Business Chamber (Nagar Road)

## Pune

The Square Signature Business Chamber is a case study on how value can be maximized throughout the lifecycle of the asset by repurposing and retrofitting. The asset had an office building and a mall within the same premises. The mall building was successfully transformed into a office building.

Due to its central location and direct access to Nagar Road highway, and located in a catchment that is replete with some of the best social infrastructure in Pune, it has witnessed strong demand from occupiers. The upcoming metro station is less than 5 minutes away.

# Paradigm Mindspace Malad

## Mumbai region

Mindspace Malad has been instrumental in transforming the Goregaon-Malad belt into one of the most sought-after destinations in the suburbs. Located in proximity to recreational landmarks like Inorbit Mall, Infinity Mall, Hypercity, premium residential developments, restaurants and the Botanical Theme Garden, our business park offers a holistic ecosystem right around the park.

The upcoming metro station near our park would enhance connectivity to residential catchments right from Andheri West to Dahisar to Andheri East and provide connectivity to railway stations along the route and existing Mumbai Metro Line 1.

### A. Avacado

### (i) Title litigation and irregularities

1. Nusli N. Wadia ("**Plaintiff**") filed a suit ("**Suit**") before the Bombay High Court ("**High Court**") against Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Inorbit Malls, Avacado and others ("**Defendants**") pertaining to inter alia revocation of the registered agreements for sale of certain buildings, including the registered agreements executed in favour of Avacado for acquiring buildings viz. Paradigm constructed on demarcated portion of the land located at Mindspace Malad project, and demolishing of the building Paradigm located at Mindspace Malad project. The Plaintiff's claim with regard to Avacado is restricted to its transaction relating to Paradigm building constructed on the demarcated portion of land located at Mindspace Malad project and does not extend to the equity shares of Avacado or any other assets held by Avacado.

   The Suit was filed inter alia alleging certain insufficient payment to the Plaintiff, breach and non-adherence of the project agreement of 1995 entered into between the Plaintiff and Ivory Properties in respect of certain land situated at Malad West and Kanheri, including the demarcated portion of the land on which building Paradigm is constructed in Mindspace Malad project ("**1995 Agreement**"), and pertaining to sale of certain buildings inter alia on ground of sale of such buildings to alleged related parties. The Plaintiff sought inter alia (i) orders of declarations and permanent injunctions relating to the termination of the 1995 Agreement, (ii) the termination of some of the registered agreements and memorandums of understanding entered between the Plaintiff, Ivory Properties and purchasers in respect of

some of the buildings constructed on the demarcated portions of land in Malad (including the building viz. Paradigm located at Mindspace Malad project), (iii) demolishing of such buildings and (iv) damages from Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja and Mr. Chandru L. Raheja to the extent of ₹ 3,509.98 million along with interest. A notice of motion was also filed by the Plaintiff seeking interim and ad-interim reliefs for inter alia appointment of receiver for buildings sold by the Plaintiff and Ivory Properties to various Defendants (including Avacado), restraining Ivory Properties and other Defendants (including Avacado) from alienating, encumbering or parting with possession of the building and restraining Ivory Properties and other Defendants (including Avacado) from dealing with (including renewal of leases / licenses) or creating fresh leases / licenses in respect of the buildings, and from receiving or recovering any sum in respect thereof by way of rent, license fee or compensation for occupation, or if received or recovered be directed to deposit the said rent, license fee or compensation to the High Court. No ad-interim relief was granted to the Plaintiff.

The Defendants filed replies inter alia stating that the Suit is barred by limitation and that the transactions under the registered documents are genuine and in accordance with the 1995 Agreement and that the Plaintiff had deliberately made false and defamatory comments to cause damage to the reputation of the Defendants inter alia to pressurize Ivory Properties and its directors into meeting the Plaintiff's demands for unjustifiable amounts beyond what is payable under the 1995 Agreement. Further, Ivory Properties has also filed a counter-claim for various reliefs relating to specific performance of the 1995 Agreement and refund of ₹ 16 million with interest paid to the Plaintiff, and in the alternative for payment of estimated damages of ₹ 6,091.40 million inter alia towards loss of profit from the balance development potential and ₹ 5,000 million along with interest for compensation towards defamation.

The High Court, by its orders dated September 19, 2013 and September 20, 2013, framed the issue of limitation under section 9A of the Civil Procedure Code, 1908, as a preliminary issue of jurisdiction and directed the Plaintiff to file affidavit of evidence. Aggrieved, the Plaintiff challenged the orders of the High Court by filing a special leave petition ("**SLP**") in the Supreme Court of India. The Supreme Court of India, by an order dated October 8, 2013, stayed further proceedings with regards to the Suit filed in the High Court, till further orders. Thereafter, the Supreme Court of India, by its order dated August 25, 2015, referred the SLP to a three-judge bench. Subsequently, the Supreme Court of India disposed of the SLP by an order dated December 12, 2018 as infructuous in view of deletion of Section 9A of Civil Procedure Code by the Maharashtra Act 61 of 2018 with liberty to apply in case the need arises.

The Plaintiff filed an application before the Supreme Court of India to restore the original SLP by cancelling the order dated December 12, 2018 in view of further amendment the Code of Civil Procedure (Maharashtra Amendment) Act, 2018. By its judgment dated October 4, 2019, it was held by the three judge bench of Supreme Court of India that Section 9A of Civil Procedure Code by the Maharashtra Act 61 of 2018 cannot be decided as a preliminary issue as to jurisdiction. The Supreme Court of India has directed for the matters to be placed before the appropriate bench for consideration on merits. The Supreme Court of India, by its order dated May 6, 2022 disposed off the SLP relying on the judgement of the three judge bench of the Supreme Court dated October 4, 2019. The notice of motion for interim relief and the Suit are pending for the final hearing before the High Court.

Separately, in relation to a transaction of divestment by the KRC group of their shareholding in respect of one of its group company, the Plaintiff, through his advocates & solicitors, had addressed certain letters, including to KRCPL, CCI and the merchant bankers acting in that transaction. The Plaintiff had also issued caution public notice dated October 1, 2016, cautioning the public about the risks and consequences in dealing with the suit property. The allegations and averments have been responded by KRCPL and the merchant bankers and the transaction of divestment was completed.

Further, the Plaintiff, through his advocates, addressed a letter dated February 13, 2020, including to Mindspace REIT, the Manager, the Trustee, the Sponsors, Avacado, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Ivory Properties and KRCPL, expressing his objection to the proposed Offer and any actions concerning the building at Paradigm Mindspace Malad. The allegations and averments made by the Plaintiff have been responded by parties concerned. No further correspondence has been received.

### (ii) Criminal matters

There are no pending criminal matters against Avacado.

### (iii) Regulatory actions

1. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 ("**Income Tax Act**") against Avacado, Gigaplex, KRIT, MBPPL, Chalet Hotels, Genext, Inorbit Malls, KRCPL, KRPL, Shoppers Stop and others ("**Parties**"). Pursuant to the Warrant, the Income Tax Department carried out a search on November 30, 2017. The search covered various matters for which notices were already issued from time to time. The search was concluded on December 6, 2017 at the office and residence of the Parties. Pursuant to the search, the Income Tax Department issued notices to each of the Parties under Section 153A of the Income Tax Act directing them to prepare and furnish true and correct returns of total income for assessment years ("**AY**") from 2008-2009, 2012-13 to 2017-18 within a stipulated timeline from the date of service of the notices and these returns have been furnished before the Income Tax Department. Further, the Income Tax Department issued notices under Section 142(1)/143(2) of the Income Tax Act for assessment years 2008-2009, 2012-13 to 2017-2018/2018-19, to the Parties seeking certain information. These details have been furnished before the Income Tax Department by the Parties from time to time.

   Avacado filed appeals for AY 2012-13 to AY 2017-18 before the Commissioner of Income Tax (Appeals) ("**CIT(A)**") against the order received under section 143(3) r.w.s. 153A of the Act. The same were disposed of by the CIT(A) against Avacado for AY 2012-13 to AY 2014-15 and in favour of Avacado for AY 2015-16 to AY 2017-18. Avacado made an application under the Direct Tax Vivad se Vishwas Act, 2020 ("**VsV**") for AY 2012-13 and AY 2014-15 and the final order was received in favour of Avacado. The Income Tax Department filed an appeal for AY 2015-16 and AY 2016-17 in Income Tax Appellate Tribunal ("**ITAT**") against the order of the CIT(A) and the final order is received in favour of Avacado. Avacado filed an appeal before the ITAT against the order for AY 2013-14 which is currently pending. Avacado received a notice under section 148 for assessment year 2014-15. Avacado filed return of income under protest in response to the said notice and also sought reasons for reopening the assessment undertaken during the assessment year 2014-15. Pursuant to which, Avacado received reasons for reopening and submitted a response objecting to the reopening of assessment. The Income Tax Department passed an order rejecting the objections filed. Avacado has received notice u/s 148A(b) and response against the same has been submitted, objecting to the reopening of assessment. The Income Tax Department passed an order u/s 148A(d) rejecting the objections filed and served notice u/s 148 of the Income Tax Act. The return of income was filed under protest in response to the said notice.

2. MPCB allegedly issued a show cause notice dated November 11, 2016 ("**First SCN**") to Avacado for alleged failure in obtaining no objection/ permission from the CGWA for extraction of ground water in respect of the Paradigm Mindspace project. MPCB served a show cause notice dated March 14, 2017 on Avacado, referring to the First SCN stating that the First SCN was issued pursuant to the directions given to MPCB and CGWB by the National Green Tribunal judgement dated January 11, 2016 and November 8, 2016 (in the matter of Asim Sarode V/s District Collector, Nanded and others, where Avacado was not a party) to jointly prepare a list of industries and infrastructure projects which require permission for extracting ground water and to issue directions for closure of such industries and infrastructure projects for whom the default persists. By letter dated April 6, 2017, Avacado responded to MPCB inter alia stating that (a) there is no requirement for Avacado to apply for or obtain NOC from CGWA, as Avacado does not appear in the list of industries and infrastructure projects which require permission for extracting ground water as published on the MPCB website; (b) Avacado does not withdraw ground water at the Paradigm Mindspace Malad project; and (c) the First SCN was not received by Avacado. No further correspondence has been received.

3. The Office of Tehsildar, Borivali ("**Tehsildar**") issued demand notices dated February 5, 2021 and dated March 2, 2021 under provisions of Maharashtra Land Revenue Code, 1966 to Ivory Properties and others for retrospective payment of non-agricultural tax ("**NA Tax**") of ₹ 52.63 million. The demand notices were issued pursuant to the letter dated February, 5, 2021 of the Collector (Mumbai Suburban Office) ("**Collector**"), wherein it was recorded that all urban lands in state being used for non-agriculture purpose, NA Tax assessment had been stayed for the period August 1, 2006 to July 31, 2011 till the revised guidelines were finalised as per government letter NAP0311/CR28/L5 dated August 24, 2011 and that as per Government of Maharashtra decision dated February 5, 2018, the stay was lifted. Ivory Properties vide letter dated March 30, 2021 has denied the quantification and leviability of the NA Tax assessment with retrospective effect and has requested the Tehsildar not to take any coercive action, without giving a reasonable opportunity to file a reply. Ivory Properties also tendered, without prejudice, an 'on account' deposit of a sum of ₹ 3.00 million to the Office of Tehsildar, without admitting or accepting any liability. The Tehsildar had subsequently issued another demand notice dated December 15, 2021 to Ivory Properties and others for payment of NA Tax of ₹ 53.73 million. Ivory Properties vide letter dated February 25, 2022 inter alia replied that it had not accepted or admitted the liability, leviability or quantification of the said amount; however, to show bonafide intent, (while reserving all rights and remedies) Ivory Properties had tendered, a refundable deposit of ₹ 15 million to the Office of Tehsildar, without prejudice to all contentions on all counts. The Government of Maharashtra, Revenue and forest Department by way

of its letter dated April 07, 2022, has put a stay on the NA Tax assessment until further order.

### (iv) Material civil/commercial litigation

There are no other material civil/commercial litigation involving Avacado.

## B. Gigaplex

### (i) Title litigation and irregularities

1. Baburam Ramkishan Yadav ("**Baburam**"), president of Universal Education Society ("**UES**"), filed a suit and injunction application before the Court of Civil Judge (J.D.) Vashi at C.B.D. ("**Civil Court Vashi**") seeking injunction restraining Gigaplex from encroaching upon land admeasuring approximately 500 square meters on which a school is operated by UES ("**Suit Property**"), which is in the Mindspace Airoli West admeasuring approximately 202,300 square meters ("**Larger Land**").

   Gigaplex denied the claims stating that inter alia Gigaplex was a lessee of MIDC in respect of the Larger Land, and that Baburam has illegally encroached upon about 250 square meters on the eastern boundary of the Larger Land. By its order dated August 20, 2018, the Civil Court rejected the injunction application ("**Order**"). Baburam has challenged the Order before the Court of District Judge Thane. The suit and appeal filed by Baburam are currently pending before the relevant courts.

   Gigaplex filed a suit against UES and MIDC before the Court of Civil Judge (Senior Division) Thane at Thane ("**Civil Court Thane**"), inter alia for possession of 569.80 square metres or such area as may be found in unauthorized occupation of UES, damages of ₹ 10.80 million, mesne profits of ₹ 0.30 million per month till the recovery of possession and injunction to restrain from further trespassing on the land at Mindspace Airoli West. Subsequently, Gigaplex also filed an injunction application before the Civil Court Thane seeking, inter alia, a temporary injunction to restrain Universal Education Society, its trustees, office bearers etc. from trespassing and encroaching the Suit Property and the adjacent plot of land leased by MIDC to Gigaplex. In an interim application for injunction filed by Gigaplex, a status quo order was passed on July 26, 2019 by the Civil Court Thane. The status quo was continued by the Civil Court Thane till the final decision in the matter, through its order dated March 5, 2020, disposing of the injunction application. The suit is currently pending before the Civil Court Thane.

   Baburam also filed a complaint before Rabale police station, Navi Mumbai, against a security guard in charge of Gigaplex for allegedly threatening him and damaging of a display board at the Suit Property. Baburam also issued a letter addressing the Commissioner of Navi Mumbai, the Police Commissioner of Navi Mumbai, the Chief Minister of Maharashtra and others, for harassment by security personnel of Gigaplex in the Suit Property. No action has been taken against Gigaplex in this regard.

### (iii) Regulatory actions

1. The Joint Director of Industries, Government of Maharashtra ("**JDI**") had issued a letter of intent dated July 26, 2007 ("**LOI**") to B. Raheja Builders Private Limited (now, Gigaplex Estate Private Limited) for establishing and registering an IT software unit for 'Software Development'. Subsequent to the letter from JDI, MIDC, by its letter dated June 30, 2009, intimated Gigaplex to register as an IT Park, being a private developer. Thereafter, the JDI, by its letter dated May 16, 2016 ("**JDI Letter**"), sought clarification from Gigaplex in relation to non-registration of the IT software unit within the stipulated timeline and sought to initiate action against Gigaplex under the IT/ITES policy. Gigaplex was in the process of completing the endorsement of the lease deed dated November 1, 2007 executed with MIDC in relation to the Mindspace Airoli West project, for payment of stamp duty, which remained with the relevant revenue authorities for endorsement, for submission to JDI. The lease deed was endorsed by the revenue authorities on September 11, 2019. By its letter dated October 9, 2019 to the JDI, Gigaplex has responded to the JDI Letter inter alia stating that (a) the land was granted by MIDC under lease deed dated November 1, 2007 for proposed I.T. software unit (Software Development), but due to recession and other reasons, the erstwhile management of B. Raheja Builders Pvt. Ltd. decided to pursue development as private IT Park (instead of software development) with due approval of the Director Industry, IT, pursuant to the NOC issued by MIDC; (b) accordingly, Gigaplex has developed the land as private IT Park; and (c) Gigaplex also voluntarily approached the stamp authorities and paid the full stamp duty and registration fees in relation to the lease deed, and (d) the development of private IT Park was undertaken with due approval of Director of Industry (IT), Maharashtra and no benefit was received by it under the IT/ITES policy. No further correspondence has been received.

2. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against Gigaplex and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2008-09, AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-13 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. Gigaplex filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against the order for AY 2018-19. The appeal for AY 2016-17 and AY 2017-18 were disposed by the CIT(A) in favour of Gigaplex. The appeals for AY 2014-15 and AY 2015-16 were disposed by the CIT(A) against Gigaplex and an appeal has been filed before the ITAT for the same which is currently pending. The Income Tax Department filed an appeal for AY 2016-17 and AY 2017-18 before ITAT against the order of the CIT(A) and the same is pending.

3. Maharashtra State Electricity Distribution Company Limited ("**MSEDCL**") filed a petition dated October 16, 2018 against Maharashtra State Load Despatch Centre, wherein electricity distribution companies in Maharashtra including, MBPPL and Gigaplex (which hold electricity distribution licenses) and others, were impleaded as parties, before Maharashtra Electricity Regulatory Commission ("**MERC**") seeking payment of alleged past dues, removal of anomalies and directions regarding over-drawal of electricity. Through its final common order dated September 26, 2019, MERC partly allowed MSEDCL's prayer against which MSEDCL and one of the electricity distributions companies have filed separate appeals before the Appellate Tribunal for Electricity ("**APTEL**"). Pursuant to an order dated December 18, 2019, the APTEL instructed that notices be issued to respondents in the appeal, including Gigaplex and MBPPL. By an order dated September 15, 2020, interim applications for condonation of delay in filing the appeals were allowed. The appeals are pending before the APTEL.

4. The Collector of Stamps, Thane City imposed a penalty on Gigaplex vide its letter dated August 12, 2022. Gigaplex had sought partial denotification in relation to plot no. IT-5, Airoli Knowledge Park, TTC Industrial Estate, Village Airoli and Digha, District Thane in 2016. The deficit stamp duty on the transaction amounting to ₹ 39.8 million and registration fee of ₹ 0.02 million was submitted on December 9, 2016 but the penalty under Section 39 of the Maharashtra Stamp Act, 1958 from the date of execution of the document at the rate of 2% per month amounting to ₹ 87.65 million is still pending for payment. Material civil/commercial litigation.

5. Kharghar Vikhroli Transmission Private Limited ("**KVTPL**") has filed a petition before Maharashtra Electricity Regulatory Commission, Mumbai ("**MERC**") against Maharashtra State Electricity Transmission Company Limited ("**MSETCL**") and others (including Gigaplex and MBPPL as respondents) under the applicable provisions of the Electricity Act, 2003 read with the transmission service agreement dated August 14, 2019 ("**TSA**") entered between KVTPL, MSETCL, MBPPL, Gigaplex and certain other companies including distribution companies seeking, inter-alia, compensation/relief for increased cost of the project during construction period due to the 'change in law' event being increase in the acquisition price of shares of KVTPL (including the purchase cost of Vikhroli land). The total additional cost of the project claimed by KVTPL is ₹ 717.00 million along with 9.35% on compounded interest basis. The liability of Gigaplex is 0.05% i.e. the percentage share computed based on allocated transmission capacity rights as mentioned in the TSA. The MERC by its order dated August 2, 2022, partly allowed the petition granting KVTPL the additional cost of the project of ₹ 717.00 million without the carrying cost, in accordance with Article 12 of the TSA. KVTPL will be entitled to recover the impact of change in law after declaring the date of commissioning of the project in accordance with the provisions of the TSA without any carrying cost.

6. Gigaplex, MBPPL and KRC Infra have filed a petition before Maharashtra Electricity Regulatory Commission, Mumbai ("**MERC**") to obtain MERC's approval for the additional cost of power purchase incurred over the period from October 11, 2021 to October 31, 2021 for reasons beyond their control and for adjustment of the additional power purchase cost with the balances against the respective Fuel Adjustment Cost ("**FAC**") fund and levy of FAC for the balance amount , up to the limit of 20% of variable charges, in accordance with the MERC (Multi-Year Tariff) Regulations, 2019 and the directions issued by MERC from time to time regarding FAC fund. By an order dated September 14, 2022, MERC declined the request of MBPPL, GEPL and KRCIPPL seeking a higher ceiling of 40% of the variable component of the tariff for MBPPL, GEPL and KRCIPPL with effect from August 1, 2022, against the existing ceiling of 20% of variable component of tariff and dismissed the petition.

## C. Horizonview

### (i) Title litigation and irregularities

1. An enquiry notice was issued by District Revenue Officer, Thiruvallur ("**DRO**") and Additional District Judge to W.S. Industries (India) Limited ("**WSIIL**"), an erstwhile owner of a land parcel admeasuring approximately 46.04 acres ("**Suit Land**") of which a portion admeasuring approximately 6.16 acres was acquired by RPIL. RPIL has granted development

rights to Horizonview over such land in relation to the Commerzone Porur project. Horizonview is not a party to the proceedings.

The DRO issued an enquiry notice dated May 25, 2017 ("**Notice**") to WSIIL calling for an enquiry to be conducted before the District Revenue Officer cum Additional District Judge at the District Collector Office on the basis of a complaint presented by P. Jeyapal S/o R. Perumalsamy ("**Jeyapal**") alleging that land have been handed over to WSIIL on certain conditions, and instead of using the land for common purpose, WSIIL has been using the land for commercial purpose. Aggrieved, WSIIL has filed a writ petition before the Madras High Court against the DRO and Jeyapal, seeking directions for quashing the Notice. The Madras High Court, by its order dated June 5, 2017, has granted interim stay on proceedings under the Notice. The matter is currently pending before the Madras High Court.

2. Based on legal advice received, the following documents granting development rights in favour of Horizonview for the purposes of constructing an IT Park, have not been registered:

   a. The development agreement, dated November 7, 2006, executed by RPIL, the owner of the land and Horizonview ("**Development Agreement**");

   b. The award dated March 22, 2016, passed by the arbitrator in relation to disputes between RPIL and Horizonview in relation to the Development Agreement ("**Award**");

   c. The letter dated May 18, 2017 executed between RPIL and Horizonview; and

   d. The written arrangement dated February 20, 2019, executed by RPIL and Horizonview modifying the terms of the Development Agreement and the Award.

## E. KRIT

### (i) Title litigation and irregularities

1. Softsol India Limited ("**Softsol**") and others ("**Petitioners**") have filed writ petition on February 8, 2013 in the Hyderabad High Court ("**Court**") against KRIT (wrongly named as M/s. K. Raheja Corporation) and others ("**Respondents**") inter alia seeking declaration (a) that the allotment of land admeasuring approximately 4500 square yards (3763 square metres) ("**Suit Land**") of land adjacent to Softsol's plot is illegal and (b) for handover of the same to the Industrial Area Local Authority ("**IALA**"), being one of the Respondents, for developing the Suit Land as a common facility centre / area / park for general use by software companies. The Suit Land is part of the land admeasuring approximately 110 acres allotted by the Government of Andhra Pradesh to KRIT for the Mindspace Madhapur project.

   By an ex-parte interim stay order dated February 11, 2013 ("**Stay Order**"), it was inter alia directed by the Court that, no construction activity shall be undertaken or continued over the triangular piece of 2 acres 40 cents of land earlier identified at the time of allotment as 'Common Facility Centre' in the software layout. IALA and APIIC have filed affidavits opposing the writ petition, confirming the allotment and rights of KRIT in the Suit Land, and for vacating the Stay Order. The matter is pending before the Court.

   Greater Hyderabad Municipal Corporation ("**GHMC**") had filed an application in the Court for clarification that the Stay Order does not preclude GHMC from acquiring a portion of 0.14 acres (approximately 567 square meters) for road widening. Subsequently, GHMC has acquired the portion of land and constructed the road.

### (ii) Criminal matters

1. Sharmin Habib ("**Complainant**") lodged a first information report ("**FIR**") on October 10, 2017 with the Madhapur Police Station alleging that certain staff members of the Raheja Group ("**Accused**") prevented the Complainant and a staff from entering the premises for conducting the business of a day care centre in the name of Kidz Paradise in in Building No. 2.B, Mindspace Madhapur (KRIT), and harassed them. The concerned investigating officer has filed final report dated November 16, 2017 of the matter before the Metropolitan Magistrate, Kukatpally at Miyapur, Cyberabad ("**Court**"), stating inter alia that while there was a rental dispute between the Complainant and the Accused which was pending in the Court, the particular incident was in relation to a regular security aspect of access in the IT Park being allowed on showing identity card, whereas Complaint tried to enter without showing identity card. The investigating officer also reported that the Complainant did not comply with the notices under Section 91 of the Criminal Procedure Code, and that no such incident had occurred as alleged by the Complainant. The investigating officer further recorded that the complaint was filed on completely flimsy grounds and filed the final report before the Court recommending closure of the case on basis of lack of evidence. The matter is currently pending.

### (iii) Regulatory actions

1. The Comptroller and Auditor General of India ("**CAG**") had issued a report on public sector undertakings for the year ended March 2016 ("**CAG Report**") where certain audit observations were made with respect to certain public sector undertakings including: (a) a low rate of return on investments made by APIIC (now, TSIIC) in KRIT; (b) allocation of the development and construction of complexes for IT and ITES companies to K. Raheja Corporation Private Limited by the erstwhile Government of Andhra Pradesh ("**GoAP**") without adopting a due tender process; (c) transfer of certain portion of land to non-IT/ITES sister companies of the KRC group, namely, Trion Properties Limited – Inorbit Malls and Chalet Hotels– Westin Hotel at a discounted price, in violation of GoAP directions dated August 11, 2003 and without prior consultation with APIIC, pursuant to the demerger of KRIT. KRIT responded to the observations under the CAG report by its letter dated September 21, 2017 submitting its issue-wise detailed explanations and explaining various factual inaccuracies in respect of the said observations under the CAG Report, denying the irregularities and deficiencies. No further correspondence has been received.

2. KRIT had proposed a rights issue of shares in which Andhra Pradesh Industrial Infrastructure Corporation ("**APIIC**") (now, TSIIC) abstained from subscribing to the rights shares. Consequently, upon closure of the rights issue subscription by the other shareholders of KRC group, the stake of APIIC in KRIT reduced from 11%. Thereafter, upon demerger of certain undertakings of KRIT into Intime and Sundew, the APIIC's stake reduced in each of these entities instead of what it was initially at 11%. Such rights issue of shares was undertaken in compliance with applicable law and agreement between the parties, and after KRIT had waited over one year for APIIC to decide.

   Subsequently, APIIC / GoAP disputed such dilution of their stake in KRIT, Intime and Sundew, which led to an inquiry by Vigilance and Enforcement Department of GoAP against the Government Officials and correspondingly, KRIT. APIIC issued a letter dated July 10, 2012 to KRIT, referring to a report of vigilance and enforcement department ("**VED Report**") in relation to the Mindspace Madhapur project. Subsequently, the equity stake of APIIC was restored to 11% in KRIT, Intime and Sundew together with compensating APIIC for any loss of corporate benefits in the intervening period. The VED Report alleged certain irregularities, which include alleging a financial loss to APIIC and GoAP pursuant to sale of the land to its sister concerns and sale of constructed area, at a nominal price, dilution of 11% equity stake of APIIC and loss of immovable asset base to APIIC due to the dilution of equity.

   KRIT denied such irregularities, violations or financial loss caused to APIIC /GoAP. While denying the loss alleged by APIIC, KRIT, Intime and Sundew provided a joint undertaking dated February 14, 2014 to APIIC inter alia undertaking (i) to pay the amounts to APIIC in respect of APIIC's claim of losses, due to any differences in values pertaining to the sale transactions in Mindspace Madhapur project; (ii) that payments shall be made by KRIT within 30 days of receipt of such written demand from APIIC; and (iii) that KRIT shall be bound by the decision of APIIC and comply with the same within the stipulated timelines.

   KRIT has further provided an undertaking dated October 24, 2016 to APIIC, inter alia undertaking to pay losses incurred by Government of Telangana /APIIC as per the VED Report and to maintain the agreed shareholding of the Government of Telangana or APIIC in KRIT, Intime and Sundew post conversion of KRIT to public limited company and the Government of Telangana/ APIIC will not be required to infuse additional funds to maintain its equity stake in KRIT, Intime and Sundew.

While KRIT has attempted to make payments to the extent of the loss incurred by APIIC along with interest, by letter dated April 23, 2019, APIIC has confirmed to KRIT that it will be informed about the quantum of the amount to be paid, once the quantum of loss is determined by an independent third party appointed for such purpose. KRCPL, by way of its letter dated December 9, 2019, has undertaken that it shall assume any financial liability that KRIT, Intime or Sundew may incur in this behalf.

3. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against KRIT and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. KRIT filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against the order for AY 2018-19 which are currently pending.

### (iv) Material civil/commercial litigation

1. KRIT filed an arbitration application on September 21, 2015 before the Hyderabad High Court ("**High Court**") against Premier Kinder Care Services Private Limited ("**Premier**"). KRIT prayed for appointment of sole arbitrator to resolve disputes between KRIT and Premier in relation to (a) the term sheet dated March 10, 2011 entered into between KRIT and Premier for grant of lease by the KRIT to Premier in respect of Unit No. 2 admeasuring 3171 sq. ft. in Building No.2B at Mindspace Madhapur (KRIT) ("**Premises**"); (b) failure of Premier in making payments of ₹ 11.42 million due on account arrears of rent, balance security deposit together with interest thereon and (c) to deliver the possession of the Premises to KRIT. The notice of the petition has been served on Premier by publication in newspapers, pursuant to the order of the High Court dated November 25, 2016. The High Court by its order dated March 11, 2020 allowed the application for appointment of sole arbitrator. The arbitrator was appointed. By award dated July 22, 2021 ("**Award**"), the arbitrator allowed the claim of KRIT and a mediator was appointed who has submitted the mediator report dated August 2, 2021 to KRIT. The matter is currently pending.

## F. KRC Infra

### (i) Title litigation and irregularities

1. Ashok Phulchand Bhandari has instituted a civil suit against Balasaheb Laxman Shivle and 29 others ("**Defendants**") alleging rights over a portion of land admeasuring approximately 0 hectares 44.15 ares (1.09 acres) ("**Suit Land**"), on which Gera Commerzone Kharadi is situated. KRC Infra is not a party to the suit and further, no summons from the Court have been received by KRC Infra till date. Gera Developments Private Limited, the original purchaser of the Gera Commerzone Kharadi land has also not been joined as a party to the suit.

   A Special Civil Suit no. 2102 of 2010 is filed by Ashok Phulchand Bhandari against the Defendants before the Civil Judge, Senior Division, Pune ("**2010 Suit**") with respect to the Suit Land seeking inter alia declaration, specific performance against the Defendants and a decree of permanent injunction restraining the Defendants from causing any construction or development on the Suit Land. Ashok Phulchand Bhandari has also challenged inter alia (a) the decree dated September 26, 2008 passed the Civil Judge, Senior Division, Pune, wherein the suit filed in 2005 by Tanhubai Amruta Pathare, (wife of late Amruta Tukaram Pathare, being one of the erstwhile co-owners of a portion of the Suit Land), through her legal heirs, against Popat Amruta Pathare, one of the Defendants ("**2005 Suit**"), was withdrawn on the basis of a compromise pursuis arrived at between the parties to the 2005 Suit and one of the Defendants; (b) registered partition deed / Vatanipatra dated September 15, 1993 pursuant to which Amruta Tukaram Pathare became entitled to a portion of land forming part of the Gera Commerzone land; and (c) will and testament dated January 19, 1995 executed by late Amruta Tukaram Pathare. Further, in view of the 2010 Suit, a notice of lis pendens dated April 10, 2015 was separately filed and registered by Ashok Phulchand Bhandari. The matter is currently pending.

2. The heirs of Balu Laxman Shivle have issued a notice to Gera Developments Private Limited in relation to claim over land admeasuring approximately 0 hectares 80.30 ares (1.98 acres) ("**Disputed Land**"), on which Gera Commerzone Kharadi is situated. No such notice has been received by KRC Infra.

   By a notice dated July 16, 2016 ("**Notice**"), the heirs of Balu Laxman Shivle viz. (a) Shobha Balu Shivle, (b) Hrishikesh Balu Shivle, (c) Om Balu Shivle, claimed their share in an area in the Disputed Land, being the share of late Amruta Pathare ("**Land Owner**"). It was also alleged that the registered sale deed dated February 12, 1996 executed in favour of Gera Developments Private Limited was executed without the signatures and consent of the wife and daughter of the Land Owner and that they did not receive any consideration on account of sale of the Disputed Land. By letters dated August 20, 2016 and January 23, 2017, Gera Developments Private Limited has replied to the Notice denying all allegations. No further correspondence has been received.

3. Rahul Bhausaheb Pathare, one of the legal heirs of an erstwhile owner of a portion of land forming part of the Gera Commerzone Kharadi land, through his legal counsel, ("**Claimant**") has issued a notice dated December 14, 2019 ("**Notice**") to Gera Developments Private Limited, KRC Infra and others alleging claim over an undivided portion of two lands parcels admeasuring approximately 0 hectares 40 ares (0.98 acres) and 1 hectare 68.6 ares (4.16 acres), respectively, ("**Disputed Lands**"), on which Gera Commerzone Kharadi is situated.

   The Claimant has alleged inter alia that (a) the Disputed Lands were the undivided property of the Hindu Undivided Family of Pathare family ("**Pathare HUF**"), and his consent / confirmation was not obtained for sale of the same in favour of Gera Developments Private Limited in the year 1996; (b) since the Claimant was a major at the time of execution of the sale deeds executed in the year 1996 in favour of Gera Developments Private Limited, his signature should have been obtained as a coparcener since, in the absence of any reason for sale of the Disputed Lands for the benefit of the Pathare HUF, the Karta of the joint family, Bhausaheb Kaluram Pathare (father of the Claimant), could not have executed the sale deeds on behalf of the joint family; (c) Gera Developments Private Limited has, through forgery, fraudulently added hand-written clauses, regarding right of way, to the sale deeds executed in its favour after the execution thereof; and (d) that the subsequent transactions in respect of the Disputed Lands, including inter alia sale of portions thereof in favour of KRC Infra, its mortgage by KRC Infra, leasing of buildings / premises constructed thereon in favour of various lessees, are illegal and not binding upon the Claimant, to the extent of his share in the Disputed Lands.

   The Claimant has also sought to take legal action against the addressees (including KRC Infra) in the event (a) any further agreements / arrangements are entered into in respect of the Disputed Lands, and (b) of failure to revoke and cancel the deeds, documents and agreements executed inter se the addressees (including KRC Infra) to the extent of the Claimant's share in the Disputed Lands. KRC Infra, through its legal counsel, has by its letter dated December 24, 2019 sent an interim reply to the Notice inter alia denying the allegations made by the Claimant. KRC Infra, through its legal counsel, has by its letter dated June 29, 2020 sent a response to the Claimant stating inter alia that in absence of supporting documents received from the Claimant in support of his claim pursuant to the interim reply, the Notice stands withdrawn and his claim does not survive. No further correspondence has been received.

The Appellant has filed an application for stay to the Impugned Order passed by the Circle Officer, Kalas. On June 17, 2022 the Sub Division Officer, Haveli granted a stay on the Impugned Order till the next date of hearing i.e. July 4, 2022. The matter is currently pending.

### (ii) Criminal matters

There are no pending criminal matters against KRC Infra.

### (iii) Regulatory actions

1. A notice dated July 25, 2019 was issued by PMC to KRC Infra and Gera Developments Private Limited ("**GERA**") alleging non-compliance with certain provisions of the approval of reservation shifting dated October 3, 2016 issued by the PMC in relation to a cultural centre, parking and hospital area at Gera Commerzone Kharadi on the basis of a complaint received by PMC. GERA and KRC Infra have replied to the notice, by way of a letter dated August 14, 2019, refuting all allegations. The matter is currently pending.

2. KRC Infra and GERA received two notices both dated June 1, 2021 ("**Notices**") from Tahsildar, Haveli, Pune ("**Tahsildar**") under the Maharashtra Land Revenue Code, 1966, in relation to alleged unauthorised excavation and transportation of minor minerals by KRC Infra from the lands situated in Village Kharadi, Taluka Haveli, Pune. KRC Infra filed its written submissions dated June 10, 2021 ("**Written Submissions**") with the Tahsildar denying the allegations made in the Notices and stating that it has not been provided with copies of the panchnama and the report dated January 9, 2019 and July 26, 2019 of the Talhati, Kharadi, Pune as referred in the aforesaid Notices and it has not done any unauthorised excavation and obtained the prior permission for excavation from the concerned/ competent authority and paid the royalty in this regard for which orders have been passed by the said authority. The matter is pending before Tahsildar.

3. By letter dated November 1, 2021 to Pune Municipal Corporation ("**PMC**"), KRC Infra informed PMC that it is in receipt of challan dated October 25, 2021 for an amount of ₹ 52.19 million being development charges, building development charges and heritage conversion fund stating that PMC ought to have levied development charges at higher rate of 8% with effect from May 10, 2018 and PMC has recovered excess development charges of ₹ 130.38 million for the period 2015 to 2018 by levying development charges at the rate of 8 % instead of 4%. KRC Infra further requested that PMC should adjust the aforesaid amount against the excess amount paid by KRC Infra earlier and that KRC Infra is making the payment of ₹ 52.19 million as per challan under protest and PMC is requested to ensure that the excess amount of ₹ 130.38 million be returned to KRC Infra at the earliest or the said excess amount be adjusted against development charges payable on the next sanction. Thereafter, on April 13, 2022, KRC Infra filed an appeal under section. 124 - G of the Maharashtra Regional and Town Planning Act, 1966 ("**MRTP Act**") before the Principal Secretary, Urban Development Department, State of Maharashtra. In response to the said appeal, vide letter dated April 28, 2022, Urban Development Department has requested/ directed Director, Town Planning, Govt of Maharashtra & the Commissioner, PMC to furnish their report on the said appeal. The matter is pending.

4. Gera Developments Private Limited and its licensed architect received a letter from the Executive Engineer, Building Development Department Zone No. 1, Pune Municipal Corporation ("**PMC**") stating that Saraswati Gaikwad (deceased) through her legal heir Sangita Gaikwad ("**Applicant**") has filed an application cum complaint ("**Application**") dated January 24, 2022 with PMC in relation to alleged unauthorized construction on the land bearing Survey No. 65/3, Village Kharadi, Taluka Haveli, Pune ("**Land**"). By the Application, the Applicant allegedly claimed to be the owner, having an equal and undivided share in the Land and informed that no partition of the Land has taken place and that there is a suit pending before the Civil Judge, Senior Division Pune with regard to the Land. Pursuant to the Application, the Applicant has requested PMC to stop the ongoing construction on the land and requested PMC not to issue occupation certificate ("**OC**"). In view thereof, PMC has requested Gera Developments Private Limited and its licensed architect to provide clarity regarding the allegations made by the Applicant By reply dated February 7, 2022, Gera Developers inter alia stated that the land bearing S. No 65/3 admeasuring 2 hectares 15.6 ares was sold by late Punaji Hari Pathare as karta and manager of HUF for the benefit of and for legal necessity of the family members of HUF and accordingly possession was handed over to Gera Developers Private Limited., and that part Occupation Certificate has been issued, the layout and building plans have been sanctioned as per the rules and regulations of PMC.

5. KRC Infra has, by its letter dated March 24, 2022, replied to the said demand notice inter alia stating that the liability for stamp duty on the Lease Deed was that of the lessee.

### (iv) Material civil/commercial litigation

1. For pending material civil/commercial litigation actions against KRC Infra, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Gigaplex – Material civil/commercial litigation".

## G. MBPPL

### (i) Title litigation and irregularities

1. Shrimant Chhatrapati Udayan Raje Pratapsinh Maharaj Bhonsale ("**Plaintiff**") has filed a suit before the Civil Judge Senior Division Pune ("**Civil Court**") against Shri Mukund Bhavan Trust ("**MBT**"), its trustees, and the State of Maharashtra ("**Defendants**") for declaration of title and possession of lands in Yerwada, Pune admeasuring approximately 322.7 acres ("**Suit Land**"); including approximately 25 acres 27 gunthas (approximately 1,03,940 square meters) ("**Commerzone Land**") of land in which units (approximate 1.68 msf of leasable area as per lease deeds) in Commerzone Yerwada, one of our Portfolio, are situated. MBT, as the owner of 79.32 acres land ("**MBT Land**"), had executed a registered development agreement in 2004 with KRCPL with respect to the Commerzone Land. Commerzone Yerwada land, which includes the rights in demarcated portions of the Commerzone Land, was transferred from KRCPL to MBPPL pursuant to the scheme of arrangement sanctioned on September 7, 2017). Neither KRCPL nor MBPPL is joined as a defendant to the suit.

The Plaintiff is seeking, inter alia declarations and injunctions in his favour in relation to ownership and possession of the Suit Land and to set aside compromise decrees passed in (i) 1953 in Suit No. 152/1951; (ii) 1990 in Suit No. 1622/1988; and (iii) 2003 in Civil Appeal No. 787/2001; all in proceedings between MBT and the State of Maharashtra.

The Plaintiff also filed an application for temporary injunction which is pending. No interim or ad-interim relief has been granted to the Plaintiff. MBT applied to the Civil Court for rejection of the plaint filed by the Plaintiff on the grounds of limitation, which was rejected by order dated April 29, 2014. MBT filed revision petition against the said rejection order, in the Bombay High Court, which was dismissed on April 26, 2016. MBT filed SLP No.18977 of 2016 against the said dismissal order, which is pending before the Supreme Court of India.

The Plaintiff filed an application on March 9, 2015 in the Civil Court for amendment to the prayers in the suit, inter alia to limit the Plaintiff's claim for possession only with regard to vacant land in possession of the Defendants and lands alienated subsequent to the filing of the suit, and to seek compensation from MBT with regard to constructed units and alienated part of the Suit Land instead of seeking possession of the developed portion for which registered deed with regard to alienation were executed prior to the filing of the suit in 2009. The application for amendment of the plaint was rejected by the Civil Court by its order dated November 14, 2016. Aggrieved, the Plaintiff filed Writ Petition No. 4268/2017 in the Bombay High Court challenging the said order dated November 14, 2016, which is currently pending before the Bombay High Court.

Two applications made by third parties, being M/s. Mahanagar Developers and M/s. Mahanagar Constructions for being joined as party defendants in the suit, were granted on November 14, 2016 by Civil Court. The Plaintiff challenged this order by filing Writ Petition No. 4415/2017 in the Bombay High Court. By a common order dated February 15, 2018 passed in the aforesaid two writ petitions (Nos. 4268/2017 and 4415/2017), the Bombay High Court requested the trial judge not to proceed in considering any interim application, till the adjourned date of hearing of these petitions. These matters are currently pending before the Bombay High Court.

The Plaintiff registered a notice of lis-pendens dated July 7, 2011 in respect of the Suit No.133/ 2009 and applied for mutation in the revenue records. Purshottam

M. Lohia, a trustee of MBT and Panchashil Tech Park Private Limited (an entity claiming certain rights in survey No.191A Yerwada village) ("**Panchashil**") opposed the mutation, which opposition was rejected. Panchashil filed appeal before the District Superintendent of Land Records and relied on the government notification dated September 21, 2017 directing revenue authorities to remove or cancel all mutations entries in respect of notice of lis-pendens ("**Notification**").

2. Ravindra Laxman Barhate filed complaint and revenue proceedings against Shri Mukund Bhavan Trust ("**MBT**") and others in relation to the allotment and exemption order under the Urban Land Ceiling Act, 1976 in respect of the MBT Land (as mentioned in para 1 above).

   A complaint was filed on November 27, 2015 by Ravindra Laxman Barhate with the Divisional Collector Pune and other authorities, against MBT and others (together, "**Respondents**") alleging tampering, cheating as also breach of terms and conditions by the Respondents inter alia with respect to order dated November 24, 2003 passed under Section 20(1) of the Urban Land Ceiling Act, 1976 in respect of the MBT Land at Yerwada, Pune ("**ULC Order**") and seeking action against the Respondents and cancellation of the ULC Order.

   MBT filed a writ petition before the Bombay High Court, for quashing any enquiry / investigation on the basis of the said complaint filed by Ravindra Laxman Barhate. By order dated March 5, 2018, the Bombay High Court has restrained the Additional Collector from passing any order on this complaint until the next hearing date. Through its order dated January 6, 2020, the Bombay High Court inter alia restrained the State of Maharashtra and certain other respondents from passing any order pursuant to the complaint filed on November 27, 2015 until disposal of the writ petition. The matter is currently pending.

   Ravindra Laxman Barhate also filed a Revenue Appeal No.1826/2015 before the Revenue Minister, State of Maharashtra ("**Revenue Minister**") against the Commissioner & Collector, Pune and MBT, challenging a report dated June 20, 2011 of the Divisional Commissioner, Pune ("**Report**") wherein MBT was stated to be the owner of the MBT Land(which include the demarcated portions of the land pertaining to Commerzone Yerwada); inter alia to set aside the Report, pass an order directing the relevant authorities to submit a new inquiry report and restrain the purchase-sale, construction on the disputed land. By way of order dated September 23, 2015, the Revenue Minister ordered that status quo be maintained as regards the record of the suit property.

   MBT had filed a writ petition challenging the order dated September 23, 2015 passed by the Revenue Minister. Since the State Government of Maharashtra withdrew the said order dated September 23, 2015, stating that the pending proceedings will be heard by the Principal Secretary, Revenue Department, the said writ petition was disposed of by order dated October 28, 2015 as not surviving while keeping open all contentions of both the parties on merits. MBT challenged the said Order dated October 28, 2015 in the Supreme Court of India ("**Court**") inter alia on the ground of maintainability of such proceedings before the Principal Secretary, Revenue Department. By order dated January 21, 2016, the Supreme Court of India has stayed the proceedings pending before the Principal Secretary, Revenue Department. By order dated August 6, 2021, the Court allowed the appeal by setting aside the impugned order dated October 28, 2015 of Bombay High Court and restored the aforesaid writ petition to the file of the Bombay High Court to facilitate the Bombay High Court revisiting the petition afresh. The Court clarified that the setting aside of the impugned order dated October 28, 2015 will not have any consequence in regard to the statements which have been recorded of the State of Maharashtra to withdraw the order dated September 23, 2015.

3. The Office of the Land Reforms Tribunal & Revenue Divisional Officer, Hyderabad ("**Tribunal**") had by its letter dated August 11, 2009, sought certain information from Serene Properties Private Limited (now MBPPL) under Section 8(2) of the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("**APLRAC**") in respect of the land at Mindspace Pocharam.

   Serene has filed a reply on September 30, 2009. The authorized officer has filed a counter and Serene has filed a rejoinder dated August 29, 2012. Serene has stated that the land transferred in favour of MBPPL was notified for industrial use and has been declared as an SEZ and is not "land" covered under the APLRAC. The proceedings are pending before the Special Grade Deputy Collector and Revenue Divisional Officer, Ranga Reddy District. In September 2012, MBPPL also submitted to the Tribunal a copy of the order dated August 9, 2012, which was passed by the Hon'ble High Court of Andhra Pradesh ("**High Court**") in a similar matter (being Writ Petition No. 19300/2012 filed by Neogen Properties Pvt. Ltd.) wherein a stay was granted by the High Court until further orders. The matter is currently pending before the Tribunal.

4. A letter dated February 4, 2019 from the Office of Executive Engineer, BDD Zone No.4 was forwarded by an architect firm to MBPPL on February 11, 2019 wherein PMC sought clarifications regarding certain objections pertaining to the land at Commerzone Yerwada, regarding payment of ₹ 156.98 million consisting of ₹ 56.34 million principal of recoverable amount and ₹ 100.64 million on account of interest. MBPPL by way of its letter dated February 28, 2019 replied to PMC inter alia stating that the letter has been addressed to the incorrect recipient who is not a developer of the relevant portion of the land and sought clarifications with respect to the contents of the letter and disputed the payment demand. Further, by way of its letter dated July 2, 2019, MBPPL requested for a reply to its letter dated February 28, 2019 and stated that it would be ready to pay amounts, if any payable, if and once the clarifications sought by it are provided. By letter dated July 20, 2019 to MBPPL, PMC provided the copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated August 17, 2021 the architect firm and another, PMC stated that it has not received any clarifications and provided the challans of amounts by assessing interest thereon and required submission of challan/receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated September 6, 2021 to PMC, MBPPL has again stated that the earlier PMC letter dated February 4, 2019 and the PMC letter dated August 17, 2021 are addressed to the wrong persons and informed PMC of the non-receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated October 11, 2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires; and called upon PMC to withdraw the impugned challans and letter forthwith. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one-time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and to provide an opportunity of hearing and furnishing clarifications, if required by PMC. By letter dated January 5, 2022, to the architect firm and another, PMC stated that it has informed them earlier to make the payment of the objectionable and recoverable amount along with the interest in the treasury of PMC as per the scrutiny carried out by the Chief Auditor, PMC ("**CA**") of the sanctioned building plans in respect of land at Commerzone Yerwada. In pursuance of the same, the revised/rectified challans were being issued by PMC upon the verification of the written clarification provided by the Architect and another. However, if any objection is raised or received in respect of the revised/rectified challans from the CA shall be bound to take action or act as per the instructions given by the CA. In reply to the PMC letter dated January 5, 2022, MBPPL on January 25, 2022 submitted a reply/ letter to PMC and its officers stating that without prejudice to its contentions, rights and remedies and without admitting any liability to pay any amount under the four revised challans dated January 4, 2022 ("**Challans**") an aggregate amount of ₹ 26.64 million i.e. (₹ being development charges, ₹ 6.53 million being balcony charges and ₹ 20.11 million being staircase charges) towards the payments in full and final settlement of the Challans in order to show bonafide of MBPPL and full and final settlement of all accounts and demands raised by PMC and requested PMC to accept the payment accordingly without any further demands on MBPPL on any account and to treat the matter as closed. MBPPL further stated that if the matter is not closed, to treat the said letter dated January 25, 2022, as a notice under Section 487 of the Maharashtra Municipal Corporation Act, 1949 and under Section 159 of the Maharashtra Regional and Town Planning Act, 1966 in relation to the letters and challans. Subsequently, by letter dated March 10, 2022, PMC informed MBPPL that it has not accepted the cheque issued by MBPPL vide its letter dated January 25, 2022 and requested MBPPL to issue demand draft for the amount as per the Challans and make the payment to PMC at the earliest. On April 7, 2022 MBPPL submitted a reply/ letter to PMC enclosing a demand draft as desired by the PMC, for an amount of ₹ 26.64 million towards the payment as set out in MBPPL₹s earlier communications. The PMC returned the demand draft submitted by MBPPL vide its letter dated July 11, 2022 while demanding entire payment. MBPPL submitted letters dated July 21, 2022 and July 22, 2022 to PMC and remitted the entire payment of ₹ 101.36 million. Through its letter dated August 8, 2022, MBPPL intimated the PMC that MBPPL made the payment of an amount of ₹ 6.09 million being challan late fees on July 28, 2022.

### (ii) Criminal matters

There are no pending criminal matters against MBPPL.

### (iii) Regulatory actions

1. Deputy Assessor and Collector (Indira Docks), Mumbai issued demand notice dated June 7, 2012 for payment of ₹ 0.4 million towards octroi for import of certain goods at Commerzone Yerwada project. MBPPL replied by way of its letters dated March 2, 2017, March 14, 2017 and March 22, 2017 stating, inter alia that it has made payments for the aforesaid goods. MBPPL received another demand notice dated March 21, 2018 in relation to the aforesaid payment of octroi. MBPPL replied by way of letter dated April 18, 2018 and reiterated that

there is no liability to pay octroi in this case. No further correspondence has been received.

2. MBPPL has received several demand notices from the stamp duty and revenue authorities in relation to alleged deficit payment of stamp duty aggregating to ₹ 10.18 million along with penalty in certain instances with respect to certain leave and license agreements / lease deed entered into by MBPPL, in its capacity as licensor/ lessor. MBPPL has from time to time responded to such demand notices inter alia stating that the liability for stamp duty on the documents was that of the respective licensee / lessees.

3. Ministry of Water Resources, River Development and Ganga Rejuvenation, Central Ground Water Board issued a show cause notice dated March 22, 2019 to MBPPL for non-compliance and contravention of the mandatory conditions of the NOC issued of ground water extraction for Commerzone Yerwada project and directed MBPPL to rectify the non-compliances. MBPPL has replied by way of its letter dated April 12, 2019 stating that it has initiated all actions required for compliance with the no-objection certificate and requesting withdrawal of the show cause notice dated March 22, 2019. No further correspondence has been received.

4. MPCB, pursuant to the meeting of its Consent Appraisal Committee ("**CAC**") held on December 12, 2017, issued a show cause notice dated June 5, 2018 to Trion Properties Pvt. Ltd. (prior to demerger of mall and IT undertakings from Trion Properties Pvt. Ltd. to MBPPL) in relation to certain non-compliances with environmental clearance for one commercial building (approximately 0.56 msf of leasable area as per lease deeds) forming part of The Square, Nagar Road project, and directed MBPPL to stop work on the project until a valid consent is obtained from it.

   Earlier, Trion Properties Pvt. Ltd. had obtained environment clearance on May 8, 2007 and consent to operate dated September 30, 2011 which was renewed from time to time. In the renewal of consent to operate application dated August 27, 2013, MPCB had specified the requirement for applying separately for environment clearance and consent to operate for additional construction area. By application dated March 17, 2017 Trion Properties applied for renewal of consent to establish for IT building and for correction of built-up area of the mall building.

   By letter dated March 20, 2018, MBPPL (as the successor of Trion) referred to the observations requested the MPCB to grant the consent to establish and replied to the alleged non-compliances observed by the MPCB. MBPPL replied to the show cause notice by way of its letter dated July 6, 2018 stating that it had received amended environment clearance dated June 15, 2018 and complied with the other requirements and requested for withdrawal of the show cause notice and grant of renewed consent. Further, on August 18, 2018, the CAC requested for certain details for considering MBPPL's consent to establish application. MBPPL provided the requested details to the CAC on September 4, 2018. CAC in its meeting held on December 11, 2018 observed that MBPPL had applied for re-validation for consent to establish for remaining BUA for IT activity, and was operating IT activity without obtaining consent from MPCB, and deferred the case and requested MBPPL to provide a presentation along with the relevant documents. On January 19, 2019, CAC requested MBPPL to contact the concerned person for taking prior appointment of the chairman for the presentation.

   MBPPL has made an application dated December 11, 2019 to MPCB to obtain consent to operate, for the IT building at The Square, Nagar Road. CAC issued a show cause notice dated August 17, 2020 as to why the application for consent to operate should not be refused, inter alia as environment clearance was not in the name of the project and sought clarity and details inter alia relating to occupation certificate. By reply dated August 24, 2020, MBPPL provided the required clarifications and details, and requested for processing the application and issuing the necessary consent to operate. The CAC, in its meeting held on December 4, 2020, has approved to grant the consent to operate subject to MBPPL submitting the amended environmental clearance in the name of MBPPL and after payment of additional consent fees. The amended environment clearance dated June 15, 2018 was inadvertently issued in the individual name of Mr. Anil Mathur. Mr. Anil Mathur has issued the no objection certificate on June 19, 2021 in favour of SEAC-111, Environment Department, Mantralaya, Mumbai for change of name in the said amended environmental clearance from Mr. Anil Mathur to MBPPL and the consent letter has also been submitted to CAC on June 19, 2021 by MBPPL in this regard. By its letter dated September 3, 2021 to MBPPL, SEIAA, Environment & Climate Change Department, Mantralaya, Mumbai has communicated the decision taken by it and SEAC-3 in their respective meetings to transfer the name from Mr. Anil Mathur to MBPPL for the said amended environmental clearance. The consent to 1st operate (Part II) was issued on October 6, 2021 ("**CTO**"). By letter dated October 14, 2021 to Member Secretary, CAC, MBBPL stated that MBPPL had issued a bank guarantee for ₹ 1 million ("**BG**"). However, MBPPL observed that the CTO had a condition that the BG was being forfeited since the IT park was operative since 2016 without obtaining consent to operate by MBPPL. MBPPL further stated that since the date of application i.e. December 30, 2015, no objection was received and it was deemed approved and accordingly, the proposed forfeiture of the aforesaid BG should not be effected and thereby requested for withdrawal of the proposal of forfeiture of BG.

5. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against MBPPL and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2008-09, AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. MBPPL filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against order for AY 2018-19. MBPPL made an application under the VsV for AY 2012-13, AY 2013-14 & AY 2014-15. MBPPL received final order for AY 2012-13, accepting the VsV Application. The appeal for AY 2015-16 and 2016-17 were disposed by the CIT(A) in favour of MBPPL with direction to the assessing officer. The appeal for AY 2012-13 was dismissed by the CIT(A) in view of VsV order for the said year. VsV application for AY 2013-14 was rejected and the final order under VsV for AY 2014-15 is currently pending. The appeal for AY 2013-14 was disposed by the CIT(A) against MBPPL and an appeal has been filed before the ITAT against the same. The Income Tax Department filed an appeal for AY 2015-16 and AY 2016-17 before ITAT against the order of the CIT(A) and the same were disposed by the ITAT in favour of MBPPL. MBPPL received a notice under section 148 for assessment year 2014-15. MBPPL filed return of income under protest in response to the said notice for assessment year 2014-15 and also sought reasons for reopening the assessment. MBPPL received reasons for reopening and response against the same has been submitted objecting to the reopening of assessment. The Income Tax Department passed an order rejecting the objections filed. MBPPL filed a writ petition with the Bombay High Court against the notice under section 148 and rejection order. Bombay High Court has passed the order quashing the notice under section 148. Subsequently, the Supreme Court has upheld the validity of the notice. MBPPL received notice u/s 148A(b) and response against the same has been submitted objecting to the reopening of assessment. The Income Tax Department passed an order under section 148A(d) rejecting the objections filed and served notice under section 148 of the Income Tax Act. The return of income was filed under protest in response to the said notice.

6. The Collector of Stamps (Enforcement), Mumbai issued an interim demand letter dated December 18, 2017 and rectification order dated December 20, 2017 for deficit stamp duty aggregating to ₹ 333.28 million. By way of letter dated December 26, 2017, MBPPL expressed its disagreement with respect to determination of the amount of stamp duty for the demerger of certain undertakings of Trion Properties Pvt. Ltd. into MBPPL and stated that it will affect the payment of the disputed amount under protest and requested that the original order of the NCLT be returned to MBPPL duly endorsed, to enable MBPPL to make the payment and register the same. The amount of ₹ 333.28 million was paid under protest on December 27, 2017. No further correspondence has been received.

7. The Tahsildar, Revenue Department, Collectorate Office Pune ("**Tahsildar**"), by letter dated March 22, 2021 ("**Letter**") to MBPPL (addressed to Mr. Anil Mathur) requesting MBPPL to provide details (as per the format provided in the said Letter) of the expenditure/ provision for ₹ 27.22 million towards the Corporate Environment Responsibility ("**CER**") in respect of revalidation and proposed amendment in environment clearance to accommodate mixed use occupancies at the Square, Nagar Road and requested for hearing at the Collectorate Office Pune and response to the Letter. The Letter was issued with reference to the office memorandum dated May 1, 2018 ("**OM**") issued by the Ministry of Environment, Forest and Climate Change, Impact Assessment Division, New Delhi ("**MoEF**") relating to the CER.

   By letter dated March 24, 2021, MBPPL sought additional time to submit its detailed response to the Letter. By letter dated May 6, 2021 to the Tahsildar, MBPPL submitted, among other things, that (i) the environment clearance dated June 15, 2018 issued to MBPPL does not contain any condition or requirement/ liability on MBPPL to spend/make provision for CER; (i) the revalidation and proposed amendment in the environment clearance neither involved expansion in area nor any enhancement in cost of the project; and (iii) there is no liability on MBBPL since the OM specifically provided that CER is not applicable in case of an amendment involving no additional project investment. No further correspondence has been received.

8. Ministry of Environment, Forest & Climate Change ("**MOEF & CC**"), by its letter dated August 13, 2021 to MBPPL (addressed to Mr. Anil Mathur), informed MBPPL that they are directed by National Green Tribunal, Principal Bench, New Delhi ("**NGT**") to bring to MBPPL's

attention the order dated July 26, 2021 ("**NGT Order**") passed by the NGT on the application made by Navnath Namdeo Jadhav pursuant to which NGT has instructed the MOEF & CC to ensure the compliance of conditions of environmental clearance granted to the 10 projects located in Mumbai and Pune which includes IT and Mall building at The Square, Nagar Road. MOEF & CC has by the said letter dated August 13, 2021 requested MBPPL to provide information and documents as mentioned therein. By letter dated October 19, 2021 to MOEF & CC, MBPPL has provided the details and documents pertaining to the queries raised.

9. The Commissioner, Pocharam Municipality ("**Commissioner**") issued a show cause notice dated November 27, 2021 ("**SCN**") to KRCPL (instead of MBPPL) under the Telangana Municipalities Act, 2019 for removal of fence, and to leave open the cart track out of the land of MBPPL at Pocharam Village for the use of general public. The Commissioner has under the SCN alleged that KRCPL has encroached by erecting a fence to the said cart track. MBPPL, by its letter dated December 6, 2021, replied to the SCN stating that they are verifying the records and the relevant layouts pertaining to the subject and sought additional time to submit a detailed response and requested the Commissioner not to initiate any steps or proceedings in the interim.

By way of two separate orders dated June 16, 2022, application dated February 4, 2021 filed by MBPPL seeking directions against Capstone for depositing the monthly License Fee in Court was allowed by the Court, and application dated July 9, 2021 filed by Capstone for fixation of standard rent was rejected. On July 16, 2022 the Court allowed the application filed by MBPPL for interim/ad-interim injunction restraining Capstone from creating third party interest in the suit property and parting with the possession of the suit property in any manner, till final disposal of the suit. On July 16, 2022 Capstone filed an application seeking a stay to the effect and operation of the order passed on June 16, 2022 thereby directing Capstone to deposit the license fees in Court. On August 24, 2022 MBPPL filed an application for striking off the defense by Capstone and the matter was adjourned till September 8, 2022. On September 8, 2022 the matter was adjourned till October 01, 2022 for filing say by Capstone to the application for striking off defense filed by MBPPL and hearing on the application for stay filed by Capstone to both the orders passed on June 16, 2022. Capstone has filed two revision applications against MBPPL being aggrieved by the aforesaid orders dated June 16, 2022. The matter has been posted for final order on September 28, 2022. Both the revision applications were adjourned to October 6, 2022 and October 7, 2022 for final orders. The suit filed for eviction has been adjourned to October 13, 2022. The matter is currently pending.

2. Kharghar Vikhroli Transmission Private Limited ("**KVTPL**") has filed a petition before Maharashtra Electricity Regulatory Commission, Mumbai ("**MERC**") against Maharashtra State Electricity Transmission Company Limited ("**MSETCL**") and others (including MBPPL and Gigaplex as respondents) under the applicable provisions of the Electricity Act, 2003 read with the transmission service agreement dated August 14, 2019 ("**TSA**") entered between KVTPL, MSETCL, MBPPL, Gigaplex and certain other entities including distribution companies seeking, inter-alia, compensation/relief for increased cost of the project during construction period due to the 'change in law' event being increase in acquisition price of shares of KVTPL (including the purchase cost of Vikhroli land). The total additional cost of the project claimed by KVTPL is ₹ 717.00 million along with carrying cost at the rate of 9.35% on compound interest basis. The financial liability to MBPPL is 0.06% i.e., the percentage share computed based on allocated transmission capacity rights as mentioned in the TSA. By order dated August 2nd, 2022 MERC had partly allowing the petition. The prayer of KVTPL to change the Acquisition Price of Special Purpose Vehicle by ₹ 71.70 Crore as per the provisions of the Article 12 of the TSA is allowed without carrying cost. KVTPL is entitled to recover the impact of Change in Law after declaring the Date of Commissioning of the project in accordance with the provisions of the TSA without any carrying cost.

## H. Sundew

### (i) Title litigation and irregularities

1. The Office of the Land Reforms Tribunal Cum Deputy Collector & Special Grade Revenue Divisional Officer, Attapur ("**Tribunal**") had, by letter dated August 27, 2009, sought information from Sundew under Section 8(2) of to the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("**APLRAC**") in respect of the entire land parcel at Mindspace Madhapur (Sundew).

   The Revenue Department of the Government of Andhra Pradesh forwarded a Memo dated September 5, 2009 for furnishing of certain information to the Government of Andhra Pradesh, including information requested by the aforesaid letter dated August 27, 2009. Sundew has filed a detailed response on September 30, 2009 stating that (a) the land was originally granted by the Government of Andhra Pradesh to KRIT which was a joint venture company with APIIC, (b) the land was vested in Sundew by way of demerger order of the Andhra Pradesh High Court, (c) the land has been declared as an SEZ and is therefore exempt from the local laws; (d) the land was shown as a non-agricultural land in the master plan of Hyderabad and is therefore not "land" covered under the APLRAC. The Tribunal issued a final notice to Sundew in January 2012 requesting Sundew to submit a declaration for full and correct particulars of the lands held by Sundew. In September 2009, Sundew also submitted a copy of the order dated August 9, 2012, which was passed by the Hon'ble High Court of Andhra Pradesh ("**High Court**") in a similar matter (being Writ Petition No. 19300/2012 filed by Neogen Properties Pvt. Ltd.) wherein a stay was granted by the High Court until further orders. The matter is currently pending before the Tribunal.

#### (iii) Material civil/commercial litigation

1. Powai Developers, Mr. Ravi C. Raheja and another ("**Petitioners**") have filed a special leave petition ("**SLP**") before the Supreme Court of India against the State of Maharashtra and three others ("**Respondents**"). The SLP has been filed against the judgement dated September 3, 2014 passed by the Bombay High Court in respect of the applicability of the provisions of Section 3(1)(b) of the Urban Land (Ceiling and Regulation) Repeal Act, 1999. By an order dated December 15, 2014, the Supreme Court of India issued a notice and restrained the Respondents from taking any coercive steps. KRCPL is the sole proprietor of Powai Developers. The matter is currently pending before the Supreme Court of India.

2. Ivory Properties and Mr. Ravi C. Raheja (Petitioners) have filed two separate writ petitions before the Bombay High Court ("**Court**") against the State of Maharashtra, Nusli N. Wadia and others, for inter alia quashing and setting aside (i) a notification dated July 20, 2007, a notice dated March 1, 2016 and a notice dated August 30, 2016 passed under the provisions of the Maharashtra Slum Areas (Improvement, Clearance and Development) Act, 1971 for acquiring property admeasuring approximately 7758 square meters. Nusli N. Wadia has also filed similar writ petition before the Court against the State of Maharashtra and Ivory Properties on similar grounds. The arguments concluded in the writ petitions filed by Ivory and Nusli N. Wadia and the writ petitions were dismissed by an order dated May 31, 2022. The Petitioners have filed a Special Leave Petition in the Supreme Court challenging the High Court Order; (ii) an order dated October 25, 2017 for acquiring property admeasuring approximately 8255.30 square meters, situated at Borivali. By an order dated November 26, 2019, the writ petition was disposed off as withdrawn with liberty to make representation to the State Government. Ivory Properties has filed its representation. Nusli N. Wadia had also filed similar writ petition before the Court

against the State of Maharashtra and Ivory Properties on similar grounds. The writ petition filed by Nusli N. Wadia was dismissed with observation that the petitioner can always approach the Court after the notification under Section 14 is issued and leaving all contentions of the parties open.

3. Ivory Properties and Mr. Ravi C. Raheja ("**Petitioners**") filed a writ petition before the Bombay High Court ("**High Court**") against the State of Maharashtra and six others ("**Defendants**") inter alia seeking an order from the High Court for restraining the State of Maharashtra & others from enforcing the conditions of exemption order dated February 19, 1996 read with corrigendum thereto dated May 5, 1997 and June 23, 2004 in respect of the lands at Malad, Mumbai for which Ivory Properties has development and other rights under the 1995 Agreement. In similar proceedings filed before it, the High Court vide order dated September 3, 2014 ("**Order**") inter alia held that conditions of exemptions under section 20 of the Urban Land (Ceiling and Regulation) Act, 1976 remain enforceable and the pending writ petitions must be disposed of in light of the principles laid down in the said judgement and on merits and in accordance with law. Pursuant thereto, numerous special leave petitions ("**SLPs**") were filed before the Supreme Court of India challenging the Order. Supreme Court of India vide its order dated November 10, 2014 directed the State of Maharashtra & others not to take any coercive steps till final disposal of the matters before it. The Supreme Court disposed of the SLPs permitting the respondent (State) to implement the recommendations made in the report dated August 9, 2018 by the committee headed by Hon'ble Justice B.N. Srikrishna (retd.) with further clarification that if any of the categories of exemption was not covered in the report, it was open to such exemption holders to make representations to the Government.

4. Mr. Ravi C. Raheja, Neel C. Raheja, Mr. Chandru L. Raheja, Mrs. Jyoti C. The Court vide an interim order dated November 21, 2008, stayed the order till the pendency of the Appeal. The matter is currently pending before the High Court.

5. Aasia Properties Private Limited ("**Aasia**") filed an appeal ("**Appeal**") under Section 10F of the Companies Act, 1956 before the Bombay High Court ("**Court**") against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Mrs. Jyoti C. Raheja, KRCPL, Ivory Properties, Palm Shelter, KRPL and 20 others ("**Respondents**"), with respect to order dated September 19, 2006 passed by the CLB, New Delhi which dismissed the petition filed for declaring the transfer of 633 shares of Poonam Chand Shah/ Manjula P. Shah in favour of certain respondents as null & void, set aside subsequent transfers of such shares to other Respondents, subsequent rights issues of such shares be transferred to the Petitioners and other consequential reliefs. The matter is currently pending before the Court.

6. Shazad S. Rustomji and another ("**Plaintiffs**") have filed a suit before the Bombay High Court ("**Court**") against Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others inter alia for declaring the deed of declaration dated October 25, 2011 executed and registered by Ivory Properties for submitting the building Serenity Heights under the Maharashtra Apartment Ownership Act, 1970 and the consequent formation of the Serenity Heights condominium, as illegal and void and not binding upon the Plaintiffs. The Court, in its order dated April 24, 2016, has refused to grant ad-interim relief to the Plaintiffs. Ivory Properties Mr. Ravi C. Raheja and Mr. Neel C. Raheja have filed an application for rejection of the plaint on grounds that the present suit is barred by the law of limitation. The matter is currently pending before the Court.

7. Mr. Ravi C. Raheja and others ("**Petitioners**") have filed a writ petition before the Bombay High Court against State of Maharashtra and others ("**Defendants**"), for directing the Defendants for withdrawing the letter dated June 8, 2008 which gave retrospective effect to the notification dated June 9, 2008 amending Rule 22A of the Bombay Stamp Rule, 1939 and setting aside the aforementioned notification. The Petitioners have also sought a refund of stamp duty aggregating to ₹ 6.21 million along with interest. The matter is currently pending before the Bombay High Court.

8. Gopal L. Raheja and eight others ("**Petitioners**") have filed company petition before the CLB / NCLT, Mumbai ("**CLB/NCLT**"), against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and five others ("**Respondents**"), under Sections 397 and 398 of the Companies Act, 1956 inter alia alleging oppression and mismanagement by the Respondents in respect of the business and management of Asiatic Properties Limited. The matter is currently pending before the NCLT. Seacrust Properties Private Limited and Sandeep G. Raheja, the Petitioners, filed company applications against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and others for alleged violation of certain orders of the CLB/NLT and alleged acts of perjury by making false statements. The company applications were dismissed by the CLB/ NCLT vide its orders dated January 8, 2013 and February 7, 2013 ("Orders"). Aggrieved by the Orders, Seacrust Properties Private Limited and Sandeep G. Raheja have filed separate appeals before the Bombay High Court. The matters are currently pending before the Court Bombay High.

9. Tresorie Traders Private Limited has filed a company petition before the NCLT, Mumbai under sections 247(1A) and 250 of the Companies Act, 1956 against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and others inter alia for investigation in respect of the membership, financial interest and control over two companies i.e. Club Cabana Recreation Private Limited and Sai Park Estate Developers (India) Private Limited and for restricting the transfer, fresh issue, exercise of voting rights and payment of dividend of the said companies. The matter is currently pending before the NCLT, Mumbai.

10. Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and Mrs. Jyoti C. Raheja ("**Plaintiffs/CLR**") filed a civil suit before the Bombay High Court ("**High Court**") against Gopal L. Raheja, Sandeep G. Raheja, Durga S. Raheja, Sabita R. Narang and Sonali N. Arora ("**Defendants/GLR**").

The Plaintiffs and the Defendants were the persons primarily involved in the operation and management of the activities and businesses of the group known as K. Raheja Group in certain cities of Western and Southern India. However, certain disputes and differences arose between the CLR group and the GLR group that threatened the running of the business of the K. Raheja Group.

After attempts to amicably resolve and finally settle the disputes and differences between the two groups in order to avoid protracting the matter any further, GLR and CLR decided to split/partition entities and assets of the K. Raheja Group between them and accordingly a list indicating division of certain individual assets was executed in May 1995. On April 5, 1996 and November 16, 1996, further written agreements were executed wherein the manner, method and procedure of the division was agreed upon by the parties. Thereafter, on December 9, 1996, GLR and CLR groups made further confirmations to enable the division of certain assets in the agreed manner which was duly completed in respect of a portion of the assets, businesses and entities of the K. Raheja Group. The agreements and writings referred to above i.e. dated May 1995, April 5, 1996, November 16, 1996 and December 9, 1996 are collectively referred to as the "**Family Arrangement Documents**".

Further, apart from the entities, assets and businesses of the two groups which were divided as above, there are additional properties and entities, the separation and distribution of which remained unresolved due to the differences between the groups. The two groups had agreed to take steps to divide these undivided properties comprising various companies, partnership firms, trusts and also certain properties situated at Mumbai i.e. the "**Mumbai Undivided Entities**" and situated in South India i.e. the "**Southern Undivided Entities**" along with certain other residual properties (collectively referred to as the "**Balance Properties**"). Further, the distribution and ascertainment of the monies payable/receivable did not transpire and certain disputes again arose between GLR and CLR in respect of the division of the Balance Properties, the management of certain entities and other such disputes.

After various correspondences between the two groups over the course of more than two decades to amicably resolve the disputes, the present suit was filed by the Plaintiffs inter alia seeking enforcement/ implementation of the family arrangement documents. The Plaintiffs have alleged that the arrangement was only partially implemented and *inter alia* alleged that certain arrangements were wrongly implemented. The Plaintiffs have further alleged that due to the inactivity in management of the undivided companies, the registrar of companies has struck-off and dissolved certain of these companies. The Plaintiffs have inter alia prayed for implementation of the Family Arrangement Documents, restoration of the companies that have been struck-off/ dissolved, division of the companies situated in South India in the manner agreed by the parties and also for injunction restraining the Defendants from creating third party interests and/or encumbrances upon the properties that are the subject matter of the family arrangement. The Defendant nos.2 and 3 have filed their written statement on record along with a counter-claim *inter alia* praying for dismissal of the suit filed by the Plaintiffs and to fully implement the Family Arrangement Documents. The matter is currently pending before the High Court.

The GLR group also filed suits before the High Court pursuant to the family arrangement against the Plaintiffs alleging liability/obligation of the Plaintiffs to hand over certain title deeds, documents and papers and other assets belonging to the GLR group which are allegedly in the custody of the Plaintiffs and also seeking injunction for handover of the same to the GLR group. The matters are currently pending before the High Court.

The Plaintiffs have resigned from their directorship in the undivided companies in which they were directors.

11. Sealtite Gaskets Private Limited and six others ("**Petitioners**") have filed company petition before the CLB / NCLT, Chennai under Sections 397, 398, 399, 402, 403 and 406 of the Companies Act, 1956 against Mr. Ravi C. Raheja, Mr. Neel C. Raheja and Chandru C. Raheja and four others ("**Respondents**") inter alia in respect of alleged oppression and mismanagement by the Respondents in respect of the business and management of K. Raheja Hotels and Estates Private Limited. By order dated February 2, 2017, the matter was transferred to NCLT, Bengaluru. The matter is currently pending before the NCLT, Bangalore.

12. Mr. Ravi C. Raheja and Mr. Neel C. Raheja ("**Petitioners**") have filed a writ petition before the Karnataka High Court at Bengaluru ("**Court**") against the Union of India and Registrar of Companies, Bengaluru ("**RoC**") ("**Respondents**") challenging the wrongful inclusion of their names in the list released by the RoC on its website in relation to the directors disqualified under the provisions of Section 164(2) the Companies Act, 2013, for the periods ending October 31, 2019 and October 31, 2020 in relation to non-filing of financial statements or annual returns for a continuous period of three financial years by K. Raheja Hotels and Estates Private Limited (since the Petitioners were not directors of K. Raheja Hotels and Estates Private Limited at the relevant time, having already resigned therefrom). By its order dated June 12, 2019 ("**Order**"), the Court has disposed of the writ petition filed by the Petitioners, along with a batch of several other writ petitions on the same matter and quashed the impugned list to the extent inter alia the disqualification of the Petitioners as directors was concerned. Pursuant to the Order, the Petitioners have filed a review application before the Court for issuing directions to the Respondents for deletion of the names of the Petitioners as directors of K. Raheja Hotels and Estates Private Limited in the records of the Respondents, as was sought earlier in the writ petition. The Petitioners have filed a caveat on October 14, 2019 in anticipation of any appeal which the Respondents may file against the Order and subsequent adverse interim orders. Further, the Petitioners through their reminder letter dated December 2, 2019 requested the administrator of K. Raheja Hotels & Estate Private Limited to file requisite forms and ensure updates to the records of the RoC, in relation to resignation letters submitted by the Petitioners as directors of K. Raheja Hotels & Estate Private Limited. The administrator, by letter dated December 26, 2019, stated that he was not in a position to accede to the aforementioned request unless relevant orders were granted in proceedings pending before the High Court, Karnataka and the CLB/NCLT to which the Petitioners have been impleaded as parties. The Court through its order dated September 6, 2022, allowed the Petitioners' application by directing the RoC to treat the Petitioners as having resigned as directors of K. Raheja Hotels and Estates Private Limited, with effect from February 17, 2014, as reflected in the Petitioners' resignation letters, and make necessary entries/corrections in the records of the RoC, Karnataka and the Ministry of Corporate Affairs, Government of India on/in its website.

13. Pratik Rameshchandra Shah, through his power of attorney holder, Sambhuprasad Kurjibhai Lakkad, has filed an appeal before the Nayab Collector, Prant Officer Court, Viramgam District, Ahmedabad against the order of the Deputy Mamlatdar dated May 27, 2018 ("**Order**") upholding the mutation entry made in the revenue records pursuant to sale of certain land for alleged wrongful sale of the disputed land in Sachana (in Gujarat) to Sentinel Properties Private Limited, where Mr. Ravi C. Raheja and Mr. Neel C. Raheja were erstwhile directors. The Deputy Collector passed an order dated February 13, 2019 in favour of the petitioner against which Sentinal Properties Private Limited has filed an appeal before the Gujarat High Court. The Gujarat High Court, by order dated February 25, 2020, vacated the interim relief granted by it against the order passed by the Deputy Collector. Pratik Rameshchandra Shah has also filed a suit before the Principal Civil Court, Ahmedabad against Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others ("**Respondents**") and has sought cancellation of the Order and stay on further dealing of the disputed land in Sachana (in Gujarat) by the Respondents. The matters are currently pending before the relevant forums.

A written reply was filed with the ED on January 5, 2018 by legal counsel to Mr. Neel C. Raheja on his behalf, as a shareholder and ex-director of Carlton Trading Private Limited ("**CTPL**"), inter alia that (i) the summons was addressed to the Director, Carlton Trading Company, Mumbai, with whom Mr. Neel C Raheja is not concerned, and therefore, the same appears to have been delivered to the office address of Mr. Neel C Raheja under a mistaken identity; (ii) Mr. Neel C Raheja was no longer a director of CTPL, and (iii) to the best of his knowledge, CTPL has not had any dealing either with ASCPL or CMSPL. A background of CTPL and resignation of its directors was provided to the ED along with copies of the memorandum of association/articles of association and other details relating to CTPL. A further similar summons dated July 13, 2018 was issued by the ED, pursuant to which Mr. Neel C. Raheja's legal counsel attended the office of ED on July 23, 2018 where the ED informed Mr. Neel C. Raheja's legal counsel, that the summons issued by ED was not for Mr. Neel C Raheja (as a detailed response had already been submitted on behalf of Mr. Neel C Raheja in relation to the previous summons, and that Mr. Neel C. Raheja's legal counsel, was not required for the hearing at all as the summons was not for Mr. Neel C Raheja). No further correspondence has been received thereafter.

3. The Assistant Director, Directorate of Enforcement, Mumbai has issued a notice in the year 2017 under section 37 of the FEMA calling upon Mr. Neel C. Raheja to furnish details and justification in respect of all foreign inward/outward remittances, with documentary evidences, sources of income, purpose for remittances and other related details, for the years 2005, 2007 and 2010. Mr. Neel C. Raheja has replied to the notice in the year 2017 furnishing the required details / information / documents and inter alia stated that the remittances were made in accordance with applicable FEMA regulations. By a subsequent letter, Mr. Neel C. Raheja referred to the aforesaid correspondence and stated that he had, through authorized representative, furnished the required details / information / documents, and understood that they were to the authority's satisfaction. He further requested to be informed in case of any further requirement or explanation, in the absence of which it would be understood that he has satisfactorily carried out the statutory compliances relating to closure of the matter. No further correspondence has been received.

The SLP is currently pending before the Supreme Court of India. Also pursuant to the liberty granted under the Impugned Judgment, the Petitioner has applied to the State Government for regularization of the allotment of land. The matter is currently pending with CIDCO.

7. Proposed Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited through its chief promoter Col. Kadur Malleshi ("**Plaintiff**") has filed a suit before the Civil Judge Senior Division, Pune ("**Civil Court**") against Inorbit Malls, (through its directors Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others) ("**Defendant**"), for inter alia declaring the deed of declaration dated February 11, 2019 executed by Inorbit Malls as illegal, null and void and non-binding upon the Plaintiff and has sought cancellation of the deed of declaration and permanent injunction restraining the Defendants from executing any deeds, documents and things in respect of the suit property on the basis of the impugned deed of declaration. The Court granted an ad interim status quo with respect to holding of any general body meeting or voting in pursuance of the deed of declaration. By order dated February 4, 2020, the Court rejected Plaintiff's injunction application. Consequently, the Plaintiff filed an application inter alia seeking extension of status-quo until the appeal period which was rejected by the Court. The matter was posted thereafter for framing issues and further proceedings. On July 16, 2020 the Plaintiff filed an application for taking the matter on board and an application for withdrawal of the suit. On August 11, 2022 the Plaintiff sought time and requested to post the matter on August 13, 2022, before the Lok-Adalat for withdrawal in view of disposal of the writ petitions which was filed by Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited against Divisional Joint Registrar Co-operative Housing Society Ltd., Pune & another pursuant to consent minutes filed between the Plaintiffs and Defendants before the Bombay High Court. 8. Proposed Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited through its chief promoter Col. Kadur Malleshi ("**Applicant**") filed an application before District Deputy Registrar Co-operative Housing Societies against Inorbit Malls ("**Respondent**"), for formation of a co-operative society. On August 7, 2019, the Applicant filed an application for amendment thereby seeking addition of the names of Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others in the matter as directors of Inorbit Malls. The said application for amendment was allowed vide an order dated October 1, 2019 ("**Impugned Order**"). Aggrieved by the aforementioned order, Inorbit Malls filed a revision application on November 1, 2019 for quashing and setting aside the Impugned Order, before the Divisional Joint Registrar, Co-operative Societies, Pune. The Applicant filed a pursis giving its no-objection to the revision application being allowed and the Impugned Order being quashed and set aside. The revision application was allowed on November 26, 2019. The Application for society formation was allowed on January 29, 2020 and the society was registered on January 31, 2020. Aggrieved by the said orders, Inorbit Malls filed an appeal and revision application in both the matters before the Divisional Joint Registrar, Pune and an interim stay was granted by the Divisional Joint Registrar in both the matters on March 2, 2020. Aggrieved, Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited filed a civil writ petition in the Bombay High Court which was disposed of on June 23, 2020. By separate orders dated July 31, 2020, the appeal and revision application filed by Inorbit Malls were allowed by the Divisional Joint Registrar, Pune. The Raheja Vistas Phase IV Building Nos. T5 and T6 Co-operative Housing Society Limited have challenged the said orders by filing two separate civil writ petitions ("**CWP's**") in Bombay High Court. By an order dated September 21, 2020, the Bombay High Court directed the petitioners to comply with the order dated June 23, 2020 pertaining to payment of maintenance by the petitioner and the individual members to respondent no.1 i.e. Inorbit Malls in the earlier civil writ petition within a period of one week. On October 7, 2020, the petitioners submitted to the Bombay High Court that Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited had deposited on September 28, 2020, a sum of ₹ 1.99 million with Inorbit Malls pursuant to the Order dated September 21, 2020. Inorbit Malls thereafter objected to Petitioner's submission and informed the Bombay High Court that Inorbit Malls had reason to believe that more funds had been collected from the residents of the building and that Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited had not deposited the entire amount collected by them with Inorbit Malls. Inorbit Malls sought liberty to file a reply to the Affidavit filed by the petitioners/ society dated September 29, 2020. On December 2, 2020, Bombay High Court directed the Petitioner to file its rejoinder with the registry and the rejoinder was filed by the Petitioner on the same date. On February 12, 2021, Inorbit Malls filed affidavit in sur rejoinder. Inorbit Malls has filed a praecipe before the Bombay High Court on November 22, 2021 in order to amicably settle the matter with Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited, provided that the rights of Inorbit Malls are duly protected and appropriate safeguards are provided for that purpose. By an order dated July 22, 2022, the Bombay High Court disposed off both the CWP's in terms of the minutes of consent order dated July 22, 2022 filed by the parties. The minutes of the order between the parties i.e. Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited and Inorbit Malls inter alia records that Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited consented to (i) the purchasers of apartments in Building T5 and T6 being bound by all the terms and conditions of the Agreement for Sale; (ii) apartment purchasers to not raise objections to the present and future development of the entire layout and to not raise objections to utilise entire development potential of the entire layout; (iii) to not raise objection to the audited statements for the period upto July 31, 2022 and (iv) to withdraw litigations filed by it or its members and Inorbit Malls who consented to the formation of Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited.

In the writ petition filed by KRCPL, by orders dated February 12, 2013 & order dated March 8, 2013 pending hearing excluding the disputed area of four acres and 11 gunthas bearing CTS No.119-G in village Tungawa in Mumbai claimed by the respondents, the Bombay High Court permitted KRCPL to continue development construction without any hindrance in the remaining area.

4. Sir Mohammed Yusuf Trust and four others ("**Plaintiffs**") filed two separate suits before the Bombay High Court ("**Court**"), against KRCPL and two others ("**Defendants**"), seeking declarations that the Plaintiffs are the owners of land admeasuring 4 acres and 11 gunthas bearing CTS No.119-G and about eight acres bearing CTS No. 119F in village Tungawa in Mumbai. The Plaintiffs have further sought from the Defendants, demolition of the buildings constructed on the portions of land. In the alternative, the Plaintiffs are seeking damages aggregating to ₹ 15,000 million. In the second subsequent suit, in addition to the relief claimed in the first suit, the Plaintiffs have added

various societies formed of the flat purchasers as party defendant and have sought injunction restraining execution of conveyances in favour of such societies of the flat purchasers. No relief has been granted to the Plaintiffs till date. The matter is currently pending before the Court.

5. Sir Mohammed Yusuf Trust and four others ("**Petitioner**") filed a writ before the Bombay High Court ("**Court**"), against State of Maharashtra, KRCPL and two others ("**Respondent**"), inter alia for cancelling and setting aside the order passed by the city survey officer for reinstating the name of the Owner Indian Cork Mills Limited in the property register card as per the NA Order subject inter alia to the pending High Court Suit.

6. Nakka Venkat Narsaiah ("**Plaintiff**") has filed a suit against Raheja Mind Space Corp and others ("**Defendants**") before the Additional Junior Civil Judge, Ranga Reddy District ("**Civil Court**"), inter alia for possession of land admeasuring 150 square yards, bordering the land of KRCPL. KRCPL has filed a written statement. The Civil Court has passed an interim order restraining the Defendants from alienating the land in favour of third parties. The matter is currently pending before the Civil Court.

7. KRCPL agreed to acquire a property situated at Mahalaxmi, Mumbai under an agreement dated June 30, 2017 as per the provisions contained therein, in respect of which a suit has been filed before the Bombay City Civil Court ("**Court**") by Modern India Limited against Belvedere Court condominium, Arun Bewoor and others in respect of right of way. Another suit has been filed before the Court by Arun Bewoor and others against Modern India Limited ("**Modern**") and others claiming that the deed of covenant granting right of way to Modern was a gratuitous license and that defendant no.1 was not entitled to carry on construction on the Plot D other than textile mill thereon, beyond the height of 4th floor from ground level. The matter is currently pending. Modern has filed an application to conduct an inquiry by the Court and to pass appropriate orders against defendant no.1 for making false statement on oath thereby having committed perjury. The same is pending.

8. Baddam Narasimha Reddy and another ("**Petitioners**") filed a writ petition on June 21, 2022 before the High Court of Telangana at Hyderabad ("**Court**") against the State of Telangana and others ("**Respondents**"). The Petitioners sought directions to declare the actions of the Respondents (1) State of Telangana, (2) the Hyderabad Metropolitan Development Authority (HMDA), (3) the Chief Engineer, HMDA and (4) the Executive Engineer, HMDA, of illegally and arbitrarily entering into the Petitioners land at Survey No. 58 of Pocharam Village Ghatkaser Mandel, Medchal Mandel, without issuing any notice or without any land acquisition proceedings, to be illegal, arbitrary, high -handled and violative of the principles of natural justice under Articles 14, 21 and 300A of the Constitution of India. The Petitioner allegedly claims that the cart track in the village map is governed by the Telangana Area Land Revenue Act wherein the easementary rights of the villagers/general pubic are crystallised by way of prescription. The Petitioners have filed an interim application for injunction praying to the Court to direct the Respondents, not to interfere with the Petitioners lands at Survey No. 58, pending disposal of writ petition. By an order dated June 22, 2022, the Court inter alia directed the official respondents not to interfere with the possession of the Petitioners Survey No. 58 of Pocharam Village without following due process of law. The matter is currently pending.

## K. KRPL

### (i) Criminal matters

1. For criminal matters pending against KRPL, see "-Material litigation and regulatory actions pending against the Sponsor Group – Mr. Chandru L. Raheja – Criminal matters".

### (ii) Regulatory actions

1. The MCGM, vide several letters addressed to KRPL, has demanded the handing over of Flat No. 102 on the first floor of the building known as "Rosemary" of Rosemary Correa Co-operative Housing Society Limited ("**Rosemary CHSL**"), Mumbai ("**Premises**"), contending it to be reserved as a municipal library and called upon KRPL to furnish the relevant papers. KRPL has responded to MCGM, stating that the Premises is to be run as a library by the owner for public in general and that the library will be open for public-use after completion of on-going repair work. However, the MCGM sealed the Premises on March 14, 2019. KRPL has called upon MCGM to forthwith restore possession of KRPL of the Premises and to remove the seal from the Premises at the earliest. Further the MCGM, by its letter dated July 27, 2019, to KRPL, threatened to register a FIR against KRPL for alleged trespassing in the Premises. MCGM has by its letter dated September 29, 2020 (received on October 8, 2020 from MCGM) to K. Raheja Corp Foundation ("**KRC Foundation**") alleged that it has violated the terms and conditions of the development permission as well as permission given by MCGM and directed KRC Foundation to submit its explanation for the alleged lapses. KRPL as the owner of the Premises, has by its letter dated October 14, 2020 replied to MCGM and clarified that it has acted in accordance with the terms of the development permission and that there is no requirement of handing over the Premises to MCGM. By the said letter, KRPL has once again requested MCGM to remove its seal from the Premises and also sought personal hearing to explain and clarify the misapprehensions in the matter. By its letter dated August 27, 2021, MCGM called upon KRPL to attend its office on September 2, 2021 to discuss the issue regarding the Premises which was attended by KRPL. No further correspondence has been received.

2. The Pest Control Officer at MCGM has issued 49 notices to KRPL in respect of water stagnation at KRPL's project site at Worli, Mumbai and other related infringements of the Mumbai Municipal Corporation Act. KRPL has replied to MCGM stating that they have taken corrective measures and requested MCGM to conduct inspection in order to close the matter. No further correspondence has been received.

3. Meenakshi Menon, the resident of RNA Mirage (i.e. neighbouring building) has by letter dated February 5, 2022 (Letter) to the Assistant Commissioner, G/South Ward, Municipal Corporation of Greater Mumbai (MCGM) with CC to Secretary, Raheja Artesia alleged that the residents of RNA Mirage have been subjected to a visual assault from Raheja Artesia by the lights on the side of both the Raheja buildings, Artesia causing inconvenience to the residents and therefore requested KRPL to take urgent action and stop beacons on the sides. By letter dated March 4, 2022, KRPL has informed MCGM that the blinkers are as per the norms, regulations and guidelines by Airport Operating Authority. By the said letter KRPL has further informed that vertical strip light are decorative light and there is no provision in any of regulation to get the approval for Façade lighting or vertical strip lighting. Subsequently by letter dated February 21, 2022 Brihanmumbai Mahanagarpalika informed KRPL about the complaint and directed KRPL to meet the Executive Engineer & Designated Officer ('G/South' Ward) with the documents related to the vertical strip light and blinker installed.

4. The issues of levy of premium/transfer fees/lease tenure/ enhanced lease rent etc. relating to Brihanmumbai Mahanagarpalika ("**MCGM Estates**") two municipal leasehold properties acquired by KRPL are sub-judice before the Bombay High Court ("**Court**") in various petitions filed by various lessees and other parties. KRPL is not a party to such proceedings and has not filed any petition in court in this respect. MCGM Estates had raised demands on KRPL for transfer premium and penalty and transfer fee relating to the assignments of the said properties at Worli in favour of KRPL which was paid without prejudice & subject to all rights & contentions of the parties. KRPL has filed undertaking dated October 19, 2015 and July 16, 2015 with MCGM to abide by the final outcome in writ petition no.1251/2014 ("**Writ Petition**") and any other proceedings from time to time in relation to the issues of levy of premium / transfer fees / lease tenure / enhanced lease rent. The writ petition is currently pending with several other similar matters before the Court.

5. The MCGM has issued a letter dated April 8, 2018 addressed to KRPL, in pursuance of letter dated March 12, 2018 (wrongly dated March 12, 2010) received by them from Association of Engineering Workers in respect of unpaid dues to labour/workers of Metal Box India Limited ("**MBIL**") and for issuance of stop work notice of further construction of building situated at Worli, Mumbai. MBIL was the predecessor in title of KRPL. KRPL has issued letter dated May 14, 2018 responding to MCGM, denying all the allegations and informing that MBIL had deposited the entire gratuity dues of ex-workers. KRPL had also filed caveats in the Bombay City Civil Court and Bombay High Court for being given notice of any application for ad-interim orders in any proceeding that may be filed, which were renewed from time to time. Arun Kachare and Association of Engineering Workers filed a writ petition against State of Maharashtra, MCGM, MBIL and others before the Bombay High Court seeking, inter alia, in respect of alleged labour dues payable by MBIL and relating to alleged requirement of labour NOC for development of MBIL and sought relief relating to the development approvals in respect of the suit property. Since relief was sought relating to development approvals with respect to the suit property, KRPL joined as a respondent in the matter. KRPL has inter alia contended that it is the title holder of the suit property, having acquired assignment of the lease pursuant to BIFR/AAIFR proceedings and is not a closed company or liable for any dues of the workers of its predecessor in title i.e. MBIL. The matter is pending before the Bombay High Court.

6. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against KRPL and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2008-2009, AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. KRPL filed appeals before the CIT(A) for AY 2015-16, AY 2016-17, AY 2017-18 and AY 2018-19 which were disposed by the CIT(A) partly in favour of KRPL. KRPL filed appeals against the order of the CIT(A) for AY 2018-19 before the ITAT and the same is heard and order is awaited. The Income Tax Department filed an appeal for AY 2018-19 before ITAT and the same is heard and order is received in favour of the assessee.

### (iii) Material civil/commercial litigation

1. KRPL has filed a writ Petition in the Bombay High Court against Municipal Corporation of Greater Mumbai ("**MCGM**") and others under Articles 226 & 227 of the Constitution of India for writs of Certiorari & mandamus for quashing of demand notes for development charges contrary to the provisions of Section 124(A) and 124(B) of Maharashtra Regional and Town Planning Act, 1966 ("**MRTP Act**") which provide for the development charges to be levied on predominant user and refusal to refund the excess amount paid by KRPL in respect of its land / amalgamated plot at Worli. The predominant user for the said composite building is residential. However, the demand notes issued for development charges are issued contrary to the said provisions of MRTP Act. KRPL has inter alia prayed that ₹ 25. 23 million to be refunded or to be adjusted against the further demand notes for development charges. Thereafter, KRPL reapplied for amendment of the plan, which was approved on August 14, 2021. Pursuant to such application, a demand note dated August 24, 2021 was issued to KRPL levying development charges of ₹ 300.99 million. This amount has been arrived at by charging KRPL a commercial user rate @ 8% of the ready reckoner rate, by classifying it as commercial, despite the predominant user being residential. Accordingly, KRPL is allowed to amend the writ petition bringing the same on record i.e. to adjust the sum of ₹ 252.28 million already paid by KRPL as excess amount in terms of the demand notes against the sum of ₹ 150.49 million payable by KRPL as development charges under the demand note dated August 24 2021. By an order dated October 29, 2021, the Bombay High Court, without prejudice to the rights and contentions of KRPL, allowed it to pay the development charges at the rate of 6% of the ready reckoner rate and direct the Respondent being MCGM to process the applications for approvals including the grant of commencement certificate/further endorsement of commencement certificate for the Office Wing on the land in question upon payment made by KRPL of development charges at the rate of 6% of the ready reckoner rate. The matter is directed to be listed with other similar writ petitions which are pending.

2. KRPL has filed a writ petition on April 7, 2022 before the Bombay High Court challenging the legality and validity of the communication by the Deputy Commissioner, CGST and CX (Mumbai, East) dated Nil March 2020 for rejecting the declaration made by KRPL in Form SVLDRS-2A. The declaration was made under the Sabka Vishwas (Legacy Dispute resolution) Scheme, 2019 for service tax and cess regarding the services in relation to the construction of the Public Parking Lot ("PPL") which was constructed by KRPL and handed over the Municipal Corporation of Greater Mumbai. The Commissioner GST & Central Excise, Mumbai and others (Respondent Nos. 2 to 5) have on June 21, 2022 filed their Affidavit in reply praying that the writ petition may be dismissed. The matter is currently pending.

13. The Superintendent Officer, Customs Department issued summons dated June 2, 2021 to Chalet Hotels with respect to import documents and remittance details in relation to purchase of television consignment, which was attended by the officials of Chalet Hotels. Chalet Hotels had placed order with a television supplier through its authorized channel partner televisions for its Westin Hyderabad II Project ("**1st Tranche**") and Renaissance Mumbai Convention Centre Hotel ("**2nd Tranche**"). Upon arrival of 1st Tranche at the port, the Special Intelligence and Investigation Branch, Customs ("**SIIB**") raised queries for undervaluation of TVs. Subsequently, Chalet Hotels received a letter from customs on February 9, 2021 stating that the TVs can be provisionally released with a payment of security deposit of ₹ 5.11 million and a bond for full freight-on-board value. With respect to 2nd Tranche, Chalet Hotels, by its letter dated March 10, 2021, requested the Additional Commissioner of Customs to make orders to provisionally release the consignment. In response to its letter, the Deputy Commissioner of Customs, Nhava Sheva Port, by its letter dated May 1, 2021, accepted the request for provisional release of TVs subject to payment of a security deposit of ₹ 5.54 million and a bond for full freight-on-board value. Chalet Hotels, by its letter dated May 18, 2021, has sought waiver of the abovementioned security deposit from the authorities on the grounds that the alleged undervaluation of the consignment is an outcome of the transaction between TV supplier and its channel partner and accordingly, Chalet Hotels was not liable and accountable for the same.

However, the said request has been rejected by the Authorities. Consequently, Chalet Hotels requested the Commissioner of Customs for provisional release

of both the consignment by accepting the bank guarantee in lieu of cash deposit. However, the authorities in response to the same have rejected the request of Chalet Hotels for provisional release of the consignment. Since the said request was rejected, Chalet Hotels made payment of ₹ 5.54 million and ₹ 5.11 million towards the security deposits under protest.

Further, show cause notice dated July 20, 2021 ('Show Cause Notice 1') has been issued by the Office of the Commissioner of Customs, NS-V, Jawaharlal Nehru Custom House, Post Sheva, to an authorised channel partner and all other importers including Chalet Hotels, who have purchased TVs, for imposing a differential duty amounting to ₹ 25,833 along with interest and penalty under the Customs Act, 1962 and for confiscating goods. Since an incomplete copy of the said Show Cause Notice was received, Chalet Hotels in response to the same has vide letter dated July 29, 2021 requested the Authorities to issue the Annexures forming part of the Notice. The direct tax matters are primarily in the nature of demand notices and/or orders issued by the income tax authorities alleging non/short deduction of TDS, computation of taxable income on account of certain additions/disallowances, deduction of tax incentive and classifications of income resulting in additional demand of TDS/income tax. Such matters are pending at the relevant appellate authorities including income tax appellate tribunals and high courts.

The indirect tax matters are primarily in the nature of demand notices and/or orders issued by indirect tax authorities alleging irregularities in payment of indirect taxes on identified transactions, irregular availment of CENVAT credit of service tax and mismatch in turnover reported in service tax returns vis-à-vis income tax returns. Such matters are pending before different indirect tax authorities and courts, including indirect tax appellate tribunals.

The Asset SPVs, the Sponsor Group and Associates of Sponsors (excluding the Sponsors Group) and entities where any of the Sponsors hold any interest/ shareholding (excluding the Asset SPVs and members of the Sponsor Group), have, with an intention to settle some of the service tax disputes and avail the benefit of reduced tax liability, interest and penalty waiver, opted for the Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019. In some instances, the applications have been rejected by the authorities and some of the entities have filed, writ petitions before Bombay High Court in relation to such matters. Some of the Asset SPVs, Sponsor Group and Associates of Sponsors (excluding the Sponsor Group) with the intention to settle income tax disputes and avail the benefit of interest and penalty waiver, have made applications under Direct Tax Vivad se Vishwas Act, 2020. [In some instances, the applications have been accepted by the authorities and the disputes have been settled, in one of the case the application has been rejected while in some cases, the applications are being processed and the final order is awaited.]

In addition to the above, the Asset SPVs, the Sponsor Group and Associates of Sponsors (excluding the Sponsors Group) and entities where any of the Sponsors hold any interest/shareholding (excluding the Asset SPVs and members of the Sponsor Group), are in receipt of notices, intimations, letters, enquiries, etc., in connection with the assessment (regular, best judgment, scrutiny, etc.) and reassessment procedures prescribed under the applicable indirect tax legislations (state value added tax and entry tax legislations, central sales tax, the Finance Act 1994, customs legislation) and Income Tax Act, 1961 read with the relevant rules and regulations prescribed thereunder. All requisite information, records, documents, returns, payment challans, submissions and declarations sought by the tax authorities have been provided from time to time. As of the date of this Final Offer Document, the assessment proceedings are pending finalisation.

Amount involved in connection with tax proceedings includes, in addition to the tax/duty demanded, the penalty levied under the direct and indirect tax laws to the extent explicitly quantified. Interest has not been included.

# Risk Factors - September 30, 2022

| RF no. | RF for September 30, 2022 |
|---|---|
| 1 | COVID-19 has caused a material decline in general business activity and demand for real estate transactions, and if this persists, it would adversely affect our ability to execute our growth strategies, including identifying and completing acquisitions and expanding into new markets.<br>Factors related to the COVID-19 pandemic, or a future pandemic, that could have an adverse impact on our financial condition, results of operations and cash flows, primarily include:<br>■ a complete or partial closure of, or other operational issues at, one or more of our properties;<br>■ tenants' inability to pay rent on their leases, in part or full or our inability to re-lease space that is or becomes vacant;<br>■ slowdown in getting lease commitments for new spaces;<br>■ any impairment in value of our properties;<br>■ an increase in operational costs; and<br>■ the extent of construction delays on our under-construction properties due to work-stoppage orders, disruptions in the supply of materials, shortage of labour, delays in inspections, or other factors |
| 2 | Distributions to Unitholders will be based on the net distributable cash flows available for distribution. Our ability to make distributions to the Unitholders may be affected by several factors including<br>■ business and financial position of Asset SPVs, debt servicing requirements of Asset SPVs,<br>■ construction and leasing of under construction area,<br>applicable laws and regulations, which may restrict the payment of dividends by the Asset SPVs or other distributions. |
| 3 | The REIT Regulations impose certain restrictions on our operations, including maintaining a specific threshold of investment in rent generating properties and conditions on availing debt financing. These conditions may restrict our ability to raise additional funds as well as limit our ability to make investments. |
| 4 | Real estate markets are cyclical in nature, and a recession, slowdown (including in the US and Europe potentially delaying expansion by multinationals, and a slow return to office in the technology sector) or downturn in the real estate market as well as in specific sectors, such as technology, where our tenants are concentrated, increase in property taxes, changes in development regulations and zoning laws, availability of financing, rising interest rates, increasing competition, adverse changes in the financial condition of our tenants, increased operating costs, disruptions in amenities and public infrastructure and outbreaks of infectious disease such as COVID-19, among others, may lead to a decline in demand for our Portfolio, which may adversely affect our business, results of operations and financial condition. |
| 5 | A significant portion of our revenues are derived from a limited number of tenants. Any conditions that impact these tenants could adversely affect our business, results of operations and financial condition. We are required by the terms of the lease deeds, grant documents or sale deeds with certain statutory authorities to lease a proportion of our Portfolio to tenants from the IT and ITeS sectors. Some of the assets are large and contribute significantly to our revenue from operations resulting in asset concentration.<br>Assets are primarily located in four key office markets and select micro markets within these office markets resulting in market and micro market concentration. |
| 6 | Our title to the land where the Portfolio is located may be subject to legal uncertainties and defects, which may interfere with our ownership of the assets and result in us incurring costs to remedy and cure such defects. Any failure or inability to cure such defects may adversely affect the Portfolio including the rentals, which may also impact returns for the Unitholders. |
| 7 | Existing lease/license agreements are subject to risks including (i) non-renewal upon expiration, (ii) delay or failure in making rental payments by the lessees/licensees, (iii) premature termination, (iv) failure to re-lease or re-license the vacant space and our dependence on rental income may adversely affect our profitability, our ability to meet financial obligations and to make distributions to our Unitholders. |
| 8 | We may be unable to renew leases or license arrangements, lease or license vacant area or re-lease or re-license area on favourable terms or at all, which could adversely affect our business, results of operations and cash flows. |
| 9 | Due to a variety of factors, including competitive pricing pressure in our markets, changing market dynamics including demand supply, a general economic downturn and the desirability of our properties compared to other properties in our markets, we may be unable to realize our estimated market rents across the properties in our Portfolio at the time of future leasing. |

| RF no. | RF for September 30, 2022 |
|---|---|
| 10 | Valuation is an estimate and not a guarantee, and it is dependent upon the accuracy of the assumptions as to income, expense and market conditions. Further, the valuation methodologies used to value our Portfolio involve subjective judgments and projections, which may not be accurate. Valuation methodologies will also involve assumptions and opinions about future events, which may turn out to be incorrect. Further, valuations do not necessarily represent the price at which a real estate asset would sell, since market prices of assets can only be determined by negotiation between a willing buyer and seller. As such, the value of an asset forming part of our Portfolio may not reflect the price at which such asset could be sold in the market, and the difference between value and the ultimate sales price could be material. |
| 11 | We have certain contingent liabilities, which if they materialize, may adversely affect our results of operations, financial condition and cash flows. For details, see "Note [•] to Notes to accounts - [•] of Condensed Consolidated Financial Statements for the financial year ended September 30, 2022" |
| 12 | There are outstanding litigations, title irregularities and regulatory actions involving the Asset SPVs, which may adversely affect our business, results of operations and cash flows. For details, see "Brief details of material litigations and regulatory actions as at the year ended September 30, 2022" in this report. |
| 13 | Our business and results of operations are subject to compliances with various laws, and any non-compliances may adversely affect our business and results of operations. Our business is governed by various laws and regulations, including Transfer of Property Act, 1882, Special Economic Zones Act, 2005 and Special Economic Zone Rules, 2006, Maharashtra Industrial Development Act, 1961, Mumbai Metropolitan Region Development Authority Act, 1974, Maharashtra Information Technology and Information Technology Enabled Services Policy, 2015, rent control legislations of various states, municipal laws of various states and environment related regulations. Our business could be adversely affected by any change in laws, municipal plans or stricter interpretation of existing laws, or promulgation of new laws, rules and regulations applicable to us.<br>For instance, the Ministry of Corporate Affairs (MCA) has amended the Companies (Corporate Social Responsibility Policy) Rules, 2014 and has introduced the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021 ("CSR Rules"). The CSR Rules provides, among others, specific treatment of unspent CSR amount based on whether it pertains to an ongoing project. Any failure on the part of our Asset SPVs to make the necessary transfer towards CSR requirements and ensure compliance under the CSR Rules may result in penal actions being initiated against the relevant Asset SPV by the concerned regulatory authority. |
| 14 | The Ministry of Environment and Forests ("**MOEF**") vide Office Memorandum dated May 1, 2018 ("**CER OM**") had issued guidelines for recommending expenses towards 'Corporate Environment Responsibility' ("**CER**") with a view to bring transparency and uniformity in imposition of expenses towards CER. Accordingly, conditions relating to CER were being imposed in the environment clearances relating to projects. Thereafter, CER OM was superseded by OM dated September 30, 2020 ("**CER OM 2**") which directed that Expert Appraisal Committee ("**EAC**") or State Level Expert Appraisal Committee ("**SEAC**") shall deliberate on the commitments made by project proponent and prescribe specific condition(s) in physical terms while recommending the proposal, for grant of prior environment clearance instead of allocation of funds under CER. The CER OM 2 further directed that all the activities proposed by the project proponent or prescribed by the EAC/SEAC, as the case may be, shall be part of the Environment Management Plan ("**EMP**"). Consequently, CER OM is not valid and only (1) the commitments which are deliberated by EAC/SLEAC, and (2) specific conditions prescribed in physical terms while recommending the proposal need to be complied with. In view of the aforesaid, the respective Asset SPV's have made or will make (if required) the aforesaid representations to MOEF authorities including during the MOEF hearings for grant of amended EC's (if required) in respect of the respective REIT Assets, or table the same in the periodic reports being filed with the authorities. If any alternate view is taken by the MOEF authorities and despite the CER OM 2, the MOEF authorities mandate compliance of CER in accordance with CER OM, then Asset SPVs will have to incur additional expenses towards compliance of CER in accordance with CER OM and any delay or failure on the part of the respective Asset SPVs to make the necessary spending towards CER may result in penal actions being initiated against the relevant Asset SPV by the concerned regulatory authority. |
| 15 | Any non-compliance with, and changes in, environmental, health and safety laws and regulations could adversely affect the development of our properties and our financial condition. We are subject to environmental, health and safety regulations in the ordinary course of our business. If we face any environmental issue during the development of a property or if the government introduces more stringent regulations, we may incur delays in our estimated timelines and may need to incur additional costs.. |
| 16 | Any delay, failure or inability on part of Asset SPVs to obtain, maintain or renew all regulatory approvals that are required for their respective business, may adversely impact our development and business. |
| 17 | For our assets located on land leased from MIDC and MMRDA, the relevant Asset SPVs are required to comply with the terms and conditions provided in the respective lease agreements with such government bodies. Any non-compliance by the Asset SPVs of the respective lease agreements with such government bodies or by the tenants of the terms of the lease deed executed with them, may result in the action by the regulatory authorities, including revocation/termination of lease, demolition of the construction, payment of fines, or inability to produce lease agreements as evidence of the fact in any court of law. In the event that our leases are revoked, not renewed or terminated prematurely, it could have an adverse impact on the Asset SPVs and in turn adversely affect our business, financial condition and results of operations. |

|---|---|
| 18 | Inability to access infrastructure, certain logistical challenges in new markets and our relative inexperience with newer markets, may prevent us from expanding our presence in new markets in India which may adversely affect our business, results of operations and cash flows. |
| 19 | We have entered and may enter into several related party transactions, which could involve conflicts of interest. The Manager may face conflicts of interests in choosing our service providers, and certain service providers may provide services to the Manager, the Sponsor Group on more favorable terms than those applicable to us. |
| 20 | Some of our assets are located on land notified as SEZs and the Asset SPVs are required to comply with the SEZ Act and the rules made thereunder.<br>The income tax benefits available to SEZ developers have been withdrawn for the SEZs which have commenced development after March 31, 2017, while for their tenants/units, income tax benefits are available on income earned by them on account of the exports from the SEZs, provided they commence operations in the SEZs on or before March 31, 2021, if necessary approvals have been received by March 31, 2020. This may result in SEZs becoming less attractive for tenants in the future.<br>Further, some of our Asset SPVs have made applications for de-notifying certain land parcels notified as SEZs and hence they will be eligible to avail lower fiscal incentives than what were previously available to them, which may adversely affect our business, results of operations and financial condition. |
| 21 | Due to various regulatory and other restrictions, we may not be able to successfully meet financing requirements for completion of construction of Under Construction Area, construction of Future Development Area and for refurbishments, renovation and improvements beyond our current estimates<br>Our inability to raise adequate finances may adversely affect our business, results of operations and cash flows. |
| 22 | Liquidity in the credit market has been constrained due to market disruptions, including due to the COVID-19 pandemic or conflicts among other countries, which may make it costly to obtain new lines of credit or refinance existing debt. As a result of the ongoing credit market turmoil, we may not be able to refinance our existing indebtedness or to obtain additional financing on attractive terms. Further, adverse economic conditions could negatively affect commercial real estate fundamentals and result in lower occupancy, lower rental rates and declining values in our Portfolio and in the collateral securing any loan investments we may make. |
| 23 | Our ability to make distributions to Unitholders could be adversely affected if expenses increase due to various factors. Also, any adverse tax changes or withdrawal of tax benefits may adversely affect our financial condition and results of operation.<br>Any maintenance or refurbishment may result in disruption of operations and it may not be possible to collect the full or any rental income on area affected by such renovations and refurbishment of our assets. |
| 24 | The restrictive covenants under the financing agreements, entered or to be entered into with various lenders or investors, from time to time, include or could include, among others, (a) obtaining prior consent of the lenders (i) for change in the capital structure, (ii) for amendment of constitutional documents, (iii) for declaration of dividends/ distribution of profits in case of defaults, (iv) for incurring further indebtedness against the security provided, (v) for making any acquisition/disposal of assets and (vi) for providing surety or guarantee to any third party, and (b) certain reporting requirements with timelines which, if not complied with, may lead to defaults / consequences. These or other limitations may adversely affect our flexibility and our ability to make distributions to our Unitholders. |
| 25 | We are not fully insured against some business risks and the occurrence of accidents that cause losses in excess of limits specified under our policies, or losses arising from events not covered by our insurance policies, such as damage caused to our property and equipment due to war, which could adversely affect our business and results of operations.<br>While we believe that we have industry standard insurance for our Portfolio, if a fire or natural disaster substantially damages or destroys some or all of our assets in the Portfolio, the proceeds of any insurance claim may be insufficient to cover any expenses faced by us, including rebuilding costs. |
| 26 | Under the REIT Regulations, a REIT is required to hold assets acquired by it for a period of three years from the date of purchase and in case of under-construction properties or under-construction portions of existing properties acquired by it, three years from the date of their completion. Additionally, any sale of property or shares of Asset SPVs exceeding 10% of the value of the REIT assets will require prior approval of the Unitholders. These factors could have an adverse effect on our business, financial condition and results of operations. |
| 27 | Any disagreements with our collaborators or joint venture partners or any delay or failure to satisfy the terms and conditions set-out in the binding agreements with such collaborators or the joint-venture partners, may adversely impact our business and operations. |
| 28 | We do not own the trademarks or logos for “Mindspace”, “Mindspace Business Parks”, “K. Raheja Corp”, “Commerzone” “CAMPLUS” and “The Square” that are associated with our Portfolio. Further, we do not own the trademark or logo for “Mindspace Business Parks REIT” and “Mindspace REIT”. These trademarks and logos are licensed to our Asset SPVs, the Manager and us, as applicable, by the Sponsors or Sponsor Group entities who are either the registered owners of these trademarks and logos or have made applications for registered ownership some of which are pending. We may not be able to prevent infringement of the trademark, and a passing off action may not provide sufficient protection. Accordingly, we may be required to litigate to protect our trademark and logo, which could be time consuming and expensive and may adversely affect our business and results of operations. |
| 29 | Our Asset SPVs may, in the future be exposed to a variety of risks associated with development of an Integrated IT Township, which may adversely affect our business, results of operations and financial condition. |
| 30 | Land is subject to compulsory acquisition by the government and compensation in lieu of such acquisition may be inadequate. Additionally, we may be subject to conditions of use or transfer of land wherever such land is subject to orders under the Urban Land (Ceiling and Regulation) Act, 1976. |
| 31 | The on-going Russia-Ukraine conflict, supply chain disruptions, inflation / increase in commodity prices could result in a wide range of economic consequences, and could potentially impact projects under development and our business, results of operations and financial condition. |
| 32 | Fluctuations in the exchange rates between the Indian Rupee and other currencies will affect the foreign currency equivalent of the Indian Rupee price of the Units. Such fluctuations will also affect the amount that holders of the Units will receive in foreign currency upon conversion of cash distributions or other distributions paid in Indian Rupees by us on the Units, and any proceeds paid in Indian Rupees from any sale of the Units in the secondary trading market. This may have an adverse effect on the price of our Units, independent of our operating results. For instance, the exchange rate between the Indian Rupee and the U.S. dollar has fluctuated substantially in recent years and may continue to fluctuate substantially in the future. |

# Independent Auditor's Report on Review of Condensed Standalone Interim Financial Statements

To
The Governing Board,
K. Raheja Corp Investment Managers LLP
(The "Investment Manager")
(Acting in capacity as the Investment Manager of Mindspace Business Parks REIT)

## Introduction

1. We have reviewed the accompanying unaudited Condensed Standalone Interim Financial Statements of MINDSPACE BUSINESS PARKS REIT (the "REIT"), which comprise the unaudited Condensed Standalone Balance Sheet as at September 30, 2022, the unaudited Condensed Standalone Statement of Profit and Loss, including other comprehensive income, the unaudited Condensed Standalone Statement of Cash Flow for quarter and half year ended September 30, 2022, the unaudited Condensed Standalone Statement of changes in Unitholders' Equity for the half year ended September 30, 2022, the unaudited Statement of Net Assets at Fair Value as at September 30, 2022, the unaudited statement of Total Return for the half year ended September 30, 2022 and the unaudited Statement of Net Distributable Cash Flow for the quarter and half year ended September 30, 2022, as an additional disclosure in accordance with paragraph 6 of Annexure A to the Security Exchange Board of India (SEBI) Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("SEBI Circular") along with summary of the significant accounting policies and select explanatory notes (together hereinafter referred as the "Condensed Standalone Interim Financial Statements").

2. The Condensed Standalone Interim Financial Statements, which is the responsibility of the Investment Manager and approved by the Governing Board of the Investment Manager, have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("SEBI REIT Regulations"); Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations. Our responsibility is to express a conclusion on the Condensed Standalone Interim Financial Statements based on our review.

## Scope of review

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Investment Manager's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing issued by ICAI and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Condensed Standalone Interim Financial Statements have not been prepared in accordance with SEBI REIT Regulations, Ind AS 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations and has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.

## Emphasis of matter

5. We draw attention to Note 14(a) of the Condensed Standalone Interim Financial Statements, which describes the presentation of "Unit Capital" as "Equity" to comply with the SEBI REIT Regulations. Our conclusion is not modified in respect of this matter.

Notes

### 1) Measurement of fair values:

The fair values of Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress are solely based on an independent valuation performed by an external property valuer ("independent valuer"), having appropriately recognised professional qualification and recent experience in the location and category of the properties being valued.

Other assets include cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.

**Valuation Technique**

The fair value measurement for all of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted a mix of Market Approach and Discounted Cash Flow method, as the case may be. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

## 2. Basis of Preparation

The Interim Condensed Standalone Financial Statements of Mindspace Business Parks REIT comprise the Condensed Standalone Balance Sheet as at September 30, 2022, the Condensed Standalone Statement of Profit and Loss, including other comprehensive income, the Condensed Standalone Statement of Cash Flow for the quarter and half year ended September 30, 2022, the Condensed Statement of Changes in Unitholders Equity for the half year ended September 30, 2022, the Statement of Net Distributable Cashflows of Mindspace Business Parks REIT for the quarter and half year ended September 30, 2022, the Statement of Net Assets at Fair Value as at September 30, 2022, the Statement of Total Returns at Fair Value for the half year ended September 30, 2022, and a summary of the significant accounting policies and select explanatory information and other additional financial disclosures.

The Condensed Standalone Financial Statements have been prepared in accordance with the requirements of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("the REIT regulations"); Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("Listing Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" as prescribed in Rule2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations. (refer note 13 on presentation of "Unit Capital" as "Equity" instead of compound instruments under Ind AS 32 – Financial Instruments: Presentation).

The Condensed Standalone Financial Statements were authorised for issue in accordance with resolution passed by the Governing Board of the Manager on November 14, 2022.

The Condensed Standalone Financial Statements are presented in Indian Rupees in Million, except when otherwise indicated.

### Statement of compliance to Ind-AS

These Condensed Standalone financial statements for the quarter and half year ended September 30, 2022 have been prepared in accordance with Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", to the extent not inconsistent with the REIT regulations as more fully described above and Note 13 to the condensed standalone financial statements.

## 3. Significant accounting policies

### (a) Functional and Presentation Currency

The Condensed Standalone Financial Statements are presented in Indian Rupees, which is also Mindspace REIT functional currency in which Mindspace REIT operates. All financial information presented in Indian Rupees has been rounded off to the nearest million except otherwise stated.

### (b) Basis of measurement

These Condensed Standalone Financial Statements are prepared on the historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instrument) measured at fair values;

### (c) Use of judgments and estimates

The preparation of the Condensed Standalone Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Standalone Financial Statements is included in the following notes:

(i) Presentation of "Unit Capital" as "Equity" in accordance with the SEBI REIT Regulations instead of compound instrument (Note no 13)

(ii) Impairment and Fair valuation of Investments in SPVs.

(iii) recognition and measurement of provisions for contingencies and disclosure of contingent liabilities (Note 32 (a))

### (d) Current versus non-current classification

Mindspace REIT presents assets and liabilities in the Balance Sheet based on current/non-current classification:

An asset is treated as current when it is:

– Expected to be realised or intended to be sold or consumed in normal operating cycle;

– Held primarily for the purpose of trading;

– Expected to be realised within twelve months after the reporting date; or

– Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is current when:

– It is expected to be settled in normal operating cycle;

– It is held primarily for the purpose of trading;

– It is due to be settled within twelve months after the reporting date; or

– There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Mindspace REIT classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Mindspace REIT has identified twelve months as its operating cycle.

### (e) Measurement of fair values

Mindspace REIT accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Mindspace REIT has an established control framework with respect to the measurement of fair values.

Mindspace REIT regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, Mindspace REIT uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

# MINDSPACE BUSINESS PARKS REIT
# RN:IN/REIT/19-20/003
## Notes to the Condensed Standalone Financial Statements
(all amounts in ₹ million unless otherwise stated)

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

### 3.1 Impairment of assets

Mindspace REIT assesses at each reporting date, whether there is any indication that an asset may be impaired. If any such indication exists, the trust estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognised whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognised in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

### 3.2 Asset Acquisition

If the acquisition of an asset or a group of assets does not constitute a business, Mindspace REIT identifies and recognises the individual identifiable assets acquired including those assets that meet the definition of, and recognition criteria for, intangible assets in Ind AS 38, Intangible Assets and liabilities assumed. The cost of the group is allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase and no goodwill is recognised.

Allocation of the cost of the group is done as follows:

For any identifiable asset or liability initially measured at an amount other than cost, Mindspace REIT initially measures that asset or liability at the amount specified in the applicable Ind AS Standard. Mindspace REIT deducts from the transaction price of the group the amounts allocated to the assets and liabilities initially measured at an amount other than cost, and then allocates the residual transaction price to the remaining identifiable assets and liabilities based on their relative fair values at the date of the acquisition.

### 3.3 Foreign currency transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognised in the Statement of Profit and Loss of the period.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the end of the period and not covered by forward contracts, are translated at the end of the period at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

### 3.4 Compound financial instruments

The component parts of compound financial instruments issued by Mindspace REIT are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Trust's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole.

This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

### 3.5 Embedded derivatives

A derivative embedded in a hybrid contract, with a financial liability or non-financial host, is separated from the host and accounted for as a separate derivative if: the economic characteristics and risks are not closely related to the host; a separate instrument with the same terms as the embedded derivative would meet the definition of a derivative; and the hybrid contract is not measured at fair value through profit or loss. Embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

### 3.6 Tax expense

Income tax expense comprises current tax and deferred tax charge or credit. It is recognised in the Condensed Standalone Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognised in equity and other comprehensive income respectively.

#### (a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting period.

#### (b) Deferred tax

Deferred tax asset/ liability is recognized on temporary differences between the carrying amounts of assets and liabilities in the Condensed Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured that are expected to apply to the period when the asset is realised or the liability is settled, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which Mindspace REIT expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

### 3.7 Provisions, contingent liabilities and contingent assets

Provisions are recognised when Mindspace REIT has a present legal or constructive obligation as a result of a past event, it is probable that the Trust will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount

# MINDSPACE BUSINESS PARKS REIT
# RN:IN/REIT/19-20/003
## Notes to the Condensed Standalone Financial Statements
(all amounts in ₹ million unless otherwise stated)

recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Mindspace REIT.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each reporting date and adjusted to reflect the current best estimates.

### 3.8 Investment in SPVs

The Company has elected to recognize its investments in SPVs at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. The details of such investments are given in Note 4.

Assets representing investments in SPVs are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

### 3.9 Financial instruments

#### 1. Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when Mindspace REIT becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

#### 2. Financial assets:

**(a) Classification of financial assets:**

(i) Mindspace REIT classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost.

(ii) The classification is done depending upon Mindspace REIT business model for managing the financial assets and the contractual terms of the cash flows.

(iii) For investments in debt instruments, this will depend on the business model in which the investment is held.

(iv) Mindspace REIT reclassifies debt investments when and only when its business model for managing those assets changes.

**(b) Subsequent Measurement**

**(i) Debt instruments:**

Subsequent measurement of debt instruments depends on Mindspace REIT business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Trust classifies its debt instruments:

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income (FVTOCI)**

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

**Financial assets at fair value through the Statement of Profit and Loss (FVTPL)**

Financial assets are subsequently measured at fair value through the Statement of Profit and Loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the Statement of Profit and Loss.

**(c) Impairment of financial assets:**

The Mindspace Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Mindspace Group measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Mindspace Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

**(d) Derecognition of financial assets:**

A financial asset is primarily derecognised when:

(i) the right to receive cash flows from the asset has expired, or

(ii) Mindspace REIT has transferred its rights to receive cash flows from the asset; and

Mindspace REIT has transferred substantially all the risks and rewards of the asset, or

Mindspace REIT has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by Mindspace REIT is recognised as a separate asset or liability.

### 3.10 Financial liabilities and equity instruments

#### (a) Classification as debt or equity

Financial liabilities and equity instruments issued by Mindspace REIT are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**Financial Liabilities**

**Recognition, measurement and classification**

Financial liabilities are classified as either held at a) fair value through the Statement of Profit and Loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

Mindspace REIT financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent

# MINDSPACE BUSINESS PARKS REIT

# Notes to the Condensed Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

measurement of financial liabilities depends on their classification as fair value through the Statement of Profit and Loss or at amortised cost. All changes in fair value of financial liabilities classified as FVTPL are recognised in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

#### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

### 3.11 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contract are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis Mindspace REIT elects to account for financial guarantee as Insurance Contracts as specified under Ind AS 104.

### 3.12 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

#### Recognition of dividend income, interest income

Dividend income is recognised in profit or loss on the date on which Mindspace REIT's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

### 3.13 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

### 3.14 Cash and cash equivalents

Cash and cash equivalents comprises of cash at bank and on hand, demand deposits, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.15 Cash distribution to unit holders

Mindspace REIT recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Governing Board of the Manager. A corresponding amount is recognised directly in equity.

### 3.16 Condensed Standalone Statement of Cash flows

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Mindspace REIT are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Trust's cash management.

### 3.17 Subsequent events

The Condensed Standalone Financial Statements are adjusted to reflect events that occur after the reporting date but before the Financial Statements are issued. The Financial Statements have their own date of authorisation. Therefore, when preparing the Financial Statements, management considers events up to the date of authorisation of these financial statements.

### 3.18 Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unit holders of the REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

### 3.19 Earnings before finance costs and income tax

Mindspace REIT has elected to present earnings before finance cost and income tax as a separate line item on the face of the Condensed Standalone Statement of Profit and Loss. Mindspace REIT measures earnings before finance cost and income tax on the basis of profit/ (loss) from continuing operations. In its measurement, Mindspace REIT does not include finance costs and tax expense.

### 3.20 Errors and estimates

Mindspace REIT revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Financial Statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

### 3.21 Distributions

The Net Distributable Cash Flows of Mindspace REIT are based on the cash flows generated from Mindspace REIT's assets and investments.

In terms of the Distribution Policy and the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, in proportion of their shareholding in the Asset SPV, subject to applicable provisions of the Companies Act. Presently, NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, principal loan repayment, proceeds of any capital reduction or buyback from the Asset SPVs, sale proceeds out of disposal of investments if any or assets directly held by Mindspace REIT or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

The Manager is required to and shall declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions ("REIT Distributions") to the Unitholders. Such REIT Distributions shall be declared and made for every quarter of a Financial Year.

### 3.22 New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022 to amend the following Ind AS which are effective from April 01, 2022.

Reference to the Conceptual Framework – Amendments to Ind AS 103

– The amendments replaced the reference to the ICAI's "Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards" with the reference to the "Conceptual Framework for Financial Reporting under Indian Accounting Standard" without significantly changing its requirements.

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential 'day 2' gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately.

It has also been clarified that the existing guidance in Ind AS 103 for contingent assets would not be affected by replacing the reference to the Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards.

– Property, Plant and Equipment: Proceeds before Intended Use – Amendments to Ind AS 16

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment

– Onerous Contracts – Costs of Fulfilling a Contract – Amendments to Ind AS 37

The amendments to Ind AS 37 specify which costs an entity needs to include when assessing whether a contract is onerous or loss-making. The amendments apply a "directly related cost approach". The costs that relate directly to a contract to provide goods or services include both incremental costs for example direct labour and materials and an allocation of other costs directly related to contract activities for example an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling that contract. General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract.

There were certain amendments to standards and interpretations which are applicable for the first time for the period ended September 30, 2022, but either the same are not relevant or do not have an impact on the standalone financial statements of the REIT. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

### (a) Terms/rights attached to units and other disclosures

Mindspace REIT has only one class of Units. Each Unit represents an undivided beneficial interest in Mindspace REIT. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions. The distribution will be in proportion to the number of Units held by the Unitholders. Mindspace REIT declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Mindspace REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Mindspace REIT for each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Mindspace REIT to pay to its Unitholders cash distributions. Hence, the Unit Capital is a compound financial instrument which contains equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the

(all amounts in ₹ million unless otherwise stated)

**Note 1:**

In September 2020, Mindspace REIT issued 5,000 10 year G-Sec linked secured, listed, guaranteed, senior, taxable, non-cumulative, rated, principal protected – market linked, redeemable, non-convertible debentures ("Market Linked Debentures/MLD Series 1") having face value of ₹ 10,00,000 (Rupees ten lakhs only) each, amounting to ₹ 500,00,00,000 (Rupees five hundred crores only). The tenure of the said MLD Series 1 is 577 days from 29 September 2020, being date of allotment of the MLD Series 1 and coupon, if any shall be payable on the Scheduled Redemption Date i.e. on maturity on 29 April 2022. The coupon payoff structure is linked to condition where the payoff will be fixed on the final fixing date i.e. March 30, 2022. If identified 10 year G-Sec's last traded price as on final fixing date is greater than 25% of its last traded price as on initial fixing date i.e. 29 September 2020, the coupon rate will be 6.80% p.a. If identified 10 year G-Sec's last traded price as on final fixing date is less than or equal to 25% of its last traded price as on initial fixing date, the coupon rate will be zero percent. As per the valuers report in respect of valuation of MLD Series 01, the probability of occurrence of such an event (last traded price of identified 10 year G-Sec on final fixing date being less than or equal to 25% of its last traded price on initial fixing date) is remote and hence the value of the option considered as zero.

This MLD Series 1 was listed on BSE Limited on 13 October 2020. During the period, principal and interest is paid on 29 April 2022.

**Security terms**

MLD Series 1 were secured by each of the following security in favour of the Debenture Trustee (holding for the benefit of the Debenture Holders):

## 27. Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the period attributable to unit holders by the weighted average number of units outstanding during the period. Diluted EPU amounts are calculated by dividing the profit attributable to unit holders by the weighted average number of units outstanding during the period plus the weighted average number of units that would be issued on conversion of all the dilutive potential units into unit capital. The units of the Trust were allotted to Sponsor Group and Blackstone entities on 30 July 2020 and to the applicants of initial public offer on 4 August 2020.

The following reflects the profit and unit data used in the basic and diluted EPU computation:

| Particulars | For the quarter ended September 30, 2022 | For the quarter ended June 30, 2022 | For the quarter ended September 30, 2021 | For the half year ended September 30, 2022 | For the half year ended March 31, 2022 | For the half year ended September 30, 2021 | For the year ended March 31, 2022 |
|---|---|---|---|---|---|---|---|
| Profit after tax for calculating basic and diluted EPU | 2,829 | 2,802 | 2,741 | 5,631 | 5,508 | 5,523 | 11,030 |

### (b) Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

(a) recognised and measured at fair value

(b) measured at amortised cost and for which fair values are disclosed in the Condensed Standalone financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, Mindspace REIT has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

#### Fair value hierarchy

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

### (c) Financial instruments

Quantitative disclosures fair value measurement hierarchy for assets as at September 30, 2022:

| Particulars | Total | Level1 | Level2 | Level3 |
|---|---|---|---|---|
| Financial assets & liabilities measured at fair value | - | - | - | - |
| | **-** | **-** | **-** | **-** |

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2022:

| Particulars | Total | Level1 | Level2 | Level3 |
|---|---|---|---|---|
| Financial assets & liabilities measured at fair value | - | - | - | - |

### (d) Transfers between Level 01, Level 2 and Level 3

There were no transfers between Level 01, Level 2 or Level 3 during the period/year ended September 30, 2022 and March 31, 2022.

### (e) Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

(i) The fair value of mutual funds are based on price quotations at reporting date.

(ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.

(iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.

## 33. Segment Reporting

Mindspace REIT does not have any Operating segments for the period/year ended September 30, 2022 and March 31, 2022 and hence, disclosure under Ind AS 108, Operating segments has not been provided in the Condensed Standalone financial statements.

# Independent Auditor's Report on Review of Condensed Consolidated Interim Financial Statements

To
The Governing Board,
K. Raheja Corp Investment Managers LLP
(The "Investment Manager")
(Acting in capacity as the Investment Manager of Mindspace Business Parks REIT)

## Introduction

1. We have reviewed the accompanying unaudited Condensed Consolidated Interim Financial Statements of MINDSPACE BUSINESS PARKS REIT ("the REIT"/ "the Parent") and its subsidiaries (the "Special Purpose Vehicles") (together referred as the "Mindspace Group"), which comprise the unaudited Condensed Consolidated Balance Sheet as at September 30, 2022, the unaudited Condensed Consolidated Statement of Profit and Loss, including other comprehensive income, the unaudited Condensed Consolidated Statement of Cash Flow for the quarter and half year ended September 30, 2022, the unaudited Condensed Consolidated Statement of changes in Unitholders' Equity for the half year ended September 30, 2022, the unaudited Statement Net Assets at Fair Value as at September 30, 2022, the unaudited Statement of Total Return for the half year ended September 30, 2022 and the unaudited Statement of Net Distributable Cash Flow of the REIT and each of its special purpose vehicles for quarter and half year ended September 30, 2022, as an additional disclosure in accordance with paragraph 6 of Annexure A to the Security Exchange Board of India (SEBI) Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("SEBI Circular") along with summary of the significant accounting policies and select explanatory notes (together hereinafter referred as the "Condensed Consolidated Interim Financial Statements").

2. The Condensed Consolidated Interim Financial Statements of Mindspace group, which is the responsibility of the Investment Manager and approved by the Governing Board of the Investment Manager, have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("SEBI REIT Regulations"); Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1) (a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations. Our responsibility is to express a conclusion on the Condensed Consolidated Interim Financial Statements based on our review.

## Scope of Review

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Investment Manager's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing issued by ICAI and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. The Condensed Consolidated Interim Financial Statements include the financial information of the entities listed in Annexure A to this report.

# Independent Auditor's Report on Review of Condensed Consolidated Interim Financial Statements

## Conclusion

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Condensed Consolidated Interim Financial Statements have not been prepared in accordance with SEBI REIT Regulations, Ind AS 34 "Interim Financial Reporting", as prescribed in Rule 2(1) (a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the SEBI REIT Regulations and has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.

## Emphasis of matter

6. We draw attention to Note 42(5)(a) to the Condensed Consolidated Interim Financial Statements regarding freehold land and building thereon (Paradigm, Malad) held by Avacado Properties and Trading (India) Private Limited (Special Purpose Vehicle) which is presently under litigation. Pending the outcome of proceedings and a final closure of the matter, no adjustments have been made in the Condensed Consolidated Interim Financial Statements for the quarter and half year ended September 30, 2022. Our conclusion is not modified in respect of this matter.

7. We draw attention to Note 19(a) of the Condensed Consolidated Interim Financial Statements, which describes the presentation of "Unit Capital" as "Equity" to comply with the SEBI REIT Regulations. Our conclusion is not modified in respect of this matter.

### Measurement of fair values:

The fair values of Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress are solely based on an independent valuation performed by an external property valuer ("independent valuer"), having appropriately recognised professional qualification and recent experience in the location and category of the properties being valued.

Other assets include cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.

### Valuation Technique

The fair value measurement for all of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted a mix of Market Approach and Discounted Cash Flow method, as the case may be. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

3. Other assets at book value excludes capital advances, unbilled revenue and finance lease receivable (which form part of fair valuation of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress).
4. Gigaplex has made an application for denotification of a part of the SEZ into Non-SEZ. Therefore, the fair valuation has been computed by valuers considering that part as Non-SEZ unit.
5. Power Deemed Distribution License operations in Gigaplex, MBPPL and KRC Infra have been valued by the valuer separately using Discounted Cash Flow method.
6. Liabilities at book value for calculation of fair value of NAV, excludes lease liability, capital creditors and retention payables (which is factored in fair valuation of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress).

3. As per Chapter V, clause 16(a) of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time, the entity is required to distribute not less than 90% of net distributable cash flows of the entity to Mindspace REIT in proportion of its holding in the SPV subject to applicable provisions in the Companies Act, 2013. As per distribution policy adopted by the governing board of Mindspace REIT's Manager (K Raheja Corp Investment Managers LLP), any proceeds to shareholders other than Mindspace REIT is reduced to arrive at net distributable cash flows (NDCF).
   The above note has been prepared as per the distribution policy adopted by the governing board of Mindspace REIT's Manager, which is forming part of the Final offer document of Mindspace REIT and does not represent amount available for declaring dividend as per section 123 of the Companies Act, 2013 read with Declaration and Payment of Dividend Rules 2014.
4. In case of Gigaplex, during the quarter ended September 30, 2022, a total amount of ₹ 298 million has been transferred from capital expenditure to other adjustments pursuant to lease commencement of fit outs.
5. In March 2022, Mindspace Business Parks Private Limited ("MBPPL"), one of the Asset SPVs of Mindspace Business Parks REIT concluded the sale of land admeasuring approximately 39.996 acres located at Pocharam, Hyderabad, to K. Raheja Corp Private Limited ("KRCPL") for a consideration of ₹ 1,200 million as per the approval of the Board of Directors of MBPPL and the Governing Board of the Manager and other terms and conditions as set out in the Memorandum of Understanding dated December 16, 2019 read with the extension letter dated September 01, 2021 ("MoU") and sale deed dated March 30, 2022.

   The above consideration is not envisaged for an immediate re-investment opportunity. In view of the same, it is proposed to pay out the sale consideration as per the terms of the REIT Regulations. Accordingly, NDCF for the quarter ended September 30, 2022, includes ₹ 450 millions on account of distribution of part of such sale proceeds by way of dividend to unitholders.

3. As per Chapter V, clause 16(a) of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time, the entity is required to distribute not less than 90% of net distributable cash flows of the entity to Mindspace REIT in proportion of its holding in the SPV subject to applicable provisions in the Companies Act, 2013. As per distribution policy adopted by the governing board of Mindspace REIT's Manager (K Raheja Corp Investment Managers LLP), any proceeds to shareholders other than Mindspace REIT is reduced to arrive at Net Distributable Cash Flows (NDCF).

   The above note has been prepared as per the distribution policy adopted by the governing board of Mindspace REIT's Manager, which is forming part of the Final offer document of Mindspace REIT and does not represent amount available for declaring dividend as per section 123 of the Companies Act, 2013 read with Declaration and Payment of Dividend Rules 2014.
4. In case of Gigaplex, during the half year ended September 30, 2022, a total amount of ₹ 298 million has been transferred from capital expenditure to other adjustments pursuant to lease commencement of fit outs.
5. In March 2022, Mindspace Business Parks Private Limited ("MBPPL"), one of the Asset SPVs of Mindspace Business Parks REIT concluded the sale of land admeasuring approximately 39.996 acres located at Pocharam, Hyderabad, to K. Raheja Corp Private Limited ("KRCPL") for a consideration of ₹ 1,200 million as per the approval of the Board of Directors of MBPPL and the Governing Board of the Manager and other terms and conditions as set out in the Memorandum of Understanding dated December 16, 2019 read with the extension letter dated September 01, 2021 ("MoU") and sale deed dated March 30, 2022.

   The above consideration is not envisaged for an immediate re-investment opportunity. In view of the same, it is proposed to pay out the sale consideration as per the terms of the REIT Regulations. Accordingly, NDCF for the half year ended September 30, 2022, includes ₹ 750 millions on account of distribution of part of such sale proceeds by way of dividend to unitholders.

## 2. Basis of preparation

The Interim Condensed Consolidated Financial Statements of Mindspace Business Parks REIT comprise the Condensed Consolidated Balance Sheet as at September 30, 2022, the Condensed Consolidated Statement of Profit and Loss, including other comprehensive income, the Condensed Consolidated Statement of Cash Flow for the quarter and half year ended September 30, 2022, the Condensed Consolidated Statement of Changes in Unitholders Equity for the half year ended September 30, 2022, the Statement of Net Assets at Fair Value as at September 30, 2022, the Statement of Total Returns at Fair Value for the half year ended September 30, 2022, the Statement of Net Distributable Cashflows of Mindspace Business Parks REIT and each of the SPVs for the quarter and half year ended September 30, 2022, and a summary of the significant accounting policies and select explanatory information and other additional financial disclosures. The Condensed Consolidated Financial Statements have been prepared in accordance with the requirements of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 ("the REIT regulations"); Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations; Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India to the extent not inconsistent with REIT regulations. (refer note 19 on presentation of "Unit Capital" as "Equity" instead of compound instruments under Ind AS 32 – Financial Instruments: Presentation).

The Condensed Consolidated Financial Statements were authorised for issue in accordance with the resolution passed by the Governing Board of the Manager on November 14, 2022.

### Statement of compliance to Ind AS:

These Condensed Consolidated financial statements for the quarter and half year ended September 30, 2022 have been prepared in accordance with Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) to the extent not inconsistent with the REIT regulations as more fully described above and Note 19 to the condensed consolidated financial statements.

### Basis of Consolidation

Mindspace Business Parks Group consolidates entities which it owns or controls. The Condensed Consolidated Financial Statements comprise the financial statements of Mindspace Business parks REIT and its subsidiary SPVs as disclosed in note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Condensed Consolidated Financial Statements of Mindspace Business Parks Group are stated below:

(a) The financial statements of Mindspace Business Parks Group are consolidated for like items and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of Mindspace Business Parks Group are eliminated in full upon consolidation.

(b) Telangana State Industrial Infrastructure Corporation Limited, which is a shareholder in Intime, KRIT and Sundew has not agreed to exchange their equity interest in the SPVs (Intime, KRIT and Sundew), thus, Mindspace Business Parks REIT has recorded a non-controlling interests for these SPVs. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interest proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

(c) The figures in the notes to accounts and disclosures have been Consolidated line by line and Inter-company transactions and balances including unrealised profits are eliminated in full on consolidation.

(d) Mindspace Business Parks Group holds 4% of the equity share capital of Stargaze Properties Private Limited, a company involved in the real estate development. Mindspace Business Parks Group is of the view that it is not able to exercise significant influence over Stargaze Properties Private Limited and hence it has not been accounted using equity method.

## 3. Significant accounting policies

### (a) Functional and presentation currency

The Condensed Consolidated Financial Statements are presented in Indian rupees, which is Mindspace Business Parks Group's functional currency and the currency of the primary economic environment in which Mindspace Business Parks Group operates. All financial information presented in Indian rupees has been rounded off to nearest million except otherwise stated.

### (b) Basis of measurement

The Condensed Consolidated Financial Statements are on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan.

### (c) Use of judgements and estimates

The preparation of the Condensed Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Consolidated Financial Statements is included in the following notes:

- Presentation of "Unit Capital" as "Equity" in accordance with the REIT Regulations instead of compound instrument (Note 19)
- Estimation of lease term for revenue recognition
- Estimation of useful life of property, plant and equipment and investment property
- Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used and income taxes.

### (d) Current versus non-current classification

Mindspace Business Parks Group presents assets and liabilities in the Condensed Consolidated Balance Sheet based on current/non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Mindspace Business Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Mindspace Business Parks Group has identified twelve months as its operating cycle.

### (e) Measurement of fair values

Mindspace Business Parks Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Mindspace Business Parks Group has an established control framework with respect to the measurement of fair values.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, Mindspace Business Parks Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

## 3.1 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis elected to be accounted for financial guarantee as Insurance Contracts as specified under Ind AS 104.

## 3.2 Property, plant and equipment

### (a) Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Depreciation is charged when the assets are ready for their intended use. Purchase price or construction cost is defined as any consideration paid or fair value of any other consideration given to acquire the asset.

### (b) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.

### (c) Depreciation

Depreciation/amortisation is provided using straight line method as per the useful life of the assets estimated by the management over the balance useful life. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013, are listed in the table below. Depreciation on addition/deletion of property, plant and equipment made during the period is provided on pro-rata basis from/to the date of such addition/deletion.

The assets and estimated useful life are as under:

| Asset group | Estimated Useful Life (in years) | |
|---|---|---|
| | Power assets | Other assets |
| Right to use – Leasehold land | Balance Lease term | - |
| Buildings* | 75/90 | - |
| Plant and machinery | 15 | 15 |
| Electrical installation* | 15 | 15 |
| Computers | 3 | 3 |
| Temporary Structure* | - | 1 |
| Office equipment* | 4 | 4 |
| Furniture and fixtures* | - | 7 |
| Vehicles* | - | 5 |

* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than ₹ 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

### (d) De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Condensed Consolidated Statement of Profit and Loss.

### (e) Capital work in progress

Property, plant and equipment under construction is disclosed as capital work in progress which is carried at cost less any recognized impairment losses. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Advance paid and expenditure incurred on acquisition/ construction of property, plant and equipment which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as advances on capital account and capital work-in-progress respectively.

## 3.3 Intangible assets

### (a) Recognition and measurement

An intangible asset is an identifiable non-monetary asset without physical substance. Intangible assets with finite useful lives that are acquired separately are initially measured at its cost and then carried at the cost less accumulated amortisation and impairment, if any. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less impairment, if any.

### (b) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the Condensed Consolidated Statement of Profit and Loss as incurred.

(all amounts in ₹ million unless otherwise stated)

### (c) Amortisation

Amortisation is calculated over the cost of the asset, or other amount substituted for cost, less its residual value. Amortisation is recognised in the Condensed Consolidated Statement of Profit and Loss on a straight line method over the estimated useful lives of intangible assets, from the date that they are available for use.

| Asset group | Estimated Useful Life (in years) Other assets |
|---|---|
| Computer Softwares | 3 |
| Trademarks | 10 |

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

### (d) De-recognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal, gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.

## 3.4 Investment property

### (a) Recognition and measurement

Properties including land, building and other assets, which are held either for long-term rental yield or for capital appreciation or for both, and which are not occupied substantially by Mindspace Business Parks Group are classified as investment property.

Investment properties are initially recognised at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirement of Ind AS 16's requirements for cost model i.e. Cost less depreciation less impairment losses, if any. Depreciation is charged when the investment property is ready for its intended use. Cost comprises of direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are allocated on a reasonable basis to the cost of the project.

Plant and machinery, furniture and fixtures, office equipment and electrical equipments which are physically attached to the commercial buildings are considered as part of investment property.

Acquisitions and disposals are accounted for at the date of completion of acquisitions and disposals.

### (b) Subsequent expenditure

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

### (c) Depreciation

Depreciation/amortisation is provided using straight line method as per the useful life of the assets estimated by the management over the balance useful life. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013 and listed in the table below. Depreciation on addition/deletion of investment property made during the period is provided on pro-rata basis from/to the date of such addition/ deletion.

| Asset group | Estimated Useful Life (in years) |
|---|---|
| Right to use – Leasehold land | Balance Lease term |
| Buildings* | 75/90 |
| Infrastructure and development | 15 |
| Roadwork* | 15 |
| Broadwalk, vantage café etc.* | 50 |
| Plant and machinery | 15 |
| Office equipment* | 4 |
| Furniture and fixtures* | 7 |
| Electrical installation* | 15 |

* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than ₹ 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

### (d) Fair Value

Fair value of investment property is based on a valuation by an independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued. The fair value of investment property is disclosed in the Statement of Net assets at Fair Value.

### (e) De-recognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Condensed Consolidated Statement of Profit and Loss in the period in which the property is de-recognised.

### (f) Investment properties under construction

Property that is being constructed for future use as investment property is accounted for as investment property under construction until assets are ready for their intended use.

Direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are taken as the cost of the project.

Investment properties under construction represent the cost incurred in respect of areas under construction of the real estate development projects less impairment losses, if any.

Advance paid for acquisition of investment property which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as capital advance.

## 3.5 Impairment of assets

Mindspace Business Parks Group assesses at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, Mindspace Business Parks Group estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognised whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognised in the Consolidated Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

## 3.6 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average interest rate applicable to the general borrowings.

Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

Borrowing cost incurred by the SPVs on inter-company loans is continued to be capitalised only to the extent Mindspace Group has incurred external borrowing cost.

### 3.7 Inventories

**(a) Measurement of inventory**

Inventories comprise of building material and components. Contractual work in progress, in respect of third party customers, is classified as work in progress. Mindspace Business Parks Group measures its inventories at the lower of cost and net realisable value.

**(b) Cost of inventories**

The cost of inventories of building material and components and work in progress comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

**(c) Net realisable value**

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### 3.8 Revenue recognition

**(a) Facility rentals**

Revenue from property leased out under an operating lease is recognised over the lease term on a straight line basis, except where there is an uncertainty of ultimate collection.

**(b) Revenue from works contractual services**

Revenue from works contractual service is accounted for on the basis of completion of work as per the specification and agreement with the customer.

**(c) Maintenance services**

Maintenance income is recognised over a period of time for services rendered to the customers.

**(d) Revenue from power supply**

Revenue from power supply is accounted for on the basis of billings to consumers and includes unbilled revenues accrued up to the end of the accounting year. Mindspace Business Parks Group determines surplus/ deficit i.e. excess/ shortfall of aggregate gain over return on equity entitlement for the period in respect of its operations based on the principles laid down under the respective Tariff Regulations as notified by Maharashtra Electricity Regulatory Commission (MERC), on the basis of the tariff order issued by it.In respect of such surplus/ deficit, appropriate adjustments as stipulated under the regulations are made during the period. Further, any adjustments that may arise on annual performance review by the MERC under the tariff regulations is made after the completion of such review.

**(e) Revenue from sale of goods**

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable for goods supplied, net of returns allowances, trade discounts and volume rebates. Revenue from the sale of goods is shown to exclude taxes such as Goods and Services Tax which is payable in respect of sale of goods. Revenue from the sale of goods is recognised when the Company performs its obligations to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer.

**(f) Finance Lease**

For assets let out under finance lease, Mindspace Business Parks Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease.

Contingent rents are recorded as income in the periods in which they are earned.

**(g) Sale of surplus construction material and scrap**

Revenue from sale of surplus construction material and scrap is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods.

### 3.9 Recognition of dividend income, interest income:

(i) Dividend income is recognised in profit or loss on the date on which Mindspace REIT group has right to receive payment is established.

(ii) Interest income is recognised on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

MINDSPACE BUSINESS PARKS REIT

(all amounts in ₹ million unless otherwise stated)

(iii) Delayed payment charges and interest on delayed payments are recognised, on time proportion basis, except when there is uncertainty of ultimate collection.

### 3.10 Tax expense

Income tax expense comprises current tax and deferred tax charge or credit. It is recognised in the Statement of Profit and Loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognised in equity and other comprehensive income respectively.

**(a) Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting period.

**(b) Deferred tax**

Deferred tax asset/liability is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured that are expected to apply to the period when the asset is realised or the liability is settled, using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which Mindspace Business Parks Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax is not recognised for:

– Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and

– Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that Mindspace Business Park Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

In the situations where one or more units of the Group are entitled to a tax holiday under the tax law, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned unit's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Group restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

### (c) Minimum Alternate Tax (MAT)

MAT credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and shown as MAT credit entitlement under deferred tax assets. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

### 3.11 Earnings per unit (EPU):

The basic earnings per unit is computed by dividing the net profit/(loss) attributable to the unit holders of Mindspace REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/(loss) per unit comprises the weighted average units considered for deriving basic earnings/(loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per unit or increase loss per units are included.

### 3.12 Provisions, contingent liabilities and contingent assets

Provisions are recognised when Mindspace Business Parks Group has a present legal or constructive obligation as a result of a past event, it is probable that Mindspace Business Parks Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Mindspace Business Parks Group.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

### 3.13 Foreign currency transactions and translations

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Consolidated Statement of Profit and Loss of the period.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the period-end and not covered by forward contracts, are translated at the period-end at the closing exchange rate and the resultant exchange differences are recognised in the Condensed Consolidated Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

### 3.14 Leases

#### As a Lessor

Mindspace Business Parks Group enters into lease agreements as a lessor with respect to some of its investment properties.

Leases for which Mindspace Business Parks Group is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When Mindspace Business Parks Group is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

MINDSPACE BUSINESS PARKS REIT
RN:IN/REIT/19-20/003
Condensed Consolidated Financial Statements
Notes to Accounts

(all amounts in ₹ million unless otherwise stated)

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease and presented as unbilled revenue in other financial assets. Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

Amounts due from lessees under finance leases are recognised as receivables at the amount of Mindspace Business Parks Group's net investment in the leases. Finance lease income is allocated to reporting periods so as to reflect a constant periodic rate of return on Mindspace Business Parks Group's net investment outstanding in respect of the leases.

#### As a Lessee

Mindspace Business Parks Group assesses whether a contract is or contains a lease, at inception of a contract. Mindspace Business Parks Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases ( defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, Mindspace Business Parks Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, Mindspace Business Parks Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is presented separately as part of Financial Liabilities in the Condensed Consolidated balance sheet. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

Mindspace Business Parks Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever

- the lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is measured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs . They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever Mindspace Business Parks Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets'. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

Mindspace Business Parks Group applies Ind AS 36 Impairment of Assets to determine whether a right-of-

# Notes to Accounts

(all amounts in ₹ million unless otherwise stated)

use asset is impaired and accounts for any identified impairment loss as described in Note 3.5.

Variable rents that do not depend on an index or rate are not included in the measurement the lease liability and the right-of-use asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line " other expenses" in the Condensed Consolidated Statement of Profit and Loss.

### 3.15 Financial instruments

#### 1. Initial recognition and measurement

Financial assets and/or financial liabilities are recognised when Mindspace Business Parks Group becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Condensed Consolidated Statement of Profit and Loss.

#### 2. Financial assets:

**(a) Classification of financial assets:**

(i) Mindspace Business Parks Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Consolidated Statement of Profit and Loss), and
- those measured at amortised cost.

(ii) The classification is done depending upon Mindspace Business Parks Group's business model for managing the financial assets and the contractual terms of the cash flows.

(iii) For investments in debt instruments, this will depend on the business model in which the investment is held.

(iv) Mindspace Business Parks Group reclassifies debt investments when and only when its business model for managing those assets changes.

**(b) Subsequent Measurement**

**(i) Debt instruments:**

Subsequent measurement of debt instruments depends on Mindspace Business Parks Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which Mindspace Business Parks Group classifies its debt instruments:

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income (FVTOCI)**

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

**Financial assets at fair value through the Consolidated Statement of Profit and Loss (FVTPL)**

Financial assets are subsequently measured at fair value through the Condensed Consolidated Statement of Profit and Loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the Condensed Consolidated Statement of Profit and Loss.

**(ii) Equity instruments:**

Mindspace Business Parks Group subsequently measures all equity investments at fair value. There are two measurement categories into which Mindspace Business Parks Group classifies its equity instruments:

MINDSPACE BUSINESS PARKS REIT
RN:IN/REIT/19-20/003
Condensed Consolidated Financial Statements
Notes to Accounts
(all amounts in ₹ million unless otherwise stated)

**Investments in equity instruments at FVTPL:**

Investments in equity instruments are classified as at FVTPL, unless Mindspace Business Parks Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

**Investments in equity instruments at FVTOCI:**

On initial recognition, Mindspace Business Parks Group can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Consolidated Statement of Profit and Loss on disposal of the investments, but is transferred to retained earnings.

**(c) Impairment of financial assets:**

Mindspace Business Parks Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, Mindspace Business Parks Group measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, Mindspace Business Parks Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

**(d) Derecognition of financial assets:**

A financial asset is primarily derecognised when:

(i) the right to receive cash flows from the asset has expired, or

(ii) Mindspace Business Parks Group has transferred its rights to receive cash flows from the asset; and

Mindspace Business Parks Group has transferred substantially all the risks and rewards of the asset, or

Mindspace Business Parks Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Consolidated Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by the SPV is recognised as a separate asset or liability.

#### 3. Financial liabilities and equity instruments

**(a) Classification as debt or equity**

Financial liabilities and equity instruments issued by Mindspace Business Parks Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**(b) Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of Mindspace Business Parks Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of Mindspace Business Parks Group's own equity instrument is recognised and deducted directly in equity. No gain or loss is recognised in the Consolidated Statement of Profit and Loss on the purchase, sale, issue or cancellation of Mindspace Business Parks Group's own equity instruments.

**(c) Compound financial instruments**

The component parts of compound financial instruments issued by Mindspace Business Parks Group are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of Mindspace Business Parks Group's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate

# MINDSPACE BUSINESS PARKS REIT
# RN:IN/REIT/19-20/003
# Condensed Consolidated Financial Statements
# Notes to Accounts

(all amounts in ₹ million unless otherwise stated)

for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

(d) Financial Liabilities

- **Recognition, measurement and classification**

Financial liabilities are classified as either held at a) fair value through the Consolidated Statement of Profit and Loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

Mindspace Business Parks Group's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through the Consolidated Statement of Profit and Loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Consolidated Statement of Profit and Loss . Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

- **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in the Condensed Consolidated Statement of Profit and Loss when the liabilities are derecognized.

### 4. Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognised amounts and there is an intention either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

### 3.16 Cash and cash equivalents

Cash and cash equivalents comprises of cash at banks and on hand, demand deposits, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.17 Statement of cash flow

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Mindspace Business Parks Group are segregated.

For the purpose of the Condensed Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of Mindspace Business Parks Group's cash management.

As per para 8 of Ind AS 7 "where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdraft, in the Condensed Consolidated Balance Sheet, is included as 'borrowings' under Financial Liabilities.

### 3.18 Employee benefits plan

**Disclosure pursuant to Ind AS – 19 'Employee benefits'**

(1) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits such as salaries, wages, etc. and are recognised in the period in which the employee rendered the related services. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the

MINDSPACE BUSINESS PARKS REIT
RN:IN/REIT/19-20/003
Condensed Consolidated Financial Statements
Notes to Accounts
(all amounts in ₹ million unless otherwise stated)

services rendered by employees is recognised as an expense during the period.

(2) Long term employee benefits

Defined contribution plans

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Mindspace Business Parks Group's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense. The above benefits are classified as defined contribution schemes as Mindspace Business Parks Group has no further defined obligations beyond the monthly contributions.

Defined benefit plan

Mindspace Business Parks Group's gratuity benefit scheme is a defined benefit plan. Mindspace Business Parks Group has determined liability based on internal calculation based on the number of years completed and last drawn basic salary as mentioned in the Payment of Gratuity Act, 1972. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets, if any. The defined benefit obligation is calculated annually by actuaries / SPVs using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Condensed Consolidated Statement of Profit and Loss.

Other long term employee benefits - Compensated absences

Benefits under compensated absences are accounted as other long-term employee benefits. Mindspace Business Parks Group has determined the liability for compensated absences based on internal calculation which is determined on the basis of leave credited to employee's account and the last drawn salary. Mindspace Business Parks Group's net obligation in respect of compensated absences is the amount of benefit to be settled in future, that employees have earned in return for their service in the current and previous years. The benefit is discounted to determine its present value. The obligation is measured on the basis of an actuarial valuation / by SPVs using the projected unit credit method. Remeasurement is recognised in the Consolidated Statement of Profit and Loss in the period in which they arise. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability.

### 3.19 Earnings before finance costs, depreciation and amortisation, regulatory income/expense, exceptional items and tax

Mindspace Business Parks Group has elected to present earnings before interest, depreciation and amortisation, regulatory income/expense, exceptional items and tax as a separate line item on the face of the Condensed Consolidated Statement of Profit and Loss. Mindspace Business Parks Group measures earnings before interest, depreciation and amortisation, regulatory income/expense, exceptional items and tax on the basis of profit/(loss) from continuing operations.

### 3.20 Subsequent events

The Condensed Consolidated Financial Statements are adjusted to reflect events that occur after the reporting date but before the Condensed Consolidated Financial Statements are issued. The Consolidated Financial Statements have their own date of authorisation, which differs from that of the financial statements of the entities which are part of Mindspace REIT group. Therefore, when preparing the Condensed Consolidated Financial Statements, management considers events up to the date of authorisation of these financial statements.

### 3.21 Errors and estimates

Mindspace Business Parks Group revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Condensed Consolidated financial statement. Changes in accounting policies are applied retrospectively.

# MINDSPACE BUSINESS PARKS REIT
# RN:IN/REIT/19-20/003
# Condensed Consolidated Financial Statements
# Notes to Accounts

(all amounts in ₹ million unless otherwise stated)

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

### 3.22 Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the Consolidated Statement of Profit and Loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and any equity-accounted investee is no longer equity accounted.

### 3.23 Segment Information

#### Primary segment information

The primary reportable segment is business segments.

**Business segment**

The Mindspace Group is organised into the two operating divisions - 'real estate' and 'power distribution', which are determined based on the internal organisation and management structure of the Mindspace Group and its system of internal financial reporting and the nature of its risks and its returns. The Governing Board of the manager has been identified as the chief operating decision maker (CODM). CODM evaluates the Mindspace Group's performance, allocates resources based on analysis of various performance indicators of the Group as disclosed below.

**Real estate segment**

Real estate comprises development and management of projects under Special Economic Zone (SEZ), Information Technology Parks and other commercial assets .The Group has its project/properties in Mumbai Region, Hyderabad, Pune and Chennai for development and management of commercial SEZ, IT parks and commercial assets including incidental activities.

**Power distribution**

The state power regulator has taken on record the SEZ developer MBPPL, Gigaplex, Sundew and KRC Infra as Deemed Distribution Licensee for Power. The approved SPVs being Deemed Distributor, supplies power to customers within the notified SEZ.

**Secondary segment information**

Mindspace Business Parks Group's operations are based in India and therefore Mindspace Business Parks Group has only one geographical segment - India.

### 3.24 Non-controlling interests

Non-controlling interests represent the share of reserves and capital attributable to the shareholders of the SPVs who have not agreed to exchange their shares in the SPVs for units of Mindspace REIT and will not become the unitholders of Mindspace REIT. Below is the list of shareholders of the SPVs for whom non-controlling interest has been recognised. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Condensed Consolidated Statement of Profit and Loss, Condensed Consolidated Statement of Changes in Equity and Condensed Balance Sheet.

| SPV | Shareholder | % Holding in SPV (As on reporting date) |

| KRIT | Telangana State Industrial Infrastructure Corporation Limited | 11.0% |
| Intime | Telangana State Industrial Infrastructure Corporation Limited | 11.0% |
| Sundew | Telangana State Industrial Infrastructure Corporation Limited | 11.0% |

Ind AS 110 requires entities to attribute the profit or loss and each component of other comprehensive income to the owners of Mindspace REIT and to the non-controlling interests. This requirement needs to be followed even if this results in the non-controlling interests having a deficit balance.

### 3.25 Cash distribution to unit holders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Governing Board of the Manager. A corresponding amount is recognised directly in other equity.

### 3.26 Distribution Policy

The Net Distributable Cash Flows of Mindspace REIT are based on the cash flows generated from Mindspace REIT's assets and investments.

In terms of the Distribution Policy and the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, in proportion of their shareholding in the Asset SPV, subject to applicable provisions of the Companies Act or the LLP Act. Presently, NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, principal loan repayment, proceeds of any capital reduction or buyback from the Asset SPVs, sale proceeds out of disposal of investments if any or assets directly held by Mindspace REIT or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

The Manager is required to and shall declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions ("REIT Distributions") to the Unitholders. Such REIT Distributions shall be declared and made for every quarter of a Financial Year.

### 3.27 Recent Pronouncements

#### New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022 to amend the following Ind AS which are effective from April 01, 2022.

Reference to the Conceptual Framework – Amendments to Ind AS 103

– The amendments replaced the reference to the ICAI's "Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards" with the reference to the "Conceptual Framework for Financial Reporting under Indian Accounting Standard" without significantly changing its requirements.

The amendments also added an exception to the recognition principle of Ind AS 103 Business Combinations to avoid the issue of potential 'day 2' gains or losses arising for liabilities and contingent liabilities that would be within the scope of Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets or Appendix C, Levies, of Ind AS 37, if incurred separately.

It has also been clarified that the existing guidance in Ind AS 103 for contingent assets would not be affected by replacing the reference to the Framework for the Preparation and Presentation of Financial Statements under Indian Accounting Standards.

– Property, Plant and Equipment: Proceeds before Intended Use – Amendments to Ind AS 16

The amendments modified paragraph 17(e) of Ind AS 16 to clarify that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

– Onerous Contracts – Costs of Fulfilling a Contract – Amendments to Ind AS 37

The amendments to Ind AS 37 specify which costs an entity needs to include when assessing whether a contract is onerous or loss-making. The amendments apply a "directly related cost approach". The costs that relate directly to a contract to provide goods or services include both incremental costs for example direct labour and materials and an allocation of other costs directly related to contract activities for example an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling that contract. General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract.

There were certain amendments to standards and interpretations which are applicable for the first time for the half year ended September 30, 2022, but either the same are not relevant or do not have an impact on the consolidated financial statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

### (a) Terms/rights attached to Units and other disclosures

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Governing Board of Investment Manager approves distributions. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Mindspace Business Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Mindspace Business Parks REIT for each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Mindspace Business Parks REIT to pay to its Unitholders cash distributions. Hence, the Unit Capital is a compound financial instrument which contains equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated December 29, 2016 and No. CIR/IMD/DF/141/2016 dated December 26, 2016) issued under the REIT Regulations, the Unitholders' funds have been presented as "Equity" in order to comply with the requirements of Section H of Annexure A to the SEBI Circular dated December 26, 2016 dealing with the minimum presentation and disclosure requirements for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is also presented in Statement of Changes in Unitholders' Equity when the distributions are approved by the Governing Board of Investment Manager.

### 21 B(i)

In September 2020, Mindspace REIT issued 5,000 10 year G-Sec linked secured, listed, guaranteed, senior, taxable, non-cumulative, rated, principal protected – market linked, redeemable, non-convertible debentures ("Market Linked Debentures/MLD Series 1") having face value of ₹ 10,00,000 (Rupees ten lakhs only) each, amounting to ₹ 500,00,00,000 (Rupees five hundred crores only). The tenure of the said MLD Series 1 is 577 days from September 29, 2020, being date of allotment of the MLD Series 1 and coupon, if any shall be payable on the Scheduled Redemption Date i.e. on maturity on April 29, 2022. The coupon payoff structure is linked to condition where the payoff will be fixed on the final fixing date i.e. March 30, 2022. If identified 10 year G-Sec's last traded price as on final fixing date is greater than 25% of its last traded price as on initial fixing date i.e. September 29, 2020, the coupon rate will be 6.80% p.a. If identified 10 year G-Sec's last traded price as on final fixing date is less than or equal to 25% of its last traded price as on initial fixing date, the coupon rate will be zero percent. As per the valuers report in respect of valuation of MLD Series 1, the probability of occurrence of such an event (last traded price of identified 10 year G-Sec on final fixing date being less than or equal to 25% of its last traded price on initial fixing date) is remote and hence the value of the option considered as zero.

This MLD Series 1 was listed on BSE Limited on October 13, 2020. During the period ended September 30, 2022, principal and interest is paid on April 29, 2022.

### Security terms

| **Capital commitments** | | |
| Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for (Refer Note 4 below) | 3,950 | 7,338 |

**Notes:**

1. (a) Gigaplex – An appeal has been filed for A.Y. 2010-11 before CIT(A) against the penalty order raising demand of ₹ 3 million and the appeal is pending. It has paid 20% (₹ 1 million) with a request to keep the demand in abeyance. As per Income tax website, there is no demand outstanding.

   (b) KRIT – Contingent liability of ₹ 933 million relate to AY 2012-13 to AY 2018-19 for which it has filed appeals before CIT(A) against orders under section 143(3)/143(3) read with section 153A of the Act contesting the disallowance of deduction under section 80IA of the Income Tax Act 1961. KRIT is hopeful of a favourable outcome for these Assessment Years. In case of unfavourable decisions in appeal for AY 2012-13 to AY 2018-19, the tax would be payable under normal tax and hence, MAT credit currently available with KRIT will no longer be available. As a result, in addition to above contingent liability, KRIT would require to pay additional tax of ₹ 326 million w.r.t. AY 2019-20 and AY 2020-21 (These years are not under litigation) because during these years KRIT has utilised the MAT credit availed during AY 2012-13 to AY 2018-19. The disallowance of deduction under section 80IA for AYs 2012-13 to 2018-19 by the Income Tax department was based on the order for earlier AY 2011-12 wherein similar disallowance was made.KRIT had challenged the said order of AY 2011-12 before the ITAT. The Hon'ble ITAT vide its order dated May 06, 2021 allowed the appeal in favour of KRIT by quashing the disallowance made by the income-tax authority.

**KRIT:** Demand for Non Payment of service tax on renting of fitouts and equipments ₹ 116 million and Demand for Service tax on electricity and water and irregular availment of credit of service tax paid on input services ₹ 93 million. It has filed an appeals with CESTAT for the past orders and is in the process of filing an appeal before the Commissioner appeals for the recent order. The matter is pending adjudication.

**Avacado:**

(a) The SPV has received an order dated 31 January 2018 pronounced by the Commissioner (Appeals), confirming the service tax demand of ₹ 7 million (excluding applicable interest and penalty thereon) on renting of immovable property services provided to tenants during the period April 2008 to March 2011. It has filed an Appeal before the Customs, Central Excise & Service Tax Appellate Tribunal. The matter is pending adjudication.

(b) For the period April 2011 to September 2011, Avacado had received a Show Cause cum Demand Notice dated October 22, 2012 alleging non-payment of service tax of ₹ 1 million (excluding applicable interest and penalty thereon) on renting of immovable property services provided to tenants. Avacado had filed its detailed reply on December 24, 2012. No further correspondence has been received in this case.

For both the above matters, Avacado had filed applications in Form SVLDRS-1 under the Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019. Avacado had received SVLDRS-3 with service tax demand in respect of above matters. Avacado had not accepted the demand and therefore the matter remains under dispute.

3. Customs duty demand at the time of debonding of assets from the Software Technology Parks of India scheme (STPI) for Intime ₹ 16 million and KRIT ₹ 18 million.

   Future Cash outflow in respect of above, if any, is determinable only on receipt of judgement/decision pending with relevant authorities.

5. Avacado

(a) A Suit has been filed in the year 2008 by Nusli Neville Wadia (Plaintiff) against Ivory Properties and Hotels Private Limited (Ivory) & Others which includes Avacado as one of the Defendants inter alia in respect of the land and the 'Paradigm' Industrial Park building of Avacado. The Plaintiff has prayed against Avacado and the said Ivory restraining them from carrying out further construction or any other activity on the land (on which the building Paradigm is constructed), demolition and removal of the structures on the said land, appointment of a Court Receiver in respect of the said land and Paradigm building, declaring the MOUs/Agreements entered into by Avacado with Ivory and the Plaintiff as voidable and having been avoided and rescinded by the Plaintiff and to be delivered up and cancelled, restraining from alienating, encumbering or parting with possession of structures and restraining from dealing with, creating fresh leases/licenses or renewing lease/ license in respect of the said Paradigm building and from receiving or recovering any rent/license fee/ compensation in respect of the said leases/licenses, depositing all the rents in the Court, etc. The Court has not granted any ad-interim relief to the Plaintiff. Avacado has filed its reply to the said Suit denying the allegations and praying that no interim relief be granted to the Plaintiff. Avacado in its reply has also taken up a plea that issue of limitation should be decided as a preliminary issue before any interim relief could be granted to the Plaintiff. Pursuant to the Plaintiff's application for expedited hearing of the case, the Hon'ble High Court Bombay vide Order dated September 19, 2013 and September 20, 2013 framed the issue of limitation under section 9 (A) of Code of Civil Procedure to be tried as to jurisdiction for the maintainability of the suit and directed the Plaintiff to file an affidavit in lieu of examination in chief of the first witness on or before October 17, 2013. Pursuant to the Plaintiff's SLP in the Supreme Court challenging the Orders of the Hon'ble High Court dated September 19, 2013 and September 20, 2013, the Hon'ble Supreme Court vide its Order dated October 08, 2013 stayed the operation of the aforesaid Orders and further proceedings in the High Court Suit No. 414 of 2008. Thereafter the Hon'ble Supreme Court by its Order dated August 25, 2015 has referred the said SLP to a three Judge Bench to be posted along with SLP (C) No. 22438 of 2015. The SC by its Order dated 12 December 2018 disposed off the said SLP as infructuous in view of deletion of Section 9A of the Civil Procedure Code by the Maharashtra Act 61 of 2018 on October 29, 2018. In view of the subsequent amendment by the State of Maharashtra to the said provisions, pursuant to the Petitioners application to restore the SLP by cancelling the Order dated 12 December 2018, by Judgement dated 4 October 2019, three Judge Bench of the SC held that u/s 9A CPC (Maharashtra) question of limitation cannot be decided as a preliminary issue as to jurisdiction. The Supreme Court of India, by its order dated May 6, 2022 disposed off the SLP relying on the judgement of the three judge bench of the Supreme Court dated October 4, 2019. The notice of motion for interim relief and the Suit are pending for the final hearing before the High Court.

Based on an advice obtained from an independent legal counsel, the management is confident that Avacado will be able to suitably defend and the impact, if any, on the Ind AS financial statements can be determined on disposal of the above Petition and accordingly, Ind AS Financial statements of Avacado have been prepared on a going concern basis. Further, the Plaintiff, through his advocates & solicitors, had addressed letter dated February 13, 2020 including to Mindspace REIT, the Manager, the Trustee, the Sponsors, Avacado, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Ivory Properties and K Raheja Corp Pvt.Ltd., expressing his objection to the proposed Offer and any actions concerning the building Paradigm located at Mindspace Malad project. The allegations and averments made by the Plaintiff have been responded and denied by the addressees, through their advocates & solicitors. No further correspondence has been received.

(b) Pursuant to the levy of service tax on renting of immovable properties given for commercial use, retrospectively with effect from June 01, 2007 by the Finance Act, 2010, some of the lessees to whom Avacado has let out its premises, have based on a legal advice, challenged the said levy and, inter-alia, its retrospective application and withheld payment of service tax to Avacado, based on certain judicial pronouncements and stay orders granted by appropriate High Courts from time to time. Further in this regard the Hon'ble Supreme Court has passed an interim order dated October 14, 2011 in Civil appeal nos. 8390, 8391-8393 of 2011 and in compliance of which, such lessees have deposited with appropriate authority in 3 installments, 50% of the amount such service tax not so paid by them upto 30 September 2011 and have furnished surety for the balance 50% of the amount of service tax and which amount has also been deposited by them with the authorities. Further

On Septmber 19, 2019 the matter has been stayed by the Hon'ble Court and further posted on November 11, 2019 for compliance of the order dated November 14, 2016 by the Plaintiff. The matter has been stayed under Sec 10 of Code of Civil Procedure. On April 07, 2020 the matter has been further adjourned till June 11, 2020. On June 11, 2020 the matter was further adjourned till September 11, 2020 and the same has now been further adjourned till December 04, 2020. On December 04, 2020 the matter was further adjourned till February 24, 2021 and was thereafter posted on November 24, 2021 for steps. On November 24, 2021 the matter has been further adjourned till January 18, 2022. On January 18, 2022 matter adjourned to March 14, 2022, August 17, 2022 and thereafter to October 12, 2022 for steps. Both the Writ Petitions were posted on September 21, 2018, October 11, 2018, October 22, 2018 and further posted on June 10, 2019 for Admission. The matters came on board on June 20, 2019, November 14, 2019, January 15, 2019 and February 21, 2019. As per the CMIS Writ Petition No. 4415/2017 was last posted on March 27, 2020 and is yet not listed. As per the CMIS Writ Petition No. 4268/2017 was last posted on March 27, 2020 and thereafter on July 23, 2020 for Admission and is yet not listed. In the management's view, as per legal advice, considering the matter and the facts, no provision for any loss/liability is presently required to be made.

(b) MBPPL is subject to other legal proceedings and claims, which have arisen in the ordinary course of business. MBPPL's management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have a material and adverse effect on MBPPL's results of operations or financial condition.

(c) MBPPL received a communication (alleged reminder) from Pune Municipal Corporation (PMC) dated February 04, 2019 demanding an amount of ₹ 157 million allegedly due from MBPPL based on objections by internal audit report of Pune Municipal Corporation. MBPPL, submitted a letter dated February 28, 2019 denying all allegation of PMC, as MBPPL has not been served with any document referred to in the said PMC letter. Subsequently MBPPL addressed one more communication dated July 02, 2019 stating that MBPPL would be in a position to submit its reply upon receipt of the details of amount demanded by PMC as per its (MBPPL) reply dated February 28, 2019, which also stated that if any principal outstanding is due/recoverable, MBPPL agrees to make the said payment and sought detailed clarification on the interest amount. By letter dated July 20, 2019 to MBPPL, PMC provided illegible copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated August 17, 2021 to the architect firm and another, PMC stated that it has not received any clarifications and provided the challans for the amount of ₹ 183.60 million by assessing interest thereon and required submission of challan/receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated September 06, 2021 to PMC, MBPPL has again reiterated that the earlier PMC letter dated February 04, 2019 and the PMC letter dated August 17, 2021 are addressed to the wrong persons and informed PMC of the non-receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated October 11, 2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires; and likewise the act of issuing the letter dated August 17, 2021 is ultra vires and without the authority of law and called upon PMC to withdraw the impugned challans and letter forthwith. By the said letter MBPPL further stated that if the letter is not withdrawn and any further action is initiated in that event the letter dated October 11, 2021 may be treated as a notice under section 487 of The Maharashtra Municipal Corporations Act and under section 159 of The Maharashtra Regional and Town Planning Act. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted that, in order to resolve the controversy, MBPPL is willing to offer to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one-time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and requested PMC to provide an opportunity of hearing and furnishing clarifications, if required by PMC. Thereafter, PMC issued a Demand Notice dated January 05, 2022 forwarding therewith revised/rectified challans amounting to a sum of ₹ 101.36 million (covering Principal amount of ₹ 26.64 million and Interest amount of ₹ 74.72 million) to MBPPL. This letter specifically mentioned that the revised challans were issued to MBPPL consequent to the verification undertaken by PMC of the written clarifications provided by the MBPPL. It was also mentioned in the PMC letter that if any objection is received in respect of the revised/rectified challans from the Department of the Chief Auditor, PMC will take action as per the instructions of the said department. Vide letter dated January 25, 2022, MBPPL repeated and reiterated the clarifications stated in its letter dated October 11, 2021 and enclosed a cheque of ₹ 26.64 million dated January 21, 2022 bearing no. 604614 in terms of the revised challans (without interest) without prejudice to any of its rights and contentions and without accepting any liability to pay the same with a view to finally settle the matter. Subsequently, by letter dated March 10, 2022, PMC informed MBPPL that it does not accept the cheque and requested MBPPL to issue demand draft for the amount as per the Challans and make the payment to PMC at the earliest. On April 07, 2022 MBPPL submitted a reply/ letter to PMC enclosing a demand draft bearing No.093909 dated April 07, 2022 as desired by the PMC, for an amount of ₹ 26.64 million towards the payment as set out in MBPPLRSs earlier communications. Vide letter dated July 11, 2022 PMC returned MBPPL's demand draft while demanding entire demanded payment. MBPPL vide its letter dated July 22, 2022 read with MBPPL letter dated July 21, 2022 remitted the entire demanded payment of ₹ 101.36 million under protest vide demand draft No.094396 dated July 22, 2022. MBPPL on July 28, 2022 also paid an amount of ₹ 6.09 million under protest vide demand draft No. 094410 dated July 23, 2022 being Challan Late Fees and recorded this payment under MBPPL letter dated August 08, 2022. Currently MBPPL is in the process of filing a Writ Petition in Bombay High Court for recovery of entire amount of ₹ 107.45 million.

8. Intime, Sundew and KRIT

(a) In accordance with the Scheme of arrangement which was approved by Hon'ble Andhra Pradesh High Court on March 23, 2007, the Industrial Park II and III undertakings of K. Raheja IT Park (Hyderabad) Limited (formerly known as K.Raheja IT Park (Hyderabad) Private Limited) ("KRIT", "JV Company") have been demerged and vested in the Company with effect from the appointed date i.e. September 01, 2006.

Intime and Sundew had acquired the land at Madhapur, Hyderabad as part of the demerger scheme from KRIT. The said land is in lieu of the employment opportunities to be generated by KRIT and others

The liability, if any, arising due to the obligation to create the job opportunities for the entire larger land of which the above property is a part, continues to be retained by KRIT as at September 30, 2022.

During the year ended March 31, 2016, Telangana State Industrial Infrastructure Corporation Limited ("TSIIC") has returned the original Bank Guarantees to KRIT and also confirmed to the bank that TSIIC will not claim any amount from the bank under the Bank Guarantees and the bank is relieved of its obligation. Hence, no liability is recognised towards the price of the plot of land.

(b) An unconditional obligation to pay amounts due to Andhra Pradesh Industrial Infrastructure Corporation Limited ("APIIC") in respect of APIIC's claims of losses due to any difference in values pertaining to sale transactions of the project undertaken by KRIT. Losses incurred by the Government/TSIIC in its JV Company, if any, will be paid in full by K Raheja Corp Pvt Ltd and it has furnished to the JV Company in writing agreeing and admitting liability to make such payment to Government/TSIIC.

The shareholding pattern of the Government/TSIIC in the JV Company and the Company will not change as a result of conversion from Private to Public, the Government/TSIIC equity of 11% will remain the same

in the Company and all the demerged companies and further in future, Government/TSIIC will not be asked to infuse further cash to maintain its 11% stake

9. Gigaplex

(a) Regular Civil Suit had been filed before the Hon. Civil Judge (J.D) Vashi at Central Business District by an Education Society ("the Plaintiff") who is claiming rights in existing school structure, claiming its area as 500 square meters and its existence since more than 30 years, seeking an injunction not to dispossess him. SPV has filed its reply opposing the Plaintiff's prayers. After hearing the parties, the Hon'ble Judge at the Vashi Court had rejected the Plaintiff's Injunction Application by Order dated August 20, 2018 (Order). Thereafter the Plaintiff has filed an appeal in Thane District Court. The Plaintiff's Appeal filed in Thane District Court is still pending, it's next date is December 19, 2022 for Arguments in Appellant's Applications for injunction and status quo. In management view, the estimate of liability arising out of the same is remote, no provision has been taken.

(b) The Collector of Stamps, Thane City imposed a penalty on Gigaplex vide its letter dated August 12, 2022. Gigaplex had sought partial denotification in relation to plot no. IT-5, Airoli Knowledge Park, TTC Industrial Estate, Village Airoli and Digha, District Thane in 2016 owing to delay in stamp-duty payment. The amount of stamp duty surrendered for the exemption availed earlier on the transaction amounting to ₹ 39.8 million and registration fee of ₹ 0.02 million was submitted on December 09, 2016. However penalty was imposed under Section 39 of the Maharashtra Stamp Act, 1958 from the date of execution of the document at the rate of 2% per month amounting to ₹ 87.65 million for the delay in surrendering back the benefit. Matter is being represented to authorities and pursued for relief.

10. KRIT

A Writ petition has been filed against KRIT in the High Court of Judicature of Andhra Pradesh at Hyderabad with respect to specific use of the land admeasuring 4,500 square yards, earmarked as plot 18. Pursuant to it, the Court has passed an Order for no construction activity on the said plot of land until further orders of the Court. KRIT had filed its reply and also sought expeditious hearing. The matter is pending for disposal by the High Court. Based on the facts of the case, the management does not expect any liability and is of the opinion that no provision needs to be made.

11. Horizonview

W.S. Industries (India) Limited ("WSIIL") has filed a writ petition before the Madras High Court against the District Revenue Officer, Thiruvallur ("DRO") and P. Jeyapal S/o R. Perumalsamy ("Jeyapal") seeking directions for quashing a notice dated May 25, 2017 issued by the DRO and Additional District Judge ("Notice"). The Notice was issued by the DRO cum Additional District Judge on a complaint presented by Jeyapal alleging that lands were handed over to WSIIL on certain conditions, and instead of using such lands for common purpose, WSIIL has been using the lands for commercial purpose. WSIIL is the erstwhile owner of the land, a portion of which was subsequently sold and transferred by WSIIL to certain entities. Horizonview has been granted development rights over such land. The Madras High Court, by its order dated June 05, 2017, has granted interim stay. The matter is pending before the Madras High Court. Neither RPIL Signalling Systems Limited (the present owner of the land at Porur being developed by Horizonview Properties Private Limited) nor Horizonview Properties Private Limited is a party to the aforementioned suit.

12. Sundew

The Office of the Land Reforms Tribunal Cum Deputy Collector & Special Grade Revenue Divisional Officer, Attapur ("Tribunal") had, by letter dated August 27, 2009, sought information from Sundew under Section 8(2) of the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("APLRAC") in respect of the entire land parcel at Mindspace Madhapur. The Revenue Department of the Government of Andhra Pradesh forwarded a Memo dated September 5, 2009 for furnishing of certain information to the Government of Andhra Pradesh, including information requested by the letter dated August 27, 2009. Sundew had filed a detailed response on September 30, 2009 stating that (a) the land was originally granted by the Government of Andhra Pradesh to K Raheja IT Park Hyderabad Limited (KRIT) which was a joint venture company with Andhra Pradesh Industrial Infrastructure Corporation Limited, (b) the land was vested in Sundew by way of demerger order of the Andhra Pradesh High Court, (c) the land has been declared as an SEZ and is therefore exempt from the local laws; (d) the land was shown as a non-agricultural land in the master plan of Hyderabad and is therefore not "land" covered under the APLRAC. The Tribunal issued a final notice to Sundew in January 2012 requesting to submit a declaration for full and correct particulars of the lands held. The matter is currently pending before the Tribunal. Future cash flows in respect of above matters are determinable only on receipt of judgements/ decisions pending at various forums/authorities.

### B. Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

(a) recognised and measured at fair value

(b) measured at amortised cost and for which fair values are disclosed in the financial statements."

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

#### Fair value hierarchy

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The following table presents the fair value measurement hierarchy of assets and liabilities measured at fair value on recurring basis as at September 30, 2022.

#### Financial instruments

Quantitative disclosures fair value measurement hierarchy for assets as at September 30, 2022:

| Particulars | Date of valuation | Total | Level 1 | Level 2 | Level 3 |
|---|---|---|---|---|---|
| **Financial assets measured at fair value:** | | | | | |
| FVTOCI financial investments: | September 30, 2022 | - | - | - | 0 |
| FVTOCI financial investments: | March 31, 2022 | - | - | - | 0 |

### C. Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the period ended September 30, 2022 and year ended March 31, 2022.

### D. Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

(i) The fair value of mutual funds are based on price quotations at reporting date.

(ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.

(iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.

(iv) Security deposits accepted are measured at fair value based on the discounted cash flow method considering the discount rate determined as the average borrowing rate.

**53A.** During the FY 2021-22, KRIT had proposed to redevelop Buildings 1A and 1B at Mindspace, Madhapur, Hyderabad. Vacation of these buildings by the tenant, provided the SPV an opportunity to evaluate the possibility of redevelopment which would potentially increase the area of the building, help incorporating new upgraded facilities, enhance the marketability of the buildings and also offer future consolidation opportunities to existing tenants in the Park with continuity and growth. Basis the assessment by the SPV of the opportunity and concurrence from the Telangana State Industrial Infrastructure Corporation Ltd. (TSIIC) vide its letter dated June 23, 2021, the SPV proposed to redevelop the said buildings subject to the receipt of statutory approvals & clearances as may be required for the proposed redevelopment. Accordingly, the Mindspace Group had charged the written down value of the said buildings, plant and machinery and other assets in relation to the buildings aggregating to ₹ 1,332 million to the Condensed Consolidated Statement of Profit and Loss and considered the same as an Exceptional Item for the year ended March 31, 2022.

**53B.** During the FY 2021-22, Mindspace Business Parks Private Limited ("MBPPL") had entered into a Memorandum of Understanding dated December 16, 2019 with K. Raheja Corp Private Limited ("KRCPL") for the proposed sale of MBPPL's parcel of land admeasuring 39.996 acres located at Pocharam Village at a predetermined price. The Board of Directors of MBPPL and the Governing Board of Investment Manager in their meeting held on February 09, 2022 and February 10, 2022 respectively had approved the proposed transfer. The said land was recorded as 'Investment Property under construction' in the Consolidated financial statements, forming part of 'Real estate' segment. The said land had been sold vide agreement dated March 30, 2022 for the consideration of ₹ 1,200 million, which had been determined as per the mutual agreement considering latest ready reckoner rate, resulting into profit of ₹ 489 million. The same had been considered as an Exceptional Item in the statement of Profit and Loss for the year ended March 31, 2022.

# 1. Instruction

## 1.1 Instructing Party

K Raheja Corp Investment Managers LLP (hereinafter referred to as "the Instructing Party" or "the Client"), in its capacity as the Manager of the Mindspace Business Parks REIT (Mindspace REIT), has appointed Mr. Shubhendu Saha, MRICS, registered as a valuer with the Insolvency and Bankruptcy Board of India (IBBI) for the asset class Land and Building under the provisions of the Companies (Registered Valuers and Valuation) Rules, 2017 (hereinafter referred as the "Valuer"), in order to undertake the valuation of properties comprising commercial office real estate assets located across Mumbai Region, Hyderabad, Pune and Chennai as well as incidental or ancillary activities including a facility management business and power distribution facility (together herein referred as "Subject Properties", as mentioned below):

| S. No. | Location | Leasable area (million sq. ft.) |
|---|---|---|
| 1 | Mindspace Madhapur, Hyderabad | 11.8 |
| 2 | Mindspace Airoli East, Mumbai Region | 6.8 |
| 3 | Mindspace Airoli West, Mumbai Region | 5.2 |
| 4 | Paradigm Mindspace Malad, Mumbai Region | 0.7 |
| 5 | The Square BKC, Mumbai Region | 0.1 |
| 6 | Commerzone Yerwada, Pune | 1.7 |
| 7 | Gera Commerzone Kharadi, Pune | 2.9 |
| 8 | The Square Nagar Road, Pune | 0.8 |
| 9 | Commerzone Porur, Chennai | 0.9 |
| 10 | Mindspace Pocharam, Hyderabad | 1.0 |

The Subject Properties comprise land for future development a part of which may be considered for sale. The same have been valued separately.

The exercise has been carried out in accordance with the instructions (Caveats & Limitations) detailed in Section 1.7 of this report. The extent of professional liability towards the Client is also outlined within these instructions.

## 1.2 Purpose and Date of Valuation

The purpose of this valuation is to estimate the value of the Subject Properties as part of the portfolio of Mindspace REIT for the disclosure of valuation of assets, forming part of the portfolio of Mindspace REIT, in accordance with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended, together with clarifications, guidelines and notifications thereunder in the Indian stock exchanges and for accounting purposes. In addition, other documents in relation to the regulatory filings such as publicity material, research reports, presentations and press releases will also be prepared, wherein copies, summary or extracts of the valuation report are intended to be included.

## 1.3 Reliant Parties

The reliance on this report is extended to the Manager, REIT and other parties including the trustee of REIT, debenture trustee(s), stock exchanges, unitholders of REIT, Securities and Exchange Board of India ("SEBI"), credit rating agencies, lenders of the REIT and/or its special purpose vehicles or any other person within or outside India as the Manager may deem fit for the purpose as highlighted in this report (valuation). The Valuer, however, would extend no liability to such reliant parties save and except for gross and willful negligence.

The valuation exercise is conducted strictly and only for the use of the parties as stated above who need to rely on such valuation ("Reliant Party") and for the Purpose specifically stated. The Instructing Party shall make all reliant parties aware of the terms and conditions of the agreement under which this exercise is being undertaken and take due acknowledgements to the same effect.

## 1.4 Limitation of liability

- The Valuer has provided the services exercising due care and skill but does not accept any legal liability arising from negligence or otherwise to any person in relation to possible environmental site contamination or any failure to comply with environmental legislation which may affect the value of the properties. Further, the Valuer shall not accept liability for any errors, misstatements, omissions in the report caused due to false, misleading or incomplete information or documentation provided to him by the Instructing Party.
- The Valuer's maximum aggregate liability for claims arising out of or in connection with the Valuation, under this contract shall not exceed the professional indemnity insurance obtained by it. ## 1.7 Assumptions, Disclaimers, Limitations & Qualifications to Valuation

While the Valuation Report has been prepared independently by the Valuer, the report and this summary is subject to the following:

a. The valuation exercise is based on prevailing market dynamics as on the date of valuation without taking into account any unforeseeable event or developments which could impact the valuation in the future.

b. Global economy was deeply impacted during the outbreak of COVID-19, which was declared as a Global Pandemic on March 11, 2020. Several measures to contain the impact from the Global pandemic which included national lockdowns, which was followed by several vaccination drives, follow-up booster drives etc.

   As the impact from the COVID-19 related pandemic started to moderate, restrictions were slowly lifted in a phased manner by respective state governments untill the Ministry of Home Affairs revoked all the restrictions by the Centre from 31 March 2022 and commented that the disaster management act will not be invoked for COVID-safety measures.

The commercial real estate sector has shown significant resilience during the Covid struck period. Majority of the markets have started to open-up and corporates have started to encourage the employees to return to office. This is also driven by record high levels of attrition witnessed across industries, which has led to strong hiring trends in terms of fresher and lateral hires. New Gen-Z (born between 1997 – 2012) employees are in high demand by the employers, however, work from home period has significantly dented their wellbeing as they struggle to bond with teams. This has led to employers revisiting the need for training, interaction etc, thereby increasing the relevance of office infrastructure for such corporates.

While some organizations have been contemplating strategies with respect to the hybrid work models - flexible arrangement, allowing employees to combine onsite and offsite work as required, we expect the strong growth in the IT-BPM sector, increased interests into Indian offshore centers by several IT/ITeS corporates and GCCs is expected to drive significant demand for the commercial real estate sector. The valuation exercise is not envisaged to include all possible investigations with respect to the Subject Properties and wherein certain limitations to the investigations and inspections carried out are identified so as to enable the Reliant Party/Parties to undertake further investigations wherever considered appropriate or necessary prior to reliance. The Valuer is not liable for any loss occasioned by a decision not to conduct further investigation or inspections.

c. Assumptions, being an integral part of any valuation exercise, are adopted as valuation is a matter of judgment and many parameters utilized to arrive at the valuation opinion may fall outside the scope of expertise or instructions of the Valuer. The party relying on this report accepts that the valuation contains certain specific assumptions and acknowledge and accept the risk that if any of the assumptions adopted to arrive at the valuation estimates turns out to be incorrect, there may be a material impact on the valuations.

d. The valuation exercise is based on the information shared by the Instructing Party or the Client, which has been assumed to be correct and used to conduct the valuation exercise. In case of information shared by any third party and duly disclosed in the report, the same is believed to be reasonably reliable, however, the Valuer does not accept any responsibility should those prove not to be so.

e. Any statement regarding any future matter is provided as an estimate and/or opinion based on the information known at the date of this report. No warranties are given regarding accuracy or correctness of such statements.

f. Any plan, map, sketch, layout or drawing included in this report is to assist reader in visualizing the relevant property and are for representation purposes only, with no responsibility being borne towards their mathematical or geographical accuracy.

g. Except as disclosed by the Client, it is assumed that the Subject Properties are free from any encroachments and available on the date of valuation.

h. For the purpose of this valuation exercise, reliance has been made on the Title Reports prepared by the Legal Counsels for each of the Subject Properties and no further enquiries have been made with authorities in this regard. It is understood that the Subject Properties have encumbrances, disputes and claims, however, the Valuer does not have the expertise or the purview to verify the veracity or quantify these encumbrances, disputes or claims. For the purpose of this valuation exercise, it is assumed that respective Subject Properties have clear and marketable titles.

i. The current zoning of the Subject Properties has been assessed on the basis of review of various documents including title reports shared by the Instructing Party and the current land use maps publicly available. The same has been considered for the purpose of this valuation exercise. Additionally, it is also assumed that the development on the Subject Properties adheres/would adhere to the development regulations as prescribed by the relevant authorities. No further enquiries have been made with the competent jurisdictional authorities to validate the legality of the same.

j. The total developable/developed area, leasable area, site/plot area considered for this valuation exercise is based on the Architect's Certificate shared by the Instructing Party and the same has been checked against the approvals/layout plans/building plans provided by the Client. However, no additional verification and physical measurement for the purpose of this valuation exercise has been undertaken.

k. In absence of any information to the contrary, it is assumed that there are no abnormal ground conditions nor archaeological remains present which might adversely affect the current or future occupation, development or value of the Subject Properties and the Subject Properties are free from any rot, infestations, structural or latent defect; no currently known deleterious or hazardous materials or suspect techniques are used in construction or subsequent alterations or additions to the property and comments made in the property details do not purport to express an opinion about an advice upon the conditions of uninspected parts and should be taken as making an implied representation or statement about such parts.

l. It is also stated that this is a valuation report and not a structural survey.

m. Unless specifically disclosed in the report, no allowances are made with respect to any existing or proposed local legislation relating to taxation on realization of the sale value of the Subject Properties.

n. Given the evolving and maturing real estate markets in India, comparable evidences, if any or market quotes provided has been limited to basic details such as area of asset, general location, price/rate of transaction or sale and any other specific details that are readily available in public domain only shall be shared. Any factual information such as tenants' leasable area, lease details such as, rent, lease/rent commencement and end dates, lock-in period, rent escalation terms etc. with respect to Subject Properties is based on the documents/information shared by the Client/Instructing Party and the same has been adopted for the purpose of this valuation exercise. While few lease deeds have been reviewed on a sample basis, the Valuer does not take any responsibility towards authenticity of the rent rolls shared by the Client. Any change in the aforementioned information will have an impact on the valuation estimates and, in that case, the same would need to have a relook. The relevant information sources are mentioned in section 2.5.

o. All measurements, areas and property age quoted/mentioned in the report are approximate.

p. The Valuer is not an advisor with respect to any tax, regulatory or legal matters regarding the proposed transaction. No investigation or enquiries on the holding entity or any SPV's claim on the title of the Subject Properties has been made and the same is assumed to be valid based on the information shared by the Client/Instructing Party. No consideration shall be/has been given to liens or encumbrances against them. Therefore, no responsibility is assumed for matters of a legal nature.

q. Kindly note that quarterly assessment of cash flows has been undertaken for the purpose of this valuation exercise.

# 2. Valuation Approach and Methodology

## 2.1 Purpose of Valuation

The purpose of this valuation exercise is to estimate the value of the Subject Properties as part of the portfolio of Mindspace REIT for the disclosure of valuation of assets, forming part of the portfolio of Mindspace REIT, in accordance with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended, together with clarifications, guidelines and notifications thereunder in the Indian stock exchanges together with the clarifications, guidelines and notifications thereunder in the Indian stock exchanges and for accounting purposes.

## 2.2 Basis of Valuation

Given the purpose of valuation as mentioned above, the valuation exercise has been carried out to estimate the "Market Value" of the Subject Properties in accordance with IVS 104 of the IVSC International Valuation Standards issued in 2021, effective from January 31, 2022.

Market Value is defined as 'The estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's-length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion.

## 2.3 Valuation Approach

The basis of valuation for the Subject Property being Market Value, the same may be derived by any of the following approaches:

### 2.3.1 Market Approach

In 'Market Approach', the Subject Property is compared to similar properties that have actually been sold in an arms-length transaction or are offered for sale (after deducting for value of built-up structure located thereon). The comparable evidence gathered during research is adjusted for premiums and discounts based on property specific attributes to reflect the underlying value of the property.

### 2.3.2 Income Approach

The income approach is based on the premise that value of an income – producing asset is a function of future benefits and income derived from that asset. There are two commonly used methods of the income approach in real estate valuation namely, direct capitalization and discounted cash flow (DCF).

#### i. Income Approach – Direct Capitalization Method

Direct capitalization involves capitalizing a 'normalized' single – year net income estimated by an appropriate yield. This approach is best utilized with stable revenue producing assets, whereby there is little volatility in the net annual income.

#### ii. Income Approach – Discounted Cash Flow Method

Using this valuation method, future cash flows from the property are forecasted using precisely stated assumptions. This method allows for the explicit modelling of income associated with the property. These future financial benefits are then discounted to a present-day value (valuation date) at an appropriate discount rate. A variation of the Discounted Cash Flow Method is mentioned below.

#### iii. Income Approach – Discounted Cash Flow Method using Rental Reversion

The market practice in most commercial/IT developments involves contracting tenants in the form of pre-commitments at sub-market rentals to increase attractiveness of the property to prospective tenants. Such benefits are typically extended to anchor tenants. Additionally, there are instances of tenants paying above-market rentals for certain properties as well (primarily owing to market conditions at the time of contracting the lease). In order to arrive at a unit value for these tenancies, we have considered the impact of such sub/above market leases on the valuation of the Subject Property.

***For the purpose of the valuation of Subject Properties (other than the portions of future development area part or whole of which may be considered for sale), Income Approach - Discounted Cash Flow Method using Rental Reversion has been adopted.***

## 2.4 Valuation Methodology

In case of Subject Properties there are instances where the contracted rents are significantly different from prevailing rents in the concerned micro-market where the specific Subject Property is located, either because the rents prevailing at the time of executing the leases have been significantly different or discounts were given to large/anchor tenants.

Since the real estate industry is dynamic and is influenced by various factors (such as existing supply, demand for spaces, quality of spaces available in the market, overall health of the economy, existing rentals, future growth plans, etc.) at a particular point in time, negotiated rents may tend to move away from the prevalent market rents over a period of time.

It has also been witnessed that the market rents for some properties or micro-markets increase or decrease at a rate significantly different from those agreed to in initial leases. These factors reinforce the need to review each of these leases in isolation to assess the intrinsic value of the property under review.

Given the purpose and the nature of Subject Properties involved, the valuation of the commercial office assets has been undertaken using the Discounted Cash Flows method using Rental Reversion, for Facilities Management as well as Power Distribution, Discounted Cash Flow method has been adopted and for portions of future development area part of or whole of which may be considered for sale, Market Approach has been adopted. Further the following steps have been adopted as part of the valuation exercise, which have been elaborated in the detailed full valuation report ("Valuation Report").

### 2.4.1 Asset-specific Review:

i. As the first step to the valuation of the asset, the rent rolls (and the corresponding lease deeds on a sample basis) were reviewed to identify tenancy characteristics for the asset. As part of the rent roll review, major tenancy agreements belonging to tenants with pre-committed area were reviewed on a sample basis.

ii. For anchor/large tenants, adjustments on marginal rent or additional lease-up timeframe have been adopted upon lease reversion.

iii. Title certificates, architect certificates and other related documents as mentioned in earlier sections of the report were reviewed for validation of area details, ownership interests of the Subject Property.

iv. Physical site inspections were undertaken to assess the current status of the Subject Properties.

### 2.4.2 Micro-market Review:

For the purpose of the valuation exercise, reliance has been placed on the market report prepared by Cushman & Wakefield (CWI), who has been appointed by the Client as an independent consultant to carry out industry and market research. Accordingly, the review was carried out in the following manner:

i. An assessment of the site and surroundings has been undertaken with respect to the prevailing activities, market dynamics impacting the values and the current use of the respective properties vis-à-vis its locational context, etc. of commercial office assets. Analysis of the micro-market was undertaken primarily based on the findings of the industry/market report prepared by Cushman & Wakefield and readily available information in public domain to ascertain the transaction activity of commercial/IT office space. The analysis entailed review of comparable assets in terms of potential competition (both completed and under-construction/future developments), comparable recent lease transactions witnessed in the micro-market along with the historical leasing and re-leasing history within the asset over the last 2-3 years, if available. This was undertaken to assess the market rent (applicable rental for the micro-market where the asset is located) and achievable market rent (Valuer's view on achievable rent for the Subject Properties for leasing vacant spaces as well as upon re-leasing).

ii. Valuer also analysed the historical leasing within the asset for anchor tenants to identify the discount that is extended to such tenants at the time of fresh leasing or lease renewals. Rent roll and sample of lease deeds of large anchor-tenants were analysed and applicable adjustments to marginal rent was estimated

for individual leases. For other tenants occupying relatively large space within the Subject Properties, it is assumed that the leases shall revert to marginal rents (duly adjusted from the date of valuation) following the expiry of the lease, factoring appropriate re-leasing time.

### 2.4.3 Cash Flow Projections:

i. The cash flows for the operational and under-construction/future development area have been projected separately to arrive at their respective value estimates.

ii. Net operating income (NOI) has primarily been used to arrive at the value of the commercial office assets. The following steps were undertaken to arrive at the value for operational and under-construction/ future development areas respectively.

The projected future cash flows from the property are based on existing lease terms for the operational area till the expiry of the leases or re-negotiation, whichever is earlier, following which, the lease terms have been aligned with market rents achievable by the Subject Properties. For vacant area and under-construction/ future development area, the achievable market rent-led cash flows are projected factoring appropriate lease-up time frame for vacant/under-construction/future development area. These cash flows have been projected for 10-year duration from the date of valuation and for 11$^{th}$ year (for assessment of terminal value based on NOI). These future cash flows are then discounted to present-day value (valuation date) at an appropriate discount rate.

For each lease, principally, the following steps have been undertaken to assess the rent over a 10-year time horizon:

**Step 1:** Projecting the rental income for identified tenancies up to the period of lease expiry, lock-in expiry, escalation milestones, etc. whichever is applicable. In the event of unleased spaces, market-led rent is adopted with suitable lease-up time.

**Step 2:** Generating a market led rental income stream for identified tenancies for the time period similar to the cash flows drawn in the aforementioned step.

**Step 3:** In the event the escalated contracted rent is higher than the achievable market rent by 15%, the contracted terms are ignored, and the terms are reverted to market. In the event the escalated contracted rent is below 115% of the achievable rent, the contracted terms are adopted going forward until the next lease review/ renewal. Intent of this step is to project the rental income for respective leases until lease expiry as well as post expiry.

**Step 4:** Computing the monthly rental income projected as part of Step 3 and translating the same to a quarterly income (for the next 10 years and NOI of the 11$^{th}$ year – considered for calculation of terminal value).

iii. Recurring operational expenses, fit-out income (if any – the same has not been included in the NOI for the purpose of arriving at the terminal value by capitalisation) and vacancy provision have been adopted in-line with prevalent market dynamics. In addition, appropriate rent-free periods have been adopted during lease roll-overs to consider potential rent-free terms as well as outflows towards brokerage. For all commercial office assets, operational revenues and expenses of the respective assets are reviewed to understand the recurring, non-recurring, recoverable and non-recoverable expenses and accordingly estimate the margins on the common area maintenance income which accrues as cash inflows to the Subject Properties.

iv. The net income on quarterly basis have been projected over the next 10 years and the one year forward NOI (for 11$^{th}$ year) as of end of year 10 has been capitalized to assess the terminal value of the development. The quarterly net cash flows over the next 10 years along with the terminal value estimated at the end of year 10 have been discounted at a suitable discount rate to arrive at the net present value of the cash flows accruing to the commercial office assets through this approach.

v. For the purpose of valuing the Power Distribution service to the tenants, the cash flows have been projected on the basis of profit margins allowed by the Maharashtra Electricity Regulatory Commission in its latest tariff order for respective power distribution licenses covering the control period from 2020-21 to 2024-25. Thereafter, the same principles have been adopted to project the cash flows till the remaining period of licence for distributing power to tenants/operators by the concerned entity.

vi. KRC Infrastructure and Projects Private Limited has commenced facility management business effective October 1, 2020 to provide such services to the Subject Properties within the portfolio as well as properties with ownership interests of/owned by third parties within the same parks as the Subject Properties of the Portfolio (as mentioned in the following table). Facility management services include housekeeping services, management of MEP equipment, façade cleaning, security expenses, repair and maintenance, maintenance of common areas etc. Service charges are levied on a cost-plus mark-up basis to the SPVs owned by REIT, which has ownership interest in the Subject Properties..

## 2.5 Information Sources

Property related information relied upon for the valuation exercise have been provided to the Valuer by the Client and the market data provided by Cushman and Wakefield, unless otherwise mentioned. The documents provided has been assumed to be a true copy of the original. The rent rolls have been cross checked with the lease deeds on a sample basis only to ensure its correctness.

### 4.9.8 Power Distribution Services

In accordance with Section 14 (b) of the Electricity Act, 2003 read with Section 4(1) of the SEZ Act, 2005, entities that own and operate SEZ Parks are considered Deemed Distribution Licensee for supplying electricity to consumers within the SEZ area. Pursuant to the above regulations, KRC Infrastructure and Projects Private Limited (SPV) also has the license to distribute power within the Subject Property, wherein it procures power from Power generators/traders supplying to the grid and then distribute it to the end consumers within the Subject Property.

### 4.9.9 Valuation Approach for Power Distribution Services

KRC Infrastructure Projects Private Limited (SPV) submitted the detailed tariff petition to Maharashtra Electricity Regulatory Commission ("MERC" or the "Commission"), who determined the tariff that may be charged to the customers/operators within the Subject property allowing the licensee to charge cost plus mark up as approved by the Commission to the end users. This mark-up is equivalent to return on its investment comprising primarily of annual depreciation on investment, interest expenses on notional debt and return on equity.

### 4.9.10 Valuation Methodology for Power Distribution Services

Referring to the Commission's latest order for the operational facility, the cash flows from the power distribution services are projected in the following manner:

**Step 1:** Amount of approved Gross Fixed Assets ("GFA") is considered.

**Step 2:** Further, Net Fixed Asset (NFA) which is GFA reduced by accumulated depreciation allowed as on date is computed.

**Step 3:** To compute the EBITDA, mainly return on equity, interest on notional debt, recovery of depreciation, interest on working capital have been added.

**Step 4:** Approved power procurement, operational and maintenance expenses are allowed completely pass through.

#### 4.9.11 Valuation Assumptions for Power Distribution Services

Following are the key assumptions for proposed license in line with Commission's order for Kharadi, Pune.

| Assumptions | Unit | Figure |
|---|---|---|
| Gross Fixed Assets (GFA) | ₹ million | 146 |
| Notional Equity (30% of GFA) | ₹ million | 44 |
| Notional Debt as on March 2020 (70% of GFA) | ₹ million | 102 |
| Depreciation rate (Straight Line Method) | % pa | 5.3 |
| Remaining License Period | years | 22 |
| WACC | % | 10.50 |
| License End Date | Date | June 18, 2042 |

#### 4.9.12 Market Value

The market value of the economic interest of Mindspace REIT in the Subject Property comprising only Plot 65 (excluding Facilities Management Services), as on September 30, 2022, is as follows:

₹ 23,896 million
(Indian Rupees Twenty-Three billion Eight Hundred and Ninety-Six million Only)

Note: The above-mentioned value includes the undivided ownership share in the common facilities and infrastructure of the entire campus.

#### 4.9.13 Facilities Management Services

KRC Infrastructure and Projects Private Limited has commenced facility management business effective October 1, 2020 to provide such services to the Subject Properties within the portfolio as well as properties with ownership interests of/owned by third parties within the same parks as the Subject Properties of the Portfolio (as mentioned in the following table). Facility management services include housekeeping services, management of MEP equipment, façade cleaning, security expenses, repair and maintenance, maintenance of common areas etc. Service charges are levied on a cost-plus mark-up basis to the SPVs owned by REIT, which has ownership interest in the Subject Properties.

The facilities management services business shall operate under the brand name CAMPLUS and shall manage the existing operational buildings/area in the Portfolio. In addition, area under-construction/ future development shall also be managed by KRC Infrastructure and Projects Private Limited on completion.

#### 4.9.14 Key Assumptions

| | | |
|---|---|---|
| Existing Operational Building which will be under facility management | Total area of ~25.9 million sq ft. as at (September 30, 2022) Mix of SEZ and non SEZ building. | The revenue of facility management is linked to the expense for such facility plus mark up, the growth in the revenues from existing tenants are in line with the inflation expectation of 5%. |
| Expansion in Existing business and Buildings under construction | Total area of ~2.8 million sq ft. | For future development/proposed buildings, revenue and margins of existing properties is considered as a base to compute the projected cash flows of new buildings. Growth in revenue is linked to the improvement in occupancy plus 5% revenue growth from existing tenants. Initially those buildings are likely to have lower margins due to lesser occupancy. |

For the purpose of arriving at terminal year income multiple, Indian and International comparable companies listed on various stock exchanges were studied. It was observed that International companies with primary business of facility/property management trade at 10 - 13 times EV/EBITDA multiple. However, there are very limited comparable facility management listed companies. There is only listed comparable company, which offers facility management services in India including security services, cash logistic etc. Given the fact that facility/property management business is limited to Subject Properties within the portfolio as well as properties with ownership interests of/owned by third parties within the same parks as the Subject Properties of the portfolio, we have considered the EV/EBITDA multiple of 13x to compute the exit value post 10 years of cashflows. For the purpose of discounting the future cash flows, a Weighted Average Cost of Capital (WACC) of 11.75% has been used.

#### 4.9.15 Market Value of Facility Management Services

The market value of the full ownership interest in the facility/property management business, as on September 30, 2022 is as follows:

₹ 6,394 million
(Indian Rupees Six billion Three Hundred and Ninety-Four million Only)

Business Drivers

# What's driving our growth story – Strong Foothold, Sustained Outlook

Mindspace REIT's top-notch assets across a spectrum of businesses in the country are a hallmark of the entity's unmatched amenities and quality. They are clearly indicative of an expanding scope, in addition to the wherewithal to curate the best-in-class spaces. They also demonstrate how the entity is a partner of choice for prominent global corporates.

We focus on coalescing our purpose of sustainability into our business strategy and are committed to grow our portfolio that is engaging, efficient and synergising for our partners.

Our growth story is a confluence of several parameters or growth drivers that have helped us stay buoyant across real estate cycles and gain foothold in the industry.

## Leverage across four key Indian office markets

The Mindspace REIT pillars of global quality standards, robust infrastructure, modern and sustainable design, and scale of assets, put us in pole position to bankroll on the demand surge for quality workspaces. Our established leadership in key portfolio markets, arising out of our strategically located land parcels and campus-style business parks, makes us a partner of choice for these companies. Our Mindspace Madhapur and Mindspace Airoli East assets are the largest parks in the respective micro markets, giving us an unassailable edge. Replicating these assets in those business districts is an insurmountable task.

### Important milestones in FY22:

- Redevelopment of asset has allowed us to increase footprint of certain buildings at the Mindspace Madhapur Park by 3.5x (rebuilding from 0.36 to 1.31 msf)
- Evaluating ROFO asset of 1.8 msf at Commerzone Madhapur post receipt of notice in February 2022
- Commenced construction of B4 with a potential leasable area of 1.0 msf at Gera Commerzone Kharadi, Pune to cater to upcoming demand
- Commenced construction of Club House at the Mindspace Madhapaur, Hyderabad

## Bolstering partnerships with marquee tenants

Our consistent growth can be attributed to its focus on setting newer benchmarks in tenant partnerships through concerted efforts, while retaining existing tenants. Our proactive tenant engagement initiatives helps us create a customized experience and build promising partnerships. We constantly work towards offering more facilities to our tenants in our assets by adding recreational zones, landscaping, clubhouse, skywalks, open areas, revamping lobbies, and foodcourts, among others. We also organize a host of recreational activities and workshops for our tenants and their employees at our parks. Our tenants associate huge value with our offerings and prefer us as their partner of choice for their expansion plans. The expansion of marquee tenants such as Qualcom, BA Continuum, and Barclays within our portfolio is a testament to our efforts.

### Important milestones in FY22:

- WALE of 6.9 years – a testimony to our steadfastness A diverse mix of tenants that stand at 175 as of March 31, 2022
- Gross Contracted Rentals as of March 31, 2022 stands at 77.2% with regards to multinational corporations and 29.4% for Fortune 500 companies
- Of the 13.4 msf of area leased since April 2018, 61.6% was leased to existing tenants
- On an average, our top 10 tenants have stayed with us for over 12 years

## Prudent fiscal management

At Mindspace REIT, we believe that our balance sheet with low leverage will enable us to drive growth by undertaking value-accretive growth oppurtunities. We strategically moved towards creating a balance of fixed cost and variable cost debt, with 45.9% of our total outstanding debt as on March 31, 2022 being fixed cost.

### Important milestones in FY22:

- Raised ₹ 9 billion via NCD at REIT and SPVs level in the current financial year
- Cost of debt has reduced by c.50 bps from c.7.1% p.a. at the end of March 2021, to c.6.6% at the end of March 2022
- Net Debt to Market Value remains low at 15.7%
- Corporate credit rating by CRISIL Ratings and ICRA stands at CCR AAA/ Stable and [ICRA] AAA (Stable) respectively

## Stable cashflow with sustained growth

Mindspace REIT's long-term leases coupled with embedded escalations ensures visibility on a stable, future cash flow. Our current portfolio has a WALE of 6.9 years as of March 31, 2022 and over the last fiscal we have re-leased approximately 2.8 msf at rents, on an average, 31.0% higher than in-place rents. We further stand to benefit from the Right of First Offer (ROFO) agreement with KRC group that provides an option to acquire certain projects that are developed by the Sponsors. We are currently evaluating a ROFO asset with a total leasable area of 1.8 msf at the Commerzone Madhapur.

### Important milestones in FY22:

- As of March 31, 2022, our business parks demonstrate an expansion potential of 7.6 msf, of which 3.0 msf constitutes an Under Construction Area and 4.6 msf of Future Development Area
- Of our current under-construction area of 3.0 msf, ~1.7 msf is scheduled to be completed in FY23, out of which c.70% is already pre-leased

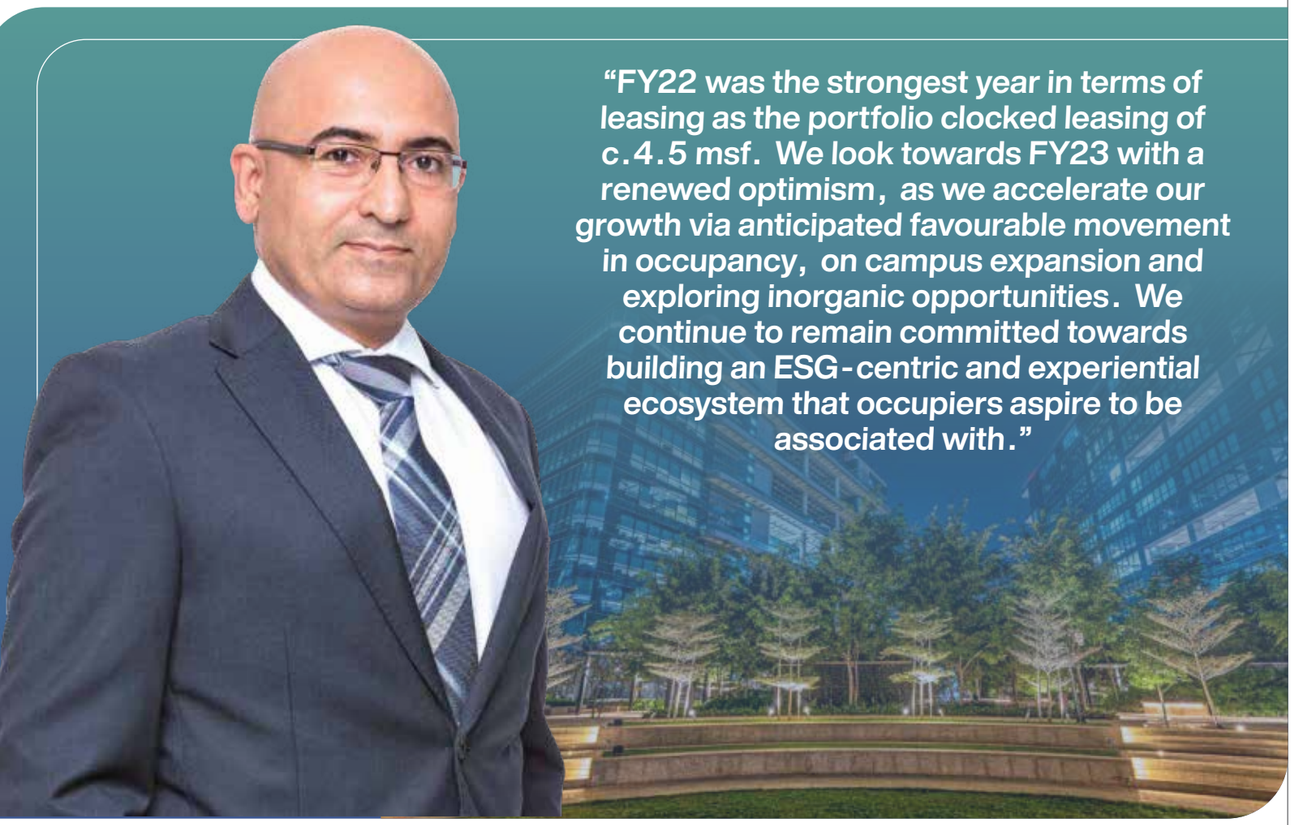
## On the back of expertise and experience

Mindspace REIT's core team brings a collective experience of 21 years across areas of development, leasing, operations, and management of commercial real estate assets across India. Our management's deep understanding of the market dynamics aids in creating long-term value for our stakeholders.

- Average work experience of 21 years
- Strong management team with unmatched expertise in development, asset management, and fund raising, among others
- Strong relationship with tenants, lenders and, capital providers

Message from the CEO

# CEO's message



**"FY22 was the strongest year in terms of leasing as the portfolio clocked leasing of c.4.5 msf. We look towards FY23 with a renewed optimism, as we accelerate our growth via anticipated favourable movement in occupancy, on campus expansion and exploring inorganic opportunities. We continue to remain committed towards building an ESG-centric and experiential ecosystem that occupiers aspire to be associated with."**

## Dear Unitholders,

It gives me immense pleasure to present to you our second Annual Report.

The financial year began with the second wave of the pandemic which brought in stringent nationwide restrictions to combat it. However, the year ended with the Centre permitting states to ease most of the restrictions, allowing them to march towards restoring balance in the economy. The government-led inoculation drives, coupled with lower infection rates, aided in creating a positive impact and reinstating normalcy. Despite the challenges, we have recorded one of the best years of leasing, recording volumes of c.4.5 million square feet (msf) in FY22. We have achieved healthy re-leasing spreads of 31% and our net operating income has grown by c.8.2% year-on-year (y-o-y).

As organizations are moving back to working from offices, we are ready with renewed vigour to partner with our tenants and becoming integral to their growth stories. At Mindspace REIT, we are committed to build an ecosystem that helps attract and retain employees and offer them a collaborative platform to think, connect and grow.

### Future of office

Today, both organizations as well as their employees have started appreciating their workspaces more than before. Companies have realized that a workspace plays an important role in shaping the culture of the organization by fostering collaboration, innovation, and growth. Employees too have come to realize the importance of having a dedicated and distinguished work environment.

With each subsiding wave of COVID-19, we witnessed a healthy bounce back in leasing activity, reiterating the integral role of physical office spaces. While the third wave marginally deferred the back-to-office momentum, we expect it to be back on track with many companies announcing return to work timelines with GCCs/GICs being the front runners.

As employees start coming back to their workspaces, they have started to relish opportunity to collaborate, brainstorm, ideate, and build camaraderie while seamlessly weaving in the organization's culture; an intangible which could not be replicated in remote working models.

### Key highlights of FY22

- Recorded NOI growth of 8.2% y-o-y
- Leased c.4.5 msf
- Won 9 'Sword of Honours'
- First real estate entity to commit to RE100 initiative
- 24.4% returns (including distributions) during FY22

### Operational performance

We have recorded one of our best year in terms of leasing. Our in-place rent increased by 10.3% y-o-y to ₹ 61.7 per sq. ft. per month. In addition, our ROFO assets also witnessed elevated leasing momentum, recording leasing of c.2.9 msf during the year taking the cumulative leasing to c.7.5 msf across the REIT and ROFO portfolio.

Large occupiers are leading the inquiries to scan the marketplace for their long-term back-to-office footprint strategies. As a result, the demand for under-construction assets is strengthening. To quote few examples, our entire building of c.0.67 msf in Commerzone Kharadi, Pune has been pre-leased to a single tenant. Our ROFO asset Commerzone Madhapur, Hyderabad with a leasable area of c.1.8 msf was also entirely leased to a marquee global tenant and an entire under-construction building of c.0.7 msf at our ROFO asset Commerzone Pallikaranai, Chennai was also pre-leased. This demand for large spaces is encouraging us to advance our future development timelines.

Our committed occupancy for the year was 84.3%. Additionally, if we include all the pre-leasing in our under-construction assets the committed occupancy rises to c.85.0%.

### Augmenting assets, enhancing growth

As envisaged, occupiers today do not want to compromise on asset quality and asset management, as they restart their journey towards office occupancy. There is a strong desire to provide work environments to their employees which promote wellness and offer ample recreational spaces, entertainment zones, and hassle-free access to transportation nodes. Work-life balance today has become far more important and work environments that can provide this balance are witnessing traction. We had anticipated this trend to play out and have been upgrading our parks to cater to the change in preferences. To quote one such example, we have recently inaugurated the one km long skywalk within our Mindspace Madhapur at Hyderabad, allowing seamless connectivity from the metro station directly to our office buildings. The skywalk has not just helped to reduce the discomfort caused by vehicular traffic to pedestrian movement but has also led to significant reduction in carbon footprint generated by last mile transportation as well as reduce the noise pollution and traffic within our parks. The skywalk also houses Vantage Café that hosts kiosks and breakout spaces providing for food, recreation, and entertainment zones.

We have also initiated development of similar experiential and aspirational offerings at our other parks. We have commenced construction of an entertainment and recreational center at Mindspace Madhapur, Hyderabad and a high street experience for food, entertainment, and retail at Mindspace Airoli East, Mumbai region.

We have brought forward the timelines for a new building at Commerzone Kharadi, Pune and have commenced the work on redevelopment of c.0.36 msf old office building at Mindspace Madhapur, Hyderabad business park which would be replaced by a state-of-the-art c.1.3 msf modern office building. For our new building at Commerzone Kharadi, Pune, the revised Floor Space Index norms has increased the leasable area of our new building from c.0.6 msf to c.1.0 msf. The total leasable area of the REIT portfolio has now grown to 31.8 msf, up from 30.2 msf at the end of FY21.

We are evaluating opportunities to add new assets, while being cognizant about incorporating deals that are value accretive to our unitholders. We have received the ROFO notice from the sponsors to acquire a fully leased c.1.8 msf asset in Madhapur, Hyderabad. This asset is located close to our existing Mindspace Madhapur Park and complements our existing offerings. Basis the approval received from the Governing Board to evaluate the opportunity, we have on-boarded advisors, and the due diligence is in progress.

### Building a sustainable future

It has been our purpose to protect our communities and the planet through responsible practices. As an organization, our growth has been in tandem with our ESG commitments. We are constantly working towards building and strengthening effective methods that minimize environmental impact without compromising on design and quality. In doing so, we are committed to setting new benchmarks. We were

## Message from the CEO

the first Indian real estate entity to join RE100 and EV100 initiatives.

Our properties have been certified with LEED, CII-IGBC NB Gold, Platinum and Wellness certifications, and have won British Councils prestigious 'Sword of Honour' awards across multiple assets which is a testament to our commitment towards maintaining the highest environmental standards. Currently, c.77.3% of our operational portfolio is 'Green Certified' by LEED or IGBC.

On the social front, we are deeply committed to delivering safety, inclusivity and growth of the communities we operate in, along with that of our employees and occupiers. In the neighbourhood of Mindspace Madhapur at Hyderabad, we have completely transformed the Durgam Cheruvu lake in Madhapur from a stagnant dying waterbody into a vibrant lake ecosystem with well-planned walkways and gardens. We have also fortified security at the Lake with circumference fencing, watch tower and closed-circuit television cameras. It has now become a recreational spot and a landmark that the local populace is now proud of. We invested time and resources in ensuring its upkeep and maintenance even through the lockdown.

Our human assets are at the heart of everything we do. We invest in the wellbeing of our workforce and strive to create a conducive work environment. We launched the 'Reach Out' initiative to provide one-on-one professional counselling to our employees and their families, with a view to promote mental wellbeing. Gender diversity is imperative for us and our efforts to develop the same have resulted in a 27% representation of women in management workforce which is one of the highest in our industry. We are launching our 'Relaunch' program, a gender agnostic policy aimed at hiring talent which has taken a work-break due to various reasons. We are proud to announce that we are now 'Great Place to Work'-Certified, by the Great Place to Work Institute for March 2022-23.

We believe that a robust governance strategy is critical to ensure the long-term success of an organization. We have built a strong governance framework by implementing various corporate policies and processes. Additionally, our governance structure has also been established to ensure the successful execution of our sustainability efforts and monitor the impact created by them.

Aligned with our purpose of building a holistic ecosystem, we have developed an ESG framework that prioritizes environmental wellbeing, societal development and mainstreaming the principles of rightful business conduct. Our framework is based on three key pillars, 1) Resource Conservation and Efficiency 2) Employee and Community Relations and 3) Responsible Business Conduct. We have also set ourselves stringent quantified targets in the field of emission reduction, green portfolio, gender diversity and safety. These targets are further elaborated in the ESG section of this report.

### Looking ahead

Despite listing during pandemic and facing two more lockdowns, our leasing teams have managed to lease c. 8.1 msf over the last two financial years FY21 and FY22. This instils remarkable confidence on the strength of our leasing teams.

In the near future, we expect leasing demand to be driven by three major factors – record hiring in technology companies, further enhancement in India appeal as a destination to setup GCCs/GICs, and accentuation in demand towards institutionally owned Grade A assets with best asset management.

Speaking of each factor in-depth, the IT industry in India has reached another inflection point led by increased spend on digitization by companies globally. Unlike the previous inflection point of Y2K, which was led by low-cost labour arbitrage models, this time around it is led by intellectual value-added services like - data analytics, cloud management, machine learning and artificial intelligence, among others. The record addition to headcounts of IT companies in India is testament to the renewed growth prospects. As per NASSCOM reports, the headcount of IT companies is expected to cross c.5.1 million in FY22 reaching a record high. The industry has added c.445,000 employees in FY22. This hiring is expected to translate into significant addition to overall new leasing demand.

On the GCC/GIC front, India's ability to deliver even during the peak of the pandemic has won it accolades from businesses globally. An increasing number of companies have started looking at India to setup their GCC/GICs. As per NASSCOM reports, India had 1,430+ GCCs at the end of FY21. This count is expected to grow at a CAGR of 6%-7% to reach 2,000+ GCCs by FY25. In the same period, the headcount of GCCs is expected to grow 2x at a CAGR of c.12% reaching c.2 million by FY25.

The last two years have seen a turnaround in the definition of a Grade A asset. Occupiers are now keen to shift out of strata-sold assets, given their challenges to negotiate with multiple landlords. Consequently, they are clear with who they want to be associated with and are willing to pay a premium for institutionally owned and managed business parks.

Analyzing the start and end of financial year fortifies our confidence of growth as we enter the new financial year. It promises a stronger year in terms of a potential upsurge in occupancies.

The Union Budget acknowledged the importance SEZ has had on the Indian economy. We expect the policies to be suitably reformed during the upcoming financial year. The strong leasing demand we are seeing for our de-notified buildings gives us confidence to lease out the vacant SEZ spaces post the amendment. With large occupiers firming up their back-to-office plans we expect smaller ones to follow suit. We are excited about the mark-to-market opportunities in our portfolio.

### Note of gratitude

I would like to thank our stakeholders who have been our committed partners in progress. I also want to extend sincere gratitude to our unitholders for believing in our business, our ethics, and our promise of creating lasting value. Our government stakeholders and regulators have given us direction and their efforts to create a conducive regulatory environment has helped the growth of REITs in India. The members of the Governing Board of our Manager have been the guiding light to uphold the highest standards of governance. Our strong network of suppliers and vendors has ensured timely and quality deliveries to help us build assets that match global standards. Our tenants, by choosing us as their partner of choice, have always placed their unwavering faith in us. This has allowed us to curate the best-in-class assets, matching their needs. I thank you for your trust and unshakeable support. And lastly, I thank our management team and all our employees, who are our most invaluable assets, for tirelessly striving to build a top-notch business.

**Sincere regards,**

# Forging new partnerships with an unmatched portfolio and services

India Inc is returning to working from offices, creating suitable policies to bring their employees back in a phased manner. The ebbing of the pandemic along with vaccination coverage has given organizations the confidence to resume work from office. Organizations understand the importance of physical workspace in building the engaging culture for their workforce, in an environment that ranks high on safety protocols.

At Mindspace REIT we believe in investing in the wellbeing and delight of our tenants and their workforce. A significant increase in IT/ITeS hiring and return-to-work plans along with the Mindspace REIT promise of safety and top-notch quality ensured that 36 new tenants were added to our portfolio. It is our constant pursuit to build a harmonious association with our tenants and partners by upgrading and redesigning spaces to suit their changing needs. 31 of our tenants re-leased with us in the last year. Even during the year impacted by external factors, our strong connect allowed us to re-lease 50% of expiries during the year. This is reflective of the deep association we have nurtured with our tenants, our commitment to growth, and building an egalitarian work environment.

Our trusted partnership with marquee tenants has ensured a record pre-leasing of the entire under construction building of c. 0.7msf at Commerzone Kharadi, Pune. We also entirely leased our CBD asset of 0.1 msf, The Square BKC, Mumbai Region to IDFC Ltd. Expertise of our able leasing team ensured FY22 turned out to be the best leasing year for the portfolio.

Our all three ROFO assets saw leasing momentum elevate with notable deal being pre-leasing of an entire building of c. 1.8 msf at Commerzone Madhapur, Hyderabad.

Asset Enhancements

# Asset Enhancements, Augmented Experiences

We are conscious of the ever-changing needs of our tenants and the importance of staying relevant and a prized choice. We work towards asset upgradation programs that enhance our well-rounded portfolio, evolving to suit the tenants' needs.

Integrating technology while being ecologically conscious is integral to our ethos. Each new asset is meticulously conceived and designed, benchmarked to the latest trends and global standards. A key focus is also to make sure the assets, over time, continue to be valuable to our discerning tenants. To ensure this, we revamp our assets to match world-class standards, while paying significant attention to enhancing the biodiversity in the vicinity. This makes our properties thoughtful, and replete with safe and sustainable amenities.

## Commerzone Kharadi

Focusing on the idea of using biophilia in recreating workspaces, our aim is to help the millennial professionals reconnect with nature. The Commerzone Kharadi is one of our most popular assets that has incorporated nature into its workspaces to build an integrated ecosystem.

Key Performance Indicators

# Carving the path for growth acceleration

In FY22, we continue to report a sound financial performance, meeting our expectations. With the return-to-office plans of most companies now set in motion, we are confident of the leasing demand revival in the coming quarters.

We continue to optimize our operating costs, resulting in improved NOI margins.

The cost of borrowings has also reduced significantly from 9.2% as on March 31, 2020 to 6.6% in March 31, 2022. We have a well-adjusted balance between fixed cost and variable cost debt, with 45.9% of our total outstanding debt as on March 31, 2022 being fixed cost. We intend to increase the share of fixed cost debt in our portfolio.

We have a low gearing ratio of 15.7% and an adequate debt headroom, allowing significant financial flexibility to pursue value-accretive growth.

## Numbers of stability and growth

**15.7%**

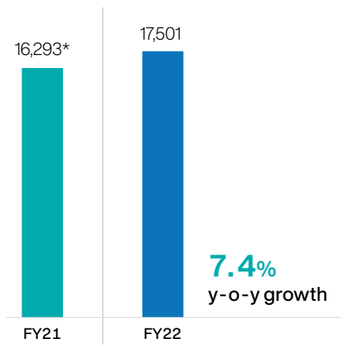
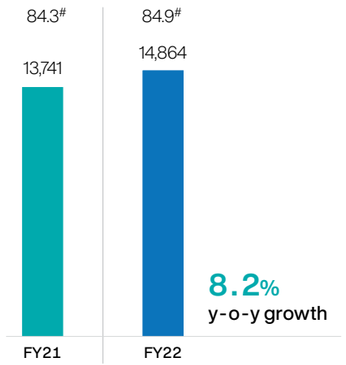
## Revenue from operations (₹ million)



Revenue from Operations primarily includes facility rentals and fit out rents, which are driven by new leasing, contractual escalations, re-leasing and vacancies. It is an important indicator of operational performance. During FY22, Revenue from Operations increased by 7.4% over FY21.

*Excluding revenue from works contract services and on pro forma basis

## Net Operating Income (NOI) (₹ million)



Net Operating Income is a key indicator of profitability of our commercial office assets and is a key factor in determining their value. During FY22, NOI increased by 8.2% over FY21 primarily due to top-line expansion and cost optimization. Our NOI margin continues to remain strong at 85%.

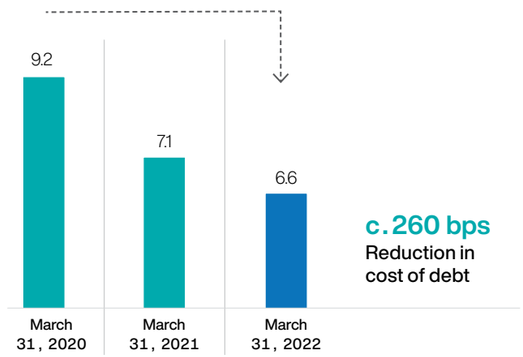
## Weighted Average Cost of Debt (%)



**c.260 bps**
Reduction in cost of debt

The Cost of Debt has come down significantly by c.260 bps from March 31, 2020.

During FY22, we continued to pursue our strategy to raise fixed cost debt to lock-in low interest rates in the low-rate environment. This has helped us optimize our cost of borrowings. As stated previously, our strategy would be to deploy a combination of short- to medium-term and long-term debt with different maturities as also a combination of fixed and variable debt and are looking at diversifying our source of funds.

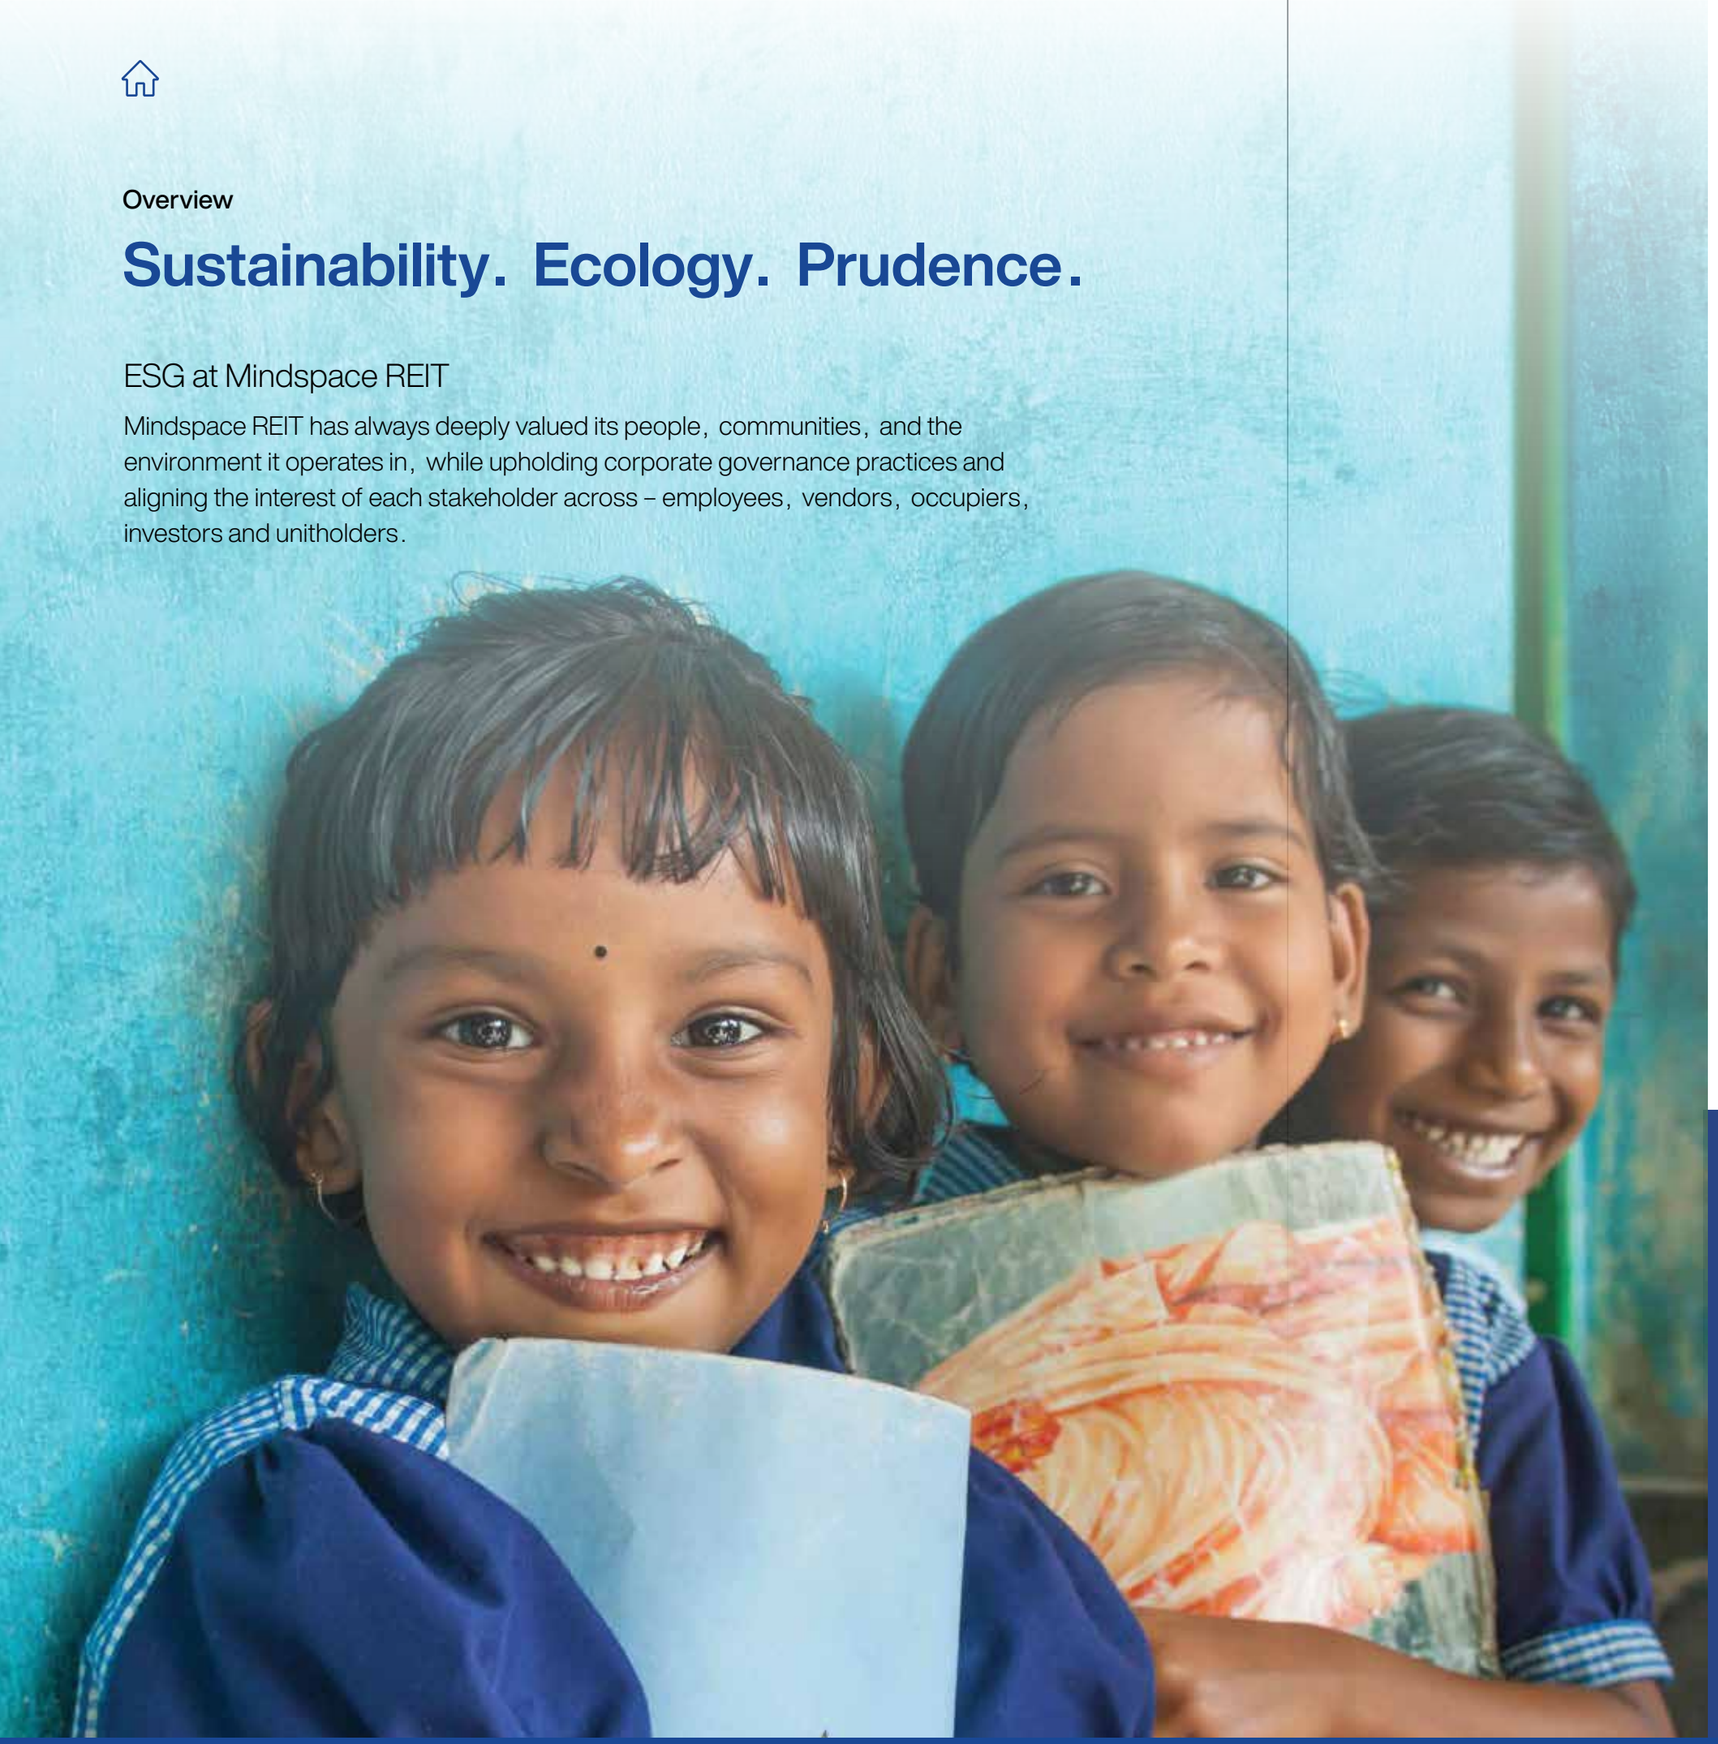
## ESG at Mindspace REIT

Mindspace REIT has always deeply valued its people, communities, and the environment it operates in, while upholding corporate governance practices and aligning the interest of each stakeholder across – employees, vendors, occupiers, investors and unitholders.



The last two years have created a paradigm shift in perspectives towards sustainability. It has pushed organizations to intensify efforts in combating material ESG issues around their businesses. While our people remain invested in interventions that are good for the environment and working towards building strong communities; our investors regard us for our sustainability practices and high standards of governance. As we clearly chart out our ESG roadmap, we are encouraged by our tenants, some of the most revered global IT and corporate giants, whose ESG commitments seamlessly merge with ours. This enables us, with ease of executing our ESG priorities, to create a robust sustainable future.

Our responsibility encompasses every square foot of the workspaces that we nurture. Our sustainability approach is multi-pronged and converges Environmental, Social and Governance (ESG) aspects to create long-term value for all stakeholders. As a responsible business entity, we develop and execute mindful strategies that are in sync with our sustainability ambition and include:

- Being a sustainability leader in the realty industry
- Creating long-term value for stakeholders through an ESG focused business strategy
- Prudent use of resources while building assets that are designed to be resource efficient through their lifecycle
- Building a robust governance framework that provides relevant guidance to function ethically

While we are embedding sustainability across every aspect of our operations, we are deeply humbled by the commitment of stakeholders who support our growth journey. It is their invaluable trust that enables us to emerge as a more resilient and responsible business enterprise.

Industry Landscape

# Grade A office market overview

The office leasing activity across the top six cities marked a sharp bounce back in CY21 registering a growth of 21.6% y-o-y after a muted CY20. The annual net leasing volumes across the top six cities was over 18.8 million square feet (msf) in CY21. The leasing volumes grew further in CY22 recording net leasing of 5.5 msf in the first three months of CY22.

The commercial office spaces in India have evolved from standalone strata sold units to modern business parks which offer amenities such as cafeterias, conference room facilities, and multi-purpose sport courts, among others. Since the pandemic, there has been a complete transformation of occupiers' definition of Grade A assets. Occupiers are keen to be associated with single owner buildings that have the best health, wellness and safety protocols. Many occupiers have a global mandate to shift to green buildings that adopt best sustainability practices.

These trends are visible in CY21 leasing activity. Several companies have started charting out their return to office plans in a phased manner and are taking up new spaces to cater to their increased headcount requirements. As greater number of employees start returning to office, we expect the full impact of hiring on leasing volumes.

## Commercial demand revival expected as the tech story continued to unfold

The phenomenal rise of technology companies and GCCs remains a key contributor to the growth of commercial real estate in the country. The Indian technology industry is one of the global success stories. It has successfully transitioned from being a low-cost support and business process outsourcing location to a hub for high-end value-added services and digital business offerings. The industry has grown stronger riding on increased tech spending, accelerated tech adoption and digital transformation by companies globally. India's attractiveness as an offshore destination continues to grow with the number of GCCs expected to cross 2,000 by FY25. These two sectors have hired a record number of people over the last two years to cater to their renewed business prospects. This hiring will drive leasing demand at our parks in the coming years.

## Office demand recovery propelled by:

- Strong hiring by technology companies and GCCs on account of stronger growth prospects
- Companies starting to call back employees to office
- Preference of occupiers to operate from secured office environments with adequate health, safety and wellness protocols
- Shift from strata sold assets to quality, single owner Grade A properties
- Rise in demand for campus style developments

## Industry Landscape

### Presence in the best performing micro markets

Top six markets in India comprised c. 536 msf of Grade A completed stock as of December 31, 2021. ### Key updates - Thane Belapur Road

Source: Cushman and Wakefield Research

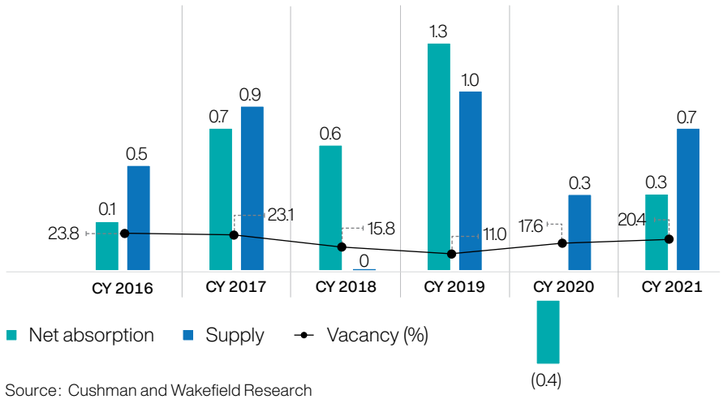
#### Thane Belapur Road

- The Thane Belapur stretch has emerged as the preferred location for office tenants because of its proximity to the large residential catchment areas of Thane and Navi Mumbai, affordable rent and robust connectivity
- Apart from the prevailing demand of IT companies, the business district is witnessing an increasing traction from BFSI companies
- The delay in upcoming supply and demand from BFSI segments is expected to bring down vacancy levels in this market

### Key Updates - BKC and Annexe



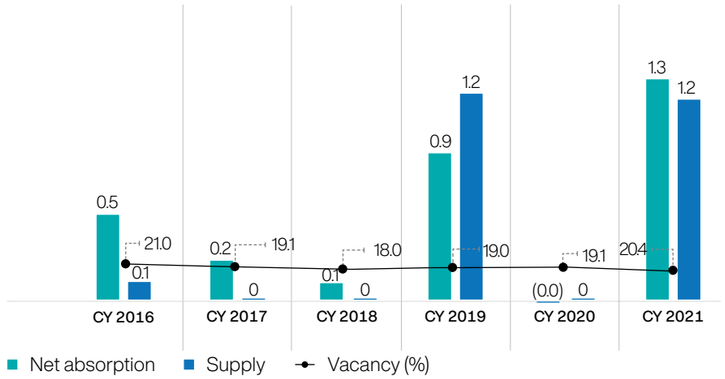
Source: Cushman and Wakefield Research

#### BKC and Annexe

- BKC and Annexe is one of the biggest micro markets having large concentration of BFSI tenants
- Strong demand from prime tenants and limited supply keeps vacancy in check in BKC and Annexe, maintaining headline rentals stable despite the pandemic

## Industry Landscape

### Key updates - Malad – Goregaon



Source: Cushman and Wakefield Research

**Malad – Goregaon**

- Malad – Goregaon micro market has gained increased traction, owing to quality Grade A developments, proximity to the talent catchment areas and larger floor plates
- Vacancies have declined steadily through 2017 to 2021, and are expected to decline further due to high pre-commitments and limited supply

### Chennai

Chennai has emerged as a favorable investment destination for manufacturing, technology and logistics by virtue of its strategic location and government subsidies. The key drivers of demand for office spaces in Chennai are its skilled talent pool, presence of educational institutions, growing presence of IT and BFSI companies and well-developed social infrastructure.

## Where Futuristic Technology Meets Green Design

Hyderabad's largest Grade A Business Park, Mindspace Madhapur, offers an inimitable experience in spaces that are state-of-the-art, sustainable, and futuristic. The safety and wellbeing of our tenants has been at the core of these workspaces. The sprawling 4-acre green zone in the business park, along with an open theatre and other outdoor facilities, aim at providing opportunities for coming together, and fostering camaraderie among the workforce.

Mindspace Madhapur is well-connected in terms of rail and road access, in addition to being in proximity to the airport. The Durgam Cheruvu cable bridge has further reduced the travel time between Madhapur and Jubilee Hills, facilitating better access of the HITEC city and the financial district with the rest of the city.

Sustainability stands enshrined in our business approach. In sync with it, Mindspace Madhapur features electric charging stations for e-vehicles, preferred parking spaces for carpool vehicles, rainwater management, high solar reflective index roof, and renewable energy generation through on-site solar PV panels. Additionally, we are conscious about reusing and recycling wastewater, using low-VOC paints, adhesives, and sealants, and facilitating outdoor air provision as per ASHRAE (American Society of Heating, Refrigerating and Air-Conditioning Engineers) standards, among others.

# Management Discussion and Analysis

The discussion and analysis of our financial condition and results of operations that follow are based on our Audited Consolidated Financial Statements of Mindspace REIT and the Asset SPVs (together known as "Mindspace Group") for the year ended March 31, 2022 prepared in accordance with Indian Accounting Standards and applicable REIT regulations.

Consolidated FY22 numbers reflect 12 months financial performance of the Asset SPVs. However, in FY21, the acquisition of Asset SPVs by Mindspace REIT was effected on July 30, 2020. Consequently, consolidation of financials of these Asset SPVs with Mindspace REIT has been done effective August 01, 2020 and therefore, Consolidated FY21 numbers reflect 8 months financial performance of the Asset SPVs. Hence, the numbers for FY22 and FY21 are not comparable. However, for comparison purpose with FY22 figures, in the section **Comparison of Pro Forma Financial Numbers and Movement in revenue from operations and NOI by assets,** we have provided pro forma Revenue from Operations and Net Operating Income for the twelve-month period from April 01, 2020 to March 31, 2021.

This discussion contains forward-looking statements that involve risks, uncertainties and assumptions, which could cause actual results to differ materially from those forecasted and projected. The '**Risk Factors**' section included in this Annual Report discusses a number of factors and contingencies that could affect our financial conditions and results of operations.

All the financial numbers in this section have been rounded off to the nearest million unless otherwise stated.

## Mindspace REIT Overview

Mindspace REIT owns a quality office portfolio across four key office markets of India, i.e. Mumbai Region, Pune, Hyderabad, and Chennai. The portfolio comprises five integrated business parks and five quality independent offices. With a total leasable area of c.31.8 msf (24.2 msf completed; 3.0 msf under construction; 4.6 msf future development), it is one of India's largest Grade A office portfolios. Mindspace REIT's focus is on building a community-based ecosystem to meet the demands of "**new-age businesses**" while maintaining high safety and quality standards. Our parks are distinguished by their scale and thus making us the preferred partner of both domestic and foreign multinational corporations.

These assets are located in the established micro-markets, with proximity and/or connectivity to major business, social, and transportation infrastructure. We have built a significant presence in the portfolio markets where we operate and have meaningfully contributed to the evolution of these markets.

As of March 31, 2022, the portfolio is well diversified with over 175 tenants. Our diversified tenant base comprises a mix of Indian and foreign multinationals, including affiliates of Accenture, Qualcomm, Cognizant, L&T, Wipro, IDFC, Barclays and Amazon, among others. No single tenant contributes more than 6.0% of gross contracted rentals as on March 31, 2022. While tenants from the technology sector traditionally comprised our largest tenant base, our sectoral mix is diversified with non-technology sectors contributing to 57.7% of our gross contracted rentals. Technology, financial services and telecom and media constitute our three largest sectors with contribution to Gross Contracted Rentals of 42.3%, 18.4% and 10.6%, respectively as on March 31, 2022. Approximately 77.2% and 29.4% of Gross Contracted Rentals come from leading multinational corporations and Fortune 500 companies, respectively.

Our unwavering focus of attracting and retaining the best tenants in our portfolio continues. This approach has stood the test of challenging times as we have been able to collect over 99% of our contracted rentals even during peak of pandemic. Our long-standing relationship with our tenants has helped the portfolio see our tenants grow across various parks within the portfolio. Our focus on constant engagement with our existing and potential tenants, has enabled us to expand our tenant universe as we grow with our existing tenants.

### REIT clocks a strong year of leasing

FY22 started with imposition of restrictions to combat the second wave. At the same time, the Government of India accelerated the vaccination drive and was able to vaccinate majority of eligible adult population by end of the financial year. As the second wave started receding, the leasing demand picked up and we were able to lease 3.8 million in first nine months of FY22. The physical occupancies also started to improve from September 2021 onwards. However, the third wave marginally paused the leasing momentum forcing occupiers to postpone their return to office plans. Despite the disruptions caused by two waves, we recorded one the best years of leasing and leased 4.5 msf (including hard option area). Our ROFO assets also witnessed strong leasing traction during full year FY22, as all three ROFO assets cumulatively saw leasing of 2.9 msf during the year.

### Using downtime to upgrade our offerings

While the two waves of the pandemic did cause temporary disruptions and came with its own set of challenges the downtime helped us revamp and transform our business parks improving the marketability quotient. Apart from the carrying out our planned building façade upgrades, we were able to add - new biophilia art installations, recreational areas, retail spaces and boardwalk to improve navigation within our parks. The recently opened 1 km long skywalk at Mindspace Madhapur is one such example. The skywalk has not just helped to reduce the discomfort caused by vehicular traffic to pedestrian movement, but also led to significant reduction of carbon footprints generated by last mile transportation of vehicles as well as reducing the noise and traffic within our parks. The skywalk also houses a Vantage Café along with kiosks and breakout spaces providing food, recreation and entertainment offerings. As our occupiers and their employees, begin to return to office, they are pleasantly surprised by the transformation and the stress-free travel to their office spaces. It is fast becoming a new landmark for the city of Hyderabad. Many such interventions will change the face of workspaces.

### Readying for upsurge in leasing demand

We are optimistic about the leasing outlook on the back of robust hiring in IT, potential for GCC expansion in the country and our presence in right micro-markets with right offerings, As a result, we are aggressively looking at bringing more supply in our micro-markets. The key projects in the pipeline include potential redevelopment at Mindspace Madhapur (c.1.3 msf), multiple buildings at Gera Commerzone Kharadi (1.7 msf), data center building at Mindspace Airoli West (0.3 msf) and several other projects.

### FY22 Highlights

- Expanded the total leasable area of the portfolio by 1.6 msf primarily via on-campus developments
- Leased over **4.5 msf** Commercial space in FY22
- Successfully pre-leased entire U/C building (B5) at Commerzone Kharadi, Pune to a global tech giant
- Achieved average re-leasing spreads of 31.0% on 2.8 msf (includes re-leasing and vacant area leasing)
- Committed to **RE100 initiative,** targeting 100% renewable energy usage by 2050
- Pre-leased/Leased 2.9 msf at ROFO asset (Commerzone Madhapur), Commerzone Pallikarnai and Mindspace Juinagar
- Commenced construction of a new 1 msf building in Commerzone Kharadi and 0.05 msf Club House in Mindspace Madhapur
- Increase in in-place rent by 10.3% to 61.7 psf per month primarily on account of contractual escalations, MTM realization via re-leasing of area at higher rent, leasing of new area at market rent and advancing our renewals
- Generated NOI of ₹ 14.9 billion, registering a growth of c. 8.2% y-o-y
- Achieved 50bps reduction in borrowing costs during FY22
- Raised ₹ 9 billion through fixed coupon non-convertible debentures (NCDs) at attractive rates
- Facilitated over **1,00,000** COVID-19 vaccinations across our parks
- Received prestigious **9 'Sword of Honour'** from British Safety council across 7 business parks
- Unitholder return of 24.4% during the year including distributions
- Delivered a **120 bed** facility at Kondapur, Telangana as a part of CSR to boost healthcare infrastructure in the region
- Undertook strategic asset enhancement at our Madhapur and Airoli East assets, to energize the parks, improve tenant experience, keep the parks ready to meet the changing needs of millennials
- Weighted average debt has come down to 6.6% which is one of the lowest in the industry
- Distributed ₹ 10,941 million during the year, representing 6.7% yield on IPO issue price
- Established sustainability framework setting up detailed ESG roadmap and target
- Mindspace REIT is now 'Great place to work certified'

## The Evolving Business Dynamics

The pandemic has altered our way of life for all and accentuated few trends which probably would have taken years if not decades to achieve. We expect a significant growth in Grade A office demand to come on account of these transformations.

### Change in Occupiers' definition of grade A

As envisaged, occupiers do not want to risk or compromise on asset quality as they restart their journey towards office occupancy. There is a strong desire to create and provide wellness and experiential work environments. We had anticipated this trend to play out. Strata sold assets are now no-longer considered Grade A by a significantly large segment of top-notch occupiers. Occupiers are now keen to shift out of strata-sold assets, given the challenges associated with negotiating with multiple landlords to implement health and safety protocols. As a result, they are willing to pay premium for institutionally-owned Grade A buildings. During the financial year, we witnessed a key BFSI tenant move out of an erstwhile strata-sold asset in BKC into our building in BKC. We see this shift happening at our other parks as well.

### Strengthening of India's potential as GCC hub

The ability of Indian services sector to deliver even during peak of pandemic has won it accolades globally. It has further reinforced India's credibility as a global offshoring hub. In FY21, India had over 1,430 GCCs employing 1.38 million people. The number of GCCs are expected to grow at a CAGR of c.6-7% and reach c.2,000 and their headcount is expected to grow almost 2x at a CAGR of c.12% reaching c.2 million by FY25. India has the largest availability of STEM (Science, Technology, Engineering and Mathematics) talent and this coupled with availability of office spaces at near sub-dollar rents fortifies the case of setting up new GCCs in India's favour.

### Indian IT industry at its new inflection point

Technology companies played a pivotal role as the world moved to a remote working environment. Companies globally have accelerated their digitization plans and spends. The impact is visible in the results of Indian IT companies and their hiring trends. Indian IT companies have hired a record number of people since the pandemic and reported strong addition to the headcount to cater to their renewed business prospects.

The IT growth which started after Y2K was largely driven by cost arbitrage models. However, the next wave would be driven by high value intellectual services like – machine learning, artificial intelligence, business automation, data mining, data analytics and cloud adoption. Such cutting-edge services command a premium and are delivered by organizations with top notch talent. The ability and the desire of the occupiers to provide a high quality environment for their human capital favor Grade A landlords like us.

NASSCOM research suggests the technology services industry is estimated to be worth $ 227 billion in FY22. The headcount of IT companies in India is now estimated to reach an all-time high of 5.1 million employees at the end of FY22, representing a net employee addition of c.4,45,000 employees during the financial year. The top 10 IT companies alone have added c.2,15,000 employees during the period of 9M FY22, which is ~2.0x times the net additions during pre-COVID-19 levels of FY19. According to NASSCOM, the industry has hired freshers in bulk in order to meet the growing digital demand. Fresher hiring has acted as a cost management tool for the companies by flattening the pyramid. This ensures the robustness of the industry and is visible in the share of employee cost in revenue. Addition of new hires, especially freshers, has led to employers revisiting the need for training, induction, collaboration, etc. further strengthening the relevance of office infrastructure.

### Importance of office space coming to the fore

While working from home provides flexibility and comfort, it cannot replace the collaborative atmosphere and social interactions a physical office space fosters. Employees and employers are starting to realise that permanent remote work could mean a blurring of work-life boundaries and missed opportunities for mentorship and office camaraderie. Many companies have started calling employees back to office. If we refer to Q4 FY22 results of Indian IT companies, several companies have indicated that they have started calling employees back to office in multiple phases. While the number of days a week that an employee is required to attend office is still being evaluated, one thing is becoming evident is that office is going to be the center of future workplace models.

Our conversation with tenants and on-ground park attendance are indicating significant ramp up in physical occupancy at our parks as we head into the new financial year. We expect it to improve jump further by second half of FY23. With IT companies and GCCs having hired record number of people including freshers, they will have to expand their office footprint to cater to this new hiring.

### Risks factors

Risks and concerns affecting our operations are captured in section 'Risk factors' on Page 107-110

## Basis of Preparation of Consolidated Financial Statements

Please refer Basis of preparation stated in Consolidated financial Statements on Page 233-234

### Summary of significant accounting policies

Please refer Significant Accounting Policies stated in Consolidated financial Statements on Page 234-243

### Principal components of consolidated statement of profit and loss

Our revenue from operations comprises the following sources: (i) facility rentals; (ii) income from maintenance services; (iii) revenue from works contract services; (iv) revenue from power supply; and (v) other operating income.

### Facility rentals

Revenue from facility rentals comprises the base rental from our properties, fit-out rentals and income from car parking and others and certain Ind-AS adjustments to reflect the impact of straight lining of leases and discounting of security deposits.

**Base rentals:** Base rentals comprise rental income earned from the leasing of our assets.

**Fit-out rentals:** For some of our tenants, we provide customized alterations and enhancements as per the tenants' requirements. Generally this is recovered through fit-out rental.

**Income from car parking and others:** Primarily, includes income from car park, kiosks, signage, ATMs, promotional events, among others.

### Income from maintenance services

Income from maintenance services consists of the revenue that we receive or is receivable from tenants for the Common Area Maintenance (CAM) services provided as per the terms of agreement with the tenants, and also includes revenue from common area maintenance services provided to third parties, if any, located within the assets.

### Revenue from works contract services

Revenue from works contract services includes revenue earned from construction of building for the tenants based on their specification and requirements.

### Revenue from power supply

Revenue from power supply includes income from supply of power to tenants within the notified SEZ.

### Other operating income

Other operating income primarily includes (i) interest income from finance lease, which comprises interest income from fit-out rentals where such leases are classified as finance leases. Leases are classified as finance leases when substantially all the risks and rewards of ownership is transferred to the lessee; (ii) income from sale of surplus construction material and scrap; and (iii) service connection charges for power supply and other charges.

### Interest income

Our interest income comprises the following sources: interest income on (i) loans to body corporates; (ii) fixed deposits with banks; (iii) electricity deposits; (iv) income-tax refunds, and (v) others.

### Other income

Our other income primarily comprises: (i) gain on redemption of preference shares; (ii) gain on redemption of mutual fund units; (iii) Liabilities no longer required written back, and (iv) miscellaneous income and (v) profit on sale of assets.

## Expenses

Our expenses primarily comprise: (i) cost of work contract services (ii) cost of power purchased (iii) employee benefit expenses (iv) cost of property maintenance services (v) repairs and maintenance (vi) other expenses (vii) depreciation and amortization expenses (viii) finance costs

### (i) Cost of work contract services

Cost of work contract services is the expenses incurred towards construction of a building, based on agreed specifications and requirements, pursuant to the works contract executed by KRC Infra with respect to the portion of land owned by the counterparty.

### (ii) Cost of power purchased

Cost of power purchased is cost incurred for purchase of power, transmission charges and related expenses with respect to supply of power to tenants within the notified SEZ.

### (iii) Employee benefits expenses

Employee benefits expenses primarily include salaries and wages, contribution to provident and other funds, gratuity expense, compensated absences and staff welfare expenses.

### (iv) Cost of property management services

Cost of property management services primarily include expenses incurred for facility maintenance services.

### (v) Repairs and maintenance

Repairs and maintenance expenses primarily include expenses incurred on repairs and maintenance of buildings and plant and machinery and electrical installation.

### (vi) Other expenses

Other expenses primarily comprise property tax, electricity, water and diesel charges, brokerage and commission, business support fees paid to the KRC group, rates and taxes, corporate social responsibility expenses and business promotion and advertisement expenses.

### Earnings before finance costs, depreciation and amortization, regulatory income/expense and tax

We have elected to present earnings before finance costs, depreciation and amortization regulatory income/expense and tax as a separate line item on the face of the statement of profit and loss.

EBITDA is generally defined as net profit before interest expense, taxes, depreciation and amortization. However, Ind AS 114 (Regulatory Deferral Accounts) requires the movement in all regulatory deferral account balances to be distinguished from other income and expenses. Hence, for the purpose of Consolidated Financial Statements, included in this Annual Report, net movement in regulatory deferral account balances has been disclosed separately in the Statement of Profit and loss after 'Profit before rate regulated activities and tax' and thus does not form part of EBITDA.

### (vii) Depreciation and amortization expenses

Depreciation and amortization expenses comprise the depreciation of property, plant and equipment; depreciation of investment property; amortization of intangible assets and amortization of right of use of assets.

### (viii) Finance costs

Finance costs primarily comprise: (1) interest expenses on (i) borrowings from banks and financial institutions;(ii) debentures; (iii) lease liability; and (iv) others; (2) unwinding of interest expenses on security deposits; and (3) other finance charges. We capitalize borrowing costs in relation to under construction properties. Once construction is completed, the interest cost is charged to our statement of profit and loss, causing an increase in finance costs.

## Regulatory income/expense

As a deemed power distribution licensee in the SEZ area, some of our Asset SPVs charge tenants tariff on power consumption that is pre-approved by the state regulatory authority, Maharashtra Electricity Regulatory Commission (MERC). Accordingly, we file a tariff petition for the based on projected expenses and revenue. MERC reviews the tariff petition and approves expenses and revenue in compliance with the tariff regulations. Subsequently, we submit our audited accounts to MERC to undertake a truing up process, wherein MERC compares the actual expenses and revenue with the approved expenses and revenue for the past year, and allows total revenue gap/(surplus) to be recovered in the succeeding year's tariff. As a result, there is an increase/(decrease) in succeeding year's tariff based on past year's revenue gap/(surplus), and this change is referred to as impact on account of true-up. Such revenue gap/(surplus) for the past year is recorded as regulatory income/expense in the financials.

## Tax expense

Tax expense comprises: (1) current tax and (2) deferred tax charge (net).

The Indian Income Tax Act provides companies an option to discharge their income tax liability at a concessional rate of 25.17% (including cess and surcharge) subject to fulfilment of certain conditions which includes opting out of other applicable tax holiday claims/incentives/tax exemption and utilizing MAT credit ("New Tax Regime"). With respect to the Consolidated Financial Statements as of and for the year ending March 31, 2022, and for the year ending March 31, 2021, we have not opted for the New Tax Regime and continue to discharge our income tax liability as per the existing tax regime.

#Include net margin from works contract

Revenue from operations increased by 7.4% from ₹ 16,293 million (pro-forma) in FY21 to ₹ 17,501 million in FY22 primarily on account of:

- An increase in facility rentals from ₹ 13,241 million (pro-forma) to ₹ 14,185 million
- An increase in income from maintenance services from ₹ 2,463 million (pro-forma) to ₹ 2,635 million

During FY22 we achieved

- Gross leasing of c.4.5 msf
- New and vacant leasing of c.2.3 msf
- Contracted lease escalations on c.8.3 msf area
- Re-leasing spread of 31% over 2.8 msf area (incl. releasing and vacant area leasing)

Direct operating expenses (including net margin from works contract) increased in line with the increase in revenue from operations. The NOI margins rose to c.84.9%.

NM = Not meaningful; NC = Not comparable
1. KRC Infra has commenced facility management business from October 1, 2020 under brand name "CAMPLUS"
2. For FY22, 'Others' includes Commerzone Porur. However, for FY21, 'Others' includes Commerzone Porur and also The Square BKC, hence, the numbers for the 2 financial years are not comparable
3. All FY21 numbers are on pro-forma basis

NOI came in higher at ₹ 14,864 million in FY22 as compared to ₹ 13,741 million in FY21 primarily due to following reasons:

- Mindspace Airoli East: Higher on account of increase in Ind AS income, other operating income and net power income offset by re-leasing downtime on c.1.2 msf area, exits of 0.6 msf over FY21 and FY22 and lower net CAM margin in FY22
- Mindspace Airoli West: Lower due to increase in provision of property tax for buildings currently under assessment partially offset by higher Ind AS adjustments and higher net power income
- Mindspace Malad: Higher due to increase in Ind AS income partially offset by lower other operating income
- Mindspace Pocharam: Lower on account of exits of c. 0.1 msf over FY21 and FY22 and lower net CAM recovery
- Gera Commerzone Yerwada: Higher primarily on account of escalations over c.1.2msf and re-leasing of c.0.2 msf area over FY21 and FY22
- The Square BKC: Higher primarily on account of Ind-AS adjustment due to leasing of the asset in FY22
- Commerzone Porur: Higher on account of leasing of 0.3msf new area over FY21 and FY22 and higher Ind AS income
- Gera Commerzone Kharadi: Higher on account of annualization impact of rent for the full year FY22 on account of leases for which rents commenced during the year FY21
- The Square Nagar Road: Lower on account of re-leasing downtime on of 0.2 msf over FY21 and FY22, lower fit-out income and lower net CAM recovery
- Mindspace Madhapur: Higher on account of leasing of new area c.0.3 msf, leasing of 0.9 msf vacant area and mark-to-market impact on 1.3 msf area and escalations on 5.0 msf over FY21 and FY22, increase in fit-out rent, increase in Ind-AS income and increase in other operating income and reduction in rent from exits of c.1.2 msf area over FY21 and FY22
- Facility Management Division: Additional NOI on account of full year operations in FY22 vis-a-vis operations of six months in FY21 as facility management division commenced from October 1, 2020

Note:

- Ind-AS adjustments refer to fair valuation of security deposits received and straight lining adjustments with respect to lease rent
- All FY21 numbers are on pro-forma basis

## Liquidity and capital resources

### Overview

Our low leverage and robust credit profile offer adequate headroom for future growth.

For the year ended March 31, 2022, we,

- Raised ₹ 9 billion in fixed cost debt from financial institutions at Mindspace REIT and Sundew SPV level via issuance of NCDs bearing coupon ranging between 6.1% to 6.35% on p.a.p.q. basis
  - We strategically increased our exposure to fixed cost debt to c. 45.9% of our total outstanding debt, cushioning us against the rising interest rate regime
- We have availed new facilities worth ₹ 7.75 billion at SPV level from various banks in the form of lease rental discounting, overdraft and term loans.
- Debt raised during the year was predominantly used for refinancing existing debt and to fund capital expenditure

Our finance costs for FY22 stood at ₹ 2,644 million. Our weighted average cost of borrowings stands at c.6.6% at the end of March 2022, lower by c.260 bps from c.9.2% at the end of March 2020 and c.50 bps lower than c.7.1% at the end of March 2021. Our weighted average term to maturity for borrowings stands at c. 5.0 years at the end of March 2022.

## Financial Resources

As of March 31, 2022 our cash and cash equivalents stood at ₹ 3,478 million. Cash and cash equivalents primarily consist of balances with banks in current accounts, deposit accounts with original maturity below three months and cash on hand. Our undrawn facilities stood at ₹ 6,726 million. We maintain a strong liquidity position consisting of cash and treasury balances.

## Cash flow from operating activities

Net cash generated from operating activities for FY22 was ₹ 11,598 million. Our profit before tax was ₹ 7,143 million, which was adjusted for non-cash and items relating to financing and investing activities, by a net amount of ₹ 6,754 million, primarily for finance costs amounting to ₹ 2,644 million, depreciation and amortization expenses amounting to ₹ 3,289 million. Our changes in working capital primarily comprised an increase in trade payables of ₹ 179 million, an decrease in trade receivables of ₹ 2 million, a decrease in inventories of ₹ 13 million, and increase in other non-current and current assets (including financial assets) of ₹ 649 million, an increase of other non-current and current liabilities (including financial liabilities) and provisions amounting to ₹ 12 million and, decrease in regulatory liabilities of ₹ 76 million. In addition, we paid income tax of ₹ 1,780 million and had exceptional items to the tune of ₹ 843 million.

## Cash flow from investing activities

Net cash used in investing activities was ₹ 4,558 million for FY22, primarily comprising interest received on inter-corporate loans of ₹ 37 million which was primarily offset by expenditure incurred on investment property and investment property under construction, including capital advances, net of capital creditors, property, plant and equipment and intangible assets of ₹ 5,742 million, primarily with respect to Mindspace Airoli West, Gera Commerzone Kharadi, Mindspace Madhapur (Sundew) and Commerzone Porur, and net investment in fixed deposits of ₹ 65 million.

## Cash flow from financing activities

Net cash utilized in financing activities was ₹ 7,523 million for FY22, primarily comprising proceeds from issue of non-convertible debentures of ₹ 9,000 million which was offset by net repayment of external borrowings of ₹ 2,430 million, finance costs paid of ₹ 2,125 million, dividends paid

(including tax) of ₹ 11,892 million and expenses incurred towards the IPO and issue of non-convertible debentures of ₹ 61 million.

## Distributions

NDCF of Mindspace REIT is based on the cash flows generated from its assets and investments. In terms of the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, as the case may be, in proportion of their shareholding in the Asset SPVs, subject to applicable provisions of the Companies Act or the LLP Act. NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, principal loan repayment or proceeds of any capital reduction or buyback from the Asset SPVs, sale proceeds out of disposal of investments if any or assets directly held by Mindspace REIT or such other form as may be permitted by the REIT Regulations. Further, Mindspace REIT is required to distribute at least 90% of its NDCF to the unitholders.

The Manager is required to declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions (REIT Distributions) to the unitholders. Such distributions are to be declared and made for every quarter of a financial year. The first distribution was made upon completion of the first full quarter post the listing of Units, i.e. for the quarter ending December 31, 2020. Further, in accordance with the REIT Regulations, distributions need to be made within 15 days from the date of such declarations.

For FY22, we declared a distribution of ₹ 18.45 per unit, comprising ₹ 17.12 per unit as dividend, ₹ 1.32 per unit as interest payment and ₹ 0.01 per unit as other income. On an annualized basis, based on the issue price of ₹ 275 per unit, the distribution yield stood at 6.7%.

## Tax implications of distributions

As per provisions of section 115UA of the ITA, income distributed by REIT is taxable in the hands of the unitholders in the same manner and proportion as the underlying income stream received by the REIT.

### Taxability of income based on residential status

| Residential status of unitholders | Nature of income | Tax rates |
|---|---|---|
| Resident unitholders | Interest income | At applicable rates* |
| | Rental income | At applicable rates* |
| | Qualified dividend income | Tax-exempt (Refer note below) |
| | Disqualified dividend income | At applicable rates* (Refer note below) |
| | Other income taxable in hands of REIT | Tax-exempt |
| Non-resident unitholders | Interest income | 5%++* |
| | Rental income | At applicable rates@* |
| | Qualified dividend income | Tax-exempt (Refer note below) |
| | Disqualified dividend income | At applicable rates@* (Refer note below) |
| | Other income taxable in hands of REIT | Tax-exempt |

* The income shall be subject to deduction of tax at source

++ tax rate subject to applicable surcharge and cess.

@ Non-resident unitholders may seek to avail beneficial provisions under the applicable Double Taxation Avoidance Agreement ('DTAA') that India may have entered into with their respective country of residence

Note: Taxability of income in the nature of dividend distributed by REIT to unitholders is dependent on the taxation regime adopted by the SPV(s), which distributes the dividend to REIT. If the SPV(s) has not opted for a concessional corporate tax rate under section 115BAA of the ITA ('Qualifying SPV') dividend received from such Qualifying SPV ('Qualified Dividend') and distributed by REIT is exempt in the hands of the Unitholders. Any dividend other than Qualified Dividend distributed by REIT ('Disqualified Dividend') is taxable in the hands of the Unitholders.

## Debt maturity schedule

Weighted average maturity of debt profile stands at c. 5 years with 15% and 14.1% of debt due for repayment in FY23 and FY24, respectively. Our blended borrowing costs stood at 6.6% at the end of March 2022, down c.260 bps from 9.2% at the end of March 2020 and c.50 bps lower than 7.1% at the end of March 2021.

## Capital expenditure and capital investments

Capital expenditure comprises additions during the financial year to property, plant and equipment, capital work-in progress, investment property, intangible assets and investment property under construction. During FY22, we incurred capital expenditure of ₹ 5,742 million, primarily for the construction activity at Mindspace Airoli West, Gera Commerzone Kharadi, Mindspace Madhapur (Sundew) and Commerzone Porur and re-energizing out assets via upgrades and infrastructure upgrades. Our capital commitments (net of advances) as at March 31, 2022 was 7,338 million.

## Planned development

Please refer to page 26 to 31 for an update on under- construction assets and upgrade activities.

## NAV

Mr. Shubhendu Saha, MRICS, in conjunction with market report prepared by Cushman & Wakefield (CWI), who has been appointed by K Raheja Corp Investment Managers LLP as an independent consultant to carry out industry and market research, carried out our annual valuation as an independent valuer and valued our portfolio at ₹ 263,996 million with 91.7% of value in completed assets, underpinning Mindspace Business Parks REIT's asset quality as of March 31, 2022 NAV of the portfolio stood at ₹ 364.9 p.u. as on March 31, 2022.

## Improving occupancy

Our committed occupancy for the year remained stable at 84.3% including the pre-leasing in our under-construction assets, the committed occupancy stood at c. 85.0%. The back-to-office momentum is strengthening for large companies, and we are optimistic that the smaller ones will follow soon, thereby increasing takers for vacant spaces.

## Growing the portfolio

We are constantly evaluating opportunities to grow the portfolio both organically and inorganically. Looking at the space take up in our under-construction assets on account of robust demand from large occupiers, we have decided to advance the construction timelines of our future developments. We have commenced construction of a new building in Commerzone Kharadi, Pune and the Club House in Hyderabad. For our new building in Pune, the revised Floor Space Index norms in Maharashtra enabled us to increase the leasable area of our new building from 0.6 msf to 1.0 msf. In addition, with the redevelopment of a building in Hyderabad the total leasable area of the REIT portfolio now stands at 31.8 msf, up from 30.2 msf at the end of FY21.

The REIT has also received ROFO notice from sponsor to acquire a 1.8 msf fully leased asset located in Madhapur, Hyderabad. This asset is located close to our Mindspace Madhapur Park and complements the existing offering. This opportunity is currently under evaluation.

We are constantly evaluating a number of opportunities to acquire assets from the market. However, the opportunity must be NAV and yield accretive to our unitholders.

## Human Resource

We are proud to announce that Mindspace REIT is now 'Great place to work' certified. We have inculcated people-centricity in our work culture with the help of several initiatives which is reflected in the survey.

Promoting gender diversity has been at the core of our hiring policies and we have made significant strides in this regard. Women comprise 27% of our managerial workforce, which is amongst the highest in industry. Key portfolios of Finance, Accounts, Structural Engineering, Marketing, Human Resources, Corporate Communications have women at leadership roles. The 'Relaunch' program initiated encourages staff who had taken a break from career to return to corporate world and we expect women to be major beneficiaries of the initiative. This will help further improve our gender diversity.

We always believe in giving equal opportunities and unbiased work employment to all our employees. We have conducted special workshops to sensitize our workforce towards LGBTQIA community as we intend to provide more employment opportunities to people from these groups.

Pandemic has been a challenging time as every individual was confined within the boundaries of their homes and had to alter their day-to-day routine. To help our employees cope with the challenging times, we partnered with '1-on-1 help' to extend professional counselling to our employees and their families.

## Internal Control Systems

Mindspace REIT has internal control systems commensurate with its size, scale and complexity to manage its operations, financial reporting, and compliance requirements. These systems have been designed to provide reasonable assurance with respect to recording and providing reliable financial and operational information in timely manner, prevention and detection of fraudulent practices, compliance with applicable laws, safeguarding assets from unauthorized use, executing transactions with proper authorization, and ensuring compliance with internal policies. The Manager has clearly articulated roles and responsibilities for all functional heads. Functional heads are responsible to ensure compliance with the policies and procedures laid down by the Manager.

The systems, standard operating procedures, and controls are implemented and reviewed by the leadership team.

Based on the findings, process owners undertake corrective measures in their respective domains, thereby strengthening the controls. DELOITTE HASKINS & SELLS LLP, who are the statutory auditors, audited the financial statements for REIT and each of the Asset SPVs as at March 31, 2022. They have expressed an unqualified opinion on the effectiveness of each Asset SPVs' internal controls over financial reporting as of March 31, 2022.

### Industry structure and Development

Industry structure and development affecting our operations are captured on pages 58 to 64 of the Annual Report.

## Outlook

Our business has demonstrated high degree of resilience during this environment, and we remain confident of the long-term fundamentals of Grade A commercial real estate in India.

While the leasing activity was subdued in calendar year 2020, 2021 was markedly different. As per Cushman & Wakefield research, the net leasing across the top six office markets was 18.8 msf recording a growth of 21.3% y-o-y despite the periods of extreme uncertainty caused by the second wave. The nationwide vaccination program carried out by the Government and the recent decision to extend boosters doses for all adults has given the required fillip to occupiers to bring employees back to office.

In the first quarter of CY22, although the third wave slowed down the return to office plans of occupiers, the leasing momentum continued abated with top six markets recording a net absorption of 5.5 msf. With most state governments lifting almost all COVID-19 restrictions now and many companies charting out their return to office strategies, we expect the leasing momentum to growth stronger as we enter the new financial year. The demand is likely to be led by IT companies, GCCs and the migration to single owner Grade A spaces. Availability of credit to select Grade A developers and boom in residential sector is also expected to keep the upcoming supply in check.

During FY22, we were able to successfully increase our in place rent to ₹ 61.7, an increase of c.10% over March 21. We have expiries worth 1.1msf coming up for FY23, these leases offer an attractive MTM potential of c.31% to us.

REITs continue to receive required policy supports from various regulatory bodies. We are hopeful that the Government will suitably amend the SEZ policy as they announced in the budget that would propel us in a new growth trajectory. The positive developments on the capital market side include amendments allowing FPIs and insurers to participate in REIT debt. We expect this to increase the depth of the debt market, widen the pool of investors, and allow us to avail a longer tenor debt at competitive rates. In a welcome move, SEBI has also reduced trading lot for REITs to one unit. This has resulted in expanding our unitholder base from 9,824 at the end of March 2021 to 24,683 at the end of March 2022.

We are committed to deliver operating growth and further enhance our occupancy in the coming year. With a low loan to value of 15.7%, we continue to follow a disciplined approach towards our balance sheet. We are pleased to announce we were able to demonstrate one of the strongest leasing year for our portfolio in FY22 despite macro level challenges. We are well geared to capture the sectoral tailwinds and deliver long term sustainable value to our unitholders.

# Risk Factors

for March 31, 2022

1 COVID-19 has caused a material decline in general business activity and demand for real estate transactions, and if this persists, it would adversely affect our ability to execute our growth strategies, including identifying and completing acquisitions and expanding into new markets.

Factors related to the COVID-19 pandemic, or a future pandemic, that could have an adverse impact on our financial condition, results of operations and cash flows, primarily include:

- a complete or partial closure of, or other operational issues at, one or more of our properties;
- tenants' inability to pay rent on their leases, in part or full or our inability to re-lease space that is or becomes vacant;
- slowdown in getting lease commitments for new spaces;
- any impairment in value of our properties;
- an increase in operational costs; and
- the extent of construction delays on our under-construction properties due to work-stoppage orders, disruptions in the supply of materials, shortage of labour, delays in inspections, or other factors

2 Distributions to Unitholders will be based on the net distributable cash flows available for distribution. Our ability to make distributions to the Unitholders may be affected by several factors including

- business and financial position of Asset SPVs, debt servicing requirements of Asset SPVs,
- construction and leasing of under construction area,

applicable laws and regulations, which may restrict the payment of dividends by the Asset SPVs or other distributions.

3 The REIT Regulations impose certain restrictions on our operations, including maintaining a specific threshold of investment in rent generating properties and conditions on availing debt financing. These conditions may restrict our ability to raise additional funds as well as limit our ability to make investments.

4 Real estate markets are cyclical in nature, and a recession, slowdown or downturn in the real estate market as well as in specific sectors, such as technology, where our tenants are concentrated, increase in property taxes, changes in development regulations and zoning laws, availability of financing, rising interest rates, increasing competition, adverse changes in the financial condition of our tenants, increased operating costs, disruptions in amenities and public infrastructure and outbreaks of infectious disease such as COVID-19, among others, may lead to a decline in demand for our Portfolio, which may adversely affect our business, results of operations and financial condition.

5 A significant portion of our revenues are derived from a limited number of tenants. Any conditions that impact these tenants could adversely affect our business, results of operations and financial condition. We are required by the terms of the lease deeds, grant documents or sale deeds with certain statutory authorities to lease a proportion of our Portfolio to tenants from the IT and ITES sectors. Some of the assets are large and contribute significantly to our revenue from operations resulting in asset concentration.

Assets are primarily located in four key office markets and select micro markets within these office markets resulting in market and micro market concentration.

6 Our title to the land where the Portfolio is located may be subject to legal uncertainties and defects, which may interfere with our ownership of the assets and result in us incurring costs to remedy and cure such defects. Any failure or inability to cure such defects may adversely affect the Portfolio including the rentals, which may also impact returns for the Unitholders.

7 Existing lease/license agreements are subject to risks including (i) non-renewal upon expiration, (ii) delay or failure in making rental payments by the lessees/ licensees, (iii) premature termination, (iv) failure to re-lease or re-license the vacant space and our dependence on rental income may adversely affect our profitability, our ability to meet financial obligations and to make distributions to our Unitholders.

8 We may be unable to renew leases or license arrangements, lease or license vacant area or re-lease or re-license area on favourable terms or at all, which could adversely affect our business, results of operations and cash flows.

9 By letter dated September 11, 2020 to Horizonview, TNRERA stated that only real estate projects which are proposed to be let out on rent alone are not required to be registered with TNRERA and all other real estate projects whether allotted as freehold or leasehold are to be registered with TNRERA; therefore Horizonview is directed to register the Commerzone Porur project under section 3 of the RERA, before executing/registering lease deed with prospective lessees.

Horizonview has filed a response dated November 17, 2020 for inter alia re-iterating and clarifying the factual and legal position on grounds including that (i) the premises in the project are not contemplated to be allotted as freehold or leasehold; (ii) Horizonview is merely letting

out premises on rent; (iii) the rights granted/ proposed to be granted by Horizonview are in the nature of a tenancy for a specified period; (iv) letting out of premises on rent by Horizonview will be governed by the provisions of the Tamil Nadu Regulation of Rights and Responsibilities of Landlords and Tenants Act, 2017 ["**TNRRLTA**"], which will apply to the letting out/leasing of premises by Horizonview in Commerzone Porur; (v) Horizonview and its tenants will be complying with Section 4 of TNRRLTA by filing the form with the Rent Authority, as specified in the First Schedule of the said Act; (vi) as confirmed by MahaRERA in its FAQs published on its website, the RERA Act does not include rental projects, lease / leave and License deals; and therefore, as the premises in the Commerzone project are to be let out/leased on periodical rent by Horizonview, and not to be allotted or sold (as freehold or leasehold) as contemplated of RERA, registration of Commerzone Porur project is not required under Section 3 of RERA.

Any delay in clarification and resolution of the issue with TN RERA, may result in Horizonview having to resort to legal remedies in respect of such clarification. Any unfavourable outcome may attract the provisions relating to registration under RERA and affect our ability to register the lease agreements with our tenants in this project.

10 Due to a variety of factors, including competitive pricing pressure in our markets, changing market dynamics including demand supply, a general economic downturn and the desirability of our properties compared to other properties in our markets, we may be unable to realize our estimated market rents across the properties in our Portfolio at the time of future leasing.

11 Valuation is an estimate and not a guarantee, and it is dependent upon the accuracy of the assumptions as to income, expense and market conditions. Further, the valuation methodologies used to value our Portfolio involve subjective judgments and projections, which may not be accurate. Valuation methodologies will also involve assumptions and opinions about future events, which may turn out to be incorrect. Further, valuations do not necessarily represent the price at which a real estate asset would sell, since market prices of assets can only be determined by negotiation between a willing buyer and seller. As such, the value of an asset forming part of our Portfolio may not reflect the price at which such asset could be sold in the market, and the difference between value and the ultimate sales price could be material.

12 We have certain contingent liabilities, which if they materialize, may adversely affect our results of operations, financial condition and cash flows. For details, see Note 44 to Notes to accounts- Contingent Liabilities of Condensed Consolidated Financial Statements for the financial year ended March 31, 2022.

13 Any appeal against the order of the Karnataka High Court dated June 12, 2019 in a Writ Petition quashing the list of disqualified directors issued by the Ministry of Corporate Affairs or any adverse orders in the pending review petition or any subsequent adverse developments, may affect the ability of Mr. Ravi C. Raheja and Mr. Neel C. Raheja (designated partners of the Manager) to continue as designated partners of the Manager and directors on board of certain Asset SPVs, which may have an adverse effect on our business and reputation.

14 There are outstanding litigations, title irregularities and regulatory actions involving the Asset SPVs, which may adversely affect our business, results of operations and cash flows. For details, see "Brief details of material litigations and regulatory actions as at the year ended March 31, 2022" in this report.

15 Our business and results of operations are subject to compliances with various laws, and any non-compliances may adversely affect our business and results of operations. Our business is governed by various laws and regulations, including Transfer of Property Act, 1882, Special Economic Zones Act, 2005 and Special Economic Zone Rules, 2006, Maharashtra Industrial Development Act, 1961, Mumbai Metropolitan Region Development Authority Act, 1974, Maharashtra Information Technology and Information Technology Enabled Services Policy, 2015, rent control legislations of various states, municipal laws of various states and environment related regulations. Our business could be adversely affected by any change in laws, municipal plans or stricter interpretation of existing laws, or promulgation of new laws, rules and regulations applicable to us.

For instance, the Ministry of Corporate Affairs (MCA) has amended the Companies (Corporate Social Responsibility Policy) Rules, 2014 and has introduced the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021 ("**CSR Rules**"). The CSR Rules provides, among others, specific treatment of unspent CSR amount based on whether it pertains to an ongoing project. Any failure on the part of our Asset SPVs to make the necessary transfer towards CSR requirements and ensure compliance under the CSR Rules may result in penal actions being initiated against the relevant Asset SPV by the concerned regulatory authority.

16 The Ministry of Environment and Forests ("**MOEF**") vide Office Memorandum dated May 1, 2018 ("**CER OM**") had issued guidelines for recommending expenses towards 'Corporate Environment Responsibility' ("**CER**") with a view to bring transparency and uniformity in imposition of expenses towards CER. Accordingly, conditions relating to CER were being imposed in the environment clearances relating to projects. Thereafter, CER OM was superseded by OM dated September 30, 2020 ("**CER OM 2**") which directed that Expert Appraisal Committee ("**EAC**") or State Level Expert Appraisal Committee ("**SEAC**") shall deliberate on the commitments made by project proponent and prescribe specific condition(s) in physical terms while recommending the proposal, for grant of prior environment clearance instead of allocation of funds under CER. The CER OM 2 further directed that all the activities proposed by the project proponent or prescribed by the EAC/SEAC, as the case may be, shall be part of the Environment Management Plan ("**EMP**"). Consequently, CER OM is not valid and only (1) the commitments which are deliberated by EAC/SLEAC, and (2) specific conditions prescribed in physical terms while recommending the proposal need to be complied with. In view of the aforesaid, the respective Asset SPV's have made or will make (if required) the aforesaid representations to MOEF authorities including during the MOEF hearings for grant of amended EC's (if required) in respect of the respective REIT Assets, or table the same in the periodic reports being filed with the authorities. If any alternate view is taken by the MOEF authorities and despite the CER OM 2, the MOEF authorities mandate compliance of CER in accordance with CER OM, then Asset SPVs will have to incur additional expenses towards compliance of CER in accordance with CER OM and any delay or failure on the part of the respective Asset SPVs to make the necessary spending towards CER may result in penal actions being initiated against the relevant Asset SPV by the concerned regulatory authority.

17 Any non-compliance with, and changes in, environmental, health and safety laws and regulations could adversely affect the development of our properties and our financial condition. We are subject to environmental, health and safety regulations in the ordinary course of our business. If we face any environmental issue during the development of a property or if the government introduces more stringent regulations, we may incur delays in our estimated timelines and may need to incur additional costs.

18 Any delay, failure or inability on part of Asset SPVs to obtain, maintain or renew all regulatory approvals that are required for their respective business, may adversely impact our development and business.

19 For our assets located on land leased from MIDC and MMRDA, the relevant Asset SPVs are required to comply with the terms and conditions provided in the respective lease agreements with such government bodies. Any non-compliance by the Asset SPVs of the respective lease agreements with such government bodies or by the tenants of the terms of the lease deed executed with them, may result in the action by the regulatory authorities, including revocation/termination of lease, demolition of the construction, payment of fines, or inability to produce lease agreements as evidence of the fact in any court of law. In the event that our leases are revoked, not renewed or terminated prematurely, it could have an adverse impact on the Asset SPVs and in turn adversely affect our business, financial condition and results of operations.

20 Inability to access infrastructure, certain logistical challenges in new markets and our relative inexperience with newer markets, may prevent us from expanding our presence in new markets in India which may adversely affect our business, results of operations and cash flows.

21 We have entered and may enter into several related party transactions, which could involve conflicts of interest. The Manager may face conflicts of interests in choosing our service providers, and certain service providers may provide services to the Manager, the Sponsor Group on more favourable terms than those applicable to us.

22 Some of our assets are located on land notified as SEZs and the Asset SPVs are required to comply with the SEZ Act and the rules made thereunder.

The income tax benefits available to SEZ developers have been withdrawn for the SEZs which have commenced development after March 31, 2017, while for their tenants/units, income tax benefits are available on income earned by them on account of the exports from the SEZs, provided they commence operations in the SEZs on or before March 31, 2021, if necessary approvals have been received by March 31, 2020. This may result in SEZs becoming less attractive for tenants in the future.

Further, some of our Asset SPVs have made applications for de-notifying certain land parcels notified as SEZs and hence they will be eligible to avail lower fiscal incentives than what were previously available to them, which may adversely affect our business, results of operations and financial condition.

23 Due to various regulatory and other restrictions, we may not be able to successfully meet financing requirements for completion of construction of Under Construction Area, construction of Future Development Area and for refurbishments, renovation and improvements beyond our current estimates

Our inability to raise adequate finances may adversely affect our business, results of operations and cash flows.

24 Liquidity in the credit market has been constrained due to market disruptions, including due to the COVID-19 pandemic or conflicts among other countries, which may make it costly to obtain new lines of credit or refinance existing debt. As a result of the ongoing credit market turmoil, we may not be able to refinance our existing indebtedness or to obtain additional financing on attractive terms. Further, adverse economic conditions could negatively affect commercial real estate fundamentals and result in lower occupancy, lower rental rates and declining values in our Portfolio and in the collateral securing any loan investments we may make.

25 Our ability to make distributions to Unitholders could be adversely affected if expenses increase due to various factors. Also, any adverse tax changes or withdrawal of tax benefits may adversely affect our financial condition and results of operation.

Any maintenance or refurbishment may result in disruption of operations and it may not be possible to collect the full or any rental income on area affected by such renovations and refurbishment of our assets.

26 The restrictive covenants under the financing agreements, entered or to be entered into with various lenders or investors, from time to time, include or could include, among others, obtaining prior consent of the lenders (i) for change in the capital structure, (ii) for amendment of constitutional documents, (iii) for declaration of dividends/ distribution of profits in case of defaults, (iv) for incurring further indebtedness against the security provided, (v) for making any acquisition/disposal of assets and (vi) for providing surety or guarantee to any third party. These or other limitations may adversely affect our flexibility and our ability to make distributions to our Unitholders.

27 We are not fully insured against some business risks and the occurrence of accidents that cause losses in excess of limits specified under our policies, or losses arising from events not covered by our insurance policies, such as damage caused to our property and equipment due to war, which could adversely affect our business and results of operations.

While we believe that we have industry standard insurance for our Portfolio, if a fire or natural disaster substantially damages or destroys some or all of our assets in the Portfolio, the proceeds of any insurance claim may be insufficient to cover any expenses faced by us, including rebuilding costs.

28 Under the REIT Regulations, a REIT is required to hold assets acquired by it for a period of three years from the date of purchase and in case of under-construction properties or under-construction portions of existing properties acquired by it, three years from the date of their completion. Additionally, any sale of property or shares of Asset SPVs exceeding 10% of the value of the REIT assets will require prior approval of the Unitholders. These factors could have an adverse effect on our business, financial condition and results of operations.

29 Any disagreements with our collaborators or joint venture partners or any delay or failure to satisfy the terms and conditions set-out in the binding agreements with such collaborators or the joint-venture partners, may adversely impact our business and operations.

30 We do not own the trademarks or logos for "Mindspace", "Mindspace Business Parks", "K Raheja Corp", "Commerzone" "CAMPLUS" and "The Square" that are associated with our Portfolio. Further, we do not own the trademark or logo for "Mindspace Business Parks REIT" and "Mindspace REIT". These trademarks and logos are licensed to our Asset SPVs, the Manager and us, as applicable, by the Sponsors or Sponsor Group entities who are either the registered owners of these trademarks and logos or have made applications for registered ownership some of which are pending. We may not be able to prevent infringement of the trademark, and a passing off action may not provide sufficient protection. Accordingly, we may be required to litigate to protect our trademark and logo, which could be time consuming and expensive and may adversely affect our business and results of operations.

31 Our Asset SPVs may, in the future be exposed to a variety of risks associated with development of an Integrated IT Township, which may adversely affect our business, results of operations and financial condition.

32 Land is subject to compulsory acquisition by the government and compensation in lieu of such acquisition may be inadequate. Additionally, we may be subject to conditions of use or transfer of land wherever such land is subject to orders under the Urban Land (Ceiling and Regulation) Act, 1976.

33 The on-going Russia Ukraine conflict, supply chain disruptions, inflation / increase in commodity prices could result in wide range of economic consequences, and may indirectly / marginally impact projects under development and our business, results of operations and financial condition.

# Material Litigations and Regulatory Actions

as on March 31, 2022

## I. Material litigation and regulatory actions pending involving Mindspace REIT and the Asset SPVs

As of March 31, 2022, Mindspace REIT does not have any pending criminal matters or regulatory actions against it, or any material civil/ commercial litigation pending involving it.

For the purpose of pending civil/ commercial litigation against Mindspace REIT and the Asset SPVs, such matters where value exceeds 1% of the consolidated profit after tax of Mindspace REIT as of March 31, 2021) have been considered material and proceedings where the amount is not determinable but the proceeding is considered material by the Manager from the perspective of Mindspace REIT, have been disclosed. In addition to the above, pending civil/ commercial proceedings by Mindspace REIT or the Asset SPVs which are considered material by the Manager have been disclosed.

### A. Avacado

#### (i) Title litigation and irregularities

1. Nusli N. Wadia ("**Plaintiff**") filed a suit ("**Suit**") before the Bombay High Court ("**High Court**") against Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Inorbit Malls, Avacado and others ("**Defendants**") pertaining to inter alia revocation of the registered agreements for sale of certain buildings, including the registered agreements executed in favour of Avacado for acquiring buildings viz. Paradigm constructed on demarcated portion of the land located at Mindspace Malad project, and demolishing of the building Paradigm located at Mindspace Malad project. The Plaintiff's claim with regard to Avacado is restricted to its transaction relating to Paradigm building constructed on the demarcated portion of land located at Mindspace Malad project and does not extend to the equity shares of Avacado or any other assets held by Avacado.

The Suit was filed inter alia alleging certain insufficient payment to the Plaintiff, breach and non-adherence of the project agreement of 1995 entered into between the Plaintiff and Ivory Properties in respect of certain land situated at Malad West and Kanheri, including the demarcated portion of the land on which building Paradigm is constructed in Mindspace Malad project ("**1995 Agreement**"), and pertaining to sale of certain buildings inter alia on ground of sale of such buildings to alleged related parties. The Plaintiff sought inter alia (i) orders of declarations and permanent injunctions relating to the termination of the 1995 Agreement, (ii) the termination of some of the registered agreements and memorandums of understanding entered between the Plaintiff, Ivory Properties and purchasers in respect of some of the buildings constructed on the demarcated portions of land in Malad (including the building viz. Paradigm located at Mindspace Malad project), (iii) demolishing of such buildings and (iv) damages from Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja and Mr. Chandru L. Raheja to the extent of ₹ 3,509.98 million along with interest. A notice of motion was also filed by the Plaintiff seeking interim and ad-interim reliefs for inter alia appointment of receiver for buildings sold by the Plaintiff and Ivory Properties to various Defendants (including Avacado), restraining Ivory Properties and other Defendants (including Avacado) from alienating, encumbering or parting with possession of the building and restraining Ivory Properties and other Defendants (including Avacado) from dealing with (including renewal of leases / licenses) or creating fresh leases / licenses in respect of the buildings, and from receiving or recovering any sum in respect thereof by way of rent, license fee or compensation for occupation, or if received or recovered

be directed to deposit the said rent, license fee or compensation to the High Court. No ad-interim relief was granted to the Plaintiff.

The Defendants filed replies inter alia stating that the Suit is barred by limitation and that the transactions under the registered documents are genuine and in accordance with the 1995 Agreement and that the Plaintiff had deliberately made false and defamatory comments to cause damage to the reputation of the Defendants inter alia to pressurize Ivory Properties and its directors into meeting the Plaintiff's demands for unjustifiable amounts beyond what is payable under the 1995 Agreement. Further, Ivory Properties has also filed a counter-claim for various reliefs relating to specific performance of the 1995 Agreement and refund of ₹ 16 million with interest paid to the Plaintiff, and in the alternative for payment of estimated damages of ₹ 6,091.40 million inter alia towards loss of profit from the balance development potential and ₹ 5,000 million along with interest for compensation towards defamation.

The High Court, by its orders dated September 19, 2013 and September 20, 2013, framed the issue of limitation under section 9A of the Civil Procedure Code, 1908, as a preliminary issue of jurisdiction and directed the Plaintiff to file affidavit of evidence. Aggrieved, the Plaintiff challenged the orders of the High Court by filing a special leave petition ("**SLP**") in the Supreme Court of India. The Supreme Court of India, by an order dated October 8, 2013, stayed further proceedings with regards to the Suit filed in the High Court, till further orders. Thereafter, the Supreme Court of India, by its order dated August 25, 2015, referred the SLP to a three-judge bench. Subsequently, the Supreme Court of India disposed of the SLP by an order dated December 12, 2018 as infructuous in view of deletion of Section 9A of Civil Procedure Code by the Maharashtra Act 61 of 2018 with liberty to apply in case the need arises.

The Plaintiff filed an application before the Supreme Court of India to restore the original SLP by cancelling the order dated December 12, 2018 in view of further amendment the Code of Civil Procedure (Maharashtra Amendment) Act, 2018. By its judgment dated October 4, 2019, it was held by the three judge bench of Supreme Court of India that Section 9A of Civil Procedure Code by the Maharashtra Act 61 of 2018 cannot be decided as a preliminary issue as to jurisdiction. The Supreme Court of India has directed for the matters to be placed before the appropriate bench for consideration on merits. The notice of motion for interim relief and the Suit are pending for the final hearing before the High Court.

Separately, in relation to a transaction of divestment by the KRC group of their shareholding in respect of one of its group company, the Plaintiff, through his advocates & solicitors, had addressed certain letters, including to KRCPL, CCI and the merchant bankers acting in that transaction. The Plaintiff had also issued caution public notice dated October 1, 2016, cautioning the public about the risks and consequences in dealing with the suit property. The allegations and averments have been responded by KRCPL and the merchant bankers and the transaction of divestment was completed. By an order dated 6.5.2022, the SC has disposed off the SLP in terms of the SC 3 Judge Bench Judgement dated 4.10.2019.

Further, the Plaintiff, through his advocates, addressed a letter dated February 13, 2020, including to Mindspace REIT, the Manager, the Trustee, the Sponsors, Avacado, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Ivory Properties and KRCPL, expressing his objection to the proposed Offer and any actions concerning the building at Paradigm Mindspace Malad. The allegations and averments made by the Plaintiff have been responded by parties concerned. No further correspondence has been received.

### (ii) Criminal matters

There are no pending criminal matters against Avacado.

### (iii) Regulatory actions

1. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 ("**Income Tax Act**") against Avacado, Gigaplex, KRIT, MBPPL, Chalet Hotels, Genext, Inorbit Malls, KRCPL, KRPL, Shoppers Stop and others ("**Parties**"). Pursuant to the Warrant, the Income Tax Department carried out a search on November 30, 2017. The search covered various matters for which notices were already issued from time to time. The search was concluded on December 6, 2017 at the office and residence of the Parties. Pursuant to the search, the Income Tax Department issued notices to each of the Parties under Section 153A of the Income Tax Act directing them to prepare and furnish true and correct returns of total income for assessment years ("**AY**") from 2008-2009, 2012-13 to 2017-18 within a stipulated timeline from the date of service of the notices and these returns have been furnished before the Income Tax Department. Further, the Income Tax Department issued notices under Section 142(1)/143(2) of the Income Tax Act for assessment years 2008-2009, 2012-13 to 2017-2018/2018-19, to the Parties seeking certain information. These details have been furnished before the Income Tax Department by the Parties from time to time.

2. MPCB allegedly issued a show cause notice dated November 11, 2016 ("**First SCN**") to Avacado for alleged failure in obtaining no objection/ permission from the CGWA for extraction of ground water in respect of the Paradigm Mindspace project. MPCB served a show cause notice dated March 14, 2017 on Avacado, referring to the First SCN stating that the First SCN was issued pursuant to the directions given to MPCB and CGWB by the National Green Tribunal judgement dated January 11, 2016 and November 8, 2016 (in the matter of Asim Sarode V/s District Collector, Nanded and others, where Avacado was not a party) to jointly prepare a list of industries and infrastructure projects which require permission for extracting ground water and to issue directions for closure of such industries and infrastructure projects for whom the default persists. By letter dated April 6, 2017, Avacado responded to MPCB inter alia stating that (a) there is no requirement for Avacado to apply for or obtain NOC from CGWA, as Avacado does not appear in the list of industries and infrastructure projects which require permission for extracting ground water as published on the MPCB website; (b) Avacado does not withdraw ground water at the Paradigm Mindspace Malad project; and (c) the First SCN was not received by Avacado. No further correspondence has been received.

3. The Office of Tehsildar, Borivali ("**Tehsildar**") issued demand notices dated February 5, 2021 and dated March 2, 2021 under provisions of Maharashtra Land Revenue Code, 1966 to Ivory Properties and others for retrospective payment of non-agricultural tax ("**NA Tax**") of ₹ 52.63 million. The demand notices were issued pursuant to the letter dated February, 5, 2021 of the Collector (Mumbai Suburban Office) ("**Collector**"), wherein it was recorded that all urban lands in state being used for non-agriculture purpose, NA Tax assessment had been stayed for the period August 1, 2006 to July 31, 2011 till the revised guidelines were finalised as per government letter NAP0311/CR28/L5 dated August 24, 2011 and that as per Government of Maharashtra decision dated February 5, 2018, the stay was lifted. Ivory Properties vide letter dated March 30, 2021 has denied the quantification and leviability of the NA Tax assessment with retrospective effect and has requested the Tehsildar not to take any coercive action, without giving a reasonable opportunity to file a reply. Ivory Properties also tendered, without prejudice, an 'on account' deposit of a sum of ₹ 3.00 million to the Office of Tehsildar, without admitting or accepting any liability.

### (iv) Material civil/commercial litigation

There are no other material civil/commercial litigation involving Avacado.

## B. Gigaplex

### (i) Title litigation and irregularities

1. Baburam Ramkishan Yadav ("**Baburam**"), president of Universal Education Society ("**UES**"), filed a suit and injunction application before the Court of Civil Judge (J.D.) Vashi at C.B.D. ("**Civil Court Vashi**") seeking injunction restraining Gigaplex from encroaching upon land admeasuring approximately 500 square meters on which a school is operated by UES ("**Suit Property**"), which is in the Mindspace Airoli West admeasuring approximately 202,300 square meters ("**Larger Land**").

   Gigaplex denied the claims stating that inter alia Gigaplex was a lessee of MIDC in respect of the Larger Land, and that Baburam has illegally encroached upon about 250 square meters on the eastern boundary of the Larger Land. By its order dated August 20, 2018, the Civil Court rejected the injunction application ("**Order**"). Baburam has challenged the Order before the Court of District Judge Thane. The suit and appeal filed by Baburam are currently pending before the relevant courts.

   Gigaplex filed a suit against UES and MIDC before the Court of Civil Judge (Senior Division) Thane at Thane ("**Civil Court Thane**"), inter alia for possession of 569.80 square metres or such area as may be found in unauthorized occupation of UES, damages of ₹ 10.80 million, mesne profits of ₹ 0.30 million per month till the recovery of possession and injunction to restrain from further trespassing on the land at Mindspace Airoli West. Subsequently, Gigaplex also filed an injunction application before the Civil Court Thane seeking, inter alia, a temporary injunction to restrain Universal Education Society, its trustees, office bearers etc. from trespassing and encroaching the Suit Property and the adjacent plot of land leased by MIDC to Gigaplex. In an interim application for injunction filed by Gigaplex, a status quo order was passed on July 26, 2019 by the Civil Court Thane. The status quo was continued by the Civil Court Thane till the final decision in the matter, through its order dated March 5, 2020, disposing of the injunction application. The suit is currently pending before the Civil Court Thane.

   Baburam also filed a complaint before Rabale police station, Navi Mumbai, against a security guard in charge of Gigaplex for allegedly threatening him and damaging of a display board at the Suit Property. Baburam also issued a letter addressing the Commissioner of Navi Mumbai, the Police Commissioner of Navi Mumbai, the Chief Minister of Maharashtra and others, for harassment by security personnel of Gigaplex in the Suit Property. No action has been taken against Gigaplex in this regard.

### (ii) Criminal matters

Nil.

### (iii) Regulatory actions

1. The Joint Director of Industries, Government of Maharashtra ("**JDI**") had issued a letter of intent dated July 26, 2007 ("**LOI**") to B. Raheja Builders Private Limited (now, Gigaplex Estate Private Limited) for establishing and registering an IT software unit for 'Software Development'. Subsequent to the letter from JDI, MIDC, by its letter dated June 30, 2009, intimated Gigaplex to register as an IT Park, being a private developer. Thereafter, the JDI, by its letter dated May 16, 2016 ("**JDI Letter**"), sought clarification from Gigaplex in relation to non-registration of the IT software unit within the stipulated timeline and sought to initiate action against Gigaplex under the IT/ITES policy. Gigaplex was in the process of completing the endorsement of the lease deed dated November 1, 2007 executed with MIDC in relation to the Mindspace Airoli West project, for payment of stamp duty, which remained with the relevant revenue authorities for endorsement, for submission to JDI. The lease deed was endorsed by the revenue authorities on September 11, 2019. By its letter dated October 9, 2019 to the JDI, Gigaplex has responded to the JDI Letter inter alia stating that (a) the land was granted by MIDC under lease deed dated November 1, 2007 for proposed I.T. software unit (Software Development), but due to recession and other reasons, the erstwhile management of B. Raheja Builders Pvt. Ltd. decided to pursue development as private IT Park (instead of software development) with due approval of the Director Industry, IT, pursuant to the NOC issued by MIDC; (b) accordingly, Gigaplex has developed the land as private

IT Park; and (c) Gigaplex also voluntarily approached the stamp authorities and paid the full stamp duty and registration fees in relation to the lease deed, and (d) the development of private IT Park was undertaken with due approval of Director of Industry (IT), Maharashtra and no benefit was received by it under the IT/ITES policy. No further correspondence has been received.

2. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against Gigaplex and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2008-09, AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-13 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. Gigaplex filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against the order for AY 2018-19. The appeal for AY 2016-17 and AY 2017-18 were disposed by the CIT(A) in favour of Gigaplex. The appeals for AY 2014-15 and AY 2015-16 were disposed by the CIT(A) against Gigaplex and an appeal has been filed before the ITAT for the same which is currently pending.

3. Maharashtra State Electricity Distribution Company Limited ("**MSEDCL**") filed a petition dated October 16, 2018 against Maharashtra State Load Despatch Centre, wherein electricity distribution companies in Maharashtra including, MBPPL and Gigaplex (which hold electricity distribution licenses) and others, were impleaded as parties, before Maharashtra Electricity Regulatory Commission ("**MERC**") seeking payment of alleged past dues, removal of anomalies and directions regarding over-drawal of electricity. Through its final common order dated September 26, 2019, MERC partly allowed MSEDCL's prayer against which MSEDCL and one of the electricity distributions companies have filed separate appeals before the Appellate Tribunal for Electricity ("**APTEL**"). Pursuant to an order dated December 18, 2019, the APTEL instructed that notices be issued to respondents in the appeal, including Gigaplex and MBPPL. By an order dated September 15, 2020, interim applications for condonation of delay in filing the appeals were allowed. The appeals are pending before the APTEL.

### (iv) Material civil/commercial litigation

1. Kharghar Vikhroli Transmission Private Limited ("**KVTPL**") has filed a petition before Maharashtra Electricity Regulatory Commission, Mumbai ("**MERC**") against Maharashtra State Electricity Transmission Company Limited ("**MSETCL**") and others (including Gigaplex and MBPPL as respondents) under the applicable provisions of the Electricity Act, 2003 read with the transmission service agreement dated August 14, 2019 ("**TSA**") entered between KVTPL, MSETCL, MBPPL, Gigaplex and certain other companies including distribution companies seeking, inter-alia, compensation/relief for increased cost of the project during construction period due to the 'change in law' event being increase in the acquisition price of shares of KVTPL (including the purchase cost of Vikhroli land). The total additional cost of the project claimed by KVTPL is ₹ 717.00 million along with 9.35% on compounded interest basis. The liability of Gigaplex is 0.05% i.e. the percentage share computed based on allocated transmission capacity rights as mentioned in the TSA. The matter is currently pending.

2. Gigaplex, MBPPL and KRC Infra have filed a petition before Maharashtra Electricity Regulatory Commission, Mumbai ("**MERC**") to obtain MERC's approval for the additional cost of power purchase incurred over the period from October 11, 2021 to October 31, 2021 for reasons beyond their control and for adjustment of the additional power purchase cost with the balances against the respective Fuel Adjustment Cost ("**FAC**") fund and levy of FAC for the balance amount, up to the limit of 20% of variable charges, in accordance with the MERC (Multi-Year Tariff) Regulations, 2019 and the directions issued by MERC from time to time regarding FAC fund. The matter is currently pending.

## C. Horizonview

### (i) Title litigation and irregularities

1. An enquiry notice was issued by District Revenue Officer, Thiruvallur ("**DRO**") and Additional District Judge to W.S. Industries (India) Limited ("**WSIIL**"), an erstwhile owner of a land parcel admeasuring approximately 46.04 acres ("**Suit Land**") of which a portion admeasuring approximately 6.16 acres was acquired by RPIL. RPIL has granted development rights to Horizonview over such land in relation to the Commerzone Porur project. Horizonview is not a party to the proceedings.

   The DRO issued an enquiry notice dated May 25, 2017 ("**Notice**") to WSIIL calling for an enquiry to be conducted before the District Revenue Officer cum Additional District Judge at the District Collector Office on the basis of a complaint presented by P. Jeyapal S/o R. Perumalsamy ("**Jeyapal**") alleging that land have been handed over to WSIIL on certain conditions, and instead of using the land for common purpose, WSIIL has been using the land for commercial purpose. Aggrieved, WSIIL has filed a writ petition before the Madras High Court against the DRO and Jeyapal, seeking directions for quashing the Notice. The Madras High Court, by its order dated June 5, 2017, has granted interim stay on proceedings under the Notice. The matter is currently pending before the Madras High Court.

2. Based on legal advice received, the following documents granting development rights in favour of Horizonview for the purposes of constructing an IT Park, have not been registered:

   a. The development agreement, dated November 7, 2006, executed by RPIL, the owner of the land and Horizon view ("**Development Agreement**").

   b. The award dated March 22, 2016, passed by the arbitrator in relation to disputes between RPIL and Horizonview in relation to the Development Agreement ("**Award**").

   c. The letter dated May 18, 2017 executed between RPIL and Horizonview; and

   d. The written arrangement dated February 20, 2019, executed by RPIL and Horizonview modifying the terms of the Development Agreement and the Award.

## E. KRIT

### (i) Title litigation and irregularities

1. Softsol India Limited ("**Softsol**") and others ("**Petitioners**") have filed writ petition on February 8, 2013 in the Hyderabad High Court ("**Court**") against KRIT (wrongly named as M/s. K Raheja Corporation) and others ("**Respondents**") inter alia seeking declaration (a) that the allotment of land admeasuring approximately 4500 square yards (3763 square metres) ("**Suit Land**") of land adjacent to Softsol's plot is illegal and (b) for handover of the same to the Industrial Area Local Authority ("**IALA**"), being one of the Respondents, for developing the Suit Land as a common facility centre / area / park for general use by software companies. The Suit Land is part of the land admeasuring approximately 110 acres allotted by the Government of Andhra Pradesh to KRIT for the Mindspace Madhapur project.

   By an ex-parte interim stay order dated February 11, 2013 ("**Stay Order**"), it was inter alia directed by the Court that, no construction activity shall be undertaken or continued over the triangular piece of 2 acres 40 cents of land earlier identified at the time of allotment as 'Common Facility Centre' in the software layout. IALA and APIIC have filed affidavits opposing the writ petition, confirming the allotment and rights of KRIT in the Suit Land, and for vacating the Stay Order. The matter is pending before the Court.

   Greater Hyderabad Municipal Corporation ("**GHMC**") had filed an application in the Court for clarification that the Stay Order does not preclude GHMC from acquiring a portion of 0.14 acres (approximately 567 square meters) for road widening. Subsequently, GHMC has acquired the portion of land and constructed the road.

### (ii) Criminal matters

1. Sharmin Habib ("**Complainant**") lodged a first information report ("**FIR**") on October 10, 2017 with the Madhapur Police Station alleging that certain staff members of the Raheja Group ("**Accused**") prevented the Complainant and a staff from entering the premises for conducting the business of a day care centre in the name of Kidz Paradise in in Building No. 2.B, Mindspace Madhapur (KRIT), and harassed them. The concerned investigating officer has filed final report dated November 16, 2017 of the matter before the Metropolitan Magistrate, Kukatpally at Miyapur, Cyberabad ("**Court**"), stating inter alia that while there was a rental dispute between the Complainant and the Accused which was pending in the Court, the particular incident was in relation to a regular security aspect of access in the IT Park being allowed on showing identity card, whereas Complaint tried to enter without showing identity card. The investigating officer also reported that the Complainant did not comply with the notices under Section 91 of the Criminal Procedure Code, and that no such incident had occurred as alleged by the Complainant. The investigating officer further recorded that the complaint was filed on completely flimsy grounds and filed the final report before the Court recommending closure of the case on basis of lack of evidence. The matter is currently pending.

### (iii) Regulatory actions

1. The Comptroller and Auditor General of India ("**CAG**") had issued a report on public sector undertakings for the year ended March 2016 ("**CAG Report**") where certain audit observations were made with respect to certain public sector undertakings including: (a) a low rate of return on investments made by APIIC (now, TSIIC) in KRIT; (b) allocation of the development and construction of complexes for IT and ITES companies to K. Raheja Corporation Private Limited by the erstwhile Government of Andhra Pradesh ("**GoAP**") without adopting a due tender process; (c) transfer of certain portion of land to non-IT/ITES sister companies of the KRC group, namely, Trion Properties Limited – Inorbit Malls and Chalet Hotels– Westin Hotel at a discounted price, in violation of GoAP directions dated August 11, 2003 and without prior consultation with APIIC, pursuant to the demerger of KRIT. KRIT responded to the observations under the CAG report by its letter dated September 21, 2017 submitting its issue-wise detailed explanations and explaining various factual inaccuracies in respect of the said observations under the CAG Report, denying the irregularities and deficiencies. No further correspondence has been received.

2. KRIT had proposed a rights issue of shares in which Andhra Pradesh Industrial Infrastructure Corporation ("**APIIC**") (now, TSIIC) abstained from subscribing to the rights shares. Consequently, upon closure of the rights issue subscription by the other shareholders of KRC group, the stake of APIIC in KRIT reduced from 11%. Thereafter, upon demerger of certain undertakings of KRIT into Intime and Sundew, the APIIC's stake reduced in each of these entities instead of what it was initially at 11%. Such rights issue of shares was undertaken in compliance with applicable law and agreement between the parties, and after KRIT had waited over one year for APIIC to decide.

   Subsequently, APIIC / GoAP disputed such dilution of their stake in KRIT, Intime and Sundew, which led to an inquiry by Vigilance and Enforcement Department of GoAP against the Government Officials and correspondingly, KRIT. APIIC issued a letter dated July 10, 2012 to KRIT, referring to a report of vigilance and enforcement department ("**VED Report**") in relation to the Mindspace Madhapur project. Subsequently, the equity stake of APIIC was restored to 11% in KRIT, Intime and Sundew together with compensating APIIC for any loss of corporate benefits in the intervening period. The VED Report alleged certain irregularities, which include alleging a financial loss to APIIC and GoAP pursuant to sale of the land to its sister concerns and sale of constructed area, at a nominal price, dilution of 11% equity stake of APIIC and loss of immovable asset base to APIIC due to the dilution of equity.

   KRIT denied such irregularities, violations or financial loss caused to APIIC /GoAP. While denying the loss alleged by APIIC, KRIT, Intime and Sundew provided a joint undertaking dated February 14, 2014 to APIIC inter alia undertaking (i) to pay the amounts to APIIC in respect of APIIC's claim of losses, due to any differences in values pertaining to the sale transactions in Mindspace Madhapur project; (ii) that payments shall be made by KRIT within 30 days of receipt of such written demand from APIIC; and (iii) that KRIT shall be bound by the decision of APIIC and comply with the same within the stipulated timelines.

   KRIT has further provided an undertaking dated October 24, 2016 to APIIC, inter alia undertaking to pay losses incurred by Government of Telangana /APIIC as per the VED Report and to maintain the agreed shareholding of the Government of Telangana or APIIC in KRIT, Intime and Sundew post conversion of KRIT to public limited company and the Government of Telangana/ APIIC will not be required to infuse additional funds to maintain its equity stake in KRIT, Intime and Sundew.

   While KRIT has attempted to make payments to the extent of the loss incurred by APIIC along with interest, by letter dated April 23, 2019, APIIC has confirmed to KRIT that it will be informed about the quantum of the amount to be paid, once the quantum of loss is determined by an independent third party appointed for such purpose. KRCPL, by way of its letter dated December 9, 2019, has undertaken that it shall assume any financial liability that KRIT, Intime or Sundew may incur in this behalf.

3. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against KRIT and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. KRIT filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against the order for AY 2018-19 which are currently pending.

### (iv) Material civil/commercial litigation

1. KRIT filed an arbitration application on September 21, 2015 before the Hyderabad High Court ("**High Court**") against Premier Kinder Care Services Private Limited ("**Premier**"). KRIT prayed for appointment of sole arbitrator to resolve disputes between KRIT and Premier in relation to (a) the term sheet dated March 10, 2011 entered into between KRIT and Premier for grant of lease by the KRIT to Premier in respect of Unit No. 2 admeasuring 3171 sq. ft. in Building No. 2B at Mindspace Madhapur (KRIT) ("**Premises**"); (b) failure of Premier in making payments of ₹ 11.42 million due on account arrears of rent, balance security deposit together with interest thereon and (c) to deliver the possession of the Premises to KRIT. The notice of the petition has been served on Premier by publication in newspapers, pursuant to the order of the High Court dated November 25, 2016. The High Court by its order dated March 11, 2020 allowed the application for appointment of sole arbitrator. The arbitrator was appointed. By award dated July 22, 2021 ("**Award**"), the arbitrator allowed the claim of KRIT and a mediator was appointed who has submitted the mediator report dated August 2, 2021 to KRIT. The matter is currently pending.

## F. KRC Infra

### (i) Title litigation and irregularities

1. Ashok Phulchand Bhandari has instituted a civil suit against Balasaheb Laxman Shivle and 29 others ("**Defendants**") alleging rights over a portion of land admeasuring approximately 0 hectares 44.15 ares (1.09 acres) ("**Suit Land**"), on which Gera Commerzone Kharadi is situated. KRC Infra is not a party to the suit and further, no summons from the Court have been received by KRC Infra till date. Gera Developments Private Limited, the original purchaser of the Gera Commerzone Kharadi land has also not been joined as a party to the suit.

   A Special Civil Suit no. 2102 of 2010 is filed by Ashok Phulchand Bhandari against the Defendants before the Civil Judge, Senior Division, Pune ("**2010 Suit**") with respect to the Suit Land seeking inter alia declaration, specific performance against the Defendants and a decree of permanent injunction restraining the Defendants from causing any construction or development on the Suit Land. Ashok Phulchand Bhandari has also challenged inter alia (a) the decree dated September 26, 2008 passed the Civil Judge, Senior Division, Pune, wherein the suit filed in 2005 by Tanhubai Amruta Pathare, (wife of late Amruta Tukaram Pathare, being one of the erstwhile co-owners of a portion of the Suit Land), through her legal heirs, against Popat Amruta Pathare, one of the Defendants ("**2005 Suit**"), was withdrawn on the basis of a compromise pursuit arrived at between the parties to the 2005 Suit and one of the Defendants; (b) registered partition deed / Vatanipatra dated September 15, 1993 pursuant to which Amruta Tukaram Pathare became entitled to a portion of land forming part of the Gera Commerzone land; and (c) will and testament dated January 19, 1995 executed by late Amruta Tukaram Pathare. Further, in view of the 2010 Suit, a notice of lis pendens dated April 10, 2015 was separately filed and registered by Ashok Phulchand Bhandari. The matter is currently pending.

2. The heirs of Balu Laxman Shivle have issued a notice to Gera Developments Private Limited in relation to claim over land admeasuring approximately 0 hectares 80.30 ares (1.98 acres) ("**Disputed Land**"), on which Gera Commerzone Kharadi is situated. No such notice has been received by KRC Infra.

   By a notice dated July 16, 2016 ("**Notice**"), the heirs of Balu Laxman Shivle viz. (a) Shobha Balu Shivle, (b) Hrishikesh Balu Shivle, (c) Om Balu Shivle, claimed their share in an area in the Disputed Land, being the share of late Amruta Pathare ("**Land Owner**"). It was also alleged that the registered sale deed dated February 12, 1996 executed in favour of Gera Developments Private Limited was executed without the signatures and consent of the wife and daughter of the Land Owner and that they did not receive any consideration on account of sale of the Disputed Land. By letters dated August 20, 2016 and January 23, 2017, Gera Developments Private Limited has replied to the Notice denying all allegations. No further correspondence has been received.

3. Rahul Bhausaheb Pathare, one of the legal heirs of an erstwhile owner of a portion of land forming part of the Gera Commerzone Kharadi land, through his legal counsel, ("**Claimant**") has issued a notice dated December 14, 2019 ("**Notice**") to Gera Developments Private Limited, KRC Infra and others alleging claim over an undivided portion of two lands parcels admeasuring approximately 0 hectares 40 ares (0.98 acres) and 1 hectare 68.6 ares (4.16 acres), respectively, ("**Disputed Lands**"), on which Gera Commerzone Kharadi is situated.

   The Claimant has alleged inter alia that (a) the Disputed Lands were the undivided property of the Hindu Undivided Family of Pathare family ("**Pathare HUF**"), and his consent / confirmation was not obtained for sale of the same in favour of Gera Developments Private Limited in the year 1996; (b) since the Claimant was a major at the time of execution of the sale deeds executed in the year 1996 in favour of Gera Developments Private Limited, his signature should have been obtained as a coparcener since, in the absence of any reason for sale of the Disputed Lands for the benefit of the Pathare HUF, the Karta of the joint family, Bhausaheb Kaluram Pathare (father of the Claimant), could not have executed the sale deeds on behalf of the joint family; (c) Gera Developments Private Limited has, through forgery, fraudulently added hand-written clauses, regarding right of way, to the sale deeds executed in its favour after the execution thereof; and (d) that the subsequent transactions in respect of the Disputed Lands, including inter alia sale of portions thereof in favour of KRC Infra, its mortgage by KRC Infra, leasing of buildings / premises constructed thereon in favour of various lessees, are illegal and not binding upon the Claimant, to the extent of his share in the Disputed Lands.

   The Claimant has also sought to take legal action against the addressees (including KRC Infra) in the event (a) any further agreements / arrangements are entered into in respect of the Disputed Lands, and (b) of failure to revoke and cancel the deeds, documents and agreements executed inter se the addressees (including KRC Infra) to the extent of the Claimant's share in the Disputed Lands. KRC Infra, through its legal counsel, has by its letter dated December 24, 2019 sent an interim reply to the Notice inter alia denying the allegations made by the Claimant. KRC Infra, through its legal counsel, has by its letter dated June 29, 2020 sent a response to the Claimant stating inter alia that in absence of supporting documents received from the Claimant in support of his claim pursuant to the interim reply, the Notice stands withdrawn and his claim does not survive. No further correspondence has been received.

4. Saraswati Malhari Gaikwad (deceased) through her heir and others ("**Appellants**") have filed RTS Appeal No. 805 of 2021 against Gera Developers Private Limited, and another ("**Respondents**") before the Sub Divisional Officer, Haveli, Pune ("**SDO**") being aggrieved by the order passed by the Circle Officer in respect of Mutation Entry No. 13226 for Survey No. 65 Hissa No. 3, Village Kharadi, Taluka Haveli, District Pune. The SDO has issued notice dated December 9, 2021 to the Respondents for appearance in the matter and for filing Vakalatnama. The matter is currently pending.

5. Saraswatibai Malhari Gaikwad (deceased) ("**Plaintiff**") through her heir has filed special civil suit no. 2040 of 2021 ("**2021 Suit**") against Yashwant Punaji Pathare & 65 others ("**Defendants**") before the Civil Judge, Senior Division, Pune ("**Court**") seeking inter alia preliminary decree of partition for 1/5$^{th}$ undivided share of the Plaintiff in the suit lands including inter alia on which Gera Commerzone Kharadi is situated, cancellation of sale deeds, declaration, permanent injunction and several other reliefs. KRC Infra is not a party to the 2021 Suit and further, no summons from the Court have been received by KRC Infra till date. The matter is currently pending.

### (ii) Criminal matters

There are no pending criminal matters against KRC Infra.

### (iii) Regulatory actions

1. A notice dated July 25, 2019 was issued by PMC to KRC Infra and Gera Developments Private Limited ("**GERA**") alleging non-compliance with certain provisions of the approval of reservation shifting dated October 3, 2016

issued by the PMC in relation to a cultural centre, parking and hospital area at Gera Commerzone Kharadi on the basis of a complaint received by PMC. GERA and KRC Infra have replied to the notice, by way of a letter dated August 14, 2019, refuting all allegations. The matter is currently pending.

2. KRC Infra and GERA received two notices both dated June 1, 2021 ("**Notices**") from Tahsildar, Haveli, Pune ("**Tahsildar"**) under the Maharashtra Land Revenue Code, 1966, in relation to alleged unauthorised excavation and transportation of minor minerals by KRC Infra from the lands situated in Village Kharadi, Taluka Haveli, Pune. KRC Infra filed its written submissions dated June 10, 2021 ("**Written Submissions**") with the Tahsildar denying the allegations made in the Notices and stating that it has not been provided with copies of the panchnama and the report dated January 9, 2019 and July 26, 2019 of the Talhati, Kharadi, Pune as referred in the aforesaid Notices and it has not done any unauthorised excavation and obtained the prior permission for excavation from the concerned/competent authority and paid the royalty in this regard for which orders have been passed by the said authority. The matter is pending before Tahsildar

3. By letter dated November 1, 2021 to Pune Municipal Corporation ("**PMC**"), KRC Infra informed PMC that it is in receipt of challan dated October 25, 2021 for an amount of ₹ 52.19 million being development charges, building development charges and heritage conversion fund stating that PMC ought to have levied development charges at higher rate of 8% with effect from May 10, 2018 and PMC has recovered excess development charges of ₹ 130.38 million for the period 2015 to 2018 by levying development charges at the rate of 8 % instead of 4%. KRC Infra further requested that PMC should adjust the aforesaid amount against the excess amount paid by KRC Infra earlier and that KRC Infra is making the payment of ₹ 52.19 million as per challan under protest and PMC is requested to ensure that the excess amount of ₹ 130.38 million be returned to KRC Infra at the earliest or the said excess amount be adjusted against development charges payable on the next sanction.

4. Gera Developments Private Limited and its licensed architect received a letter from the Executive Engineer, Building Development Department Zone No. 1, Pune Municipal Corporation ("**PMC**") stating that Saraswati Gaikwad (deceased) through her legal heir Sangita Gaikwad ("**Applicant**") has filed an application cum complaint ("**Application**") dated January 24, 2022 with PMC in relation to alleged unauthorized construction on the land bearing Survey No. 65/3, Village Kharadi, Taluka Haveli, Pune ("**Land**"). By the Application, the Applicant allegedly claimed to be the owner, having an equal and undivided share in the Land and informed that no partition of the Land has taken place and that there is a suit pending before the Civil Judge, Senior Division Pune with regard to the Land. Pursuant to the Application, the Applicant has requested PMC to stop the ongoing construction on the land and requested PMC not to issue occupation certificate ("**OC**"). In view thereof, PMC has requested Gera Developments Private Limited and its licensed architect to provide clarity regarding the allegations made by the Applicant.

5. KRC Infra has received a demand notice dated March 11, 2022, from the stamp duty and revenue authority in relation to alleged deficit payment of stamp duty aggregating to ₹ 1.1 million along with penalty with respect to lease deed dated 28th October 2020 ("**Lease Deed**") entered into by KRC Infra, in its capacity as lessor with a lessee. KRC Infra has, by its letter dated March 24, 2022, replied to the said demand notice inter alia stating that the liability for stamp duty on the Lease Deed was that of the lessee.

### (iv) Material civil/commercial litigation

1. For pending material civil/commercial litigation actions against KRC Infra, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Gigaplex – Material civil/commercial litigation".

## G. MBPPL

### (i) Title litigation and irregularities

1. Shrimant Chhatrapati Udayan Raje Pratapsinh Maharaj Bhonsale ("**Plaintiff**") has filed a suit before the Civil Judge Senior Division Pune ("**Civil Court**") against Shri Mukund Bhavan Trust ("**MBT**"), its trustees, and the State of Maharashtra ("**Defendants**") for declaration of title and possession of lands in Yerwada, Pune admeasuring approximately 322.7 acres ("**Suit Land**"); including approximately 25 acres 27 gunthas (approximately 1,03,940 square meters) ("**Commerzone Land**") of land in which units (approximate 1.68 msf of leasable area as per lease deeds) in Commerzone Yerwada, one of our Portfolio, are situated. MBT, as the owner of 79.32 acres land ("**MBT Land**"), had executed a registered development agreement in 2004 with KRCPL with respect to the Commerzone Land. Commerzone Yerwada land, which includes the rights in demarcated portions of the Commerzone Land, was transferred from KRCPL to MBPPL pursuant to the scheme of arrangement sanctioned on September 7, 2017). Neither KRCPL nor MBPPL is joined as a defendant to the suit.

   The Plaintiff is seeking, inter alia declarations and injunctions in his favour in relation to ownership and possession of the Suit Land and to set aside compromise decrees passed in (i) 1953 in Suit No. 152/1951; (ii) 1990 in Suit No. 1622/1988; and (iii) 2003 in Civil Appeal No. 787/2001; all in proceedings between MBT and the State of Maharashtra.

   The Plaintiff also filed an application for temporary injunction which is pending. No interim or ad-interim relief has been granted to the Plaintiff. MBT applied to the Civil Court for rejection of the plaint filed by the Plaintiff on the grounds of limitation, which was rejected by order dated April 29, 2014. MBT filed revision petition against the said rejection order, in the Bombay High Court, which was dismissed on April 26, 2016. MBT filed SLP No.18977 of 2016 against the said dismissal order, which is pending before the Supreme Court of India.

   The Plaintiff filed an application on March 9, 2015 in the Civil Court for amendment to the prayers in the suit, inter alia to limit the Plaintiff's claim for possession only with regard to vacant land in possession of the Defendants and lands alienated subsequent to the filing of the suit, and to seek compensation from MBT with regard to constructed units and alienated part of the Suit Land instead of seeking possession of the developed portion for which registered deed with regard to alienation were executed prior to the filing of the suit in 2009. The application for amendment of the plaint was rejected by the Civil Court by its order dated November 14, 2016. Aggrieved, the Plaintiff filed Writ Petition No. 4268/2017 in the Bombay High Court challenging the said order dated November 14, 2016, which is currently pending before the Bombay High Court.

   Two applications made by third parties, being M/s. Mahanagar Developers and M/s. Mahanagar Constructions for being joined as party defendants in the suit, were granted on November 14, 2016 by Civil Court. The Plaintiff challenged this order by filing Writ Petition No. 4415/2017 in the Bombay High Court. By a common order dated February 15, 2018 passed in the aforesaid two writ petitions (Nos. 4268/2017 and 4415/2017), the Bombay High Court requested the trial judge not to proceed in considering any interim application, till the adjourned date of hearing of these petitions. These matters are currently pending before the Bombay High Court.

   The Plaintiff registered a notice of lis-pendens dated July 7, 2011 in respect of the Suit No.133/ 2009 and applied for mutation in the revenue records. Purshottam M. Lohia, a trustee of MBT and Panchashil Tech Park Private Limited (an entity claiming certain rights in survey No.191A Yerwada village) ("**Panchashil**") opposed the mutation, which opposition was rejected. Panchashil filed appeal before the District Superintendent of Land Records and relied on the government notification dated September 21, 2017 directing revenue authorities to remove or cancel all mutations entries in respect of notice of lis-pendens ("**Notification**").

2. Ravindra Laxman Barhate filed complaint and revenue proceedings against Shri Mukund Bhavan Trust ("**MBT**") and others in relation to the allotment and exemption order under the Urban Land Ceiling Act, 1976 in respect of the MBT Land (as mentioned in para 1 above).

   A complaint was filed on November 27, 2015 by Ravindra Laxman Barhate with the Divisional Collector Pune and other authorities, against MBT and others (together, "**Respondents**") alleging tampering, cheating as also breach of terms and conditions by the Respondents inter alia with respect to order dated November 24, 2003 passed under Section 20(1) of the Urban Land Ceiling Act, 1976 in respect of the MBT Land at Yerwada, Pune ("**ULC Order**") and seeking action against the Respondents and cancellation of the ULC Order.

   MBT filed a writ petition before the Bombay High Court, for quashing any enquiry / investigation on the basis of the said complaint filed by Ravindra Laxman Barhate. By order dated March 5, 2018, the Bombay High Court has restrained the Additional Collector from passing any order on this complaint until the next hearing date. Through its order dated January 6, 2020, the Bombay High Court inter alia restrained the State of Maharashtra and certain other respondents from passing any order pursuant to the complaint filed on November 27, 2015 until disposal of the writ petition. The matter is currently pending.

   Ravindra Laxman Barhate also filed a Revenue Appeal No.1826/2015 before the Revenue Minister, State of Maharashtra ("**Revenue Minister**") against the Commissioner & Collector, Pune and MBT, challenging a report dated June 20, 2011 of the Divisional Commissioner, Pune ("**Report**") wherein MBT was stated to be the owner of the MBT Land(which include the demarcated portions of the land pertaining to Commerzone Yerwada); inter alia to set aside the Report, pass an order directing the relevant authorities to submit a new inquiry report and restrain the purchase-sale, construction on the disputed land. By way of order dated September 23, 2015, the Revenue Minister ordered that status quo be maintained as regards the record of the suit property.

   MBT had filed a writ petition challenging the order dated September 23, 2015 passed by the Revenue Minister. Since the State Government of Maharashtra withdrew the said order dated September 23, 2015, stating that the pending proceedings will be heard by the Principal Secretary, Revenue Department, the said writ petition was disposed of by order dated October 28, 2015 as not surviving while keeping open all contentions of both the parties on merits. MBT challenged the said Order dated October 28, 2015 in the Supreme Court of India ("**Court**") inter alia on the ground of maintainability of such proceedings before the Principal Secretary, Revenue Department. By order dated January 21, 2016, the Supreme Court of India has stayed the proceedings pending before the Principal Secretary, Revenue Department. By order dated August 6, 2021, the Court allowed the appeal by setting aside the impugned order dated October 28, 2015 of Bombay High Court and restored the aforesaid writ petition to the file of the Bombay High Court to facilitate the Bombay High Court revisiting the petition afresh. The Court clarified that the setting aside of the impugned order dated October 28, 2015 will not have any consequence in regard to the statements which have been recorded of the State Government of Maharashtra to withdraw the order dated September 23, 2015.

3. The Office of the Land Reforms Tribunal & Revenue Divisional Officer, Hyderabad ("**Tribunal**") had by its letter dated August 11, 2009, sought certain information from Serene Properties Private Limited (now MBPPL) under Section 8(2) of the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("**APLRAC**") in respect of the land at Mindspace Pocharam.

   Serene has filed a reply on September 30, 2009. The authorized officer has filed a counter and Serene has filed a rejoinder dated August 29, 2012. Serene has stated that the land transferred in favour of MBPPL was notified

for industrial use and has been declared as an SEZ and is not "land" covered under the APLRAC. The proceedings are pending before the Special Grade Deputy Collector and Revenue Divisional Officer, Ranga Reddy District. In September 2012, MBPPL also submitted to the Tribunal a copy of the order dated August 9, 2012, which was passed by the Hon'ble High Court of Andhra Pradesh ("**High Court**") in a similar matter (being Writ Petition No. 19300/2012 filed by Neogen Properties Pvt. Ltd.) wherein a stay was granted by the High Court until further orders. The matter is currently pending before the Tribunal.

4. A letter dated February 4, 2019 from the Office of Executive Engineer, BDD Zone No.4 was forwarded by an architect firm to MBPPL on February 11, 2019 wherein PMC sought clarifications regarding certain objections pertaining to the land at Commerzone Yerwada, regarding payment of ₹ 156.98 million consisting of ₹ 56.34 million principal of recoverable amount and ₹ 100.64 million on account of interest. MBPPL by way of its letter dated February 28, 2019 replied to PMC inter alia stating that the letter has been addressed to the incorrect recipient who is not a developer of the relevant portion of the land, and sought clarifications with respect to the contents of the letter and disputed the payment demand. Further, by way of its letter dated July 2, 2019, MBPPL requested for a reply to its letter dated February 28, 2019 and stated that it would be ready to pay amounts, if any payable, if and once the clarifications sought by it are provided. By letter dated July 20, 2019 to MBPPL, PMC provided the copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated August 17, 2021 the architect firm and another, PMC stated that it has not received any clarifications and provided the challans of amounts by assessing interest thereon and required submission of challan/receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated September 6, 2021 to PMC, MBPPL has again stated that the earlier PMC letter dated February 4, 2019 and the PMC letter dated August 17, 2021 are addressed to the wrong persons and informed PMC of the non-receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated October 11, 2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires; and called upon PMC to withdraw the impugned challans and letter forthwith. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one-time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and to provide an opportunity of hearing and furnishing clarifications, if required by PMC. By letter dated January 5, 2022, to the architect firm and another, PMC stated that it has informed them earlier to make the payment of the objectionable and recoverable amount along with the interest in the treasury of PMC as per the scrutiny carried out by the Chief Auditor, PMC ("**CA**") of the sanctioned building plans in respect of land at Commerzone Yerwada. In pursuance of the same, the revised/rectified challans were being issued by PMC upon the verification of the written clarification provided by the Architect and another. However, if any objection is raised or received in respect of the revised/rectified challans from the CA shall be bound to take action or act as per the instructions given by the CA. In reply to the PMC letter dated January 5, 2022, MBPPL on January 25, 2022 submitted a reply/ letter to PMC and its officers stating that without prejudice to its contentions, rights and remedies and without admitting any liability to pay any amount under the four revised challans dated January 4, 2022 ("**Challans**") an aggregate amount of ₹ 26.64 million i.e. (₹ being development charges, ₹ 6.53 million being balcony charges and ₹ 20.11 million being staircase charges) towards the payments in full and final settlement of the Challans in order to show bonafide of MBPPL and full and final settlement of all accounts and demands raised by PMC and requested PMC to accept the payment accordingly without any further demands on MBPPL on any account and to treat the matter as closed. MBPPL further stated that if the matter is not closed, to treat the said letter dated January 25, 2022, as a notice under Section 487 of the Maharashtra Municipal Corporation Act, 1949 and under Section 159 of the Maharashtra Regional and Town Planning Act, 1966 in relation to the letters and challans. Subsequently, by letter dated March 10, 2022, PMC informed MBPPL that it has not accepted the cheque issued by MBPPL vide its letter dated January 25, 2022 and requested MBPPL to issue demand draft for the amount as per the Challans and make the payment to PMC at the earliest

### (ii) Criminal matters

There are no pending criminal matters against MBPPL.

### (iii) Regulatory actions

1. Deputy Assessor and Collector (Indira Docks), Mumbai issued demand notice dated June 7, 2012 for payment of ₹ 0.4 million towards octroi for import of certain goods at Commerzone Yerwada project. MBPPL replied by way of its letters dated March 2, 2017, March 14, 2017 and March 22, 2017 stating, inter alia that it has made payments for the aforesaid goods. MBPPL received another demand notice dated March 21, 2018 in relation to the aforesaid payment of octroi. MBPPL replied by way of letter dated April 18, 2018 and reiterated that there is no liability to pay octroi in this case. No further correspondence has been received.

2. MBPPL has received several demand notices from the stamp duty and revenue authorities in relation to alleged deficit payment of stamp duty aggregating to ₹ 10.18 million along with penalty in certain instances with respect to certain leave and license agreements / lease deed entered into by MBPPL, in its capacity as licensor/ lessor. MBPPL has from time to time responded to such demand notices inter alia stating that the liability for stamp duty on the documents was that of the respective licensee / lessees.

3. Ministry of Water Resources, River Development and Ganga Rejuvenation, Central Ground Water Board issued a show cause notice dated March 22, 2019 to MBPPL for non-compliance and contravention of the mandatory conditions of the NOC issued of ground water extraction for Commerzone Yerwada project and directed MBPPL to rectify the non-compliances. MBPPL has replied by way of its letter dated April 12, 2019 stating that it has initiated all actions required for compliance with the no-objection certificate and requesting withdrawal of the show cause notice dated March 22, 2019. No further correspondence has been received.

4. MPCB, pursuant to the meeting of its Consent Appraisal Committee ("**CAC**") held on December 12, 2017, issued a show cause notice dated June 5, 2018 to Trion Properties Pvt. Ltd. (prior to demerger of mall and IT undertakings from Trion Properties Pvt. Ltd. to MBPPL) in relation to certain non-compliances with environmental clearance for one commercial building (approximately 0.56 msf of leasable area as per lease deeds) forming part of The Square, Nagar Road project, and directed MBPPL to stop work on the project until a valid consent is obtained from it.

   Earlier, Trion Properties Pvt. Ltd. had obtained environment clearance on May 8, 2007 and consent to operate dated September 30, 2011 which was renewed from time to time. In the renewal of consent to operate application dated August 27, 2013, MPCB had specified the requirement for applying separately for environment clearance and consent to operate for additional construction area. By application dated March 17, 2017 Trion Properties applied for renewal of consent to establish for IT building and for correction of built-up area of the mall building.

   By letter dated March 20, 2018, MBPPL (as the successor of Trion) referred to the observations requested the MPCB to grant the consent to establish and replied to the alleged non-compliances observed by the MPCB. MBPPL replied to the show cause notice by way of its letter dated July 6, 2018 stating that it had received amended environment clearance dated June 15, 2018 and complied with the other requirements and requested for withdrawal of the show cause notice and grant of renewed consent. Further, on August 18, 2018, the CAC requested for certain details for considering MBPPL's consent to establish application. MBPPL provided the requested details to the CAC on September 4, 2018. CAC in its meeting held on December 11, 2018 observed that MBPPL had applied for re-validation for consent to establish for remaining BUA for IT activity, and was operating IT activity without obtaining consent from MPCB, and deferred the case and requested MBPPL to provide a presentation along with the relevant documents. On January 19, 2019, CAC requested MBPPL to contact the concerned person for taking prior appointment of the chairman for the presentation.

   MBPPL has made an application dated December 11, 2019 to MPCB to obtain consent to operate, for the IT building at The Square, Nagar Road. CAC issued a show cause notice dated August 17, 2020 as to why the application for consent to operate should not be refused, inter alia as environment clearance was not in the name of the project and sought clarity and details inter alia relating to occupation certificate. By reply dated August 24, 2020, MBPPL provided the required clarifications and details, and requested for processing the application and issuing the necessary consent to operate. The CAC, in its meeting held on December 4, 2020, has approved to grant the consent to operate subject to MBPPL submitting the amended environmental clearance in the name of MBPPL and after payment of additional consent fees. The amended environment clearance dated June 15, 2018 was inadvertently issued in the individual name of Mr. Anil Mathur. Mr. Anil Mathur has issued the no objection certificate on June 19, 2021 in favour of SEAC-111, Environment Department, Mantralaya, Mumbai for change of name in the said amended environmental clearance from Mr. Anil Mathur to MBPPL and the consent letter has also been submitted to CAC on June 19, 2021 by MBPPL in this regard. By its letter dated September 3, 2021 to MBPPL, SEIAA, Environment & Climate Change Department, Mantralaya, Mumbai has communicated the decision taken by it and SEAC-3 in their respective meetings to transfer the name from Mr. Anil Mathur to MBPPL for the said amended environmental clearance. The consent to 1st operate (Part II) was issued on October 6, 2021 ("**CTO**"). By letter dated October 14, 2021 to Member Secretary, CAC, MBBPL stated that MBPPL had issued a bank guarantee for ₹ 1 million ("**BG**"). However, MBPPL observed that the CTO had a condition that the BG was being forfeited since the IT park was operative since 2016 without obtaining consent to operate by MBPPL. MBPPL further stated that since the date of application i.e. December 30, 2015, no objection was received and it was deemed approved and accordingly, the proposed forfeiture of the aforesaid BG should not be effected and thereby requested for withdrawal of the proposal of forfeiture of BG.

5. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against MBPPL and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2008-09, AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. MBPPL filed appeals before the CIT(A) against the order for AY 2012-13 to AY 2017-18 and against order for AY 2018-19. MBPPL made an application under the VsV for AY 2012-13, AY 2013-14 & AY 2014-15. MBPPL received final order for AY 2012-13, accepting the VsV Application. The appeal for AY 2015-16 and 2016-17 were disposed by the CIT(A) in favour of MBPPL with direction to the assessing officer. The appeal for AY 2012-13 was dismissed by the CIT(A) in view of VsV order for the said year. VsV application for AY 2013-14 was rejected and the final order under VsV for AY 2014-15 is currently pending. The appeal for AY 2013-14 was

disposed by the CIT(A) against MBPPL and an appeal has been filed before the ITAT against the same.

6. The Collector of Stamps (Enforcement), Mumbai issued an interim demand letter dated December 18, 2017 and rectification order dated December 20, 2017 for deficit stamp duty aggregating to ₹ 333.28 million. By way of letter dated December 26, 2017, MBPPL expressed its disagreement with respect to determination of the amount of stamp duty for the demerger of certain undertakings of Trion Properties Pvt. Ltd. into MBPPL and stated that it will effect the payment of the disputed amount under protest and requested that the original order of the NCLT be returned to MBPPL duly endorsed, to enable MBPPL to make the payment and register the same. The amount of ₹ 333.28 million was paid under protest on December 27, 2017. No further correspondence has been received.

7. The Tahsildar, Revenue Department, Collectorate Office Pune ("**Tahsildar**"), by letter dated March 22, 2021 ("**Letter**") to MBPPL (addressed to Mr. Anil Mathur) requesting MBPPL to provide details (as per the format provided in the said Letter) of the expenditure/provision for ₹ 27.22 million towards the Corporate Environment Responsibility ("**CER**") in respect of revalidation and proposed amendment in environment clearance to accommodate mixed use occupancies at the Square, Nagar Road and requested for hearing at the Collectorate Office Pune and response to the Letter. The Letter was issued with reference to the office memorandum dated May 1, 2018 ("**OM**") issued by the Ministry of Environment, Forest and Climate Change, Impact Assessment Division, New Delhi ("**MoEF**") relating to the CER.

   By letter dated March 24, 2021, MBPPL sought additional time to submit its detailed response to the Letter. By letter dated May 6, 2021 to the Tahsildar, MBPPL submitted, among other things, that (i) the environment clearance dated June 15, 2018 issued to MBPPL does not contain any condition or requirement/ liability on MBPPL to spend/make provision for CER; (i) the revalidation and proposed amendment in the environment clearance neither involved expansion in area nor any enhancement in cost of the project; and (iii) there is no liability on MBBPL since the OM specifically provided that CER is not applicable in case of an amendment involving no additional project investment. No further correspondence has been received.

8. Ministry of Environment, Forest & Climate Change ("**MOEF & CC**"), by its letter dated August 13, 2021 to MBPPL (addressed to Mr. Anil Mathur), informed MBPPL that they are directed by National Green Tribunal, Principal Bench, New Delhi ("**NGT**") to bring to MBPPL's attention the order dated July 26, 2021 ("**NGT Order**") passed by the NGT on the application made by Navnath Namdeo Jadhav pursuant to which NGT has instructed the MOEF & CC to ensure the compliance of conditions of environmental clearance granted to the 10 projects located in Mumbai and Pune which includes IT and Mall building at The Square, Nagar Road. MOEF & CC has by the said letter dated August 13, 2021 requested MBPPL to provide information and documents as mentioned therein. By letter dated October 19, 2021 to MOEF & CC, MBPPL has provided the details and documents pertaining to the queries raised.

9. The Commissioner, Pocharam Municipality ("**Commissioner**") issued a show cause notice dated November 27, 2021 ("**SCN**") to KRCPL (instead of MBPPL) under the Telangana Municipalities Act, 2019 for removal of fence, and to leave open the cart track out of the land of MBPPL at Pocharam Village for the use of general public. The Commissioner has under the SCN alleged that KRCPL has encroached by erecting a fence to the said cart track. MBPPL, by its letter dated December 6, 2021, replied to the SCN stating that they are verifying the records and the relevant layouts pertaining to the subject and sought additional time to submit a detailed response and requested the Commissioner not to initiate any steps or proceedings in the interim.

## H. Sundew

### (i) Title litigation and irregularities

1. The Office of the Land Reforms Tribunal Cum Deputy Collector & Special Grade Revenue Divisional Officer, Attapur ("**Tribunal**") had, by letter dated August 27, 2009, sought information from Sundew under Section 8(2) of to the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("**APLRAC**") in respect of the entire land parcel at Mindspace Madhapur (Sundew).

   The Revenue Department of the Government of Andhra Pradesh forwarded a Memo dated September 5, 2009 for furnishing of certain information to the Government of Andhra Pradesh, including information requested by the aforesaid letter dated August 27, 2009. Sundew has filed a detailed response on September 30, 2009 stating that (a) the land was originally granted by the Government of Andhra Pradesh to KRIT which was a joint venture company with APIIC, (b) the land was vested in Sundew by way of demerger order of the Andhra Pradesh High Court, (c) the land has been declared as an SEZ and is therefore exempt from the local laws; (d) the land was shown as a non-agricultural land in the master plan of Hyderabad and is therefore not "land" covered under the APLRAC. The Tribunal issued a final notice to Sundew in January 2012 requesting Sundew to submit a declaration for full and correct particulars of the lands held by Sundew. In September 2009, Sundew also submitted a copy of the order dated August 9, 2012, which was passed by the Hon'ble High Court of Andhra Pradesh ("High Court") in a similar matter (being Writ Petition No. 19300/2012 filed by Neogen Properties Pvt. Ltd.) wherein a stay was granted by the High Court until further orders. The matter is currently pending before the Tribunal.

### (ii) Criminal Matters

There are no pending criminal matters against Sundew.

### (iii) Regulatory actions

1. For pending regulatory actions against Sundew, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – KRIT– Regulatory actions".

### (iv) Material civil/commercial litigation

1. Sundew filed an application before the then Andhra Pradesh Electricity Regulatory Commission (now Telangana State Electricity Regulatory Commission ("**TSERC**") on March 10, 2014 requesting TSERC to take on record the 'deemed distribution licensee' status of Sundew for the development, operation and maintenance of SEZ at Madhapur, Hyderabad. TSERC passed an order dated February 15, 2016 ("**TSERC Order**") identifying Sundew as a deemed distribution licensee for a period of 25 years with effect from April 1, 2016 subject to inter alia Sundew obtaining capital infusion from its promoters before March 31, 2016. Sundew filed an application dated March 16, 2016 ("**Interlocutory Application**") before TSERC seeking modification of condition in respect of equity infusion and extension of time to comply with the same. TSERC passed an order dated August 4, 2016 directing compliance with TSERC Order and denying extension of time and also directed the existing licensee to continue the power supply till September 30, 2016. TSREC, by its letter dated September 22, 2016, has granted extension of time to continue power supply till the state transmission utility grants network connectivity and open access. Aggrieved, Sundew filed a petition ("**Review Petition**") before TSERC on August 26, 2016, seeking inter alia review of the order dated August 4, 2016. Additionally, Sundew also filed an appeal to the Appellate Tribunal for Electricity ("**APTEL**") challenging the TSERC Order and in relation to the conditions imposed by TSERC which was dismissed on September 27, 2019. The matter is currently pending before the TSERC with respect to the review petition filed by Sundew. Aggrieved by the order dated September 27, 2019, Sundew has also filed a civil appeal on November 15, 2019 before the Supreme Court of India. By an order dated February 22, 2021 passed in the civil appeal, the Supreme Court of India directed TSERC to hear the pending applications/ petitions filed by Sundew before TSERC, to list the matter for final hearing and granted liberty to the parties to file their written note of arguments. The matter is pending before the Supreme Court of India and TSERC.

### (iii) Material civil/commercial litigation

1. Powai Developers, Mr. Ravi C. Raheja and another ("**Petitioners**") have filed a special leave petition ("**SLP**") before the Supreme Court of India against the State of Maharashtra and three others ("**Respondents**"). The SLP has been filed against the judgement dated September 3, 2014 passed by the Bombay High Court in respect of the applicability of the provisions of Section 3(1)(b) of the Urban Land (Ceiling and Regulation) Repeal Act, 1999. By an order dated December 15, 2014, the Supreme Court of India issued a notice and restrained the Respondents from taking any coercive steps. KRCPL is the sole proprietor of Powai Developers. The matter is currently pending before the Supreme Court of India.

2. Ivory Properties and Mr. Ravi C. Raheja have filed two separate writ petitions before the Bombay High Court ("**Court**") against the State of Maharashtra, Nusli N. Wadia and others, for inter alia quashing and setting aside (i) a notification dated July 20, 2007, a notice dated March 1, 2016 and a notice dated August 30, 2016 passed under the provisions of the Maharashtra Slum Areas (Improvement, Clearance and Development) Act, 1971 for acquiring property admeasuring approximately 7758 square meters. Nusli N. Wadia has also filed similar writ petition before the Court against the State of Maharashtra and Ivory Properties on similar grounds. The arguments have concluded in the writ petitions filed by Ivory and Nusli N. Wadia and are pending for orders; (ii) an order dated October 25, 2017 for acquiring property admeasuring approximately 8255.30 square meters, situated at Borivali. By an order dated November 26, 2019, the writ petition was disposed off as withdrawn with liberty to make representation to the State Government. Ivory Properties has filed its representation. Nusli N. Wadia had also filed similar writ petition before the Court against the State of Maharashtra and Ivory Properties on similar grounds. The writ petition filed by Nusli N. Wadia was dismissed with observation that the petitioner can always approach the Court after the notification under Section 14 is issued and leaving all contentions of the parties open.

3. Ivory Properties and Mr. Ravi C. Raheja ("**Petitioners**") filed a writ petition before the Bombay High Court ("**High Court**") against the State of Maharashtra and six others ("**Defendants**") inter alia seeking an order from the High Court for restraining the State of Maharashtra & others from enforcing the conditions of exemption order dated February 19, 1996 read with corrigendum thereto dated May 5, 1997 and June 23, 2004 in respect of the lands at Malad, Mumbai for which Ivory Properties has development and other rights under the 1995 Agreement. In similar proceedings filed before it, the High Court vide order dated September 3, 2014 ("**Order**") inter alia held that conditions of exemptions under section 20 of the Urban Land (Ceiling and Regulation) Act, 1976 remain enforceable and the pending writ petitions must be disposed of in light of the principles laid down in the said judgement and on merits and in accordance with law. Pursuant thereto, numerous special leave petitions ("**SLPs**") were filed before the Supreme Court of India challenging the Order. Supreme Court of India vide its order dated November 10, 2014 directed the State of Maharashtra & others not to take any coercive steps till final disposal of the matters before it. The Supreme Court disposed of the SLPs permitting the respondent (State) to implement the recommendations made in the report dated August 9, 2018 by the committee headed by Hon'ble Justice B.N. Srikrishna (retd.) with further clarification that if any of the categories of exemption was not covered in the report, it was open to such exemption holders to make representations to the Government.

4. Mr. Ravi C. Raheja, Neel C. Raheja, Mr. Chandru L. Raheja, Mrs. Jyoti C. Raheja, KRCPL, Ivory Properties, Palm Shelter, KRPL and 20 others filed an appeal ("**Appeal**") under Section 10F of the Companies Act, 1956 before the Bombay High Court ("**High Court**") against Aasia Properties Private Limited ("**Aasia**") and two others, against order dated September 19, 2006 ("**Order**") passed by the CLB, New Delhi in company petition 91/2005, which granted permission to Aasia, to appoint its nominee as a non-functional director on the board of Juhu Beach Resorts Limited. The Court vide an interim order dated November 21, 2008, stayed the order till the pendency of the Appeal. The matter is currently pending before the High Court.

5. Aasia Properties Private Limited ("**Aasia**") filed an appeal ("**Appeal**") under Section 10F of the Companies Act, 1956 before the Bombay High Court ("**Court**") against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Mrs. Jyoti C. Raheja, KRCPL, Ivory Properties, Palm Shelter, KRPL and 20 others ("**Respondents**"), with respect to order dated September 19, 2006 passed by the CLB, New Delhi which dismissed the petition filed for declaring the transfer of 633 shares of Poonam Chand Shah/ Manjula P. Shah in favour of certain respondents as null & void, set aside subsequent transfers of such

shares to other Respondents, subsequent rights issues of such shares be transferred to the Petitioners and other consequential reliefs. The matter is currently pending before the Court.

6. Shazad S. Rustomji and another ("**Plaintiffs**") have filed a suit before the Bombay High Court ("**Court**") against Ivory Properties, Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others inter alia for declaring the deed of declaration dated October 25, 2011 executed and registered by Ivory Properties for submitting the building Serenity Heights under the Maharashtra Apartment Ownership Act, 1970 and the consequent formation of the Serenity Heights condominium, as illegal and void and not binding upon the Plaintiffs. The Court, in its order dated April 24, 2016, has refused to grant ad-interim relief to the Plaintiffs. Ivory Properties Mr. Ravi C. Raheja and Mr. Neel C. Raheja have filed an application for rejection of the plaint on grounds that the present suit is barred by the law of limitation. The matter is currently pending before the Court.

7. Mr. Ravi C. Raheja and others ("**Petitioners**") have filed a writ petition before the Bombay High Court against State of Maharashtra and others ("**Defendants**"), for directing the Defendants for withdrawing the letter dated June 8, 2008 which gave retrospective effect to the notification dated June 9, 2008 amending Rule 22A of the Bombay Stamp Rule, 1939 and setting aside the aforementioned notification. The Petitioners have also sought a refund of stamp duty aggregating to ₹ 6.21 million along with interest. The matter is currently pending before the Bombay High Court.

8. Gopal L. Raheja and eight others ("**Petitioners**") have filed company petition before the CLB / NCLT, Mumbai ("**CLB/NCLT**"), against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and five others ("**Respondents**"), under Sections 397 and 398 of the Companies Act, 1956 inter alia alleging oppression and mismanagement by the Respondents in respect of the business and management of Asiatic Properties Limited. The matter is currently pending before the NCLT. Seacrust Properties Private Limited and Sandeep G. Raheja, the Petitioners, filed company applications against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and others for alleged violation of certain orders of the CLB/NLT and alleged acts of perjury by making false statements. The company applications were dismissed by the CLB/NCLT vide its orders dated January 8, 2013 and February 7, 2013 ("Orders"). Aggrieved by the Orders, Seacrust Properties Private Limited and Sandeep G. Raheja have filed separate appeals before the Bombay High Court. The matters are currently pending before the Court Bombay High.

9. Tresorie Traders Private Limited has filed a company petition before the NCLT, Mumbai under sections 247(1A) and 250 of the Companies Act, 1956 against Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and others inter alia for investigation in respect of the membership, financial interest and control over two companies i.e. Club Cabana Recreation Private Limited and Sai Park Estate Developers (India) Private Limited and for restricting the transfer, fresh issue, exercise of voting rights and payment of dividend of the said companies. The matter is currently pending before the NCLT, Mumbai.

10. Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja and Mrs. Jyoti C. Raheja ("**Plaintiffs/CLR**") filed a civil suit before the Bombay High Court ("**High Court**") against Gopal L. Raheja, Sandeep G. Raheja, Durga S. Raheja, Sabita R. Narang and Sonali N. Arora ("**Defendants/GLR**").

The Plaintiffs and the Defendants were the persons primarily involved in the operation and management of the activities and businesses of the group known as K. Raheja Group in certain cities of Western and Southern India. However, certain disputes and differences arose between the CLR group and the GLR group that threatened the running of the business of the K. Raheja Group.

After attempts to amicably resolve and finally settle the disputes and differences between the two groups in order to avoid protracting the matter any further, GLR and CLR decided to split/partition entities and assets of the K. Raheja Group between them and accordingly a list indicating division of certain individual assets was executed in May 1995. On April 5, 1996 and November 16, 1996, further written agreements were executed wherein the manner, method and procedure of the division was agreed upon by the parties. Thereafter, on December 9, 1996, GLR and CLR groups made further confirmations to enable the division of certain assets in the agreed manner which was duly completed in respect of a portion of the assets, businesses and entities of the K. Raheja Group. The agreements and writings referred to above i.e. dated May 1995, April 5, 1996, November 16, 1996 and December 9, 1996 are collectively referred to as the "**Family Arrangement Documents**".

Further, apart from the entities, assets and businesses of the two groups which were divided as above, there are additional properties and entities, the separation and distribution of which remained unresolved due to the differences between the groups. The two groups had agreed to take steps to divide these undivided properties comprising various companies, partnership firms, trusts and also certain properties situated at Mumbai i.e. the "**Mumbai Undivided Entities**" and situated in South India i.e. the "**Southern Undivided Entities**" along with certain other residual properties (collectively referred to as the "**Balance Properties**"). Further, the distribution and ascertainment of the monies payable/receivable did not transpire and certain disputes again arose between GLR and CLR in respect of the division of the Balance Properties, the management of certain entities and other such disputes.

After various correspondences between the two groups over the course of more than two decades to amicably resolve the disputes, the present suit was filed by the Plaintiffs inter alia seeking enforcement/ implementation of the family arrangement documents. The Plaintiffs have alleged that the arrangement was only partially implemented and inter alia alleged that certain arrangements were wrongly implemented. The Plaintiffs have further alleged that due to the inactivity in management of the undivided companies, the registrar of companies has struck-off and dissolved certain of these companies. The Plaintiffs have inter alia prayed for implementation of the Family Arrangement Documents, restoration of the companies that have been struck-off/ dissolved, division of the companies situated in South India in the manner agreed by the parties and also for injunction restraining the Defendants from creating third party interests and/or encumbrances upon the properties that are the subject matter of the family arrangement. The Defendant nos.2 and 3 have filed their written statement on record along with a counter-claim inter alia praying for dismissal of the suit filed by the Plaintiffs and to fully implement the Family Arrangement Documents. The matter is currently pending before the High Court.

The GLR group also filed suits before the High Court pursuant to the family arrangement against the Plaintiffs alleging liability/obligation of the Plaintiffs to hand over certain title deeds, documents and papers and other assets belonging to the GLR group which are allegedly in the custody of the Plaintiffs and also seeking injunction for handover of the same to the GLR group. The matters are currently pending before the High Court.

11. Sealtite Gaskets Private Limited and six others ("**Petitioners**") have filed company petition before the CLB / NCLT, Chennai under Sections 397, 398, 399, 402, 403 and 406 of the Companies Act, 1956 against Mr. Ravi C. Raheja, Mr. Neel C. Raheja and Chandru C. Raheja and four others ("**Respondents**") inter alia in respect of alleged oppression and mismanagement by the Respondents in respect of the business and management of K. Raheja Hotels and Estates Private Limited. By order dated February 2, 2017, the matter was transferred to NCLT, Bengaluru. The matter is currently pending before the NCLT, Bangalore.

12. Mr. Ravi C. Raheja and Mr. Neel C. Raheja ("**Petitioners**") have filed a writ petition before the Karnataka High Court at Bengaluru ("**Court**") against the Union of India and Registrar of Companies, Bengaluru ("**RoC**") ("**Respondents**") challenging the wrongful inclusion of their names in the list released by the RoC on its website in relation to the directors disqualified under the provisions of Section 164(2) the Companies Act, 2013, for the periods ending October 31, 2019 and October 31, 2020 in relation to non-filing of financial statements or annual returns for a continuous period of three financial years by K Raheja Hotels and Estates Private Limited (since the Petitioners were not directors of K Raheja Hotels and Estates Private Limited at the relevant time, having already resigned therefrom). By its order dated June 12, 2019 ("**Order**"), the Court has disposed of the writ petition filed by the Petitioners, along with a batch of several other writ petitions on the same matter and quashed the impugned list to the extent inter alia the disqualification of the Petitioners as directors was concerned. Pursuant to the Order, the Petitioners have filed a review application before the Court for issuing directions to the Respondents for deletion of the names of the Petitioners as directors of K Raheja Hotels and Estates Private Limited in the records of the Respondents, as was sought earlier in the writ petition. The Petitioners have filed a caveat on October 14, 2019 in anticipation of any appeal which the Respondents may file against the Order and subsequent adverse interim orders. The matter is currently pending before the Court. Further, the Petitioners through their reminder letter dated December 2, 2019 requested the administrator of K Raheja Hotels & Estate Private Limited to file requisite forms and ensure updates to the records of the RoC, in relation to resignation letters submitted by the Petitioners as directors of K Raheja Hotels & Estate Private Limited. The administrator, by letter dated December 26, 2019, stated that he was not in a position to accede to the aforementioned request unless relevant orders were granted in proceedings pending before the High Court, Karnataka and the CLB/NCLT to which the Petitioners have been impleaded as parties. The Respondents have filed their counter affidavit in the review application.

13. Pratik Rameshchandra Shah, through his power of attorney holder, Sambhuprasad Kurjibhai Lakkad, has filed an appeal before the Nayab Collector, Prant Officer Court, Viramgam District, Ahmedabad against the order of the Deputy Mamlatdar dated May 27, 2018 ("**Order**") upholding the mutation entry made in the revenue records pursuant to sale of certain land for alleged wrongful sale of the disputed land in Sachana (in Gujarat) to Sentinel Properties Private Limited, where Mr. Ravi C. Raheja and Mr. Neel C. Raheja were erstwhile directors. The Deputy Collector passed an order dated February 13, 2019 in favour of the petitioner against which Sentinal Properties Private Limited has filed an appeal before the Gujarat High Court. The Gujarat High Court, by order dated February 25, 2020, vacated the interim relief granted by it against the order passed by the Deputy Collector. Pratik Rameshchandra Shah has also filed a suit before the Principal Civil Court, Ahmedabad against Mr. Ravi C. Raheja, Mr. Neel C. Raheja and others ("**Respondents**") and has sought cancellation of the Order and stay on further dealing of the disputed land in Sachana (in Gujarat) by the Respondents. The matters are currently pending before the relevant forums.

### (ii) Regulatory actions

1. The Assistant Director, Directorate of Enforcement, Mumbai ("**ED**") has issued summons dated February 2, 2018 under Section 50 of the Prevention of Money Laundering Act, 2002, calling upon Mr. Neel C. Raheja to attend before the ED and to give evidence, details and documents of land purchased at Pirangut, Pune. The land was purchased from Jay Agrotech Private Limited by Pact Real Estate Private Limited pursuant to sale deeds dated March 17, 2008 and July 4, 2008. Mr. Neel C. Raheja is an erstwhile director of Pact Real Estate Private Limited and was not a director of Pact Real Estate Private Limited as on date of the summons. Mr. Neel C. Raheja, by his letter dated February 12, 2018, has submitted the documents sought by the ED. After the information sought by ED was provided, there has been no further communications or requisitions for attendance or otherwise, from the ED, in that regard.

2. The Enforcement Directorate, Delhi ("**ED**") had issued a summons on December 20, 2017 against "The Director, M/s Carlton Trading Company" under Section 50 of the Prevention of Money Laundering Act, 2002 ("**PMLA**") to appear before the ED and produce certain documents relating to consultancy / services provided by Advantage Strategic Consulting Private Limited ("**ASCPL**") and Chess Management Services Private Limited ("**CMSPL**") to Carlton Trading Company. A written reply was filed with the ED on January 5, 2018 by legal counsel to Mr. Neel C. Raheja on his behalf, as a shareholder and ex-director of Carlton Trading Private Limited ("**CTPL**"), inter alia that (i) the summons was addressed to the Director, Carlton Trading Company, Mumbai, with whom Mr. Neel C Raheja is not concerned, and therefore, the same appears to have been delivered to the office address of Mr. Neel C Raheja under a mistaken identity; (ii) Mr. Neel C Raheja was no longer a director of CTPL, and (iii) to the best of his knowledge, CTPL has not had any dealing either with ASCPL or CMSPL. A background of CTPL and resignation of its directors was provided to the ED along with copies of the memorandum of association/ articles of association and other details relating to CTPL. A further similar summons dated July 13, 2018 was issued by the ED, pursuant to which Mr. Neel C. Raheja's legal counsel attended the office of ED on July 23, 2018 where the ED informed Mr. Neel C. Raheja's legal counsel, that the summons issued by ED was not for Mr. Neel C Raheja (as a detailed response had already been submitted on behalf of Mr. Neel C Raheja in relation to the previous summons, and that Mr. Neel C. Raheja's legal counsel, was not required for the hearing at all as the summons was not for Mr. Neel C Raheja). No further correspondence has been received thereafter.

3. The Assistant Director, Directorate of Enforcement, Mumbai has issued a notice in the year 2017 under section 37 of the FEMA calling upon Mr. Neel C. Raheja to furnish details and justification in respect of all foreign inward/outward remittances, with documentary evidences, sources of income, purpose for remittances and other related details, for the years 2005, 2007 and 2010. Mr. Neel C. Raheja has replied to the notice in the year 2017 furnishing the required details / information / documents and inter alia stated that the remittances were made in accordance with applicable FEMA regulations. By a subsequent letter, Mr. Neel C. Raheja referred to the aforesaid correspondence and stated that he had, through authorized representative, furnished the required details / information / documents, and understood that they were to the authority's satisfaction. He further requested to be informed in case of any further requirement or explanation, in the absence of which it would be understood that he has satisfactorily carried out the statutory compliances relating to closure of the matter. No further correspondence has been received.

By an order dated September 21, 2020, the Bombay High Court directed the petitioners to comply with the order dated June 23, 2020 pertaining to payment of maintenance by the petitioner and the individual members to respondent no.1 i.e. Inorbit Malls in the earlier civil writ petition within a period of one week. On October 7, 2020, the petitioners submitted to the Bombay High Court that Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited had deposited on September 28, 2020, a sum of ₹ 1.99 million with Inorbit Malls pursuant to the Order dated September 21, 2020. Inorbit Malls thereafter objected to Petitioner's submission and informed the Bombay High Court that Inorbit Malls had reason to believe that more funds had been collected from the residents of the building and that Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited had not deposited the entire amount collected by them with Inorbit Malls. Inorbit Malls sought liberty to file a reply to the Affidavit filed by the petitioners/society dated September 29, 2020. On December 2, 2020, Bombay High Court directed the Petitioner to file its rejoinder with the registry and the rejoinder was filed by the Petitioner on the same date. On February 12, 2021, Inorbit Malls filed affidavit in sur rejoinder. Inorbit Malls has filed a preacipe before the Bombay High Court on November 22, 2021 in order to amicably settle the matter with Raheja Vistas Phase IV Building T5 and T6 Co-operative Housing Society Limited, provided that the rights of Inorbit Malls are duly protected and appropriate safeguards are provided for that purpose. The CWPs are pending for further hearing.

9. Yogesh Rameshbhai Suthar ("**Complainant**"), an employee of Deccan Techno Security and Utility Services ("**Deccan Techno**") has filed complaint before the Labour Court, Vadodara ("**Court**") against Inorbit Malls and Deccan Techno alleging wrongful transfer of the Complainant from Inorbit Malls to other location by Deccan Techno. Deccan Techno is a service provider of Inorbit Malls. In the said complaint, the Complainant has inter alia prayed for payment of the salary along with eligible benefits and consideration with effect from his day of transfer, reinstatement to his earlier place of deputation at Inorbit Malls, Vadodara and claim of ₹ 10,000 towards litigation expenses. The matter is pending before the Court.

10. Shitalkumar Bhagchand Jadhav ("**Complainant**"), had filed a complaint before Maharashtra Real Estate Regulatory Authority ("**MAHA RERA**") against Inorbit Malls for alleged non-registration of the project "Raheja Vistas F5 Phase III" ("**Project**") at Pune with MAHA RERA by Inorbit Malls where the commencement certificate dated July 10, 2017 for the said Project was issued after the Maharashtra Real Estate (Regulation and Development) Act, 2016 ("**Act**") came into effect on May 2017. By order dated July 16, 2021 (passed ex-parte) ("**Order**"), MAHA RERA has imposed penalty of ₹ 50,000 on Inorbit Malls for violation of provisions of Section 3 of the Act for non-registration of the project under MAHA RERA as the commencement certificate for the project was obtained post the Act coming into force and hence it was mandatory to register the Project within 30 days of Inorbit Malls obtaining the completion certificate. Inorbit Malls has filed appeal before Maharashtra Real Estate Appellate Tribunal ("**Appellate Tribunal**") for setting aside the Order and has prayed for interim relief for staying the operation and execution of the Order till the final hearing of the appeal. The appeal is pending before the Appellate Tribunal.

11. Certain applicants have filed four separate applications before the Competent Authority and District Deputy Registrar, Co-operative Societies, Pune against Inorbit Malls the Maharashtra Ownership Flats Act (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963 seeking details of sums taken as advance or deposit or charges collected by Inorbit Malls as the promoter from the apartment purchasers from the commencement of the Raheja Vistas Building T5 and T6 situate at Mohammadwadi, Pune till date and utilization thereof. Inorbit Malls has filed its written arguments on March 30, 2022 however, the Applicants have sought time to file their written arguments. The matters are currently pending.

12. Inorbit Malls has filed a complaint before Maharashtra Real Estate Regulatory Authority, Pune ("**MAHA RERA**") against Mr. Deepak Chandulal Lohana and Mr. Kunal Deepak Lohana ("**Respondents**") for recovery of amounts due towards Unit and/or Cancellation of registered Agreement for sale in respect of Unit No. 201 agreed to be sold in the Commercial project known as Vistas Centrepoint. Inorbit Malls are not desirous of exploring the possibility of conciliation and hence the matter is posted for hearing on merits strictly as per seniority. The complaint is currently pending before MAHA RERA.

### (iii) Material civil/commercial litigation

1. Manilal & Sons ("**Manilal**") has filed legal proceedings against Bombay Forgings Limited ("**BFL**") relating to lease of lands at Kalina, Mumbai. Ivory Property Trust has inter alia entered into memorandums of understanding to acquire from BFL its leasehold lands situate at Kalina, Mumbai (said Lands), pursuant to a rehabilitation scheme sanctioned by the Board of Industrial & Financial Reconstruction ("**BIFR**") in respect of BFL ("**BIFR Scheme**"). The landowner-lessor i.e. Manilal challenged the BIFR Scheme and transfer of said Lands under the BIFR Scheme in favour of Ivory Property Trust. Both the BIFR and the Appellate Authority for Industrial and Financial Reconstruction ("**AAIFR**") did not grant any relief to Manilal. Manilal has challenged the said orders of BIFR and AAIFR in a writ petition filed in the Bombay High Court ("**High Court**"). The High Court has directed that any changes brought about pursuant to the various orders passed shall be subject to the final decision in this petition. The matter is currently pending before the High Court.

2. Manilal had filed an eviction suit in the Small Causes Court, Bandra against BFL in respect of the lease of land at Kalina Mumbai, which was decreed in favour of Manilal in 2007, and an enquiry was directed for mesne profits. BFL challenged the said eviction order in appeal before the Appellate Bench of Small Causes Court, Bandra. Appeal was admitted, execution of eviction was stayed and BFL was ordered to deposit interim mesne profits at the rate of ₹ 0.02 million per month. Manilal has filed Mesne Profits Proceeding in the Small Causes Court, Bandra against BFL claiming ₹ 294.6 million as arrears of mesne profits with 9% interest p.a. up to August 31, 2007; and further ₹ 6.2 million per month with 15% interest p.a. from September 1, 2007 till handing over possession. On March 14, 2020, the Small Causes Court, Bandra allowed Manilal's application to produce

certified copy of case papers in relation to BFL's RAD Suit No.310 of 2017. On August 31, 2020, BFL filed revision application against the said order dated March 14, 2020. By an order dated November 22, 2021, BFL's revision application was dismissed. By letter dated April 12, 2007, Ivory Property Trust has agreed with BFL not to claim refund of ₹ 190 million paid by Ivory Property Trust to BFL, and also that any condition by the appeal court for stay of execution of decree including deposit of interim mesne profit, if any, ordered will be exclusive liability of Ivory Property Trust. BFL has also filed a RAD Suit No.310 of 2017 in the Small Causes Court, Bandra, for declarations in respect of its leasehold rights/tenancy in the said Lands and other relief relating to renewal/ extension of lease of the said lands and for damages in the alternative aggregating to ₹ 200 million. Manilal has taken out an application to stay hearing of BFL's said RAD Suit No.310 of 2017. The matters are currently pending in the Small Causes Court, Bandra.

3. A suit is filed before the Bombay High Court ("**Court**") by Matasons Estate Private Limited ("**Plaintiff**") against Bombay Forgings Private Limited and Ivory Properties ("**Defendant**") seeking specific performance of a development agreement for property situated at Kalina in Mumbai or compensation aggregating to ₹ 150 million along with interest of 18% p.a. The matter is currently pending before the Court.

The District Collector passed orders dated May 26, 2009 and June 6, 2009 in favour of the Applicant. KRCPL preferred an appeal to the Additional Commissioner against the said orders. The Additional Commissioner, by his order dated February 17, 2010, upheld the orders passed by the District Collector. Aggrieved, KRCPL has preferred an appeal against the order of the Additional Commissioner before the Revenue Minister, Mantralaya. By letter dated March 3, 2021 to the advocate of the Applicant, the advocates of KRCPL sought the details of the legal heirs and/or representatives of the Applicant for substituting the Applicant with his legal heirs/representatives. Subsequently, KRCPL has filed application to amend the cause title of the aforesaid appeal. The matter is currently pending before the Revenue Minister, Mantralaya.

3. KRCPL and Indian Cork Mills Limited have filed a suit before the Bombay High Court against Sir Mohammed Yusuf Trust and others inter alia disputing the various claims made by the defendants and for declaration of the plaintiff's ownership of the certain land in village Tungawa at Mumbai. Further, in respect of the portions of the aforesaid lands, numerous proceedings and appeals before various revenue authorities have been filed between the parties. In the writ petition filed by KRCPL, by orders dated February 12, 2013 & order dated March 8, 2013 pending hearing excluding the disputed area of four acres and 11 gunthas bearing CTS No.119-G in village Tungawa in Mumbai claimed by the respondents, the Bombay High Court permitted KRCPL to continue development construction without any hindrance in the remaining area.

4. Sir Mohammed Yusuf Trust and four others ("**Plaintiffs**") filed two separate suits before the Bombay High Court ("**Court**"), against KRCPL and two others ("**Defendants**"), seeking declarations that the Plaintiffs are the owners of land admeasuring 4 acres and 11 gunthas bearing CTS No.119-G and about eight acres bearing CTS No. 119F in village Tungawa in Mumbai. The Plaintiffs have further sought from the Defendants, demolition of the buildings constructed on the portions of land. In the alternative, the Plaintiffs are seeking damages aggregating to ₹ 15,000 million. In the second subsequent suit, in addition to the relief claimed in the first suit, the Plaintiffs have added various societies formed of the flat purchasers as party defendant and have sought injunction restraining execution of conveyances in favour of such societies of the flat purchasers. No relief has been granted to the Plaintiffs till date. The matter is currently pending before the Court.

5. Sir Mohammed Yusuf Trust and four others ("**Petitioner**") filed a writ before the Bombay High Court ("**Court**"), against State of Maharashtra, KRCPL and two others ("**Respondent**"), inter alia for cancelling and setting aside the order passed by the city survey officer for reinstating the name of the Owner Indian Cork Mills Limited in the property register card as per the NA Order subject inter alia to the pending High Court Suit.

6. Nakka Venkat Narsaiah ("**Plaintiff**") has filed a suit against Raheja Mind Space Corp and others ("**Defendants**") before the Additional Junior Civil Judge, Ranga Reddy District ("**Civil Court**"), inter alia for possession of land admeasuring 150 square yards, bordering the land of KRCPL. KRCPL has filed a written statement. The Civil Court has passed an interim order restraining the Defendants from alienating the land in favour of third parties. The matter is currently pending before the Civil Court.

7. ## K. KRPL

### (i) Criminal matters

1. For criminal matters pending against KRPL, see "-Material litigation and regulatory actions pending against the Sponsor Group – Mr. Chandru L. Raheja – Criminal matters".

### (ii) Regulatory actions

1. The MCGM, vide several letters addressed to KRPL, has demanded the handing over of Flat No. 102 on the first floor of the building known as "Rosemary" of Rosemary Correa Co-operative Housing Society Limited ("**Rosemary CHSL**"), Mumbai ("**Premises**"), contending it to be reserved as a municipal library and called upon KRPL to furnish the relevant papers. KRPL has responded to MCGM, stating that the Premises is to be run as a library by the owner for public in general and that the library will be open for public-use after completion of on-going repair work. However, the MCGM sealed the Premises on March 14, 2019. KRPL has called upon MCGM to forthwith restore possession of KRPL of the Premises and to remove the seal from the Premises at the earliest. Further the MCGM, by its letter dated July 27, 2019, to KRPL, threatened to register a FIR against KRPL for alleged trespassing in the Premises. MCGM has by its letter dated September 29, 2020 (received on October 8, 2020 from MCGM) to K Raheja Corp Foundation ("**KRC Foundation**") alleged that it has violated the terms and conditions of the development permission as well as permission given by MCGM and directed KRC Foundation to submit its explanation for the alleged lapses. KRPL as the owner of the Premises, has by its letter dated October 14, 2020 replied to MCGM and clarified that it has acted in accordance with the terms of the development permission and that there is no requirement of handing over the Premises to MCGM. By the said letter, KRPL has once again requested MCGM to remove its seal from the Premises and also sought personal hearing to explain and clarify the misapprehensions in the matter. By its letter dated August 27, 2021, MCGM called upon KRPL to attend its office on September 2, 2021 to discuss the issue regarding the Premises which was attended by KRPL. No further correspondence has been received.

2. The Pest Control Officer at MCGM has issued 47 notices to KRPL in respect of water stagnation at KRPL's project site at Worli, Mumbai and other related infringements of the Mumbai Municipal Corporation Act. KRPL has replied to MCGM stating that they have taken corrective measures and requested MCGM to conduct inspection in order to close the matter. No further correspondence has been received.

3. The Asst. Commissioner of Labour, Government of Maharashtra by their letter dated January 20, 2022, informed KRPL that meeting has been organized under the Chairmanship of Hon. Minister of State, at his residence on January 21, 2022, and requested to attend the meeting or send 2 authorised representatives alongwith necessary documents and authority letter. By letter dated February 15, 2022, KRPL replied stating that they are in compliance with the provision of labour laws and supporting documents of the compliance were attached with the said letter for reference. By the said letter KRPL further requested to close the matter since KRPL has complied with points as mentioned in the said letter. No further correspondence has been received.

4. Meenakshi Menon, the resident of RNA Mirage (i.e. neighbouring building) has by letter dated February 5, 2022 (Letter) to the Assistant Commissioner, G/South Ward, Municipal Corporation of Greater Mumbai (MCGM) with CC to Secretary, Raheja Artesia alleged that the residents of RNA Mirage have been subjected to a visual assault from Raheja Artesia by the lights on the side of both the Raheja buildings, Artesia causing inconvenience to the residents and therefore requested KRPL to take urgent action and stop beacons on the sides. By letter dated March 04, 2022, KRPL has informed MCGM that the blinkers are as per the norms, regulations and guidelines by Airport Operating Authority. By the said letter KRPL has further informed that vertical strip light are decorative light and there is no provision in any of regulation to get the approval for Façade lighting or vertical strip lighting. Subsequently by letter dated February 21, 2022 Brihanmumbai Mahanagarpalika informed KRPL about the complaint and directed KRPL to meet the Executive Engineer & Designated Officer ('G/South' Ward) with the documents related to the vertical strip light and blinker installed.

5. The issues of levy of premium/transfer fees/lease tenure/enhanced lease rent etc. relating to Brihanmumbai Mahanagarpalika ("**MCGM Estates**") two municipal leasehold properties acquired by KRPL are sub-judice before the Bombay High Court ("**Court**") in various petitions filed by various lessees and other parties. KRPL is not a party to such proceedings and has not filed any petition in court in this respect. MCGM Estates had raised demands on KRPL for transfer premium and penalty and transfer fee relating to the assignments of the said properties at Worli in favour of KRPL which was paid without prejudice & subject to all rights & contentions of the parties. KRPL has filed undertaking dated October 19, 2015 and July 16, 2015 with MCGM to abide by the final outcome in writ petition no.1251/2014 ("**Writ Petition**") and any other proceedings from time to time in relation to the issues of levy of premium / transfer fees / lease tenure / enhanced lease rent. The writ petition is currently pending with several other similar matters before the Court.

6. The MCGM has issued a letter dated April 8, 2018 addressed to KRPL, in pursuance of letter dated March 12, 2018 (wrongly dated March 12, 2010) received by them from Association of Engineering Workers in respect of unpaid dues to labour/workers of Metal Box India Limited ("**MBIL**") and for issuance of stop work notice of further construction of building situated at Worli, Mumbai. MBIL was the predecessor in title of KRPL. KRPL has issued letter dated May 14, 2018 responding to MCGM, denying all the allegations and informing that MBIL had deposited the entire gratuity dues of ex-workers. KRPL had also filed caveats in the Bombay City Civil Court and Bombay High Court for being given notice of any application for ad-interim orders in any proceeding that may be filed, which were renewed from time to time. Arun Kachare and Association of Engineering Workers filed a writ petition against State of Maharashtra, MCGM, MBIL and others before the Bombay High Court seeking, inter alia, in respect of alleged labour dues payable by MBIL and relating to alleged requirement of labour NOC for development of MBIL and sought relief relating to the development approvals in respect of the suit property. Since relief was sought relating to development approvals with respect to the suit property, KRPL joined as a respondent in the matter. KRPL has inter alia contended that it is the title holder of the suit property, having acquired assignment of the lease pursuant to BIFR/AAIFR proceedings and is not a closed company or liable for any dues of the workers of its predecessor in title i.e. MBIL. The matter is pending before the Bombay High Court.

7. The Income Tax Department had issued a warrant dated November 29, 2017 under Section 132 of the Income Tax Act, 1961 against KRPL and others. For details, see "Material litigation and regulatory actions pending against Mindspace REIT and the Asset SPVs – Avacado – Regulatory Actions". Post the Warrant, the assessment proceedings under section 153A of the Income Tax Act were initiated for AY 2012-13 to AY 2018-19. The assessment under section 143(3) read with section 153A of the Income Tax Act for AY 2008-2009, AY 2012-2013 to AY 2017-2018 and under Section 143(3) of the Income Tax Act, for AY 2018-2019 were completed. KRPL filed appeals before the CIT(A) for AY 2015-16, AY 2016-17, AY 2017-18 and AY 2018-19 which were disposed by the CIT(A) partly in favour of KRPL. KRPL filed appeals against the order of the CIT(A) for AY 2018-19 before the ITAT. This appeals is currently pending.

### (iii) Material civil/commercial litigation

1. KRPL has filed a writ Petition in the Bombay High Court against Municipal Corporation of Greater Mumbai ("**MCGM**") and others under Articles 226 & 227 of the Constitution of India for writs of Ceriorari & mandamus for quashing of demand notes for development charges contrary to the provisions of Section 124(A) and 124(B) of Maharashtra Regional and Town Planning Act, 1966 ("**MRTP Act**") which provide for the development charges to be levied on predominant user and refusal to refund the excess amount paid by KRPL in respect of its land / amalgamated plot at Worli. The predominant user for the said composite building is residential. However, the demand notes issued for development charges are issued contrary to the said provisions of MRTP Act. KRPL has inter alia prayed that ₹ 25. 23 million to be refunded or to be adjusted against the further demand notes for development charges. Thereafter, KRPL reapplied for amendment of the plan, which was approved on August 14, 2021. Pursuant to such application, a demand note dated August 24, 2021 was issued to KRPL levying development charges of ₹ 300.99 million. This amount has been arrived at by charging KRPL a commercial user rate @ 8% of the ready reckoner rate, by classifying it as commercial, despite the predominant user being residential. Accordingly, KRPL is allowed to amend the writ petition bringing the same on record i.e. to adjust the sum of ₹ 252.28 million already paid by KRPL as excess amount in terms of the demand notes against the sum of ₹ 150.49 million payable by KRPL as development charges under the demand note dated August 24 2021. By an order dated October 29, 2021, the Bombay High Court, without prejudice to the rights and contentions of KRPL, allowed it to pay the development charges at the rate of 6% of the ready reckoner rate and direct the Respondent being MCGM to process the applications for approvals including the grant of commencement certificate/further endorsement of commencement certificate for the Office Wing on the land in question upon payment made by KRPL of development charges at the rate of 6% of the ready reckoner rate. The matter is directed to be listed with other similar writ petitions which are pending.

Chalet Hotels, by its letter dated May 18, 2021, has sought waiver of the abovementioned security deposit from the authorities on the grounds that the alleged undervaluation of the consignment is an outcome of the transaction between TV supplier and its channel partner and accordingly, Chalet Hotels was not liable and accountable for the same.

However, the said request has been rejected by the Authorities. Consequently, Chalet Hotels requested the Commissioner of Customs for provisional release of both the consignment by accepting the bank guarantee in lieu of cash deposit. However, the authorities in response to the same have rejected the request of Chalet Hotels for provisional release of the consignment. Since the said request was rejected, Chalet Hotels made payment of ₹ 5.54 million and ₹ 5.11 million towards the security deposits under protest.

Further, show cause notice dated July 20, 2021 ('**Show Cause Notice 1**') has been issued by the Office of the Commissioner of Customs, NS-V, Jawaharlal Nehru Custom House, Post Sheva, to an authorised channel partner and all other importers including Chalet Hotels, who have purchased TVs, for imposing a differential duty amounting to ₹ 25,833 along with interest and penalty under the Customs Act, 1962 and for confiscating goods. Since an incomplete copy of the said Show Cause Notice was received, Chalet Hotels in response to the same has vide letter dated July 29, 2021 requested the Authorities to issue the Annexures forming part of the Notice. The Authorities vide letter dated March 3, 2022 informed that personal hearing has been scheduled through video conferencing to be held on March 23, 2022. However, as the requested Annexures were not provided, Chalet Hotels vide letter dated March 16, 2022 once again requested to provide the Annexures accordingly requested to re-schedule the personal hearing accordingly.

Thereafter, a show cause notice dated October 7, 2021 ('**Show Cause Notice 2**') was received from the aforesaid authorities directing Chalet Hotels to show cause why the goods shall not be confiscated and penalty shall not be imposed on Chalet Hotels for undervaluation of consignment re-determined to ₹ 23.41 million qua ₹ 13.14 million (differential duty of about ₹ 6.8 million). The said notice does not account for the security deposit paid by Chalet Hotels. Chalet Hotels by letter dated January 24, 2022 replied to the Show Cause Notice 2. The matters are pending.

14. The Food Safety and Standards Authority of India Telangana ("**FSSAI**"), issued an improvement notice dated August 17, 2021 upon Chalet Hotels for its Hotel Unit- Westin Hyderabad Mindspace Hotel ("**Hotel**"), calling upon Chalet Hotels to update status on the mandatory food safety audit required to be conducted by third-party auditors. Subsequently, a final notice was issued by FSSAI vide email dated September 9, 2021, requiring to update status on the food safety audit for the Hotel. Further, a license suspension intimation dated September 14, 2021 was issued by the authorities and an inspection was conducted at the Hotel and the officers vide an inspection report dated September 20, 2021 has notified suspension of FSSAI license effectively from September 14, 2021. Further, a show cause notice dated September 21, 2021 was issued by Greater Hyderabad Municipal Corporation to Chalet Hotels for alleged non-violation of the provisions of the Food and Safety Standards Act, 2006, the Greater Hyderabad Municipal Corporation Act, 1955 and the rules and regulations thereunder. Consequently, Chalet Hotels made a submission before the authorities informing the Authorities of the steps taken by Chalet Hotels and to comply with the mandatory food safety audit by September 30, 2021 with a request to revoke the suspension. The FSSAI authorities vide notice dated September 30, 2021 has revoked the suspension of license and restored the License. No further correspondence has been received.

## SECRETARIAL AUDIT REPORT

For The Financial Year Ended 31st March, 2022
[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Unitholders,
Mindspace Business Parks REIT.
Level 8, Block 'G', C-30, Raheja Tower,
Bandra Kurla Complex,
Maharashtra, Mumbai: 400051.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mindspace Business Parks REIT (hereinafter 'REIT') to be ensured by K. Raheja Corp Investment Managers LLP acting as Manger (hereinafter 'the Manager')**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

## Auditor's Responsibility:

Our responsibility is to express an opinion on the compliance of the applicable laws and maintenance of records based on audit. We have conducted the audit in accordance with the applicable Auditing Standards issued by The Institute of Company Secretaries of India. The Auditing Standards requires that the Auditor shall comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of audit including internal, financial and operating controls, there is an unavoidable risk that some material misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards.

## Unmodified Opinion:

Based on our verification of the REIT's and Manager's books, papers, minute books, forms and returns filed and other records maintained by the REIT's and Manager and also the information provided by the Manager, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the REIT's and Manager has, during the audit period covering the financial year ended on 31st March, 2022 (hereinafter called the '**Audit Period'**) complied with the statutory provisions listed hereunder and also that the Manager has proper Governing Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Manager for the financial year ended on 31st March, 2022 according to the provisions of:

(i) The Companies Act, 2013 (the Act), and the rules made there under; **(Not Applicable)**

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(Not Applicable during Audit Period)**

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **(Not Applicable during Audit Period)**

b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

c. Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; to the extent applicable

d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not Applicable during Audit Period)**

e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company during the Audit Period)

f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and The Securities and Exchange Board of India

(Delisting of Equity Shares) Regulations, 2021; **(Not Applicable during Audit Period)**

h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable during Audit Period)**

i. The Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 read with applicable circulars issued from time to time.

We have also examined compliance with the applicable clauses of following

(i) The Securities and Exchange Board of India (Listing Obligations and Disclosure requirements) Regulations, 2015 to the extent applicable to the Manager.

**Further, the listed entity being High Value Debt Listed Entity, the manager on behalf of listed entity is complying with the provisions of Listing Regulations on Comply and Explain basis and is in the process of full compliance**

(ii) Secretarial Standards issued by The Institute of Company Secretaries of India is not applicable to the Manager. (Not Applicable)

During the period under review the REIT and Manager has complied with the provisions of the Rules, Regulations, Guidelines etc mentioned above.

## We further report that

The Governing Board of the Manager of the REIT is duly constituted with proper balance of Non-Executive Members and Independent Members. The changes in the composition of the Governing Board that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Governing Board members of the managers to schedule the Governing Board meetings, agenda and detailed notes on agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Governing Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Governing Board or Committee of the Board, as the case may be.

**We further report that** there are reasonably adequate systems and processes with the Manager in commensurate with the size and operations of the REIT to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period the REIT has allotted 5000 seniors, listed, rated, secured, taxable, non-convertible, transferable, redeemable, non-convertible debentures for a nominal amount of INR 10,00,000/- per debenture.

# Independent Auditor's Report

To The Unitholders of Mindspace Business Parks REIT

## Report on the Audit of Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of Mindspace Business Parks REIT (the "REIT"), which comprise the Standalone Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Unitholders' Equity for the year then ended, Standalone Statement of Net Assets at fair value as at March 31, 2022 and Standalone Statement of Total Returns at fair value for the year then ended, Statement of Net Distributable Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT regulations") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India to the extent not inconsistent with the REIT Regulations, of the state of affairs of the REIT as at March 31, 2022, and its profit including other comprehensive income, its cash flows, its changes in unitholders' equity for the year ended March 31, 2022, its net assets at fair value as at March 31, 2022, total returns at fair value and the net distributable cash flows of the REIT for the year ended on that date and other financial information of the REIT.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"), issued by Institute of Chartered Accountants of India (the "ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the REIT in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Emphasis of matter

We draw attention to Note 2 which describes the Basis of preparation of standalone financial statements and Note 14 which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

### Key Audit Matter

Key audit matter is the matter that, in our professional judgment, was of most significance in our audit of the standalone financial statements of the current period. This matter was addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. We have determined the matter described below to be the key audit matter to be communicated in our report.

| Key Audit Matter: | Auditor's Response: |
|---|---|
| **Fair Value of investments in special purpose vehicles (SPVs):** | **Principal Audit Procedures Performed:** |
| In accordance with REIT Regulations, the REIT discloses Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value which requires fair valuation of assets and liabilities. As at March 31, 2022, the carrying value of total assets was ₹ 183,020 million, out of which carrying value of investments in SPVs was ₹ 153,103 million representing 84% of carrying value of total asset.<br><br>The fair value of investments in SPVs is primarily determined basis the fair value of the underlying investment properties as at March 31, 2022.<br><br>The fair value of investment properties is determined by an independent valuer using discounted cash flow method and mix of market approach and discounted cash flow method, as applicable.<br><br>While there are several assumptions that are required to determine the fair value of investment properties; assumptions with the highest degree of estimate, subjectivity and impact on fair values are forecasted market rent, terminal capitalization rate and discount rate. Auditing these assumptions required a high degree of auditor judgement as the estimates made by the independent valuer contains significant measurement uncertainty.<br><br>Refer Statement of Net assets at fair value and Statement of total returns at fair value and Note 4 – Investments in the standalone financial statements. | Our audit procedures related to the forecasted market rent, terminal capitalization rates and discount rate used to determine the fair value of investment properties included the following, among others:<br><br>▪ We obtained the independent valuer's valuation reports to obtain an understanding of the source of information used by the independent valuer in determining these assumptions.<br><br>▪ We tested the reasonableness of inputs shared by management with the independent valuer by comparing it to source information used in preparing the inputs.<br><br>▪ We evaluated the reasonableness of management's forecasted market rent by comparing it with sample of lease agreements for market rentals, and contractual lease escalations.<br><br>▪ With the assistance of our fair valuation specialist, we evaluated the reasonableness of forecasted market rent, terminal capitalization rates and discount rate by comparing it with market information such as recent market transactions for comparable properties, market surveys by property consultants and broker quotes, as applicable. |

## Information Other than the Financial Statements and Auditor's Report Thereon

- K. Raheja Corp Investment Manager LLP (the 'Investment Manager') acting in its capacity as an Investment Manager of REIT is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Management's Responsibility for the Standalone Financial Statements

The Governing Board of the Investment Manager (the "Management") is responsible for the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows, changes in unitholders' equity, net assets at fair value, total returns at fair value and the net distributable cash flows of the REIT in accordance with the requirements of the REIT Regulations, the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT Regulations. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the REIT and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Governing Board of Investment Manager is responsible for assessing the REIT's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the REIT or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the financial reporting process of REIT.

## Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the REIT's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the REIT's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the REIT to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone financial statements of the REIT to express an opinion on the standalone financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

Based on our audit and as required by REIT regulations, we report that:

a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Cash Flows, the Standalone Statement of Changes in Unitholders' Equity, and Statement of Net Distributable Cashflows dealt with by this Report are in agreement with the relevant books of account of the REIT.

c) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT Regulations.

# Standalone Statement of Net Assets at fair value

RN:IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

## Disclosure pursuant to SEBI circular No. CIR/IMD/DF/146/2016

### A) Statement of Net Assets at fair value

| S. No | Particulars | Unit of measurement | As at 31 March 2022 | | As at 31 March 2021 | |
|---|---|---|---|---|---|---|
| | | | Book Value | Fair Value | Book Value | Fair Value |
| A | Assets | ₹ in million | 183,020 | 228,928 | 177,448 | 211,694 |
| B | Liabilities | ₹ in million | 17,261 | 17,261 | 11,659 | 11,659 |
| C | Net Assets (A-B) | ₹ in million | 165,759 | 211,667 | 165,789 | 200,035 |
| D | No. of units | Numbers | 593,018,182 | 593,018,182 | 593,018,182 | 593,018,182 |
| E | NAV (C/D) | ₹ | 280 | 357 | 280 | 337 |

Notes

1) **Measurement of fair values:**

The fair value of investments in SPVs are computed basis the fair value of the underlying Investment property, Investment property under development, Property, Plant and Equipment and Capital Work-in-progress as at 31 March 2022 along with book values of other assets and liabilities accounted in the respective SPV financial statements as at 31 March 2022. The fair values of Investment Property, Property, Plant and Equipment, Investment property under construction and Capital work-in-progress are solely based on an independent valuation performed by an external property valuer ("independent valuer"), having appropriately recognized professional qualification and recent experience in the location and category of the properties being valued.

**Valuation Technique**

The fair value measurement for all of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted a mix of Market Approach and Discounted Cash Flow method, as the case may be. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

2) **Break up of Net asset value as at 31 March 2022**

| Particulars | As at 31 March 2022 | As at 31 March 2021 |
|---|---|---|
| Fair Value of Investments in SPVs | 225,278 | 208,527 |
| Add : Other assets* | 3,650 | 3,167 |
| Less : Liabilities | (17,261) | (11,659) |
| **Net Assets** | **211,667** | **200,035** |

*Other assets includes cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.

3) The Trust holds investment in SPVs which in turn hold the properties. Hence, the breakup of property wise fair values has been disclosed in the Consolidated financial statements.

### B) Statement of Total Returns at fair value

| S. No | Particulars | For the year ended 31 March 2022 | For the year ended 31 March 2021 |
|---|---|---|---|
| A | Total comprehensive income | 11,030 | 5,834 |
| B | Add : Changes in fair value not recognized in the other comprehensive income and other adjustments | 10,020 | 2,677 |
| **C=(A+B)** | **Total Return** | **21,050** | **8,511** |

Note : Total Return for the purpose of Standalone financials has been considered based on the total return of Mindspace REIT on a consolidated basis adjusted for consolidation adjustments.

## 1 Mindspace REIT background

Mindspace Business Parks REIT ('Mindspace REIT') was settled on 18 November 2019 at Mumbai, Maharashtra, India as a contributory, determinate and irrevocable trust under the provisions of the Indian Trusts Act, 1882, pursuant to a trust deed dated 18 November 2019. Mindspace REIT was registered with SEBI on 10 December 2019, at Mumbai as a REIT pursuant to the REIT Regulations having registration number IN/REIT/19-20/0003. The Trust's principal place of business address is at Raheja Tower, Level 8, Block 'G', C-30, Bandra Kurla Complex, Mumbai - 400 051.

Anbee Constructions LLP (ACL) and Cape Trading LLP ('CTL') are the sponsors of Mindspace REIT. The Trustee to Mindspace REIT is Axis Trustee Services Limited (the 'Trustee') and the Manager for Mindspace REIT is K Raheja Corp Investment Managers LLP (the 'Manager').

The objectives and principal activity of Mindspace REIT is to carry on the activity of a real estate investment trust, as permissible under the REIT Regulations, to raise funds through the REIT, to make investments in accordance with the REIT Regulations and the investment strategy and to carry on the activities as may be required for operating the REIT, including incidental and ancillary matters thereto.

Mindspace REIT acquired the Special Purpose Vehicles ('SPVs') by acquiring all the equity interest held by the Sponsor Group and Blackstone entities in the SPVs on 30 July 2020. In exchange for these equity interests, the above shareholders have been allotted 55,66,54,582 units of Mindspace REIT on 30 July 2020 which were issued at ₹ 275 each.

"Mindspace REIT went public as per its plan for Initial Public Offer of Units after obtaining the required approvals from the relevant authorities. The units were allotted to the successful applicants on 4 August 2020. All these units were subsequently listed on the BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) on 7 August 2020."

## 2 Basis of Preparation

The Standalone Financial Statements of Mindspace Business Parks REIT comprise the Standalone Balance Sheet as at 31 March 2022, the Standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Statement of Cash Flow for the year ended 31 March 2022, the Standalone Statement of Changes in Unitholders Equity for the year ended 31 March 2022, the Statement of Net Distributable Cashflows of Mindspace REIT for the year ended 31 March 2022, the Statement of Total Returns at Fair Value for the year ended 31 March 2022, the Statement of Net Assets at Fair Value as at 31 March 2022 and a summary of the significant accounting policies and select explanatory information and other additional financial disclosures.

The Standalone financial statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT regulations"); Indian Accounting Standards as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India to the extent not inconsistent with the REIT regulations (refer note 14 on presentation of "Unit Capital" as "Equity" instead of compound instruments under Ind AS 32 – Financial Instruments: Presentation), read with relevant rules issued thereunder.

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are applicable for financial periods commencing from 1 April 2021. The preparation of Financial Statements is after taking into consideration the effect of the amended Schedule III to the extent applicable to trust. The Trust has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The Standalone Financial Statements were authorized for issue in accordance with resolution passed by the Governing Board of the Manager on behalf of Mindspace REIT on 12 May 2022.

The Standalone Financial Statements are presented in Indian Rupees in million, except when otherwise indicated.

### Statement of compliance to Ind-AS

These Standalone financial statements for the year ended 31 March 2022 have been prepared in accordance with the REIT regulations; Indian Accounting Standards as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations as more fully described above and Note 14 to the standalone financial statements.

## 3 Significant accounting policies

### a) Functional and Presentation Currency

The Standalone Financial Statements are presented in Indian Rupees, which is also Mindspace REIT functional currency in which Mindspace REIT operates. All financial information presented in Indian Rupees has been rounded off to the nearest million except otherwise stated.

### b) Basis of measurement

These Standalone Financial Statements are prepared on the historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instrument) measured at fair values;

Notes to the Standalone Financial Statements

RN:IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

### c) Use of judgments and estimates

The preparation of the Standalone Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the Standalone Financial Statements is included in the following notes:

(i) Presentation of "Unit Capital" as "Equity" in accordance with the SEBI REIT Regulations instead of compound instrument (Note no 14)

(ii) Impairment and Fair valuation of Investments in SPVs.

(iii) Recognition and measurement of provisions for contingencies and disclosure of contingent liabilities (Note 34 (a))

### d) Current versus non-current classification

Mindspace REIT presents assets and liabilities in the Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting date; or
- Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting date; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Mindspace REIT classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Mindspace REIT has identified twelve months as its operating cycle.

### e) Measurement of fair values

Mindspace REIT accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Mindspace REIT has an established control framework with respect to the measurement of fair values.

Mindspace REIT regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, Mindspace REIT uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

# Notes to the Standalone Financial Statements

(all amounts in ₹ million unless otherwise stated)

### 3.1 Impairment of assets

Mindspace REIT assesses at each reporting date, whether there is any indication that an asset may be impaired. If any such indication exists, the trust estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognized whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognized in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revized estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

### 3.2 Asset Acquisition

If the acquisition of an asset or a group of assets does not constitute a business, Mindspace REIT identifies and recognizes the individual identifiable assets acquired including those assets that meet the definition of, and recognition criteria for, intangible assets in Ind AS 38, Intangible Assets and liabilities assumed. The cost of the group is allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase and no goodwill is recognized.

Allocation of the cost of the group is done as follows:

For any identifiable asset or liability initially measured at an amount other than cost, Mindspace REIT initially measures that asset or liability at the amount specified in the applicable Ind AS Standard. Mindspace REIT deducts from the transaction price of the group the amounts allocated to the assets and liabilities initially measured at an amount other than cost, and then allocates the residual transaction price to the remaining identifiable assets and liabilities based on their relative fair values at the date of the acquisition.

### 3.3 Foreign currency transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognized in the Statement of Profit and Loss of the period.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the end of the period and not covered by forward contracts, are translated at the end of the period at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

### 3.4 Compound financial instruments

The component parts of compound financial instruments issued by Mindspace REIT are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Trust's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognized and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognized directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

### 3.5 Embedded derivatives

A derivative embedded in a hybrid contract, with a financial liability or non-financial host, is separated from the host and accounted for as a separate derivative if: the economic characteristics and risks are not closely related to the host; a separate instrument with the same terms as the embedded derivative would meet the definition of a derivative; and the hybrid contract is not measured at fair value through profit or loss. Embedded derivatives are measured at fair value with changes in fair value recognized in profit or loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwize be required or a reclassification of a financial asset out of the fair value through profit or loss category.

(all amounts in ₹ million unless otherwise stated)

### 3.6 Tax expense

Income tax expense comprises current tax and deferred tax charge or credit. It is recognized in the Standalone Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognized in equity and other comprehensive income respectively.

#### a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting period.

#### b) Deferred tax

Deferred tax asset/ liability is recognized on temporary differences between the carrying amounts of assets and liabilities in the Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured that are expected to apply to the period when the asset is realized or the liability is settled, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which Mindspace REIT expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

### 3.7 Provisions, contingent liabilities and contingent assets

Provisions are recognized when Mindspace REIT has a present legal or constructive obligation as a result of a past event, it is probable that the Trust will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Mindspace REIT.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each reporting date and adjusted to reflect the current best estimates.

### 3.8 Investment in SPVs

The Company has elected to recognize its investments in SPVs at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. The details of such investments are given in Note 4.

Assets representing investments in SPVs are reviewed for impairment,whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

## 3.9 Financial instruments

### 1 Initial recognition and measurement

Financial assets and/or financial liabilities are recognized when Mindspace REIT becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

### 2 Financial assets:

**a) Classification of financial assets:**

(i) Mindspace REIT classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost.

(ii) The classification is done depending upon Mindspace REIT business model for managing the financial assets and the contractual terms of the cash flows.

(iii) For investments in debt instruments, this will depend on the business model in which the investment is held.

(iv) Mindspace REIT reclassifies debt investments when and only when its business model for managing those assets changes.

**b) Subsequent Measurement**

**(i) Debt instruments:**

Subsequent measurement of debt instruments depends on Mindspace REIT business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Trust classifies its debt instruments:

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income (FVTOCI)**

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

**Financial assets at fair value through the Statement of Profit and Loss (FVTPL)**

Financial assets are subsequently measured at fair value through the Statement of Profit and Loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in the Statement of Profit and Loss.

**c) Impairment of financial assets:**

The Mindspace Group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Mindspace Group measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Mindspace Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

**d) Derecognition of financial assets:**

A financial asset is primarily derecognized when:

(i) the right to receive cash flows from the asset has expired, or

(ii) Mindspace REIT has transferred its rights to receive cash flows from the asset; and

Mindspace REIT has transferred substantially all the risks and rewards of the asset, or

Mindspace REIT has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognized in Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by Mindspace REIT is recognized as a separate asset or liability.

## 3.10 Financial liabilities and equity instruments

### (a) Classification as debt or equity

Financial liabilities and equity instruments issued by Mindspace REIT are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**Financial Liabilities**

**Recognition, measurement and classification**

Financial liabilities are classified as either held at a) fair value through the Statement of Profit and Loss, or b) at amortised cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

Mindspace REIT financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through the Statement of Profit and Loss or at amortised cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortised cost using the Effective Interest Rate method.

**Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognized amounts and there is an intention either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

## 3.11 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument. Financial guarantee contract are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis Mindspace REIT elects to account for financial guarantee as Insurance Contracts as specified under Ind AS 104.

## 3.12 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognized when recovery of the consideration is probable and the amount of revenue can be measured reliably.

### Recognition of dividend income, interest income

Dividend income is recognized in profit or loss on the date on which Mindspace REIT's right to receive payment is established.

Interest income is recognized using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

## 3.13 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

### 3.14 Cash and cash equivalents

Cash and cash equivalents comprises of cash at bank and on hand, demand deposits, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.15 Cash distribution to unit holders

Mindspace REIT recognizes a liability to make cash distributions to Unitholders when the distribution is authorized and a legal obligation has been created. As per the REIT Regulations, a distribution is authorized when it is approved by the Governing Board of the Manager. A corresponding amount is recognized directly in equity.

### 3.16 Standalone Statement of Cash flows

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Mindspace REIT are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Trust's cash management.

### 3.17 Subsequent events

The Standalone Financial Statements are adjusted to reflect events that occur after the reporting date but before the Financial Statements are issued. The Financial Statements have their own date of authorization. Therefore, when preparing the Financial Statements, management considers events up to the date of authorization of these financial statements.

### 3.18 Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unit holders of the REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

### 3.19 Earnings before finance costs, depreciation, amortisation and income tax

Mindspace REIT has elected to present earnings before finance cost, depreciation, amortisation and income tax as a separate line item on the face of the Standalone Statement of Profit and Loss. Mindspace REIT measures earnings before finance cost, depreciation, amortisation and income tax on the basis of profit/ (loss) from continuing operations. In its measurement, Mindspace REIT does not include depreciation and amortisation expense, finance costs and tax expense.

### 3.20 Errors and estimates

Mindspace REIT revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Financial Statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognized assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

### 3.21 Distributions

The Net Distributable Cash Flows of Mindspace REIT are based on the cash flows generated from Mindspace REIT's assets and investments.

In terms of the Distribution Policy and the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, in proportion of their shareholding in the Asset SPV, subject to applicable provisions of the Companies Act. Presently, NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, principal loan repayment, proceeds of any capital reduction or buyback from the Asset SPVs, sale proceeds out of disposal of investments if any or assets directly held by Mindspace REIT or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

The Manager is required to and shall declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions ("REIT Distributions") to the Unitholders. Such REIT Distributions shall be declared and made for every quarter of a Financial Year.

### 3.22 Recent pronouncements

#### Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The definition of "Recoverable amount" is amended such that the words "the higher of an asset's fair value less costs to sell and its value in use" are replaced with "higher of an asset's fair value less costs of disposal and its value in use". The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28. These amendments had no impact on the financial statements of Mindspace REIT. Several other amendments apply for the first time for the year ended 31 March 2022, but do not have an impact on the Standalone financial statements of Mindspace REIT.

#### New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

There were several amendments to standards and interpretations which are applicable for the first time for the year ended 31 March 2022, but either the same are not relevant or do not have an impact on the standalone financial statements of Mindspace REIT. Mindspace REIT has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

#### Amendment to Ind AS 103

The amendment states that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Framework for the Preparation and Presentation of Financial Statements in accordance with Indian Accounting Standards issued by the Institute of Chartered Accountants of India at the acquisition date. Therefore, the acquirer does not recognize those costs as part of applying the acquisition method. Instead, the acquirer recognizes those costs in its post-combination financial statements in accordance with other Ind AS. These amendments had no impact on the financial statements of Mindspace REIT.

(all amounts in ₹ million unless otherwise stated)

Note: Issue expenses pertaining to the Initial Public Offering (IPO) and listing of the units on the NSE and BSE have been reduced from the Unitholders capital in accordance with Ind AS 32 Financial Instruments: Presentation.

### (a) Terms/rights attached to units and other disclosures

(i) Mindspace REIT has only one class of Units. Each Unit represents an undivided beneficial interest in Mindspace REIT. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions. The distribution will be in proportion to the number of Units held by the Unitholders. Mindspace REIT declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Mindspace REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Mindspace REIT for each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Mindspace REIT to pay to its Unitholders cash distributions. Hence, the Unit Capital is a compound financial instrument which contains equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders' funds have been presented as "Equity" in order to comply with the requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum presentation and disclosure requirements for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is also presented in Statement of Changes in Unitholders' Equity when the distributions are approved by the Governing Board of the Investment Manager.

(ii) Initial Public Offering of 3,63,63,600 units for cash at price of ₹ 275 per unit aggregating to ₹ 10,000 million.

(iii) In the financial year ended 31 March 2021, Mindspace REIT has acquired the SPVs by acquiring all the equity interest held by the Sponsor Group and Blackstone Entities in the SPVs. The acquisition of equity interest in the SPVs has been done by issue of 55,66,54,582 units of ₹ 275 each as per the table below.

### Note 1 :

In September 2020, Mindspace REIT issued 5,000 10 year G-Sec linked secured, listed, guaranteed, senior, taxable, non-cumulative, rated, principal protected – market linked, redeemable, non-convertible debentures ("Market Linked Debentures / MLD Series 1") having face value of ₹ 10,00,000 (Rupees ten lakhs only) each, amounting to ₹ 500,00,00,000 (Rupees five hundred crores only). The tenure of the said MLD Series 1 is 577 days from 29 September 2020, being date of allotment of the MLD Series 1 and coupon, if any shall be payable on the Scheduled Redemption Date i.e. on maturity on 29 April 2022. The coupon payoff structure is linked to condition where the payoff will be fixed on the final fixing date i.e. 30 March 2022. If identified 10 year G-Sec's last traded price as on final fixing date is greater than 25% of its last traded price as on initial fixing date i.e. 29 September 2020, the coupon rate will be 6.80% p.a. If identified 10 year G-Sec's last traded price as on final fixing date is less than or equal to 25% of its last traded price as on initial fixing date, the coupon rate will be zero percent. As per the valuers report in respect of valuation of MLD Series 1, the probability of occurrence of such an event (last traded price of identified 10 year G-Sec on final fixing date being less than or equal to 25% of its last traded price on initial fixing date) is remote and hence the value of the option considered as zero.

## 28 Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the period attributable to unit holders by the weighted average number of units outstanding during the period. Diluted EPU amounts are calculated by dividing the profit attributable to unit holders by the weighted average number of units outstanding during the period plus the weighted average number of units that would be issued on conversion of all the dilutive potential units into unit capital. The units of the Trust were allotted to Sponsor Group and Blackstone entities on 30 July 2020 and to the applicants of initial public offer on 4 August 2020.

## 30 Assessment of possible impact resulting from Covid-19 pandemic

Mindspace REIT has considered the possible effects that may result from the pandemic relating to COVID-19 on the operations and carrying amounts of Loans given, Investments and other assets. Mindspace REIT, as at the date of approval of these financial statements, has used internal and external sources of information to determine the expected future impact of COVID-19 pandemic on the performance of the Company. Mindspace REIT based on current estimates expects the carrying amount of the assets to be recovered. However, due to the evolving nature of the pandemic and its response by various government authorities Mindspace REIT will continue to monitor developments to identify significant impacts, if any, on the operations.

(all amounts in ₹ million unless otherwise stated)

The management considers that the carrying amounts of above financial assets and financial liabilities approximate their fair values.

### (b) Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

a) recognised and measured at fair value

b) measured at amortised cost and for which fair values are disclosed in the Standalone financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, Mindspace REIT has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

#### Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

### (c) Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the year ended 31 March 2022 and 31 March 2021.

### (d) Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

i) The fair value of mutual funds are based on price quotations at reporting date.

ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.

iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.

### (e) Financial risk management

Mindspace REIT has exposure to following risks arising from financial instruments:

- Credit risk (refer note (a) below)
- Liquidity risk (refer note (b) below)
- Market risk (refer note (c) below)

#### (a) Credit risk

Credit risk is the risk of financial loss to Mindspace REIT if a counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Mindspace REIT receivables and other financial assets. The carrying amounts of financial assets represent the maximum credit exposure.

Mindspace REIT establishes an allowance account for impairment that represents its estimate of losses in respect of its financial assets. The main component of this allowance is estimated losses that relate to specific tenants or counterparties. The allowance account is used to provide for impairment losses. Subsequently when Mindspace REIT is satisfied that no recovery of such losses is possible, the financial asset is considered irrecoverable and the amount charged to the allowance account is then written off against the carrying amount of the impaired financial asset.

Mindspace REIT holds cash and cash equivalents with credit worthy banks of ₹ 2,814 million as at 31 March 2022 (31 March 2021: ₹ 2,938 million). The credit worthiness of such banks is evaluated by the management on an ongoing basis and is considered to be good.

As at the reporting date, there is no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying value of each financial asset on the Balance Sheet.

#### (b) Liquidity risk

Liquidity risk is the risk that Mindspace REIT will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Mindspace REIT approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without

incurring unacceptable losses or risking damage to Mindspace REIT reputation.

Governing Board of Investment Manager monitors rolling forecasts of Mindspace REIT liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out by the Governing Board of the Investment Manager in accordance with practice and limits set by Mindspace REIT. In addition, Mindspace REIT liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet those, monitoring balance sheet liquidity ratios and maintaining debt refinancing plans.

**Maturities of financial liabilities**

The following are the Mindspace REIT remaining contractual maturities of financial liabilities as the reporting date. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on Mindspace REIT may be required to pay and includes contractual interest payments and excludes the impact of netting agreements. Mindspace REIT believes that the working capital is sufficient to meet its current requirements, accordingly no liquidity risk is perceived.

| Particulars | Carrying Value | Contractual cash flows | | | | |
|---|---|---|---|---|---|---|
| | | Less than 1 year | 1-2 years | 2-5 years | More than 5 years | Total |

| **Total** | **11,650** | **211** | **5,736** | **7,497** | | **13,444** |

## (c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – which will affect the Mindspace REIT income or the value of its holdings of financial instruments. Mindspace REIT is domiciled in India and has its income and other transactions in its functional currency i.e. Rupees. Accordingly Mindspace REIT is not materially exposed to any currency risk.

**Foreign exchange risk**

Majority of transitions entered into by Mindspace REIT are denominated in Indian Rupees. Accordingly, Mindspace REIT does not have any foreign exchange risk.

(all amounts in ₹ million unless otherwise stated)

**Interest rate risk**

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Mindspace REIT is not exposed to any interest rate risk since all its debts are at fixed interest rates. However, loan given are exposed to interest rate risk due to variable rate risk:

| Particulars | As at 31 March 2022 | As at 31 March 2021 |

## 36 Capital Management

Mindspace REIT objectives when managing capital are:

a. to ensure Midnspace REIT's ability to continue as a going concern.

b. to provide adequate return to unitholders

The capital structure of the Mindspace REIT consists of net debt and total equity of the Mindspace REIT. Mindspace REIT manages its capital to ensure that the Mindspace REIT will be able to continue as going concern while maximising the return to unitholders through an optimum mix of debt and equity within the overall capital structure. Mindspace REIT governing board reviews the capital structure of Mindspace REIT considering the cost of capital and the risks associated with each class of capital.

## 37 Segment Reporting

Mindspace REIT has only reportable segment as at 31 March 2022 and 31 March 2021 and hence, disclosure under Ind AS 108, Operating segments has not been provided in the Standalone financial statements.

# Independent Auditor's Report

To The Unitholders of Mindspace Business Parks REIT

## Report on the Audit of the Consolidated Financial Statements

## Opinion

We have audited the accompanying consolidated financial statements of Mindspace Business Parks REIT (the "REIT") and its subsidiaries (the "Special Purpose Vehicles") (together referred to as the "Mindspace Group"), which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Unitholders' Equity for the year then ended, Consolidated Statement of Net Assets at fair value as at March 31, 2022 Consolidated Statement of Total Returns at fair value for the year then ended, Statement of Net Distributable Cash Flows of the REIT and each of its special purpose vehicles for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated December 29, 2016 (the "REIT regulations") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations, of the consolidated state of affairs of the Mindspace Group as at March 31, 2022, and its consolidated profit including other comprehensive income, its consolidated cash flows, its consolidated changes in unitholders' equity for the year ended March 31, 2022, its net assets at fair value as at March 31, 2022, total returns at fair value and the net distributable cash flows of the REIT and each of its special purpose vehicles for the year ended on that date and other financial information of the Group.

## Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SA) issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Mindspace Group in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

## Emphasis of Matters

(i) We draw attention to Note 44(5)(a) of the consolidated financial statements regarding freehold land and building thereon (Paradigm, Malad) held by special purpose vehicle, Avacado Properties and Trading (India) Private Limited which is presently under litigation. Pending the outcome of the proceedings and a final closure of the matter, no adjustments have been made in the consolidated financial statements. Our opinion is not modified in respect of this matter.

(ii) We draw attention to Note 2 which describes the Basis of preparation of consolidated financial statements and Note 20 which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

## Key Audit Matter

Key audit matter is the matter that, in our professional judgment, was of most significance in our audit of the consolidated financial statements of the current period. This matter was addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. We have determined the matter described below to be the key audit matter to be communicated in our report.

| Key Audit Matter: | Auditor's Response: |
|---|---|
| **Fair Value of investment properties:**<br>In accordance with REIT Regulations, the REIT discloses Statement of Net Assets at Fair Value and Statement of Total Returns at Fair Value which requires fair valuation of assets and liabilities. As at March 31, 2022, fair value of total assets was ₹ 284,145 million, out of which fair value of investment properties was ₹ 253,630 million representing 89% of the fair value of total asset.<br>The fair value of investment properties is determined by an independent valuer using discounted cash flow method and mix of market approach and discounted cash flow method, as applicable.<br>While there are several assumptions that are required to determine the fair value of investment properties; assumptions with the highest degree of estimate, subjectivity and impact on fair values are forecasted market rent, terminal capitalization rate and discount rate. Auditing these assumptions required a high degree of auditor judgement as the estimates made by the independent valuer contains significant measurement uncertainty.<br>Refer Statement of Net assets at fair value and Statement of total returns at fair value and Note 6 – Investment Properties in the consolidated financial statements. | **Principal Audit Procedures Performed:**<br>Our audit procedures related to the forecasted market rent, terminal capitalization rates and discount rate used to determine the fair value of investment properties included the following, among others:<br>■ We obtained the independent valuer's valuation reports to obtain an understanding of the source of information used by the independent valuer in determining these assumptions.<br>■ We tested the reasonableness of inputs shared by management with the independent valuer by comparing it to source information used in preparing the inputs.<br>■ We evaluated the reasonableness of management's forecasted market rent by comparing it with sample of lease agreements for market rentals, and contractual lease escalations.<br>■ With the assistance of our fair valuation specialist, we evaluated the reasonableness of forecasted market rent, terminal capitalization rates and discount rate by comparing it with market information such as recent market transactions for comparable properties, market surveys by property consultants and broker quotes, as applicable. |

In relation to one of the Special Purpose Vehicle (SPV) we have reported the following as a key audit matter in our auditor's report on the standalone financial statements of the SPV.

| Key Audit Matter: | Auditor's Response: |

## Information Other than the Financial Statements and Auditor's Report Thereon

- K. Raheja Corp Investment Manager LLP (the "Investment Manager") in its capacity as an Investment Manager of REIT is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Management's Responsibility for the Consolidated Financial Statements

The Governing Board of the Investment Manager (the "Management") is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows, consolidated changes in unitholders' equity of the Mindspace Group, net assets at fair value, total returns at fair value and the net distributable cash flows of the of the REIT and each of its special purpose vehicles in accordance with the requirements of the REIT regulations, the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations. The Governing Board of the Investment Manager to the REIT and the respective Board of Directors of the companies included in the Mindspace Group are responsible for maintenance of adequate accounting records for safeguarding the assets of the Mindspace Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Investment Manager of the REIT, as aforesaid.

In preparing the consolidated financial statements, the Governing Board of the Investment Manager and the respective Board of Directors of the companies included in the Mindspace Group are responsible for assessing the ability of the REIT and respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governing Board of the Investment Manager along with respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The Governing Board and the respective Board of Directors of the companies included in the Mindspace Group are also responsible for overseeing the financial reporting process of the Mindspace Group.

## Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the REIT's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Mindspace Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Mindspace Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Mindspace Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the REIT and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

Based on our audit and as required by REIT regulations, we report that:

a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows, Consolidated Statement of Changes in Unitholders' Equity, and Statement of Net Distributable Cashflows of the REIT and each of its special purpose vehicles dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.

c) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT Regulations.

### Measurement of fair values:

The fair values of Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress are solely based on an independent valuation performed by an external property valuer (""independent valuer""), having appropriately recognized professional qualification and recent experience in the location and category of the properties being valued. Other assets includes cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.

### Valuation technique

The fair value measurement for all of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted a mix of Market Approach and Discounted Cash Flow method, as the case may be. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

3 Other assets at book value excludes capital advances, unbilled revenue and finance lease receivable (which form part of fair valuation of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress).

4 Gigaplex has made an application for denotification of a part of the SEZ into Non-SEZ. Therefore, the fair valuation has been computed by valuers considering that part as Non-SEZ unit.

5 Power Deemed Distribution License operations in Gigaplex, MBPPL and KRC Infra have been valued by the valuer separately using Discounted Cash Flow method.

6 Liabilities at book value for calculation of fair value of NAV, excludes lease liability, capital creditors and retention payables (which is factored in fair valuation of the Investment property, Property, plant and equipment, Investment property under construction and Capital work-in-progress).

"Note 5: As per Chapter V, clause 16(a) of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time, the entity is required to distribute not less than 90% of net distributable cash flows of the entity to Mindspace REIT in proportion of its holding in the SPV subject to applicable provisions in the Companies Act, 2013. As per distribution policy adopted by the governing board of Mindspace REIT's Manager (K Raheja Corp Investment Managers LLP), any proceeds to shareholders other than Mindspace REIT is reduced to arrive at net distributable cash flows (NDCF). The above note has been prepared as per the distribution policy adopted by the governing board of Mindspace REIT's Manager, which is forming part of the Final offer document of Mindspace REIT and does not represent amount available for declaring dividend as per section 123 of the Companies Act, 2013 read with Declaration and Payment of Dividend Rules 2014."

Note 6: During the year ended 31 March 2022, a total amount of 118 million has been transferred from capital expenditure to other adjustments pursuant to lease commencement of fit-outs in Gigaplex.

Note 7: In case of Sundew, during the year ended 31 March 2022, a total amount of ₹ 358 million (Including 80 million incurred during the period) has been transferred from capital expenditure to other adjustments pursuant to lease commencement of fit-outs.

Note 8: The dividend is declared by Sundew, KRIT and Intime on 23 December 2021 amounting to ₹ 1,691 million to Mindspace REIT and ₹ 209 million to shareholders other than Mindspace REIT. The amount is paid to Mindspace REIT on 30 December 2021 and the balance payable to other shareholders is appearing in the earmarked bank account as on 31 December 2021 and the same is paid in January 2022.

Note 9: In March 2022, Mindspace Business Parks Private Limited ("MBPPL"), one of the Asset SPVs of Mindspace Business Parks REIT concluded the sale of land admeasuring approximately 39.996 acres located at Pocharam, Hyderabad, to K. Raheja Corp Private Limited ("KRCPL") for a consideration of ₹ 1,200 million as per the approval of the Board of Directors of MBPPL and the Governing Board of the Manager and other terms and conditions as set out in the Memorandum of Understanding dated 16 December 2019 read with the extension letter dated September 1, 2021 ("MoU") and sale deed dated 30 March 2022. Pending the decision on re-investment or distribution of the sale proceeds, the sale proceeds has been temporarily utilized to repay debt and invested in fixed deposit.

## 2 Basis of preparation

The Consolidated Financial Statements of Mindspace Business Parks REIT comprise the Consolidated Balance Sheet as at 31 March 2022, the Consolidated Statement of Profit and Loss, including other comprehensive income, the Consolidated Statement of Cash Flow for the quarter and year ended 31 March 2022, the Statement of Changes in Unitholders Equity for the year ended 31 March 2022, the Statement of Net Distributable Cashflows of Mindspace Business Parks REIT and each of the SPVs for the year ended 31 March 2022, the Statement of Net Assets at Fair Value as at 31 March 2022, the Statement of Total Returns at Fair Value for the year ended 31 March 2022 and a summary of the significant accounting policies and select explanatory information and other additional financial disclosures. The Consolidated Financial Statements have been prepared in accordance with the requirements of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated 29 December 2016 ("the REIT regulations""); Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations; Indian Accounting Standard (Ind AS) and other accounting principles generally accepted in India to the extent not inconsistent with REIT regulations. (refer note 20 on presentation of "Unit Capital" as "Equity" instead of compound instruments under Ind AS 32 – Financial Instruments: Presentation), read with relevant rules issued thereunder.

On 24 March 2021, the Ministry of Corporate Affairs(MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are applicable for financial periods commencing from 1 April 2021 for SPVs. The preparation of consolidated financial statements is after taking into consideration the effect of the amended Schedule III,to the extent applicable. The Trust has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

The Consolidated Financial Statements were authorized for issue in accordance with the resolution passed by the Governing Board of the Manager on 12 May 2022.

### Statement of compliance to Ind AS:

These Consolidated financial statements for the year ended 31 March 2022 have been prepared in accordance with Ind AS, to the extent not inconsistent with the REIT regulations as more fully described above and Note 20 to the consolidated financial statements.

### Basis of Consolidation

Mindspace Business Parks Group consolidates entities which it owns or controls. The Consolidated Financial Statements comprise the financial statements of Mindspace Business parks REIT and its subsidiary SPVs as disclosed in note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

The procedure for preparing Consolidated Financial Statements of Mindspace Business Parks Group are stated below:

a) The financial statements of Mindspace Business Parks Group are consolidated for like items and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of Mindspace Business Parks Group are eliminated in full upon consolidation.

b) Telangana State Industrial Infrastructure Corporation Limited, which is a shareholder in Intime, KRIT and Sundew has not agreed to exchange their equity interest in the SPVs (Intime, KRIT and Sundew), thus, Mindspace Business Parks REIT has recorded a non-controlling interests for these SPVs. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interest proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

c) The figures in the notes to accounts and disclosures have been Consolidated line by line and Inter-company transactions and balances including unrealized profits are eliminated in full on consolidation.

d) Mindspace Business Parks Group holds 4% of the equity share capital of Stargaze Properties Private Limited, a company involved in the real estate development. Mindspace Business Parks Group is of the view that it is not able to exercise significant influence over Stargaze Properties Private Limited and hence it has not been accounted using equity method.

## 3 Significant accounting policies

### (a) Functional and presentation currency

The Consolidated Financial Statements are presented in Indian rupees, which is Mindspace Business Parks Group's functional currency and the currency of the primary economic environment in which Mindspace Business Parks Group operates. All financial information presented in Indian rupees has been rounded off to nearest million except otherwise stated.

### (b) Basis of measurement

The Consolidated Financial Statements are on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan.

### (c) Use of judgements and estimates

The preparation of the Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the Consolidated Financial Statements is included in the following notes:

- Presentation of "Unit Capital" as "Equity" in accordance with the REIT Regulations instead of compound instrument (Note 20)
- Estimation of lease term for revenue recognition
- Estimation of useful life of property, plant and equipment and investment property
- Estimation of recognition of deferred tax assets, availability of future taxable profit against which tax losses carried forward can be used and income taxes.
- Impairment and Fair valuation of Investment Property, Investment property under construction, Property, plant and equipment and Capital work-in-progress
- Recognition and measurement of provisions for contingencies and disclosure of contingent liabilities

### d) Current versus non-current classification

Mindspace Business Parks Group presents assets and liabilities in the Consolidated Balance Sheet based on current/ non-current classification:

Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Mindspace Business Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Mindspace Business Parks Group has identified twelve months as its operating cycle.

### (e) Measurement of fair values

Mindspace Business Parks Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Mindspace Business Parks Group has an established control framework with respect to the measurement of fair values.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, Mindspace Business Parks Group uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access on measurement date.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

### 3.1 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument. Financial guarantee contracts are measured initially at the fair value and in accordance with Ind AS 109 unless on a case to case basis elects to account for financial guarantee as Insurance Contracts as specified under Ind AS 104."

### 3.2 Property, plant and equipment

#### (a) Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Depreciation is charged when the assets are ready for their intended use. Purchase price or construction cost is defined as any consideration paid or fair value of any other consideration given to acquire the asset.

#### (b) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.

#### (c) Depreciation

Depreciation / amortisation is provided using straight line method as per the useful life of the assets estimated by the

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

management over the balance useful life. The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013, are listed in the table below. Depreciation on addition / deletion of property, plant and equipment made during the period is provided on pro-rata basis from / to the date of such addition / deletion.

The assets and estimated useful life are as under:

| Asset group | Estimated Useful Life (in years) | |
|---|---|---|
| | Power assets | Other assets |
| Right to use - Leasehold land | Balance Lease term | - |
| Buildings* | 75/90 | - |
| Plant and machinery | 15 | 15 |
| Electrical installation* | 15 | 15 |
| Computers | 3 | 3 |
| Temporary Structure* | - | 1 |
| Office equipment* | 4 | 4 |
| Furniture and fixtures* | - | 7 |
| Vehicles* | - | 5 |

* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than ₹ 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

### (d) De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Consolidated Statement of Profit and Loss.

### (e) Capital work in progress

Property, plant and equipment under construction is disclosed as capital work in progress which is carried at cost less any recognized impairment losses. Cost comprises of purchase price and any attributable cost such as duties, freight, borrowing costs, erection and commissioning expenses incurred in bringing the asset to its working condition for its intended use.

Advance paid and expenditure incurred on acquisition / construction of property, plant and equipment which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as advances on capital account and capital work-in-progress respectively.

## 3.3 Intangible assets

### (a) Recognition and measurement

An intangible asset is an identifiable non-monetary asset without physical substance. Intangible assets with finite useful lives that are acquired separately are initially measured at its cost and then carried at the cost less accumulated amortisation and impairment, if any. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less impairment, if any.

### (b) Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognized in the Consolidated Statement of Profit and Loss as incurred.

### (c) Amortisation

Amortisation is calculated over the cost of the asset, or other amount substituted for cost, less its residual value. Amortisation is recognised in the Consolidated Statement of Profit and Loss on a straight line method over the estimated useful lives of intangible assets, from the date that they are available for use.

| Asset group | Estimated Useful Life (in years) Other assets |
|---|---|
| Computer Softwares | 3 |
| Trademarks | 10 |

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

### (d) De-recognition

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal, gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the Consolidated Statement of Profit and Loss when the asset is derecognized.

## 3.4 Investment property

### (a) Recognition and measurement

Properties including land, building and other assets, which are held either for long-term rental yield or for capital appreciation or for both, and which are not occupied substantially by Mindspace Business Parks Group are classified as investment property.

Investment properties are initially recognized at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirement of Ind AS 16's requirements for cost model i.e. Cost less depreciation less impairment losses, if any. Depreciation is charged when the investment property is ready for its intended use. Cost comprizes of direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are allocated on a reasonable basis to the cost of the project.

Plant and machinery, furniture and fixtures, office equipment and electrical equipments which are physically attached to the commercial buildings are considered as part of investment property.

Acquisitions and disposals are accounted for at the date of completion of acquisitions and disposals.

### (b) Subsequent expenditure

Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to Mindspace Business Parks Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

### (c) Depreciation

Depreciation / amortisation is provided using straight line method as per the useful life of the assets estimated by the management over the balance useful life.The estimated useful lives of the assets, which are higher than, lower than or equal to those prescribed under Schedule II of the Companies Act 2013 and listed in the table below. Depreciation on addition / deletion of investment property made during the period is provided on pro-rata basis from / to the date of such addition / deletion.

| Asset group | Estimated Useful Life (in years) |
|---|---|
| Right to use - Leasehold land | Balance Lease term |
| Buildings* | 75/90 |
| Infrastructure and development | 15 |
| Roadwork* | 15 |
| Broadwalk, vantage café etc.* | 50 |
| Plant and machinery | 15 |
| Office equipment* | 4 |
| Furniture and fixtures* | 7 |
| Electrical installation* | 15 |

* For these class of assets, based on technical assessment the management believes the useful life of the assets is appropriate which is different than those prescribed under Part C of Schedule II of the Companies Act, 2013.

(1) Based on internal assessment the management believes the residual value of all assets except Leasehold Land is estimated to be 5% of the original cost of those respective assets at SPV.

(2) Assets individually costing less than ₹ 5,000 are fully written off in the year of acquisition.

(3) The estimated useful lives, residual values and depreciation method are reviewed at the end of the reporting period with the effect of any changes in the estimation accounted for on a prospective basis.

### (d) Fair Value

Fair value of investment property is based on a valuation by an independent valuer who holds a recognized and relevant professional qualification and has recent experience in the location and category of the investment property being valued. The fair value of investment property is disclosed in the Statement of Net assets at Fair Value.

### (e) De-recognition

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Consolidated Statement of Profit and Loss in the period in which the property is de-recognized.

### (f) Investment properties under construction

Property that is being constructed for future use as investment property is accounted for as investment

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

property under construction until assets are ready for their intended use.

Direct expenses like land cost, site labour cost, material used for project construction, project management consultancy, costs for moving the plant and machinery to the site and general expenses incurred specifically for the respective project like insurance, design and technical assistance, and construction overheads are taken as the cost of the project.

Investment properties under construction represent the cost incurred in respect of areas under construction of the real estate development projects less impairment losses, if any.

Advance paid for acquisition of investment property which are not ready for their intended use at each balance sheet date are disclosed under other non current assets as capital advance.

### 3.5 Impairment of assets

Mindspace Business Parks Group assesses at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, Mindspace Business Parks Group estimates the recoverable amount of the asset. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated as the higher of its fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the assets and from its disposal at the end of its useful life. An impairment loss is recognized whenever the carrying amount of an asset or the cash-generating unit to which it belongs, exceeds its recoverable amount. Impairment loss is recognized in the Consolidated Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Consolidated Statement of Profit and Loss.

### 3.6 Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

Capitalization rate used to determine the amount of borrowing costs to be capitalized is the weighted average interest rate applicable to the general borrowings.

Capitalization of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalization of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing cost incurred by the SPVs on inter-company loans is continued to be capitalized only to the extent Mindspace Group has incurred external borrowing cost.

### 3.7 Inventories

#### (a) Measurement of inventory

Inventories comprise of building material and components. Contractual work in progress, in respect of third party customers, is classified as work in progress. Mindspace Business Parks Group measures its inventories at the lower of cost or net realizable value.

#### (b) Cost of inventories

The cost of inventories of building material and components and work in progress comprise all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

#### (c) Net realizable value

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### 3.8 Revenue recognition

#### (a) Facility rentals

Revenue from property leased out under an operating lease is recognized over the lease term on a straight line basis, except where there is an uncertainty of ultimate collection.

#### (b) Revenue from works contractual services

Revenue from works contractual service is accounted for on the basis of completion of work as per the specification and agreement with the customer.

Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

#### (c) Maintenance services

Maintenance income is recognized over a period of time for services rendered to the customers.

#### (d) Revenue from power supply

Revenue from power supply is accounted for on the basis of billings to consumers and includes unbilled revenues accrued up to the end of the accounting year. Mindspace Business Parks Group determines surplus/ deficit i.e. excess/ shortfall of aggregate gain over return on equity entitlement for the period in respect of its operations based on the principles laid down under the respective Tariff Regulations as notified by Maharashtra Electricity Regulatory Commission (MERC), on the basis of the tariff order issued by it. In respect of such surplus/ deficit, appropriate adjustments as stipulated under the regulations are made during the period. Further, any adjustments that may arise on annual performance review by the MERC under the tariff regulations is made after the completion of such review.

#### (e) Finance Lease

For assets let out under finance lease, Mindspace Business Parks Group recognizes a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the periods in which they are earned.

#### (f) Sale of surplus construction material and scrap

Revenue from sale of surplus construction material and scrap is recognized when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

### 3.9 Recognition of dividend income, interest income:

(i) Dividend income is recognized in profit or loss on the date on which Mindspace REIT group has right to receive payment is established.

(ii) Interest income is recognized on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

(iii) Delayed payment charges and interest on delayed payments are recognized, on time proportion basis, except when there is uncertainty of ultimate collection.

### 3.10 Tax expense

Income tax expense comprises current tax and deferred tax charge or credit. It is recognized in the Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income in which case, the current and deferred tax are also recognized in equity and other comprehensive income respectively.

#### (a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by end of reporting period.

#### (b) Deferred tax

Deferred tax asset/liability is recognized on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured that are expected to apply to the period when the asset is realized or the liability is settled, using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which Mindspace Business Parks Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax is not recognized for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that Mindspace Business Park Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

In the situations where one or more units of the Group are entitled to a tax holiday under the tax law, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned unit's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Group restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

### (c) Minimum Alternate Tax (MAT)

MAT credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and shown as MAT credit entitlement under deferred tax assets. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

## 3.11 Earnings per unit (EPU):

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unit holders of Mindspace REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per unit or increase loss per units are included.

## 3.12 Provisions, contingent liabilities and contingent assets

Provisions are recognized when Mindspace Business Parks Group has a present legal or constructive obligation as a result of a past event, it is probable that Mindspace Business Parks Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

Contingent liabilities are disclosed when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is disclosed when there would be a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Mindspace Business Parks Group.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

## 3.13 Foreign currency transactions and translations

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Consolidated Statement of Profit and Loss of the period.

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the period-end and not covered by forward contracts, are translated at the period-end at the closing exchange rate and the resultant exchange differences are recognized in the Consolidated Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

## 3.14 Leases

### As a Lessor

Mindspace Business Parks Group enters into lease agreements as a lessor with respect to some of its investment properties.

Leases for which Mindspace Business Parks Group is a lessor is classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When Mindspace Business Parks Group is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease and presented as unbilled revenue in other financial assets. Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalized to the carrying amount of leased asset and recognized over the lease term on the same basis as rental income.

Amounts due from lessees under finance leases are recognized as receivables at the amount of Mindspace Business Parks Group's net investment in the leases. Finance lease income is allocated to reporting periods so as to reflect a constant periodic rate of return on Mindspace Business Parks Group's net investment outstanding in respect of the leases.

### As a Lessee

Mindspace Business Parks Group assesses whether a contract is or contains a lease, at inception of a contract. Mindspace Business Parks Group recognizes a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets.

For these leases, Mindspace Business Parks Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, Mindspace Business Parks Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is presented separately as part of Financial Liabilities in the Consolidated balance sheet. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

Mindspace Business Parks Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever

- the lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is measured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever Mindspace Business Parks Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognized and measured under Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets'. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

Mindspace Business Parks Group applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in Note 3.5.

Variable rents that do not depend on an index or rate are not included in the measurement the lease liability and the right-of-use asset. The related payments are recognized as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line " other expenses" in the Consolidated Statement of Profit and Loss.

## 3.15 Financial instruments

### 1 Initial recognition and measurement

Financial assets and/or financial liabilities are recognized when Mindspace Business Parks Group becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities are initially measured at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Consolidated Statement of Profit and Loss.

### 2 Financial assets:

**(a) Classification of financial assets:**

(i) Mindspace Business Parks Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Consolidated Statement of Profit and Loss), and
- those measured at amortized cost.

(ii) The classification is done depending upon Mindspace Business Parks Group's business model for managing the financial assets and the contractual terms of the cash flows.

(iii) For investments in debt instruments, this will depend on the business model in which the investment is held.

(iv) Mindspace Business Parks Group reclassifies debt investments when and only when its business model for managing those assets changes.

**(b) Subsequent Measurement**

**(i) Debt instruments:**

Subsequent measurement of debt instruments depends on Mindspace Business Parks Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which Mindspace Business Parks Group classifies its debt instruments:

**Financial assets at amortized cost**

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income (FVTOCI)**

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

**Financial assets at fair value through the Consolidated Statement of Profit and Loss (FVTPL)**

Financial assets are subsequently measured at fair value through the Consolidated Statement of Profit and Loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in the Consolidated Statement of Profit and Loss.

**(ii) Equity instruments:**

Mindspace Business Parks Group subsequently measures all equity investments at fair value. There are two measurement categories into which Mindspace Business Parks Group classifies its equity instruments:

**Investments in equity instruments at FVTPL:**

Investments in equity instruments are classified as at FVTPL, unless Mindspace Business Parks Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for equity instruments which are not held for trading.

**Investments in equity instruments at FVTOCI:**

On initial recognition, Mindspace Business Parks Group can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Consolidated Statement of Profit and Loss on disposal of the investments, but is transferred to retained earnings.

**(c) Impairment of financial assets:**

Mindspace Business Parks Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortized cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, Mindspace Business Parks Group measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, Mindspace Business Parks Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

**(d) Derecognition of financial assets:**

A financial asset is primarily derecognized when:

(i) the right to receive cash flows from the asset has expired, or

(ii) Mindspace Business Parks Group has transferred its rights to receive cash flows from the asset; and

Mindspace Business Parks Group has transferred substantially all the risks and rewards of the asset, or

Mindspace Business Parks Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the differences between the carrying amounts measured at the date of derecognition and the consideration received is recognized in Consolidated Statement of Profit and Loss. Any interest in transferred financial assets that is created or retained by the SPV is recognized as a separate asset or liability.

### 3 Financial liabilities and equity instruments

**(a) Classification as debt or equity**

Financial liabilities and equity instruments issued by Mindspace Business Parks Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**(b) Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of Mindspace Business Parks Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of Mindspace Business Parks Group's own equity instrument is recognized and deducted directly in equity. No gain or loss is recognized in the Consolidated Statement of Profit and Loss on the purchase, sale, issue or cancellation of Mindspace Business Parks Group's own equity instruments.

**(c) Compound financial instruments**

The component parts of compound financial instruments issued by Mindspace Business Parks Group are classified separately as financial liabilities

# Notes to the Consolidated Financial Statements

RN: IN/REIT/19-20/003

(all amounts in ₹ million unless otherwise stated)

and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of Mindspace Business Parks Group's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortized cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognized and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognized directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortized over the lives of the convertible instrument using the effective interest method.

**(d) Financial Liabilities**

**Recognition, measurement and classification**

Financial liabilities are classified as either held at a) fair value through the Consolidated Statement of Profit and Loss, or b) at amortized cost. Management determines the classification of its financial liabilities at the time of initial recognition or, where applicable, at the time of reclassification.

Mindspace Business Parks Group's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments. Subsequent measurement of financial liabilities depends on their classification as fair value through the Consolidated Statement of Profit and Loss or at amortized cost. All changes in fair value of financial liabilities classified as FVTPL are recognized in the Consolidated Statement of Profit and Loss. Amortized cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortized cost using the Effective Interest Rate method.

**Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in the Consolidated Statement of Profit and Loss when the liabilities are derecognized.

## 4 Offsetting of financial instruments

Financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a currently enforceable legal right to offset the recognized amounts and there is an intention either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

## 3.16 Cash and cash equivalents

Cash and cash equivalents comprises of cash at banks and on hand, demand deposits, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

## 3.17 Statement of Cash flow

Cash flow is reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Mindspace Business Parks Group are segregated. For the purpose of the Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of Mindspace Business Parks Group's cash management.

As per para 8 of Ind AS 7 "where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents. Bank overdraft, in the Consolidated Balance Sheet, is included as 'borrowings' under Financial Liabilities.

## 3.18 Employee benefits plan

**Disclosure pursuant to Ind AS – 19 'Employee benefits'**

**(1) Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits such as salaries, wages, etc. and are recognized in the period in which the employee rendered the related services. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period.

**(2) Long term employee benefits**

**Defined contribution plans**

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Mindspace Business Parks Group's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense. The above benefits are classified as defined contribution schemes as Mindspace Business Parks Group has no further defined obligations beyond the monthly contributions.

**Defined benefit plan**

Mindspace Business Parks Group's gratuity benefit scheme is a defined benefit plan. Mindspace Business Parks Group has determined the gratuity liability based on internal calculation based on the number of years completed and last drawn basic salary as mentioned in the Payment of Gratuity Act, 1972. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets, if any. The defined benefit obligation is calculated annually by actuaries / SPVs using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Consolidated Statement of Profit and Loss.

**Other long term employee benefits - Compensated absences**

Benefits under compensated absences are accounted as other long-term employee benefits. Mindspace Business Parks Group has determined the liability for compensated absences based on internal calculation which is determined on the basis of leave credited to employee's account and the last drawn salary. Mindspace Business Parks Group's net obligation in respect of compensated absences is the amount of benefit to be settled in future, that employees have earned in return for their service in the current and previous years. The benefit is discounted to determine its present value. The obligation is measured on the basis of an actuarial valuation / by SPVs using the projected unit credit method. Remeasurement is recognized in the Consolidated Statement of Profit and Loss in the period in which they arise. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability.

## 3.19 Earnings before finance costs, depreciation and amortisation, regulatory income / expense, exceptional items and tax

Mindspace Business Parks Group has elected to present earnings before interest, depreciation and amortisation, regulatory income / expense, exceptional items and tax as a separate line item on the face of the Consolidated Statement of Profit and Loss. Mindspace Business Parks Group measures earnings before interest, depreciation and amortisation, regulatory income / expense, exceptional items and tax on the basis of profit/ (loss) from continuing operations.

## 3.20 Subsequent events

The Consolidated Financial Statements are adjusted to reflect events that occur after the reporting date but before the Consolidated Financial Statements are issued. The Consolidated Financial Statements have their own date of authorization, which differs from that of the financial statements of the entities which are part of Mindspace REIT group. Therefore, when preparing the Consolidated Financial Statements, management considers events up to the date of authorization of these financial statements.

## 3.21 Errors and estimates

Mindspace Business Parks Group revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Consolidated financial statement. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognized assets or liabilities or to profit or loss is applied prospectively in the period(s) of change.

Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

## 3.22 Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their

carrying amount and fair value less costs to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in the Consolidated Statement of Profit and Loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated, and any equity-accounted investee is no longer equity accounted.

## 3.23 Segment Information

### Primary segment information

The primary reportable segment is business segments.

### Business segment

The Mindspace Group is organized into the two operating divisions - 'real estate' and 'power distribution', which are determined based on the internal organization and management structure of the Mindspace Group and its system of internal financial reporting and the nature of its risks and its returns. The Governing Board of the manager has been identified as the chief operating decision maker (CODM). CODM evaluates the Mindspace Group's performance, allocates resources based on analysis of various performance indicators of the Group as disclosed below.

### Real estate segment

Real estate comprises development and management of projects under Special Economic Zone (SEZ), Information Technology Parks and other commercial assets .The Group has its project/properties in Mumbai Region, Hyderabad, Pune and Chennai for development and management of commercial SEZ, IT parks and commercial resorts.

### Power distribution

The state power regulator has taken on record the SEZ developer MBPPL, Gigaplex, Sundew and KRC Infra as Deemed Distribution Licensee for Power. The approved SPVs being Deemed Distributor, supplies power to customers within the notified SEZ.

### Secondary segment information

Mindspace Business Parks Group's operations are based in India and therefore Mindspace Business Parks Group has only one geographical segment - India.

## 3.24 Non-controlling interests

Non-controlling interests represent the share of reserves and capital attributable to the shareholdersof the SPVs who have not agreed to exchange their shares in the SPVs for units of Mindspace REIT and will not become the unitholders of Mindspace REIT. Below is the list of shareholders of the SPVs for whom non-controlling interest has been recognized. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and Consolidated Balance Sheet respectively.

| SPV | Shareholder | % Holding in SPV (As on reporting date) |
|---|---|---|
| KRIT | Telangana State Industrial Infrastructure Corporation Limited* | 11.0% |
| Intime | Telangana State Industrial Infrastructure Corporation Limited* | 11.0% |
| Sundew | Telangana State Industrial Infrastructure Corporation Limited* | 11.0% |

*Pursuant to transmission of shares from Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) to Telangana State Industrial Infrastructure Corporation Limited (TSIIC) effective 30 December 2021.

Ind AS 110 requires entities to attribute the profit or loss and each component of other comprehensive income to the owners of Mindspace REIT and to the non-controlling interests. This requirement needs to be followed even if this results in the non-controlling interests having a deficit balance.

## 3.25 Cash distribution to unit holders

The Group recognizes a liability to make cash distributions to unitholders when the distribution is authorized and a legal obligation has been created. As per the REIT Regulations, a distribution is authorized when it is approved by the Governing Board of the Manager. A corresponding amount is recognized directly in other equity.

## 3.26 Distribution Policy

The Net Distributable Cash Flows of Mindspace REIT are based on the cash flows generated from Mindspace REIT's assets and investments.

In terms of the Distribution Policy and the REIT Regulations, not less than 90% of the NDCF of each of the Asset SPVs is required to be distributed to Mindspace REIT, in proportion of their shareholding in the Asset SPV, subject to applicable provisions of the Companies Act or the LLP Act. Presently, NDCF to be received by Mindspace REIT from the Asset SPVs may be in the form of dividends, interest income, principal loan repayment, proceeds of any capital reduction or buyback from the Asset SPVs, sale proceeds out of disposal of investments if any or assets directly held by Mindspace REIT or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

The Manager is required to and shall declare and distribute at least 90% of the NDCF of Mindspace REIT as distributions ("REIT Distributions") to the Unitholders Such REIT Distributions shall be declared and made for every quarter of a Financial Year.

## 3.27 Recent Pronouncements

### Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The definition of "Recoverable amount" is amended such that the words "the higher of an asset's fair value less costs to sell and its value in use" are replaced with "higher of an asset's fair value less costs of disposal and its value in use". The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28. These amendments had no impact on the financial statements of the Group.

Several other amendments apply for the first time for the year ended 31 March 2022, but do not have an impact on the Consolidated financial statements of the Group.

### New and amended standards

The accounting policies adopted and methods of computation followed are consistent with those of the previous financial year, except for items disclosed below:

There were several amendments to standards and interpretations which are applicable for the first time for the year ended 31 March 2022, but either the same are not relevant or do not have an impact on the consolidated financial statements of the Group. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

### Amendment to Ind AS 103

The amendment states that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Framework for the Preparation and Presentation of Financial Statements in accordance with Indian Accounting Standards issued by the Institute of Chartered Accountants of India at the acquisition date. Therefore, the acquirer does not recognize those costs as part of applying the acquisition method. Instead, the acquirer recognizes those costs in its post-combination financial statements in accordance with other Ind AS. These amendments had no impact on the financial statements of the Group.

# Notes to the Consolidated Financial Statements

(all amounts in ₹ million unless otherwise stated)

4 Pursuant to the share acquisition agreements entered between Mindspace REIT, Sponsor Group and Blackstone Entities for acquisition of the shares of the Asset SPVs held by the Sponsor Group and Blackstone Entities, the acquisition was effected on 30 July 2020. However, consolidation of the financials of these Assets SPVs has been done effective 1 August 2020 considering the impact of 1 day operation on the financial results is immaterial. Accordingly, figures for period ended March 2022 and March 2021 are not comparable.

### MBPPL

Leasehold land (power assets) of MBPPL is a part of land (admeasuring 198,997 sq mtrs. in Airoli, Navi Mumbai) which has been acquired on lease by MBPPL from Maharashtra Industrial Development Corporation ('MIDC'). The lease is due to expire on 31 July 2064. MBPPL has right to renewal of said lease for a further period of 99 years upon payment of premium as may be decided.

### Sundew

(a) In the year 2013, Sundew had applied to The Andhra Pradesh Electricity Regulatory Commission (APERC) for obtaining the Deemed distribution licensee status in terms of Ministry of Commerce and Industry Notification dated 3 March 2010 and Sec 14(b) of the Electricity Act, 2003 to operate and maintain a power distribution system for supplying electricity to its consumers in Sundew's SEZ project at Mindspace Cyberabad, Madhapur, Hyderabad. The Telangana State Electricity Regulatory Commission (TSERC), the succesor to APERC passed an order identifying Sundew as a deemed licensee to distribute the electricity in the earmarked area with effect from 1 April 2016 subject to the fulfillment of certain conditions including the maintenance of debt equity ratio of 70:30 for power distribution business.

(b) Sundew has filed miscellaneous applications before TSERC seeking modification/clarification of its order under regulation 38 & 39 of TSERC (Conduct of business) Regulations 2015 read with Regulations 52(iv) and (v) of the APERC (Distribution License) Regulations, 2013. TSERC disposed off the application without giving any consideration to the modification/ clarification application filed. Sundew has filed a separate appeal to Appellate Tribunal of Electricity (APTEL). The matter was heard by APTEL on 2 May 2019 and the case was dismissed on 27 September 2019.Sundew has filed a Civil appeal on 15 November 2019 before the Hon'ble Supreme Court of India. The Matter is pending before Hon'ble Supreme Court of India.

### Measurement of fair values of investment property

#### Fair value hierarchy:

The fair value of Company's investment property as at 31 March 2022 and 31 March 2021 has been arrived on the basis of a valuation carried out as on the respective dates by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued and is a registered valuer as defined under Rule 2 of Companies (Registered Valuers & Valuation) Rules, 2017.

#### Valuation technique:

The fair value measurement for all of the Investment Property and Investment property under construction has been categorized as a Level 2 / Level 3 fair value based on the inputs to the valuation technique used. The valuer has followed a Discounted Cash Flow method, except for valuation of land for future development where the valuer has adopted a mix of Market Approach and Discounted Cash Flow method, as the case may be. The Discounted Cash Flow valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality, lease terms and investor return expectations from such properties.

**MBPPL**: During the year ended 31 March 2021, an impairment loss of ₹ 176 million has been recognized in the Statement of Profit and Loss for Mindspace Pocharam, Hyderabad and recorded as "Buildings" under Investment Property and Investment Property under construction in the financial statements of the Group ('Property'). These assets are used in the Group's "Real estate" segment. The Group has determined this Property as Cash Generating Unit (CGU) of the Group for the purpose of Ind AS 36. The impairment charge arose due to vacancies at the Property and the Group's expectation of longer time to lease the vacant area against earlier estimates, as a result of the existing market conditions due to Covid – 19 pandemic. The recoverable amount of ₹ 2,746 million as at 31 March 2021 being the higher of value in use and the fair value of the Property as per Ind AS 36 is considered for impairment and has been determined at the level of the CGU. In determining value in use of the property as at 31 March 2021, the Independent Valuer has discounted the cash flows at a rate of 12.25% for completed buildings and 13.60% for under construction building on a pre-tax basis.

**Gigaplex**: Gigaplex has land admeasuring 2,02,300 sq. mtrs. at Airoli, Navi Mumbai. Gigaplex has so far constructed 6 buildings for commercial purposes ( SEZ & Non-SEZ), part of which has been let out. The lease of the land is due to expire on 28 June 2102. Gigaplex has right of renewal of said lease for a period of 95 years upon payment of premium as may be decided.

**KRC Infra**: The cost of construction and other related expenses incurred on building no. G1 for Gera Developments Private Limited is classified under IPUC as on 31 March 2022, since the SPV is in the process of finalising the arrangement with Gera Developments Private Limited.

### (a) Terms/rights attached to Units and other disclosures

(i) The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Governing Board of Investment Manager approves distributions. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Mindspace Business Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Mindspace Business Parks REIT for each financial year. Accordingly, a portion of the Unit Capital contains a contractual obligation of the Mindspace Business Parks REIT to pay to its Unitholders cash distributions. Hence, the Unit Capital is a compound financial instrument which contains equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders' funds have been presented as "Equity" in order to comply with the requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum presentation and disclosure requirements for key financial statements. Consistent with Unit Capital being classified as equity, the distributions to Unitholders is also presented in Statement of Changes in Unitholders' Equity when the distributions are approved by the Governing Board of Investment Manager.

## 43 Asset Acquisition

In financial year ended 31 March 2021, Mindspace REIT entered into share acquisition agreements with shareholders of 8 Asset SPVs (refer note 1 for list of these SPVs) for acquisition of shares of the Asset SPVs in exchange for the units of Mindspace REIT. The acquisition was effected on 30th July 2020 ("Acquisition Date").

Requirements of Ind AS 103 apply to a transaction in which assets acquired and liabilities assumed constitute a business. However, para B7A and B7B of Ind AS 103 allow an optional concentration test to perform simplified assessment of whether acquired set of activities and assets is not a business. The consequence of the test is that if the concentration test is met, the set of activities and assets is determined not to be a business and no further assessment is needed.

REIT had opted to apply optional concentration test in respect of acquisition of these SPVs. Acquired SPVs are engaged in the business of real estate development and leasing. Major asset pool of these SPVs comprise of investment property and investment property under construction. Based on the assessment performed, management had determined that substantially all of the fair value of the gross assets acquired is concentrated in investment property and investment property under construction (including other assets which meet the definition of group of similar identifiable assets as per definition provided in para B7B of Ind AS 103 such as investment property, property, plant and equipment attached to these investment properties which cannot be physically removed and used separately from these investment properties, without incurring significant cost, or significant diminution in utility or fair value to either asset).

Accordingly, acquisition of these SPVs has been accounted as acquisition of group of assets not constituting a business and requirements in Ind AS 103 for business combination accounting has not been applied to this transaction. The REIT has accounted for the transaction as follows:

a. Identified asset or liability initially measured at an amount other than cost and applied applicable standards for initial measurement of these assets and liabilities

b. Plant and Machinery recognized at fair value as determined by an independent valuer

c. Deducted from the gross transaction price of the group acquired, amount recognized in respect of items listed in point (a) and (b) above

d. Allocated the residual transaction price to the remaining identifiable assets (i.e. Land and Buildings which are then being classified as Investment Property and Investment property under construction) based on their relative fair values at the date of acquisition, arrived at by an independent valuer.

The transaction has not resulted in recognition of goodwill or bargain gain in the books of the REIT. Non-controlling interests in these subsidiaries have a present ownership interest and is entitled to a proportionate share of net assets upon liquidation. These non-controlling interests have been accounted at their fair value on the date of acquisition of the SPVs. For this purpose, fair value has been determined in accordance with Ind AS 113.

As consideration for the assets acquired, Mindspace REIT issued 55,66,54,582 units at unit price of ₹ 275 per unit totalling to ₹ 153,080 million. Mindspace REIT has also incurred directly attributable expenses in relation to the asset acquisition, amounting to ₹ 23 million, resulting in the total transaction price of ₹ 153,103 million. The following tables summarize the total transaction price, gross transaction price and the allocation of the transaction price.

| Particulars | Amount (in million) |
|---|---|
| Purchase consideration | 153,080 |
| Acquisition costs | 23 |
| **Total transaction price** | **153,103** |
| Issue price per unit | 275 |

Based on the above total transaction price and adjusted for the other assets and liabilities assumed, the gross transaction price is as follows:

| Particulars | Amount (in million) |
|---|---|
| **Total Transaction Price** | **153,103** |
| Less: Other Assets | 44,344 |
| Add: Other Liabilities | 91,570 |
| Add: Non-Controlling Interest | 9,247 |
| **Gross Transaction Price** | **209,576** |

Based on the above total transaction price and adjusting for the other assets and liabilities assumed, the gross transaction price is allocated as follows on the basis of the allocation explained above :

| Particulars | Amount (in million) |
|---|---|
| Land – freehold, leasehold and development rights of Land as part of Investment property | 96,631 |
| Building as part of Investment property | 88,720 |
| Investment property under construction | 12,898 |
| Property, plant and equipment and other assets | 11,327 |

Notes:

1 (a) Gigaplex- An appeal has been filed for A.Y. 2010-11 before CIT(A) against the penalty order raising demand of ₹ 3 million and the appeal is pending. The company has paid 20% (₹ 1 million) with a request to keep the demand in abeyance. As per Income tax website , there is no demand oustanding.

(b) KRIT - Contingent liability of ₹ 933 million relate to AY 2012-13 to AY 2018-19 for which Company has filed appeals before CIT(A) against orders under section 143(3) / 143(3) read with section 153A of the Act contesting the disallowance of deduction under section 80IA of the Income Tax Act 1961. The Company is hopeful of a favourable outcome for these Assessment Years. In case of unfavourable decisions in appeal for AY 2012-13 to AY 2018-19, the tax would be payable under normal tax and hence, MAT credit currently available with the Company will no longer be available. As a result, in addition to above contingent liability, the Company would require to pay additional tax of ₹ 326 million w.r.t. AY 2019-20 and AY 2020-21 (These years are not under litigation) because during these years the Company has utilized the MAT credit availed during AY 2012-13 to AY 2018-19. The disallowance of deduction under section 80IA for AYs 2012-13 to 2018-19 by the Income Tax department was based on the order for earlier AY 2011-12 wherein similar disallowance was made. The Company had challenged the said order of AY 2011-12 before the ITAT. The Hon'ble ITAT vide its order dated 06.05.2021 allowed the appeal in favour of the Company by quashing the disallowance made by the income-tax authority.

For AY 2009-10 and AY 2010-11, Income tax cases on 80IA disallowances are pending with Hon'ble HC of Telangana based on appeal filed by the department against the ITAT - Hyderabad order, which were in favour of the Company.

a) A Suit has been filed in the year 2008 by Nusli Neville Wadia (Plaintiff) against Ivory Properties and Hotels Private Limited (Ivory) & Others which includes the Company as one of the Defendants inter alia in respect of the land and the 'Paradigm' Industrial Park building of the Company. The Plaintiff has prayed against the Company and the said Ivory restraining them from carrying out further construction or any other activity on the land (on which the building Paradigm is constructed), demolition and removal of the structures on the said land, appointment of a Court Receiver in respect of the said land and Paradigm building, declaring the MOUs / Agreements entered into by the Company with Ivory and the Plaintiff as voidable and having been avoided and rescinded by the Plaintiff and to be delivered up and cancelled, restraining from alienating, encumbering or parting with possession of structures and restraining from dealing with, creating fresh leases / licenses or renewing lease / license in respect of the said Paradigm building and from receiving or recovering any rent / license fee / compensation in respect of the said leases / licenses, depositing all the rents in the Court, etc. The Court has not granted any ad-interim relief to the Plaintiff. The Company has filed its reply to the said Suit denying the allegations and praying that no interim relief be granted to the Plaintiff. The Company in its reply has also taken up a plea that issue of limitation should be decided as a preliminary issue before any interim relief could be granted to the Plaintiff. Pursuant to the Plaintiff's application for expedited hearing of the case, the Hon'ble High Court Bombay vide an Order dated 19/09/2013 and 20/09/2013 framed the issue of limitation under section 9 (A) of Code of Civil Procedure to be tried as to jurisdiction for the maintainability of the suit and directed the Plaintiff to file an affidavit in lieu of examination in chief of the first witness on or before 17 October 2013. Pursuant to the Plaintiff's SLP in the Supreme Court challenging the Orders of the Hon'ble High Court dated 19/09/2013 and 20/09/2013, the Hon'ble Supreme Court vide its Order dated 08/10/2013 stayed the operation of the aforesaid Orders and further proceedings in the High Court Suit No. 414 of 2008. Thereafter the Hon'ble Supreme Court by its Order dated 25 August 2015 has referred the said SLP to a three Judge Bench to be posted along with SLP (C) No. 22438 of 2015.The SC by its Order dated 12.12.2018 disposed off the said SLP as infructuous in view of deletion of Section 9A of the Civil Procedure Code by the Maharashtra Act 61 of 2018 on 29.10.2018. In view of the subsequent amendment by the State of Maharashtra to the said provisions, pursuant to the Petitioners application to restore the SLP by cancelling the Order dated 12.12.2018, by Judgement dated 4.10.2019, three Judge Bench of the SC held that u/s 9A CPC (Maharashtra) question of limitation cannot be decided as a preliminary issue as to jurisdiction. The application for interim relief and the High court Suit are pending for the final hearing. By an order dated 6.5.2022, the SC has disposed off the SLP in terms of the SC 3 Judge Bench Judgement dated 4.10.2019.

Based on an advice obtained from an independent legal counsel, the management is confident that the SPV will be able to suitably defend and the impact, if any, on the Ind AS financial statements can be determined on disposal of the above Petition and accordingly, Ind AS Financial statements of the company have been prepared on a going concern basis.

Further, the Plaintiff, through his advocates & solicitors, had addressed letter dated 13 February 2020 including to Mindspace REIT, the Manager, the Trustee, the Sponsors, Avacado, Mr. Ravi C. Raheja, Mr. Neel C. Raheja, Mr. Chandru L. Raheja, Ivory Properties and KRCPL, expressing his objection to the proposed Offer and any actions concerning the building Paradigm located at Mindspace Malad project. The allegations and averments made by the Plaintiff have been responded and denied by the addressees, through their advocates & solicitors. No further correspondence has been received.

b) Pursuant to the levy of service tax on renting of immovable properties given for commercial use, retrospectively with effect from 1 June 2007 by the Finance Act, 2010, some of the lessees to whom the Company has let out its premises, have based on a legal advice, challenged the said levy and, inter-alia, its retrospective application and withheld payment of service tax to the Company, based on certain judicial pronouncements and stay orders granted by appropriate High Courts from time to time. Further in this regard the Hon'ble Supreme Court has passed an interim order dated 14 October 2011 in Civil appeal nos. 8390, 8391-8393 of 2011 and in compliance of which, such lessees have deposited with appropriate authority in 3 installments, 50% of the amount such service tax not so paid by them upto 30 September 2011 and have furnished surety for the balance 50% of the amount of service tax and which amount has also been deposited by them with the authorities. Further as per Hon'ble Supreme Court's Order dated 5 April 2018 in Civil Appeal No. (s) 4487/2010, the matter is deferred until disposal of the issues pending before the nine judges Bench in Mineral Area Development Authority and others.

In view of the above and subject to the final orders being passed by the Hon'ble Supreme Court in the aforesaid appeals, there may be a contingent liability on the Company in respect of interest payable on account of the delayed payment of service tax, which amount would be recoverable from the respective lessees by the Company.

MBPPL, has submitted a letter denying all allegation of PMC, as MBPPL has not been served with any document referred to the said PMC letter. Subsequently MBPPL addressed one more communication stating that MBPPL would be in a position to submit their reply upon receipt of the details of amount demanded as per their reply submitted which states that if any principal outstanding is due/recoverable, MBPPL agrees to make the said payment and sought detailed clarification on the interest amount. By letter dated 20.07.2019 to MBPPL, PMC provided the copy of the audit report to MBPPL and requested MBPPL to provide its clarifications in respect of objectionable issues and furnish the challans in lieu of payment of the recoverable amount. By letter dated 17.08.2021 to the architect firm and another, PMC stated that it has not received any clarifications and provided the challans of amounts by assessing interest thereon and required submission of challan/ receipt towards payment of an amount of ₹ 183.60 million recoverable against all objectionable issues. By its reply letter dated 06.09.2021 to PMC, MBPPL has again reiterated that the earlier PMC letter dated 04.02.2019 and the PMC letter dated 17.08.2021 are addressed to the wrong persons and informed PMC of the non-receipt of relevant information and documents from PMC as requested by MBPPL earlier. By letter dated 11.10.2021 to PMC, MBPPL replied stating that the impugned challans, demands and notice are illegal, null and void and ultra vires; and likewise the act of issuing the letter dated 17.08.2021 is ultra vires and without the authority of law and called upon PMC to withdraw the impugned challans and letter forthwith. By the said letter MBPPL further stated that if the challans and letter is not withdrawn and any further action is initiated in that event the letter dated 11.10.2021 may be treated as a notice under section 487 of The Maharashtra Municipal Corporations Act, 1949 and under section 159 of The Maharashtra Regional and Town Planning Act, 1966. Further, without prejudice to the contentions raised in the reply and without admitting any liability to pay the amount as per the impugned challans, MBPPL has submitted that, in order to resolve the controversy, MBPPL is willing to offer to pay in full and final settlement on all accounts of all demands raised in the said challans, a lumpsum one-time amount of ₹ 26.64 million without any liability for interest thereon or for any other payments relating to the subject and to provide an opportunity of hearing and furnishing clarifications, if required by PMC.

8 Intime, Sundew and KRIT

a) In accordance with the Scheme of arrangement which was approved by Hon'ble Andhra Pradesh High Court on 23 March 2007, the Industrial Park II and III undertakings of K.Raheja IT Park (Hyderabad) Limited (formerly known as K.Raheja IT Park (Hyderabad) Private Limited) (""KRIT"", ""JV Company"") have been demerged and vested in the Company with effect from the appointed date i.e. 01 September 2006.

The Company had acquired the land at Madhapur, Hyderabad as part of the demerger scheme from KRIT. The said land is in lieu of the employment opportunities to be generated by KRIT and others. The liability, if any, arising due to the obligation to create the job opportunities for the entire larger land of which the above property is a part, continues to be retained by KRIT as at 31 March 2022.

During the year ended 31 March 2016, Telangana State Industrial Infrastructure Corporation Limited ("TSIIC") has returned the original Bank Guarantees to KRIT and also confirmed to the bank that TSIIC will not claim any amount from the bank under the Bank Guarantees and the bank is relieved of its obligation. Hence, no liability is recognised towards the price of the plot of land.

b) An unconditional obligation to pay amounts due to Andhra Pradesh Industrial Infrastructure Corporation Limited ("APIIC") in respect of APIIC's claims of losses due to any difference in values pertaining to sale transactions of the project undertaken by KRIT. Losses incurred by the Government/TSIIC in its JV Company, if any, will be paid in full by K Raheja Corp Pvt Ltd and it has furnished to the JV Company in writing agreeing and admitting liability to make such payment to Government/TSIIC.

The shareholding pattern of the Government/TSIIC in the JV Company and the Company will not change as a result of conversion from Private to Public, the Government / TSIIC equity of 11% will remain the same in the Company and all the demerged companies and further in future, Government / TSIIC will not be asked to infuse further cash to maintain its 11% stake.

in Appellant's Applications for injunction and status quo. In management view, the estimate of liability arising out of the same is remote, no provision has been taken.

10 KRIT

A Writ petition has been filed against the Company in the High Court of Judicature of Andhra Pradesh at Hyderabad with respect to specific use of the land admeasuring 4,500 square yards, earmarked as plot 18. Pursuant to it, the Court has passed an Order for no construction activity on the said plot of land until further orders of the Court. The Company has filed its reply and also sought expeditious hearing. The matter is pending for disposal by the High Court. Based on the facts of the case, the management does not expect any liability and is of the opinion that no provision needs to be made.

11 Horizonview

W.S. Industries (India) Limited ("WSIIL") has filed a writ petition before the Madras High Court against the District Revenue Officer, Thiruvallur ("DRO") and P. Jeyapal S/o R. Perumalsamy ("Jeyapal") seeking directions for quashing a notice dated 25 May 2017 issued by the DRO and Additional District Judge ("Notice"). The Notice was issued by the DRO cum Additional District Judge on a complaint presented by Jeyapal alleging that lands were handed over to WSIIL on certain conditions, and instead of using such lands for common purpose, WSIIL has been using the lands for commercial purpose. WSIIL is the erstwhile owner of the land, a portion of which was subsequently sold and transferred by WSIIL to certain entities. Horizonview has been granted development rights over such land. The Madras High Court, by its order dated 5 June 2017, has granted interim stay. The matter is pending before the Madras High Court. Neither RPIL Signalling Systems Limited (the present owner of the land at Porur being developed by Horizonview Properties Private Limited) nor Horizonview Properties Private Limited is a party to the aforementioned suit.

12 Sundew

The Office of the Land Reforms Tribunal Cum Deputy Collector & Special Grade Revenue Divisional Officer, Attapur ("Tribunal") had, by letter dated 27 August 2009, sought information from the Company under Section 8(2) of the Andhra Pradesh Land Reforms (Ceiling on Agriculture Holdings) Act, 1973 ("APLRAC") in respect of the entire land parcel at Mindspace Madhapur.

The Revenue Department of the Government of Andhra Pradesh forwarded a Memo dated 5 September 2009 for furnishing of certain information to the Government of Andhra Pradesh, including information requested by the letter dated 27 August 2009. The Company had filed a detailed response on 30 September 2009 stating that (a) the land was originally granted by the Government of Andhra Pradesh to K Raheja IT Park Hyderabad Limited (KRIT) which was a joint venture company with Andhra Pradesh Industrial Infrastructure Corporation Limited, (b) the land was vested in the Company by way of demerger order of the Andhra Pradesh High Court, (c) the land has been declared as an SEZ and is therefore exempt from the local laws; (d) the land was shown as a non-agricultural land in the master plan of Hyderabad and is therefore not "land" covered under the APLRAC. The Tribunal issued a final notice to the Company in January 2012 requesting to submit a declaration for full and correct particulars of the lands held. The matter is currently pending before the Tribunal.

Future cash flows in respect of above matters are determinable only on receipt of judgements/decisions pending at various forums/authorities.
